2015 ANNUAL MEETING OF STOCKHOLDERS

November 16, 2015

This Proxy Statement is furnished in connection with the solicitation of proxies on behalf of the Board of Directors of Oconee Federal Financial Corp. to be used at the 2015 Annual Meeting of Stockholders, which will be held at the main office of Oconee Federal Savings and Loan Association, 115 East North Second Street, Seneca, South Carolina 29678 on November 16, 2015, at 4:30 p.m., local time, and all adjournments of the Annual Meeting. The accompanying Notice of Annual Meeting of Stockholders and this Proxy Statement are first being mailed to stockholders on or about October 21, 2015.

REVOCATION OF PROXIES

Stockholders who execute proxies in the form solicited hereby retain the right to revoke them in the manner described below. Unless so revoked, the shares represented by such proxies will be voted at the Annual Meeting and all adjournments thereof. Proxies solicited on behalf of the Board of Directors of Oconee Federal Financial Corp. will be voted in accordance with the directions given thereon. Where no instructions are indicated, validly executed proxies will be voted "FOR" proposals I, II and III, as set forth in this Proxy Statement for consideration at the Annual Meeting. Proxies may be revoked by sending written notice of revocation to the Secretary of Oconee Federal Financial Corp. at the address shown above, delivering a later-dated proxy card or by attending the Annual Meeting and voting in person. The presence at the Annual Meeting of any stockholder who had returned a proxy shall not revoke such proxy unless the stockholder delivers his or her ballot in person at the Annual Meeting or delivers a written revocation to the Secretary of Oconee Federal Financial Corp. prior to the voting of such proxy. If you are a stockholder whose shares are not registered in your name, you will need appropriate documentation from your record holder to vote in person at the Annual Meeting.

VOTING SECURITIES AND PRINCIPAL HOLDERS

Except as otherwise noted below, holders of record of Oconee Federal Financial Corp.'s shares of common stock, par value \$0.01 per share, as of the close of business on October 14, 2015 are entitled to one vote for each share then held. As of October 14, 2015, there were 5,882,140 shares of common stock issued and outstanding. The presence in person or by proxy of a majority of the outstanding shares of common stock entitled to vote is necessary to constitute a quorum at the Annual Meeting.

As to the election of directors, the proxy card being provided by the Board of Directors enables a stockholder to vote FOR all nominees proposed by the Board, to WITHHOLD authority for all nominees or to vote FOR ALL EXCEPT one or more of the nominees being proposed. Directors are elected by a plurality of votes cast and entitled to vote, without regard to either broker non-votes or proxies as to which the authority to vote for the nominees being proposed is withheld. Accordingly, abstentions and broker non-votes will have no effect on the outcome of the election for directors.

As to the advisory, non-binding resolution with respect to the executive compensation as described in this Proxy Statement, a stockholder may: (i) vote FOR the resolution; (ii) vote AGAINST the resolution; (iii) or ABSTAIN from voting on the resolution. The affirmative vote of a majority of the votes present at the Annual Meeting, in person or by proxy, and entitled to vote on the resolution, is required for the approval of this non-binding resolution. Broker non-votes will not affect the outcome of the vote, and abstentions will have the same effect as votes against. While this vote is required by law, it will neither be binding on us or our Board of Directors, nor will it create or imply any change in the fiduciary duties of, or impose any additional fiduciary duty on us or our Board of Directors. However, the Compensation Committee and the Board of Directors will take into account the outcome of the vote when considering future executive compensation arrangements.

As to the ratification of Crowe Horwath LLP as the independent registered public accounting firm, by checking the appropriate box, a stockholder may: (i) vote FOR the ratification; (ii) vote AGAINST the ratification; or (iii) ABSTAIN from voting on such ratification. The affirmative vote of a majority of the votes present at the Annual Meeting, in person or by proxy, and entitled to vote, is required for the ratification of Crowe Horwath LLP as the independent registered public accounting firm for the year ending June 30, 2016. Broker non-votes will not affect the outcome of the vote, and abstentions will have the same effect as votes against.

Under the terms of the ESOP, the ESOP trustee will vote all shares held by the ESOP, but each ESOP participant may direct the trustee how to vote the shares of common stock allocated to his or her account. The ESOP trustee, subject to the exercise of its fiduciary responsibilities, will vote all unallocated shares of our common stock held by the ESOP and all allocated shares for which no voting instructions are received in the same proportion as shares for which it has received timely voting instructions. Under the terms of the 401(k) Plan, a participant is entitled to provide voting instructions for all shares credited to his or her 401(k) Plan account and held in the Oconee Federal Financial Corp. Stock Fund. The deadline for returning your voting instructions is November 9, 2015.

As provided in Section 6 of our Charter, no person may directly or indirectly offer to acquire or acquire the beneficial ownership of more than 10% of the outstanding stock of any class of voting stock of Oconee Federal Financial Corp. held by persons other than Oconee Federal, MHC. Persons who beneficially own in excess of 10% of our common stock held by stockholders other than Oconee Federal, MHC are not entitled to vote any shares held in excess of the 10% limit, and shares held in excess of the 10% limit shall not be counted as stock entitled to vote or counted as voting stock in connection with any matters submitted to the stockholders for a vote. This limitation does not apply to a transaction in which an underwriter purchases stock in connection with a public offering, or the purchase of stock by an ESOP or other tax-qualified employee stock benefit plan that is exempt from applicable regulatory approval requirements. Subject to certain exceptions, a person is deemed to beneficially own shares owned by an affiliate of, as well as by persons acting in concert with, such person.

Persons and groups who beneficially own in excess of 5% of the shares of common stock are required to file certain reports with Oconee Federal Financial Corp. and the Securities and Exchange Commission regarding such ownership. The following table sets forth, as of October 14, 2015, the shares of common stock beneficially owned by each person who was known to us as the beneficial owner of more than 5% of the outstanding shares of common stock.

Name and Address of Beneficial Owners	Amount of Shares Owned and Nature of Beneficial Ownership(1)	Percent of Shares of Common Stock Outstanding
Oconee Federal, MHC 201 East North Second Street Seneca, South Carolina 29678	4,164,415	70.80%

Under regulations promulgated pursuant to the Securities Exchange Act of 1934, shares of common stock are deemed to be beneficially owned by a person if he or she directly or indirectly has or shares (i) voting power, which includes the power to vote or to direct the voting of the shares, or (ii) investment power, which includes the power to dispose or

to direct the disposition of the shares. Unless otherwise indicated, the named beneficial owner has sole voting and dispositive power with respect to the shares.

PROPOSAL I—ELECTION OF DIRECTORS

Our Board of Directors is comprised of six members. Our Bylaws provide that directors are divided into three classes, with one class of directors elected annually. Our directors are generally elected to serve for a three-year period and until their respective successors shall have been elected and shall qualify. Two directors will be elected at the Annual Meeting to serve for a three-year period and until their respective successors shall have been elected and shall qualify. The Nominating and Corporate Governance Committee of the Board of Directors has nominated the following persons to serve as directors for three-year terms: Robert N. McLellan, Jr. and W. Maurice Poore. Each individual is currently a director of Oconee Federal Financial Corp.

The table below sets forth certain information regarding the nominees, the other current members of our Board of Directors, and executive officers who are not directors, including the terms of office of board members. It is intended that the proxies solicited on behalf of the Board of Directors (other than proxies in which the vote is withheld as to any nominee) will be voted at the Annual Meeting for the election of the proposed nominees. If a nominee is unable to serve, the shares represented by all such proxies will be voted for the election of such substitute as the Board of Directors may determine. At this time, the Board of Directors knows of no reason why any of the nominees might be unable to serve, if elected.

Board Independence

The Board of Directors has determined that each of Oconee Federal Financial Corp.'s directors, with the exception of Messrs. T. Evatt and C. Evatt, is an "independent director" as defined in Rule 5605(a)(2) of the listing standards of the Nasdaq Stock Market. In determining the independence of the directors listed above, the Board of Directors reviewed the following transactions, which are not required to be reported under "—Transactions With Certain Related Persons," below. Oconee Federal Savings and Loan Association purchased certain of its insurance policies through the Byrd-McLellan Agency, which received commissions of \$38,891, \$23,600 and \$17,352 for the fiscal years ended June 30, 2015, 2014 and 2013, respectively.

Board Leadership Structure and Risk Oversight

Our Board of Directors is chaired by T. Rhett Evatt, who is also our Chief Executive Officer. We do not have a lead independent director. We believe our structure is appropriate given the relatively small size and relatively non-complex operating philosophy of our organization. In addition, we have never engaged in a transaction with an affiliate of our Chairman. As Chief Executive Officer of our organization, and having been employed by Oconee Federal Savings and Loan Association in various roles for over 40 years, Mr. Evatt is well-positioned to understand the challenges faced by our organization. As a result, he can recommend solutions and prioritize the agenda for action by the Board of Directors. We understand the risk that an inside Chairman could theoretically manage the Board of Directors' agenda to limit the

consideration of important issues relating to management. To minimize the risk involved with having a joint Chairman and Chief Executive Officer, the independent directors meet in executive sessions periodically to discuss certain matters such as the Chief Executive Officer's performance and his annual compensation as well as our independent audit and internal controls.

The Board of Directors is actively involved in oversight of risks that could affect Oconee Federal Financial Corp. This oversight is conducted in part through committees of the Board of Directors, but the full Board of Directors has retained responsibility for general oversight of risks. The Board of Directors satisfies this responsibility through full reports by each committee chair regarding the committee's considerations and actions, through regular reports directly from officers responsible for oversight of particular risks, and through internal and external audits. Risks relating to the operations of Oconee Federal Savings and Loan Association are further overseen by the Board of Directors of Oconee Federal Savings and Loan Association, who are the same individuals who serve on the Board of Directors of Oconee Federal Financial Corp. The Board of Directors of Oconee Federal Savings and Loan Association also has additional committees that conduct risk oversight separate from Oconee Federal Financial Corp. Further, the Board of Directors oversees risks through the establishment of policies and procedures that are designed to guide daily operations in a manner consistent with applicable laws, regulations and risks acceptable to the organization.

Section 16(a) Beneficial Ownership Reporting Compliance

Our executive officers and directors and beneficial owners of greater than 10% of the outstanding shares of common stock are required to file reports with the Securities and Exchange Commission disclosing beneficial ownership and changes in beneficial ownership of our common stock. Securities and Exchange Commission rules require disclosure if an executive officer, director or 10% beneficial owner fails to file these reports on a timely basis. Based on our review of ownership reports required to be filed for the year ended June 30, 2015, no executive officer, director or 10% beneficial owner of our shares of common stock failed to file ownership reports on a timely basis, except for the Form 3 and one Form 4 for C. Todd Latiff to report the receipt of shares of restricted stock and stock options, and one Form 4 for H. Allen Salter to report the sale of shares of common stock.

Code of Ethics

Oconee Federal Financial Corp. has adopted a Code of Ethics that is applicable to its senior financial officers, including the principal executive officer, principal financial officer, principal accounting officer and all officers performing similar functions. Oconee Federal Savings and Loan Association has posted this Code of Ethics on its Internet website at www.oconeeffederal.com.

Attendance at Annual Meetings of Stockholders

Oconee Federal Financial Corp. does not have a written policy regarding director attendance at annual meetings of stockholders, although directors are expected to attend these meetings absent unavoidable scheduling conflicts. All of the directors of Oconee Federal Financial Corp. except for one attended the 2014 annual meeting of stockholders.

Communications with the Board of Directors

Any stockholder who wishes to contact our Board of Directors or an individual director may do so by writing to: Oconee Federal Financial Corp., 201 East North Second Street, Seneca, South Carolina 29678, Attention: Secretary. The letter should indicate that the sender is a stockholder and if shares are not held of record, should include appropriate evidence of stock ownership. Communications are reviewed by the Secretary and are then distributed to the Board of Directors or the individual director, as appropriate, depending on the facts and circumstances outlined in the communications received. The Secretary may attempt to handle an inquiry directly or forward a communication for response by the director or directors to whom it is addressed, or to another employee of Oconee Federal Financial Corp. The Secretary has the authority not to forward a communication if it is primarily commercial in nature, relates to an improper or irrelevant topic, or is unduly hostile, threatening, illegal or otherwise inappropriate.

Meetings and Committees of the Board of Directors

The business of Oconee Federal Financial Corp. is conducted at regular and special meetings of the Board of Directors and its committees. In addition, the “independent” members of the Board of Directors (as defined in the listing standards of the Nasdaq Stock Market) meet in executive sessions. The standing committees of the Board of Directors of Oconee Federal Financial Corp. are the Audit, Compensation and Nominating and Corporate Governance Committees.

The Board of Directors met at seven regular meetings and no special meeting during the year ended June 30, 2015. No member of the Board of Directors or any committee thereof attended fewer than 75% of the aggregate of: (i) the total number of meetings of the Board of Directors (held during the period for which he has been a director); and (ii) the total number of meetings held by all committees on which he served (during the periods that he served).

Audit Committee. The Audit Committee is comprised of Directors Mays, McLellan, Sandifer and Poore, each of whom is “independent” in accordance with applicable SEC rules and Nasdaq listing standards. Mr. Poore serves as chair of the Audit Committee. The Audit Committee also serves as the audit committee of the Board of Directors of Oconee Federal Savings and Loan Association. The Audit Committee does not have an “audit committee financial expert” as defined under applicable SEC rules. The Board of Directors does not believe it is necessary to have such a person on the Audit Committee because each Audit Committee member has the ability to analyze and evaluate our financial statements as well as an understanding of the Audit Committee’s functions. In addition, each Audit Committee member other than Mr. Poore has overseen and assessed the finances and financial reporting of his own business, and Mr. Poore served as Treasurer and Assistant Treasurer of Oconee Federal Savings and Loan Association for over 25 years prior to his retirement in 2009.

Our Board of Directors has adopted a written charter for the Audit Committee, which is available on our Internet website at www.oconeefederal.com. As more fully described in the Audit Committee Charter, the Audit Committee reviews the financial records and affairs of Oconee Federal Financial Corp. and monitors adherence in accounting and financial reporting to accounting principles generally accepted in the United States of America. The Audit Committee met eight times during the year ended June 30, 2015.

Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee is comprised of Directors Mays, Poore and Sandifer, each of whom is independent in accordance with applicable SEC rules and Nasdaq listing standards. Mr. Mays serves as the chair of the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee also serves as the nominating and corporate governance committee of the Board of Directors of Oconee Federal Savings and Loan Association. The Nominating and Corporate Governance Committee operates under a written charter which is available on our Internet website at www.oconeefederal.com. The Nominating and Corporate Governance Committee met two times during the year ended June 30, 2015.

The Nominating and Corporate Governance Committee does not have a formal policy or specific guidelines regarding diversity among board members. However, the Nominating and Corporate Governance Committee seeks members who represent a mix of backgrounds that will reflect the diversity of our stockholders, employees, and customers, and experiences that will enhance the quality of the Board of Directors’ deliberations and decisions. As the holding company for a community bank, the Board of Directors also seeks directors who can continue to strengthen Oconee Federal Savings and Loan Association’s position in its community and can assist Oconee Federal Savings and Loan Association with business development through business and other community contacts. The Board of Directors considers the following criteria in evaluating and selecting candidates for nomination:

- the candidate’s relevant financial, regulatory and business experience and skills, including knowledge of the banking and financial services industries, familiarity with the operations of public companies and the ability to read and understand financial statements;
- the candidate’s familiarity with Oconee Federal Financial Corp.’s market areas and participation in local business, civic, or charitable organizations;

- the candidate's personal and professional integrity, honesty and reputation;

7

- the candidate's ability to represent the best interests of Oconee Federal Financial Corp. and its stockholders, including potential for conflicts of interests with the candidate's other endeavors;
- the candidate's ability to devote sufficient time and energy to perform his or her duties, including the ability to attend meetings and the number of boards and committees of other public companies on which the candidate serves; and
- whether or not the candidate would be independent under applicable SEC rules and Nasdaq listing standards for purposes of service on the Board of Directors or on any particular committee.

The Nominating and Corporate Governance Committee identifies nominees by first evaluating the current members of the Board of Directors willing to continue in service, including the current members' board and committee attendance and performance, length of board service, experience and contributions, and independence. Current members of the Board of Directors with skills and experience that are relevant to Oconee Federal Financial Corp.'s business and who are willing to continue in service are considered for re-nomination, balancing the value of continuity of service by existing members of the board with that of obtaining a new perspective. If there is a vacancy on the Board of Directors because any member of the Board of Directors does not wish to continue in service or if the Nominating and Corporate Governance Committee decides not to re-nominate a member for re-election, the Nominating and Corporate Governance Committee would determine the desired skills and experience of a new nominee (including a review of the skills set forth above), may solicit suggestions for director candidates from all board members and may engage in other search activities.

In accordance with our Bylaws, a person is not qualified to serve as director if he or she: (1) is under indictment for, or has ever been convicted of, a criminal offense involving dishonesty or breach of trust and the penalty for such offense could be imprisonment for more than one year, (2) is a person against whom a banking agency has, within the past ten years, issued a cease and desist order for conduct involving dishonesty or breach of trust and that order is final and not subject to appeal, or (3) has been found either by a regulatory agency whose decision is final and not subject to appeal or by a court to have (i) breached a fiduciary duty involving personal profit, or (ii) committed a willful violation of any law, rule or regulation governing banking, securities, commodities or insurance, or any final cease and desist order issued by a banking, securities, commodities or insurance regulatory agency. During the year ended June 30, 2015, we did not pay a fee to any third party to identify or evaluate or assist in identifying or evaluating potential nominees for director.

The Nominating and Corporate Governance Committee may consider qualified candidates for director suggested by our stockholders. Stockholders can suggest qualified candidates for director by writing to our Secretary at 201 East North Second Street, Seneca, South Carolina 29678. The Secretary must receive a submission not less than 120 days prior to the anniversary of the date of the proxy statement relating to the prior year's annual meeting. The submission must include the following:

- A statement that the writer is a stockholder and is proposing a candidate for consideration by the Nominating and Corporate Governance Committee;
- The name and address of the stockholder, and the number of shares of Oconee Federal Financial Corp.'s common stock that are held of record by such stockholder;
- The name, age, personal and business address of the candidate, the principal occupation or employment of the candidate;

- The candidate's written consent to serve as a director;
- A statement of the candidate's business and educational experience;
- Such other information regarding the candidate as would be required to be included in Oconee Federal Financial Corp.'s proxy statement pursuant to Securities and Exchange Commission Regulation 14A;
- A statement disclosing whether the stockholder is acting with or on behalf of any other person, and, if applicable, the identity of such other person.

Submissions that are received and that satisfy the above requirements are forwarded to the Nominating and Corporate Governance Committee for further review and consideration, using the same criteria to evaluate the candidate as it uses for evaluating other candidates that it considers.

Compensation Committee. The Compensation Committee is comprised of Messrs. Mays, McLellan and Sandifer, each of whom is independent in accordance with applicable SEC rules and Nasdaq listing standards. No member of the Compensation Committee is a current or former officer or employee of Oconee Federal Financial Corp. or Oconee Federal Savings and Loan Association. Mr. McLellan serves as the chair of the Compensation Committee. The Compensation Committee met four times during the year ended June 30, 2015.

The Compensation Committee is responsible for developing compensation guidelines, establishing the compensation of the Chief Executive Officer, and recommending to the entire Board of Directors the compensation for the Chief Financial Officer and the other senior executive officers. No executive officer who is also a director participates with respect to decisions on his compensation.

The Compensation Committee operates under a written charter which is available on our Internet website at www.oconeefederal.com. This charter sets forth the responsibilities of the Compensation Committee and reflects the Compensation Committee's commitment to create a compensation structure that not only compensates senior management but also aligns the interests of senior management with those of our stockholders.

Our goal is to determine appropriate compensation levels that will enable us to meet the following objectives:

- To attract, retain and motivate an experienced, competent executive management team;
- To reward the executive management team for the enhancement of stockholder value based on our annual earnings performance and the market price of our stock;
- To provide compensation rewards that are adequately balanced between short-term and long-term performance goals;
- To encourage ownership of our common stock through stock-based compensation to all levels of management; and
- To maintain compensation levels that are competitive with other financial institutions, particularly those in our peer group based on asset size and market area.

The Compensation Committee considers a number of factors in their decisions regarding executive compensation, including, but not limited to, the level of responsibility and performance of the individual executive officers, the overall performance of Oconee Federal Financial Corp. and a peer group analysis of compensation paid at institutions of comparable size and complexity. The Compensation Committee also considers the recommendations of the Chief Executive Officer with respect to the compensation of executive officers other than the Chief Executive Officer. In addition, the Compensation Committee may delegate to management certain of its duties and responsibilities, including the adoption, amendment, modification or termination of benefit plans.

The base salary levels for our executive officers are set to reflect the duties and levels of responsibilities inherent in the position and to reflect competitive conditions in the banking business in Oconee Federal Financial Corp.'s market area. Comparative salaries paid by other financial institutions are considered in establishing the salary for our executive officers. While the Compensation Committee did not engage a compensation consultant for the 2015 fiscal year, the Compensation Committee has utilized bank compensation surveys compiled by the America Bankers Association as well as other surveys prepared by trade groups and independent benefit consultants in designing our compensation program. In setting the base salaries, the Compensation Committee also considers a number of factors relating to the executive officers, including individual performance, job responsibilities, experience level, ability and the knowledge of the position. These factors are considered subjectively and none of the factors are accorded a

specific weight.

Audit Committee Report

The Audit Committee has issued a report that states as follows:

- We have reviewed and discussed with management our audited consolidated financial statements for the year ended June 30, 2015;
- We have discussed with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 61, "Communication With Audit Committees" as amended; and
- We have received the written disclosures and the letter from the independent registered public accounting firm required by PCAOB Rule 3526, "Communication with Audit Committees Concerning Independence," and have discussed with the independent registered public accounting firm their independence.

Based on the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in our Annual Report on Form 10-K for the year ended June 30, 2015 for filing with the Securities and Exchange Commission.

This report shall not be deemed incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that Oconee Federal Financial Corp. specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

This report has been provided by the Audit Committee:

Transactions With Certain Related Persons

In the ordinary course of business, Oconee Federal Savings and Loan Association makes loans available to its directors, officers and employees. These loans are made in the ordinary course of business on substantially the same terms, including interest rate and collateral, as those prevailing at the time for comparable loans with persons not related to Oconee Federal Savings and Loan Association. Management believes that these loans neither involve more than the normal risk of collectibility nor present other unfavorable features.

Section 402 of the Sarbanes-Oxley Act of 2002 generally prohibits an issuer from: (1) extending or maintaining credit; (2) arranging for the extension of credit; or (3) renewing an extension of credit in the form of a personal loan for an officer or director. There are several exceptions to this general prohibition, one of which is applicable to Oconee Federal Savings and Loan Association. This does not apply to loans made by a depository institution that is insured by the Federal Deposit Insurance Corporation and that is subject to the insider lending restrictions of the Federal Reserve Act. All loans to our directors and officers are made in conformity with the Federal Reserve Act and applicable regulations.

Benefit Plans and Agreements

Employment Agreements. In connection with the completion of the mutual-to-stock conversion, Oconee Federal Savings and Loan Association entered into employment agreements with each of Mr. T. Rhett Evatt and Mr. Curtis T. Evatt, effective as of January 13, 2011. Each agreement has substantially similar terms and has an initial term of three years. Commencing on the first anniversary of the agreements and on each subsequent anniversary thereafter, the agreements will be renewed for an additional year so that the remaining term will be three years, unless a notice is provided to the executive that the agreement will not renew. The current base salaries for Mr. T. Rhett Evatt and Mr. Curtis T. Evatt are \$210,960 and \$191,520, respectively. In addition to the base salary, each agreement provides for, among other things, participation in bonus programs and other fringe benefit plans applicable to executive employees, including automobile and club membership benefits. The executive’s employment may be terminated for cause at any time, in which event the executive would have no right to receive compensation or other benefits for any period after

termination.

Certain events resulting in the executive's termination or resignation entitle the executive to payments of severance benefits following termination of employment. In the event the executive's involuntary termination for reasons other than for cause, disability or retirement, or in the event the executive resigns during the term of the agreement following (a) failure to appoint the executive to the executive position set forth in the agreement, (b) a material change in the executive's function, duties or responsibilities resulting in a reduction of the responsibility, scope, or importance of executive's position, (c) relocation of the

12

executive's office by more than 20 miles, (d) a material reduction in the benefits or perquisites paid to the executive unless such reduction is part of a reduction that is generally applicable to officers or employees of Oconee Federal Savings and Loan Association, or (e) a material breach of the employment agreement by Oconee Federal Savings and Loan Association, then the executive would be entitled to a severance payment in the form of a cash lump sum equal to the base salary and bonus the executive would be entitled to receive for the remaining unexpired term of the employment agreement. For this purpose, the bonuses payable will be deemed to be equal to the highest bonus paid at any time during the prior three years. In addition, the executive would be entitled to receive a lump sum payment equal to the present value of the contributions that would reasonably have been expected to be made on executive's behalf under Oconee Federal Savings and Loan Association's defined contribution plans (e.g., 401(k) Plan, ESOP) if the executive had continued working for the remaining unexpired term of the employment agreement earning the salary that would have been achieved during such period. In addition, the executive would be entitled, at no expense to the executive, to the continuation of life insurance and non-taxable medical and dental coverage for the remaining unexpired term of the employment agreement, or if such coverage is not permitted by applicable law or would result in an excise tax or additional tax (other than ordinary income tax), the executive will receive a cash lump sum payment equal to the premiums payable by the executive to obtain similar benefits, to the extent that such payment does not result in a tax penalty or violate applicable law.

In the event of a change in control of Oconee Federal Savings and Loan Association or Oconee Federal Financial Corp., followed by the executive's involuntary termination other than for cause, disability or retirement, or resignation for one of the reasons set forth above within 18 months thereafter, the executive would be entitled to a severance payment in the form of a cash lump sum equal to (a) three times the sum of (i) the highest rate of base salary paid to the executive at any time, and (ii) the highest bonus paid to the executive with respect to the three completed fiscal years prior to the change of control, plus (b) a lump sum equal to the present value of the contributions that would reasonably have been expected to be made on the executive's behalf under Oconee Federal Savings and Loan Association's defined contribution plans (e.g., 401(k) Plan, ESOP) if the executive had continued working for an additional 36 months after termination of employment, earning the salary that would have been achieved during such period. In addition, the executive would be entitled, at no expense to the executive, to the continuation of life insurance and non-taxable medical and dental coverage for 36 months following the termination of employment, or if such coverage is not permitted by applicable law or would result in an excise tax or additional tax (other than ordinary income tax), the executive will receive a cash lump sum payment equal to the premiums payable by the executive to obtain similar benefits, to the extent that such payment does not result in a tax penalty or violate applicable law. In the event payments made to the executive include an "excess parachute payment" as defined in Section 280G of the Internal Revenue Code, such payments will be cutback by the minimum dollar amount necessary to avoid this result.

Under each employment agreement, if an executive becomes disabled within the meaning of such term under Section 409A of the Internal Revenue Code, the executive shall receive benefits under any short-term or long-term disability plans maintained by Oconee Federal Savings and Loan Association, plus, if amount paid under such disability programs are less than the executive's base salary, Oconee Federal Savings and Loan Association shall pay the executive an additional amount equal to the difference between such disability plan benefits and the amount of the executive's full base salary for the longer of one year or the remaining term of the employment agreement following the termination of employment due to disability. Oconee Federal Savings and Loan Association will also provide the executive with continued life insurance and non-taxable medical and dental coverage until the earlier of (i) the date the executive returns to full-time employment with Oconee Federal Savings and Loan Association, (ii) the executive's full-time employment with another employer, (iii) the expiration of the remaining term of the employment agreement, or (iv) death, or if such coverage is not permitted by applicable law or would result in an excise tax or additional tax (other than ordinary income tax), the executive will receive a cash lump sum payment equal to the premiums payable by the executive to obtain similar benefits, to the extent that such payment does not result in a tax penalty or violate applicable law.

In the event of executive's death, his estate or beneficiaries will be paid the executive's base salary for one year from executive's death, and the executive's family will be entitled to continued non-taxable medical, dental and other insurance for twelve months following the executive's death, or if such coverage is not permitted by applicable law or would result in an excise tax or additional tax (other than ordinary income

tax), the executive will receive a cash lump sum payment equal to the premiums payable by the executive to obtain similar benefits, to the extent that such payment does not result in a tax penalty or violate applicable law.

Upon termination of the executive's employment, the executive shall be subject to certain restrictions on their ability to compete, or to solicit business or employees of Oconee Federal Savings and Loan Association and Oconee Federal Financial Corp. for a period of one year following termination of employment.

Non-Qualified Salary Continuation Agreement. Oconee Federal Savings and Loan Association entered into a non-qualified salary continuation agreement with T. Rhett Evatt in 1997. The agreement provides that Mr. Evatt is entitled to receive a supplemental retirement benefit of \$10,000 a year payable over 15 years following the earlier of his (i) death, (ii) total and permanent disability, or (iii) retirement (with the benefit paid in monthly installments). Mr. Evatt is fully vested in his supplemental retirement benefit.

401(k) Plan. In connection with the mutual-to-stock conversion, Oconee Federal Savings and Loan Association adopted the Oconee Savings and Loan Association 401(k) Profit Sharing Plan ("401(k) Plan"), effective October 1, 2010. The 401(k) Plan amends and supersedes the Oconee Savings and Loan Association Profit Sharing Plan. Employees who have attained age 21 and completed 90 consecutive days of employment are eligible to participate in the 401(k) Plan. Under the 401(k) Plan a participant may elect to defer, on a pre-tax basis, up to 100% of his or her salary in any plan year, subject to limits imposed by the Internal Revenue Code. For 2015, the salary deferral contribution limit is \$18,000, provided, however, that a participant over age 50 may contribute an additional \$6,000, for a total contribution of \$24,000. In addition to salary deferral contributions, Oconee Federal Savings and Loan Association may make matching contributions and profit sharing contributions. Generally, unless the participant elects otherwise, the participant's account balance will be distributed as a result of his or her termination of employment with Oconee Federal Savings and Loan Association.

Each participant has an individual account under the 401(k) Plan and may direct the investment of his or her account among a variety of investment options.

Employee Stock Ownership Plan. Effective January 1, 2011, Oconee Federal Savings and Loan Association adopted an employee stock ownership plan (the "ESOP") for eligible employees. Eligible employees who have completed 1,000 hours of service during a continuous 12-month period (a "year of service") will begin participation in the ESOP upon the first entry date commencing on or after the eligible employee's completion of a year of service.

The ESOP owns, on behalf of the ESOP participants, 248,842 of our outstanding shares and may make additional purchases, with regulatory approval, in the open market. The ESOP funded its stock purchase with a loan from Oconee Federal Financial Corp. The loan is repaid principally through Oconee Federal Savings and Loan Association's contribution to the ESOP and dividends payable on common stock held by the ESOP over the 25-year term of the loan. The interest rate for the ESOP loan is currently 3.25%, and adjusts annually to a rate equal to the prime rate on the first business day of the calendar year, retroactive to January 1 of such year.

The trustee holds the shares purchased by the ESOP in an unallocated suspense account, and shares will be released from the suspense account on a pro-rata basis as the loan is repaid. The trustee will allocate the shares released among participants on the basis of each participant's proportional share of compensation relative to all participants. Each participant will vest in his or her benefit at a rate of 20% per year, beginning after the participant's completion of his or her second year of service, such that the participant will be fully vested upon completion of six years of credited service. However, each participant who was employed by Oconee Federal Savings and Loan Association prior to the offering will receive credit for vesting purposes for years of service prior to the adoption of the ESOP. A participant also will become fully vested automatically in his or her benefit upon normal retirement, death or disability, a change in control, or termination of the ESOP. Generally, a participant will receive a distribution from the ESOP upon separation from service.

The ESOP permits a participant to direct the trustee as to how to vote the shares of common stock allocated to his or her account. The trustee votes unallocated shares and allocated shares for which

participants do not provide instructions on any matter in the same ratio as those shares for which participants provide instructions, subject to fulfillment of the trustee's fiduciary responsibilities.

Under applicable accounting requirements, Oconee Federal Savings and Loan Association records a compensation expense for the ESOP at the fair market value of the shares as they are committed to be released from the unallocated suspense account to each participant's account. The compensation expense resulting from the release of the common stock from the suspense account and allocation to plan participants will result in a corresponding reduction in Oconee Federal Financial Corp.'s earnings.

2012 Equity Incentive Plan. In April 2012, our stockholders approved the Oconee Federal Financial Corp. 2012 Equity Incentive Plan (the "Equity Incentive Plan") to provide officers, employees and directors of Oconee Federal Financial Corp. and Oconee Federal Savings and Loan Association with additional incentives to promote the growth and performance of Oconee Federal Financial Corp. The Equity Incentive Plan will remain in effect until April 2022. The Equity Incentive Plan authorizes the issuance of up to 435,472 shares of our common stock pursuant to grants of incentive and non-qualified stock options and restricted stock awards, provided that no more than 124,420 shares may be issued as restricted stock awards, and no more than 311,052 shares may be issued pursuant to the exercise of stock options. As of June 30, 2015, we have granted 248,686 stock options and 112,294 restricted stock awards under the Equity Incentive Plan.

The Equity Incentive Plan is administered by the Compensation Committee, who are "Disinterested Board Members," as defined in the Equity Incentive Plan. The Compensation Committee has full and exclusive power within the limitations set forth in the Equity Incentive Plan to make all decisions and determinations regarding the selection of participants and the granting of awards; establishing the terms and conditions relating to each award; adopting rules, regulations and guidelines for carrying out the Equity Incentive Plan's purposes; and interpreting and otherwise construing the Equity Incentive Plan.

Our employees and directors are eligible to receive awards under the Equity Incentive Plan. Awards may be granted in a combination of incentive and non-statutory stock options or restricted stock awards. The exercise price of options granted under the plan may not be less than the fair market value on the date the stock option is granted. Stock options are either "incentive" stock options or "non-qualified" stock options; however, non-employees may not be granted "incentive" stock options. Incentive stock options have certain tax advantages and must comply with the requirements of Section 422 of the Internal Revenue Code. Stock options are subject to vesting conditions and restrictions as determined by the Compensation Committee. Upon the occurrence of an involuntary termination of employment following a change in control of Oconee Federal Financial Corp., as defined in the Equity Incentive Plan, all outstanding options then held by a participant will become fully exercisable and all restricted stock awards shall be fully earned and vested.

Stock awards under the Equity Incentive Plan will be granted only in whole shares of common stock of Oconee Federal Financial Corp. The total number of shares that may be acquired upon the exercise of a stock option will be rounded down to the nearest whole share. Stock awards will be subject to vesting and other conditions established by the Compensation Committee that are set forth in the award agreement.

On September 16, 2015, the firm was dismissed as Oconee Federal Financial Corp.’s principal accountants, effective upon the issuance of Oconee Federal Financial Corp.’s consolidated financial statements as of and for the fiscal year ended June 30, 2015. On September 28, 2015, Cherry Bekaert LLP completed its audit of Oconee Federal Financial Corp.’s consolidated financial statements as of and for the year ended June 30, 2015. The audit reports of Cherry Bekaert LLP on the consolidated financial statements of Oconee Federal Financial Corp. as of and for the fiscal years ended June 30, 2015 and 2014 did not contain an adverse opinion or a disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope or accounting principles.

The Audit Committee has adopted a pre-approval policy, and preapproves all auditing services and permitted non-audit services (including the fees and terms thereof) to be performed for us by our independent registered public accounting firm, subject to the de minimus exceptions for non-audit services described in Section 10A(i)(1)(B) of the Securities Exchange Act of 1934, as amended, which are approved by the Audit Committee prior to the completion of the audit.
