### 8. PORTFOLIO SECURITIES LOANED

The Company makes loans of securities to brokers, secured by cash deposits, U.S. Government securities, or bank letters of credit. The Company accounts for securities lending transactions as secured financing and receives compensation in the form of fees or retains a portion of interest on the investment of any cash received as collateral. The Company also continues to receive interest or dividends on the securities loaned. ### Item 2. CONTROLS AND PROCEDURES.

Conclusions of principal officers concerning controls and procedures:

(a) As of April 24, 2007, an evaluation was performed under the supervision and with the participation of the officers of The Adams Express Company (the "Company"), including the principal executive officer ("PEO") and principal financial officer ("PFO"), of the effectiveness of the Company's disclosure controls and procedures. Based on that evaluation, the Company's officers, including the PEO and PFO, concluded that, as of April 24, 2007, the Company's disclosure controls and procedures were reasonably designed so as to ensure: (1) that information required to be disclosed by the Company on Form N-Q is properly recorded, processed, and summarized in accordance with the rules and forms of the Securities and Exchange Commission; and (2) that material information relating to the Company is made known to the PEO and PFO as appropriate to allow timely decisions regarding required disclosure.

Prior to this evaluation, the Company uncovered a weakness in its disclosure controls and procedures that caused this Form N-Q, which was due to be filed on or before November 29, 2006, not to be filed timely. This weakness was primarily attributable to human error. The 2006 Third Quarter Report to stockholders, containing the exact

Edgar Filing: ADAMS EXPRESS CO - Form N-Q

portfolio information called for in this Form N-Q, was timely issued and filed; however the Company failed to file this Form N-Q by the due date. To prevent similar problems in the future, the Company has modified its computer-based reminder system to issue alerts to the appropriate personnel of the need to prepare and file the Forms N-Q several times during the 60 day period for the filing.

(b) There have been no significant changes in the Company's internal control over financial reporting (as defined in Rule 30 a-3(d) under the Investment Company Act of 1940 (17 CFR 270.30a-3(d)) that occurred during the Company's last fiscal quarter that have materially affected, or are reasonably likely to materially affect, the Company's internal control over financial reporting.

Item 3. EXHIBITS.

The certifications of the principal executive officer and principal financial officer pursuant to Rule 30a-2(a) under the Investment Company Act of 1940 are attached hereto as Form N-Q Certifications.
