TRIARC EXTENDS \$50 MILLION STOCK REPURCHASE PROGRAM

New York, NY, January 21, 2003 -- Triarc Companies, Inc. (NYSE: TRY) announced today that it has extended its current \$50 million Class A Common Stock repurchase program until January 18, 2004 and replenished the amount available under the program to permit Triarc to purchase up to \$50 million of Class A Common Stock on or after January 18, 2003. Under the existing program, Triarc has repurchased approximately 438,500 shares at an aggregate cost of approximately \$10.5 million. The \$10.5 million replenishment and 12 month extension will allow the Company to continue repurchasing Class A shares when and if market conditions warrant and to the extent legally permissible.

Commenting on the share repurchase program, Nelson Peltz, Triarc's Chairman and Chief Executive Officer, said: "We continue to carefully evaluate our options for the use of Triarc's significant cash and investment position. The extension of our share repurchase program will allow us to repurchase additional Triarc shares going forward. Our goal is to create value for our shareholders."

Over the last five years, Triarc has repurchased approximately \$180 million of its stock, including approximately 2.6 million Class A Common Shares for approximately \$51.1 million and all of the then outstanding approximately six million Class B Common Shares for approximately \$127 million.

Triarc currently has 20,391,770 shares of Class A Common Stock outstanding.

Triarc is a holding company and through its subsidiaries, the franchisor of the Arby's(R) restaurant system and an operator of approximately 240 Arby's restaurants located in the United States.
