This corresponds to \$2.8750 per year per 1/20 undivided beneficial ownership interest in a \$1,000 principal amount senior note.</p> <p>On and after the purchase contract settlement date or, if earlier, a remarketing settlement date, interest on each senior note will be payable semi-annually in arrears on February 17 and August 17 of each year, commencing August 17, 2009, at the reset interest rate or, if the interest rate has not been reset, at the annual rate of 5.75%.</p>
