This communication contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Such statements include, but are not limited to, statements about the benefits of the proposed transaction between Modine and Transpro, including future financial and operating results, plans, objectives, expectations and intentions and other statements that are not historical facts. Such statements are based upon the current beliefs and expectations of Modine's and Transpro's management and are subject to significant risks and uncertainties. Actual results may differ from those set forth in the forward-looking statements. When used in this communication the terms "anticipate," "believe," "estimate," "expect," "may," "objective," "plan," "possible," "potential," "project," "will" and similar expressions identify forward-looking statements.

Additional factors that could cause Modine's and Transpro's results to differ materially from those described in the forward-looking statements can be found in the Annual Reports on Forms 10-K of Modine and Transpro, in the Quarterly Reports on Forms 10-Q of Modine and Transpro, and the companies' other filings with the SEC. Modine and Transpro assume no obligation and expressly disclaim any duty to update information contained in this [communication] except as required by law.
