National Grid plc

UPDATE ON NATIONAL GRID ACQUISITION OF KEYSpan

National Grid is pleased to announce that the New Hampshire Public Utilities Commission (NHPUC) has issued an order approving the acquisition of KeySpan. This order follows the settlement in principle previously announced on 27 April 2007.

The sole remaining approval for the acquisition is authorisation by the New York Public Service Commission (NYPS). National Grid announced on 6 July 2007 that it had reached an agreement in principle with the staff of the New York State Department of Public Service and several other parties regarding the acquisition of KeySpan, the latest procedural schedule indicates that the merger approval will be placed before the NYPS for a vote as on 22 August. Subject to an approval vote, completion of the acquisition is expected shortly thereafter.

16 July 2007

National Grid plc (NG.) Voting Rights and Capital- Update

Today, National Grid transferred 19,867 shares held in Treasury to employee share scheme participants. Following this change, National Grid plc's registered capital consists of 2,669,361,076 ordinary shares, of which 13,919,121 have been purchased in the market and registered as Treasury Shares; leaving a balance of **2,655,441,955** shares with voting rights.

The figure of **2,655,441,955** may be used by shareholders as the denominator for the calculations by which they will determine if they are required to notify their interest in, or a change to their interest in, National Grid plc under the FSA's Disclosure and Transparency Rules.

Note: This notification confirms actual capital as recorded on the register at the above date, allowing for changes recorded since the last notification. National Grid is currently undertaking a share repurchase programme. Where repurchases are made, separate covering announcements will, as required, identify numbers being repurchased and the supporting details indicate resultant share capital after market settlement and cancellation, or transfer to Treasury, of the shares involved (and any earlier repurchases which remain to be registered).
