PROPOSAL 1. ELECTION OF TRUSTEES

The Board of Trustees of the Fund (the "Board") is divided into three classes with the term of office of one class expiring at the annual meeting of shareholders of the Fund each year. It is proposed that shareholders of the Fund consider the election of three Class I Trustees to serve for three-year terms and until their respective successors are duly elected and qualified. The individual nominees (the "Nominees") proposed for election are listed below. Each Nominee currently serves as a Trustee of the Fund. Each Nominee was nominated by the Fund's nominating committee and has consented to being named in this proxy statement and has agreed to continue to serve as a Trustee if elected. None of the Nominees nor any of the Fund's Trustees not standing for election at the meeting (the "Continuing Trustees") are "interested persons," as defined in the Investment Company Act of 1940, as amended (the "1940 Act"), of the Fund.

The persons named as proxies on the accompanying proxy card intend to vote each proxy for the election of the Nominees, unless shareholders specifically indicate on their proxies the desire to withhold authority to vote for elections to office. It is not contemplated that any Nominee will be unable to serve as a Trustee for any reason, but if that should occur prior to the meeting, the proxyholders reserve the right to substitute another person or persons of their choice as nominee or nominees. The address of each Nominee is 200 Park Avenue, New York, New York 10166.

Board Oversight Role in Management. The Board's role in management of the Fund is oversight. As is the case with virtually all investment companies (as distinguished from operating companies), service providers to the Fund, primarily the Investment Adviser and its affiliates, have responsibility for the day-to-day management of the Fund, which includes responsibility for risk management (including management of investment performance and investment risk, valuation risk, issuer and counterparty credit risk, compliance risk and operational risk). As part of its oversight, the Board, acting at its scheduled meetings, or the Chairman, acting between Board meetings, regularly interacts with and receives reports from senior personnel of

service providers, including the Investment Adviser's Chief Investment Officer (or a senior representative of his office), the Fund's and the Investment Adviser's Chief Compliance Officer and portfolio management personnel. The Board's audit committee (which consists of all Trustees) meets during its regularly scheduled and special meetings, and between meetings the audit committee chair is available to the Fund's independent registered public accounting firm and the Fund's Chief Financial Officer. The Board also receives periodic presentations from senior personnel of the Investment Adviser or its affiliates regarding risk management generally, as well as periodic presentations regarding specific operational, compliance or investment areas, such as business continuity, personal trading, valuation, credit, investment research and securities lending. As warranted, the Board also receives informational reports from counsel to the Fund or the Board's own independent legal counsel regarding regulatory compliance and governance matters. The Board has adopted policies and procedures designed to address certain risks to the Fund. In addition, the Investment Adviser and other service providers to the Fund have adopted a variety of policies, procedures and controls designed to address particular risks to the Fund. Different processes, procedures and controls are employed with respect to different types of risks. However, it is not possible to eliminate all of the risks applicable to the Fund, and the Board's risk management oversight is subject to inherent limitations.

Board Composition and Leadership Structure. The 1940 Act requires that at least 40% of the Fund's Trustees not be "interested persons" (as defined in the 1940 Act) of the Fund and as such are not affiliated with the Investment Adviser ("Independent Trustees"). To rely on certain exemptive rules under the 1940 Act, a majority of the Fund's Trustees must be Independent Trustees, and for certain important matters, such as the approval of investment advisory agreements or transactions with affiliates, the 1940 Act or the rules thereunder require the approval of a majority of the Independent Trustees. Currently, all of the Fund's Trustees, including the Chairman of the Board, are Independent Trustees. The Board has determined that its leadership structure, in which the Chairman of the Board is not affiliated with the Investment Adviser, is appropriate in light of the specific characteristics and circumstances of the Fund, including, but not limited to: (i) services that the Investment Adviser and its affiliates provide to the Fund and potential conflicts of interest that could arise from these relationships; (ii) the extent to which the day-to-day operations of the Fund are conducted by Fund officers and employees of the Investment Adviser and its affiliates; and (iii) the Board's oversight role in management of the Fund.

Each Nominee, except Ms. Francine J. Bovich, has been a Trustee of the Fund and Dreyfus mutual funds for at least 10 years. Additional information about each Nominee follows (supplementing the information provided in the table above) that describes some of the specific experiences, qualifications, attributes or skills that each Nominee possesses which the Board believes has prepared them to be effective Trustees (this information for Continuing Trustees is set forth on Exhibit A). The Board believes that the significance of each Trustee's experience, qualifications, attributes or skills is an individual matter (meaning that experience that is important for one Trustee may not have the same value for another) and that these factors are best evaluated at the board level, with no single Trustee, or particular factor, being indicative of board effectiveness. However, the Board believes that Trustees need to have the ability to critically review, evaluate, question and discuss information provided to them, and to interact effectively with Fund management, service providers and counsel, in order to exercise effective business judgment in the performance of their duties; the Board believes that its members satisfy this standard. Experience relevant to having this ability may be achieved through a Trustee's educational background; business, professional training or practice (*e.g.*, medicine, accounting or law), public service or academic positions; experience from service as a board member (including the Board of the Fund) or as an executive of investment funds, public companies or significant private or not-for-profit entities or other organizations; and/or other life experiences. To assist them in evaluating matters under federal and state law, the Trustees are counseled by their own independent legal counsel, who participates in Board meetings and interacts with the Investment Adviser; both Board and Fund counsel have significant experience advising funds and fund board members. The Board and its committees have the ability to engage other experts as appropriate. The Board evaluates its performance on an annual basis.

Francine J. Bovich – Ms. Bovich currently also serves as a Trustee for The Bradley Trusts, private trust funds. She is an Emeritus Trustee of Connecticut College, where she served as Trustee from 1986 to 1997, and currently serves as Chair of the Investment Sub-Committee for Connecticut College's endowment fund. From April 1993 until September 2010, Ms. Bovich was a Managing Director at Morgan Stanley Investment Management, holding various positions including Co-Head of Global Tactical Asset Allocation Group, Operations Officer, and Head of the U.S. Institutional Equity Group. Prior to joining Morgan Stanley Investment Management, Ms. Bovich was Principal, Executive Vice President and Senior Portfolio Manager at Westwood Management Corporation, where she worked from 1986 until 1993. From 1980 to 1986, she worked at CitiCorp Investment Management, Inc. as Managing Director and Senior Portfolio Manager. From 1973 to 1980, Ms. Bovich was an Assistant Vice President and Equity Portfolio Manager at Bankers Trust Company. From 1991 to 2005, she served as U.S. Representative to the United Nations Investments Committee, advising a global portfolio of approximately \$30 billion.

3

Stephen J. Lockwood – In addition to his tenure as a Trustee of various Dreyfus mutual funds, or their predecessor funds, Mr. Lockwood's business experience of over 40 years includes being a director and/or officer of various financial institutions, including insurance companies, real estate investment companies and venture capital firms. Mr. Lockwood serves as Managing Director and Chairman of the Board of Stephen J. Lockwood & Company, LLC, a real estate investment company. Mr. Lockwood was formerly the Vice Chairman and a member of the Board of Directors of HCC Insurance Holdings, Inc., a New York Stock Exchange-listed insurance holding company.

Benaree Pratt Wiley – In addition to her tenure as a Trustee of various Dreyfus mutual funds, Ms. Wiley has been a business entrepreneur and management consultant for over 19 years. Ms. Wiley is a Principal of The Wiley Group, a firm specializing in personnel strategy, talent management and leadership development primarily for global insurance and consulting firms. Prior to that, Ms. Wiley served as the President and Chief Executive Officer of The Partnership, Inc., a talent management organization for multicultural professionals in the greater Boston region. Ms. Wiley currently serves on the board of Blue Cross Blue Shield of Massachusetts and is chair of the advisory board of PepsiCo African-American, and she has served on the boards of several public companies and charitable organizations.

Fund Board Committees. The Fund has a standing audit committee comprised of all of the Independent Trustees. The function of the audit committee is (1) to oversee the Fund's accounting and financial reporting processes and the audits of the Fund's financial statements and (2) to assist in the Board's oversight of the integrity of the Fund's financial statements, the Fund's compliance with legal and regulatory requirements and the qualifications, independence and performance of the Fund's independent registered public accounting firm. A copy of the Fund's Audit Committee Charter, which describes the audit committee's purposes, duties and responsibilities, is available at www.dreyfus.com in the "Individual Investors" section. The Fund also has a standing nominating committee comprised of all of the Independent Trustees. The Fund's nominating committee is responsible for selecting and nominating persons as members of the Board for election or appointment by the Board and for election by shareholders. The committee will consider recommendations for nominees from shareholders submitted to the Secretary of the Fund, c/o The Dreyfus Corporation Legal Department, 200 Park Avenue, 8th Floor East, New York, New York 10166, and including information regarding the recommended nominee as specified in the Nominating Committee Charter. In evaluating potential nominees, including any nominees recommended by shareholders, the committee takes into consideration the factors listed in the Fund's Nominating Committee Charter and Procedures (the "Nominating Committee Charter"), including character and integrity and business and professional experience. The nominating committee may consider whether a potential nominee's professional experience, education, skills and other individual qualities and attributes, including gender, race or national origin, would provide beneficial diversity of skills, experience or perspective to the Board's membership and collective attributes. Such considerations will vary based on the Board's existing membership and other factors, such as the strength of a potential nominee's overall qualifications relative to diversity considerations. The Nominating Committee Charter is not available on the Fund's or Dreyfus' website, but was attached as an Exhibit to the Fund's proxy statement for the 2010 annual shareholder meeting (filed with the Securities and Exchange Commission (the "SEC") on June 16, 2010). The Fund also has a standing

4

pricing committee comprised of any one or more of the Trustees, the function of which is to assist in valuing the Fund's investments. The Fund also has a standing compensation committee comprised of Ms. Roslyn M. Watson (Chair), Mr. James M. Fitzgibbons and Ms. Benaree Pratt Wiley. The function of the compensation committee is to establish the appropriate compensation for serving on the Board.

For the fiscal year ended March 31, 2012, the Fund held eight Board meetings, five audit committee meetings, two nominating committee meetings and one compensation committee meeting. The pricing committee did not meet during the last fiscal year. Each Trustee (except Kenneth A. Himmel) attended at least 75% of all Board and committee meetings (of which the Trustee was a member) held during the last fiscal year. The Fund does not have a formal policy regarding Trustees' attendance at annual meetings of shareholders. Trustees did not attend last year's annual meeting.

Compensation. Each Trustee also serves as a board member of other funds in the Dreyfus fund complex. Annual retainer fees and meeting attendance fees are allocated among the Fund and those other funds on the basis of net assets, with the Chairman of the Boards, Joseph S. DiMartino, receiving an additional 25% of such compensation. The Fund also reimburses each Trustee for travel and out-of-pocket expenses in connection with attending board or committee meetings. Emeritus Trustees are entitled to receive an annual retainer of one-half the amount paid as a retainer at the time the Trustee became emeritus and a per meeting attended fee of one-half the amount paid to Trustees. The Fund does not have a bonus, pension, profit-sharing or retirement plan.

The aggregate amount of compensation paid to each Nominee by the Fund for the fiscal year ended March 31, 2012, and by all funds in the Dreyfus Family of Funds for which such Nominee was a Trustee, for the year ended December 31, 2011, was as follows:

ADDITIONAL INFORMATION

Selection of Independent Registered Public Accounting Firm

The 1940 Act requires that the Fund's independent registered public accounting firm be selected by a majority of the Independent Trustees. The audit committee has direct responsibility for the appointment, compensation, retention and oversight of the Fund's independent registered public accountants. At a meeting held on April 26, 2012, the Fund's audit committee approved, and the Fund's Board, including a majority of the Independent Trustees, ratified and approved the selection of KPMG LLP as independent registered public accountants for the fiscal year ending March 31, 2013. A copy of the audit committee's report for the Fund is attached as Exhibit B to this proxy statement.

Independent Registered Public Accountant Fees and Services

The following chart reflects fees to KPMG LLP in the Fund's last two fiscal years. For Service Affiliates (i.e., Dreyfus and any entity controlling, controlled by or under common control with Dreyfus that provides ongoing services to the Fund), such fees represent only those fees that require pre-approval by the audit committee, except the Aggregate Non-Audit Fees amount, which includes all non-audit fees paid to KPMG LLP by the Fund and Service Affiliates. All services provided by KPMG LLP were pre-approved as required, and no services were approved by the audit committee pursuant to paragraph (c)(7)(i)(C) of Rule 2-01 of Regulation S-X.

Audit Committee Pre-Approval Policies and Procedures. The Fund's audit committee has established policies and procedures (the "Policy") for pre-approval (within specified fee limits) of KPMG LLP's engagements for audit and non-audit services to the Fund and non-audit services to Service Affiliates without specific case-by-case consideration. The pre-approved services in the Policy can include pre-approved audit services, pre-approved audit-related services, pre-approved tax services and pre-approved all other services. Pre-approval considerations include whether the proposed services are compatible with maintaining KPMG LLP's independence. The Policy and services covered therein are considered annually. In addition, proposed services requiring pre-approval but not covered by the Policy are considered from time to time as necessary.

Registered Public Accounting Firm Independence. The Fund's audit committee has considered whether the provision of non-audit services that were rendered to Service Affiliates which did not require pre-approval are compatible with maintaining KPMG LLP's independence.

A representative of KPMG LLP is expected to be present at the meeting, will have the opportunity to make a statement, and will be available to respond to appropriate questions.

A quorum is constituted by the presence in person or by proxy of the holders of a majority of the shares of beneficial interest issued and outstanding and entitled to vote at the meeting.

Dreyfus High Yield Strategies Fund

REPORT OF THE AUDIT COMMITTEE

The audit committee oversees the Fund's financial reporting process on behalf of the Board of Trustees. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the committee reviewed and discussed the audited financial statements in the Annual Report with management.

The committee reviewed with the independent registered public accounting firm, that is responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Fund's accounting principles and such other matters as are required to be discussed with the committee under the standards of the Public Company Accounting Oversight Board (United States) ("PCAOB"). In addition, the committee has discussed with the independent registered public accountants the registered public accountants' independence from management and the Fund, including the registered public accountants' letter and the matters in the written disclosures required by the PCAOB provided to the committee.

The committee discussed with the Fund's independent registered public accountants the overall scope and plans for the audits. The committee met with the independent registered public accountants, with and without management present, to discuss the results of their audits, their evaluations of the Fund's internal controls, and the overall quality of the Fund's financial reporting.

Based on the reviews and discussions referred to above, the committee recommended to the Board of Trustees (and the Board has approved) that the audited financial statements be included in the Annual Report to Shareholders for the year ended March 31, 2012. The committee and the Board also have approved the selection of KPMG LLP as the Fund's independent registered public accountants.
