ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD TUESDAY, MAY 18, 2004

PROXY STATEMENT

This Proxy Statement is furnished to the stockholders of Bar Harbor Bankshares ("the Company") in connection with the solicitation of proxies on behalf of the Board of Directors for use at the Annual Meeting of Stockholders ("the Meeting"). The Meeting will be held on Tuesday, May 18, 2004 at 11:00 a.m. EDT at the Atlantic Oakes Conference

Center on Route 3 in Bar Harbor, Maine. The official *Notice of the Annual Meeting of Stockholders* accompanies this Statement. A *Form of Proxy* for use at the meeting and a return envelope for the proxy are enclosed. A stockholder who executes the proxy may, prior to its use, revoke it by written instrument, by a subsequently executed proxy or, if attending the Meeting, by notifying the Clerk or by giving notice at the Meeting. This Proxy Statement and the enclosed Form of Proxy will be mailed to the stockholders of the Company on or about April 2, 2004.

Proxies are being solicited by the Board of Directors of the Company, ("the Board"), principally through the mail. The Board of Directors and Management of the Company may also solicit proxies personally, or by telephone, e-mail, or facsimile transmission. The entire expense of solicitation, including costs of preparing, assembling, and mailing the proxy material will be borne by the Company. These expenses are not expected to exceed the amount normally expended for an annual meeting at which directors will be elected.

Unless contrary instructions are specified, if the enclosed proxy is executed and returned (and not revoked) prior to the Annual Meeting, the shares of common stock of the Company represented thereby will be voted: (1) **FOR** the election of the four persons nominated as Directors by the Board of Directors; (2) **FOR** setting the number of Directors at 13; and (3) To transact such other business as may properly come before the Annual Meeting or any adjournment thereof.

Assuming a quorum is present, action may be taken on any matter considered by the holders of a majority of the shares present and voting. Section 16(a) of the Securities Exchange Act of 1934 requires the Company's executive officers, directors, and persons who own more than 10% of a registered class of the Company's equity securities (collectively "Section 16 Persons") to file initial reports of ownership and reports of changes of ownership with the U.S. Securities and Exchange Commission (the "Commission"). MANAGEMENT OF THE COMPANY

Directors and Nominees:

The Board of Directors recommends the number of Company directors for the coming year be set at thirteen (13). The Bylaws of the Company provide for no fewer than 9 or more than 27 directors, with directors serving *staggered terms* of three years.

Nominees for election to the Company Board of Directors are described below. Each nominee has consented to serve. All nominees, with the exception of Kenneth E. Smith, currently serve on the Board of the Company.

Edgar Filing: BAR HARBOR BANKSHARES - Form DEF 14A

The Board has determined that the director-nominees and a majority of the continuing directors are "independent directors" as required in accordance with applicable laws, regulations, and AMEX listing requirements. Exceptions are Director Murphy who serves as President and Chief Executive Officer of the Company and Director Eaton who retired as President and Chief Executive Officer of BTI Financial Group in February 2000. Directors Murphy and Eaton do not serve as voting members of the Audit, Compensation and Human Resources, or Governance Committees.

Ms. Ruth S. Foster is retiring in May 2004 from the Company and Bank Boards pursuant to age limitations under relevant Company and Bank by-laws provisions. Mr. John P. Reeves, who would also be required to retire in May 2005 due to age limitations under the Company and Bank by-law provisions, has decided not to stand for re-election when his present three-year term expires in May 2004 rather than be nominated for a partial, one-year term. His decision was not a result of any disagreements with the Company or Board of Directors. The guidance and long dedication to the Company and stockholders by these two individuals will be missed.

The following table sets forth for each nominee and each director continuing in office, their name, age (as of March 19, 2004), the year first elected or appointed as a director of the Company, the year of expiration of the current term as a director of the Company and the offices and positions each person holds with the Company and its subsidiaries (i.e. Bar Harbor Banking and Trust Company, BTI Financial Group, Bar Harbor Trust Services, Block Capital Management, and Dirigo Investments, Inc.):

BOARD OF DIRECTORS AND ITS COMMITTEES

Board of Directors:

During 2003, a fourteen (14) member board, a majority of which meets the independence standards established by the American Stock Exchange, managed the Company. The Board of Directors of the Company held a total of twelve (12) regular meetings, one (1) annual meeting, and three special meetings during 2003. The Bylaws of the Company provide for a minimum of quarterly meetings. Each Director attended at least 75% of the total number of board and committee meetings that he or she was eligible to attend.

The Board encourages, but does not require, each Director to attend its Annual Meeting of Stockholders. All of the Board's members attended the 2003 Annual Meeting.

-

Committees:

Executive Committee

The Bylaws of the Company provide that after each Annual Meeting of Directors, the Board shall designate from among its members an Executive Committee with the authority to exercise all the powers of the Board of Directors in regard to ordinary operations of the business of the Company when the Board is not in session, subject to any specific vote of the Board. The Executive Committee for 2003 included Directors Reeves, Colwell, Dodge, Murphy, Eaton and Foster. The Executive Committee did not meet in 2003.

The Bylaws provide that the Board may elect or appoint such other committees, as it may deem necessary or convenient to the operations of the Company. The Board has appointed a standing Audit Committee, a standing Governance Committee, and a standing Compensation and Human Resources Committee.

Audit Committee

The members of the Audit Committee included Directors Colwell, Foster, Friend, Reeves, Toothaker, and Woodside. Mr. Colwell serves as Chairperson of the Committee.

The Audit Committee met six (6) times during 2003. See [Appendix A](#) for Report of Audit Committee and a copy of the Audit Committee Charter restated as of March 26, 2004.

The Company's Board has determined that the Audit Committee is composed of independent directors, in accordance with applicable laws, regulations, promulgated by the U.S. Securities and Exchange Commission, and AMEX listing requirements. The Audit Committee operates under a written charter, which has been adopted by the Audit Committee and the Company Board. Audit Committee members do not accept any consulting, advisory, or other compensatory fees (except director fees) and are not affiliated with the Company (except as a director) or any of its subsidiaries.

The Audit Committee has the sole authority to appoint and replace the independent auditor, subject to appropriate stockholder ratification. The Audit Committee is responsible for the compensation and oversight of the independent auditor. The independent auditor reports directly to the Audit Committee. The Audit Committee assists the Board of Directors in fulfilling its oversight responsibilities with respect to (i) the financial information to be provided to stockholders and the Securities and Exchange Commission; (ii) the review of quarterly financial statements; (iii) the system of financial controls management has established; and

(iv) the internal audit, external audit and loan review processes.

Governance Committee (formerly the Nominating Committee)

The Governance Committee (formerly the Nominating Committee) for 2003 was comprised of Directors Foster, Murphy, Phillips, and Reeves. Directors Murphy and Reeves resigned their positions in January 2003. Directors Dodge and Shea were voted to replace them. The Governance Committee met six (6) times during 2003. Ms. Foster served as Chairperson of the Committee. The Company Board of Directors has determined that each member of the Governance Committee is independent for purposes of AMEX listing standards.

The Governance Committee is responsible for screening candidates, recommending nominees to the full Board of Directors (including the slate of returning directors) to be elected each year, making recommendations concerning the size and composition of the Board of Directors, recommending Committee structure and membership, and sponsoring new director orientation and education. The Governance Committee does not have a written charter but is in the process of developing a formal document. A copy will be available on the Company's general website www.bhbt.com, as soon as it has been finalized and approved.

In the absence of a formal written charter, the Governance Committee expects to identify nominees to serve as directors of the Company primarily by accepting and considering the suggestions and nominee recommendations made by directors, management, and stockholders. To date, the Governance Committee has not engaged any third parties to assist it in identifying candidates for the Board of Directors. The Governance Committee considers among other things the background, business and professional experience (including any requisite financial expertise or other special qualifications), age, current employment, community service, and other board service of its directors and nominees, as well as racial, ethnic, and gender diversity of the Board as a whole. The Governance Committee generally considers a candidate's qualifications in light of these broad criteria as well as an assessment as to whether the candidate can make decisions on behalf of or while representing the Company in a manner consistent with our stated business goals and objectives. The Governance Committee will also consider the candidate's "independent" status in accordance with applicable regulations and listing standards.

The Company bylaws provide that the Company will consider nominees for election to the Board of Directors recommended by stockholders if made in the same manner provided for under the bylaws with regard to stockholder proposals generally. These procedures require in part that the stockholder submit the proposed nomination in writing to Marsha C. Sawyer, Clerk, Bar Harbor Bankshares, 82 Main Street, Bar Harbor, Maine 04609, no less than 120 days in advance of the date of the next Annual Meeting. Any such request shall set forth the reasons for considering such nominee, the name and address of the stockholder proposing the nominee, the number of shares of the Company's capital stock beneficially owned by such stockholder and any material interest of the stockholder in the matter proposed to be brought before the Annual Meeting. If the Governance Committee determines that any stockholder proposal (including a nomination for election of a director) was not made in a timely fashion or that information provided in the notice does not fulfill the information requirements set forth above in any material respects, such proposal shall not be presented for action at the Annual Meeting for which it is proposed.

The four nominees for Directors identified above being proposed for election at the Annual Meeting to serve a three-year term of office are existing directors, with the exception of Mr. Smith. Mr. Smith, who has not previously served on the Board of the Company or any of its subsidiaries, was jointly nominated by Directors Shea, Reeves, and Woodside and recommended by the Governance Committee to stand for election to the Company Board.

Compensation and Human Resources Committee

The Compensation and Human Resources Committee reviews and considers recommendations from management concerning our executive compensation policies, employee benefit plans, and salary administration programs, including reviewing annually the total compensation and recommended adjustments for all executive officers and the

executive officers of the Company's subsidiaries. The deliberations of the Compensation and Human Resources Committee are reported to the Board of Directors for review and approval.

The Compensation and Human Resources Committee is comprised of Company Directors Dodge, Dudman, Phillips, Shea, and Woodside. Mr. Dodge serves as Chairperson of the Committee. The Company's and the Bank's Chief Executive Officer, Murphy and Bar Harbor Banking and Trust Company's President, Read, serve on the Committee in a non-voting, ex-officio capacity, as does the Bank's Human Resource Officer, Sawyer. Directors Eaton and Reeves previously had participated in this Committee, but resigned their participation in May of 2003. All voting members of the Compensation Committee are independent for purposes of AMEX listing standards. The Compensation and Human Resources Committee met six times during 2003.

Family Relationships and Other Arrangements

There are no family relationships among any director, executive officer, or person nominated by the Company to become a director or executive officer. There are also no arrangements or understandings between any nominee, director, executive officer, or associate of any of the foregoing and any other person pursuant to which the nominee was or is to be elected as a director or an executive officer. No person or entity listed above as the employer of an officer or director, other than the Bar Harbor Banking and Trust Company and BTI Financial Group, is an affiliate of the Company.

Compensation Committee Interlocks and Insider Participation

The Compensation and Human Resources Committee is comprised of Company Directors Dodge, Dudman, Phillips, Shea, and Woodside. Mr. Dodge serves as Chairperson of the Committee. The Company's and the Bank's Chief Executive Officer, Murphy and Bar Harbor Banking and Trust Company's President, Read, serve on the committee in a non-voting, ex-officio capacity, as does the Bank's Human Resource Officer, Marsha C. Sawyer. Directors Eaton and Reeves previously had participated in this Committee, but resigned their participation in May of 2003. Certain members of the Committee and their affiliates and families are borrowers from the Company's banking subsidiary. All loans and credit commitments to such persons were made in the ordinary course of business and were on substantially the same terms, including interest rates and collateral as those prevailing at the time for comparable transactions with unaffiliated persons, and did not involve more than the normal amount of risk of collectability or present other unfavorable features to the Company's subsidiaries.

Report of the Compensation and Human Resources Committee on Executive Compensation

The Compensation and Human Resources Committee administers and recommends to the Board of Directors of the Company its executive compensation programs. These programs are intended to provide a package of base salary, traditional benefits, options, retirement payments, and incentive opportunities to its executives to achieve both current and long-term return on the stockholder's investment and align the executive's interest to those of the Company and its Subsidiaries employees, customers, and stockholders. The Committee does not use a formal set of criteria in evaluating the compensation of executive officers. However, some of the factors generally considered by the Compensation and Human Resources Committee are detailed below.

Levels of compensation are, in part, guided by the Company's need to attract and retain qualified executives who can make a major contribution to the success of the Company. The Committee regularly reviews compensation surveys comparing the Company's subsidiaries with comparable institutions in the State of Maine and New England.

Compensation Program Components

The Company's compensation program can be generally described as being comprised of two primary components: (a) base salary and benefits, and (b) executive incentive compensation programs. Base salary and benefits include items such as retirement plan benefits and insurance programs, and are intended to adequately compensate executive officers and employees for capable performance of their core duties and responsibilities associated with their positions. The named executives and six senior officers participated in a two-tiered executive incentive plan for 2003. The first tier provided for an incentive payment determined by meeting a certain earnings threshold. The second tier provided for an additional incentive payment based on individually assigned goals such as loan and deposit growth, quality measures, and implementation of strategic plan initiatives. Individual payments to these named executive officers and senior officers under this two-tiered program ranged from 9.75% to 12% of base salary. An accrual for payment of these incentives was booked in 2003, but actual payments were made to participating individuals in 2004.

Performance Measures

The Committee considers certain performance measures in evaluating the compensation of the Company's executive officers. In addition to using Maine and New England banking surveys other guiding factors the Company uses in establishing appropriate levels of executive officer compensation are the specific performance of each executive officer, the performance of the Company as a whole, the financial plan for the year, and such other general factors as the business climate.

Stock Option Plan

An additional component of compensation for Company employees in management positions, including named executives, is the award of options to purchase shares of Common Stock at fixed prices. The Company's Stock Option Plan, which is scheduled to expire October 2010, is based on performance in that the options only have value if the market value of Common Stock increases.

Compensation of the Executive Officer

The Committee annually reviews the Chief Executive Officer's existing compensation arrangement, the performance of the Company and its Subsidiaries, the Chief Executive Officer's performance, and the compensation of chief executive officers in other similar companies of comparable size and performance characteristics.

The compensation of the Company's Chief Executive Officer is generally divided into two basic parts: (a) salary and benefits, and (b) executive incentive compensation. The Company's Employment Agreement with the Chief Executive Officer provides for a review of his base salary no less than annually and it may be adjusted at the Company's sole discretion. His base salary for 2003 was increased 4.77% over 2002.

The second part of the compensation program for the Chief Executive Officer is based upon the incentive compensation programs described above, and applies to all named executive officers. The program resulted in 12.00% of additional compensation for the Chief Executive Officer based upon the achievement of strategic and financial objectives determined by the Committee and approved by the Board of Directors.

The Chief Executive Officer does not receive any director fees for his participation as a member of the Company's Board of Directors or as a director of any of the Company's subsidiaries.

The Committee believes the Chief Executive Officer's compensation is competitive with compensation provided by other similar companies of comparable size and performance histories.

The foregoing report to stockholders regarding compensation has been submitted by the 2003 Compensation and Human Resources Committee

Compensation of Directors

The Directors of the Company, the Bar Harbor Banking and Trust Company, and BTI Financial Group received a fee of \$300 for each meeting of the Bankshares and subsidiary boards attended and \$250 for each committee meeting attended in 2003. The fee paid for the attendance at the 2003 Annual Meeting was \$500 per member of the Board of Directors. The Chairperson of the Company Board received an annual retainer of \$3,000 in addition to meeting fees. The Chairperson of the BTI Financial Group Board received an annual retainer of \$1,500 in addition to meeting fees. Meetings of the Board of Directors of the Company are held monthly. Director Murphy, who also serves as an officer of the Company, does not receive directors' fees.

The Board of Directors of the Company voted to increase director fees to \$400.00 for attendance at Company and Subsidiary Board meetings, committee meetings, and the Annual Stockholders meeting beginning in January 2004.

Bernard K. Cough deferred his director fees until his retirement in May 2003. These fees were credited to an account established for that purpose. These deferred fees are being distributed to Mr. Cough, or his designated beneficiary, since his retirement as a director.

EMPLOYEE BENEFIT PLANS

401(k) Plan

The Company has a contributory 401(k) plan available to all employees including the named executive officers. Employees may contribute between 1% and 50% of their compensation (subject to applicable regulatory restrictions), to which the Company will match 50% of the first 3% deferred by an employee and 25% on the second 3% deferred. The Board of Directors voted to credit each eligible participant's 401(k) account with 4% of salary for the years 2003, 2002 and 2001. Total Company contributions into the 401(k) Plan were \$392,824, \$321,085, and \$244,345, for the years ended December 31, 2003, 2002, and 2001, respectively.

As of December 31, 2003, Messrs Murphy, Read, and Shencavitz have vested, monthly benefits of \$1,597, \$2,012, and \$535, respectively.

Employment Contracts and Change of Control Agreements

Change of Control Agreements

The Company has also entered into Change of Control Agreements with Messrs. Murphy, Read, and Shencavitz. These Change of Control Agreements provide for severance of both salary and benefits for twenty-four months for Mr. Murphy and eighteen months for Messrs. Read and Shencavitz. These payments will be made in the event of both a change of control of the Company and subsequent termination (or constructive termination) of the executive within twelve months after a change of control, unless such termination was for cause. The Company also agreed to pay any excise tax imposed on the executive under Section 4999 of the Internal Revenue Code and provide for health insurance and other standard benefits for a period of 18 months. These agreements were entered into as part of a total compensation program to attract and retain qualified executives and not entered into in response to any effort known to the Board of Directors by any party or entity to acquire control of the Company.

Employment Contracts

Joseph M. Murphy, CEO

On November 7, 2003, the Company amended its written employment agreement with Joseph M. Murphy (CEO) originally dated January 3, 2003 (the Employment Agreement) in connection with his service as President and Chief Executive Officer Bar Harbor Bankshares to reflect changes in the Company's Supplemental Retirement Programs and implementation of Change of Control Agreements. The Employment Agreement provides for the payment of an annual base salary to the Chief Executive Officer not less than \$18,333.33 per month (an annualized rate of not less than \$220,000.00 per annum). The Employment Agreement provides for a review of the Chief Executive Officer base salary not less than annually and may be adjusted at the Company's sole discretion. The Chief Executive Officer is also eligible to participate in a performance compensation plan with goals and incentive payments to be approved by the Board annually. The Employment Agreement is for an initial term of two (2) years with provisions for automatic extensions of one (1) year each in the absence of notice from the Company of its intention not to extend the term of the Employment Agreement. The initial term of the Employment Agreement commenced on January 3, 2003 and continues through January 3, 2005, unless sooner terminated. The Employment Agreement contains restrictions on competition by the Chief Executive Officer with the Company during the term of the Employment Agreement and for a period of one (1) year following the cessation of the CEO's employment with the Company regardless of reason. The Employment Agreement also provides, with limited exceptions, for a severance payment to the Chief Executive Officer in the event his employment is terminated within one (1) year following certain events defined to constitute a change in control of the Company. This severance payment resulting from a termination of employment following a change in control is equal to two (2) times the Chief Executive Officer's base annual salary, incentive compensation payments earned, and any accrued but unused vacation time. Both the Compensation and Human Resources Committee and the Board of Directors have reviewed and approved the Employment Agreement.

Executive Officers of the Company are entitled to participate in certain group health, dental and term life insurance benefits. In accordance with Company policy, all such benefits are generally available to employees of the Company and its subsidiaries

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

None of the nominees for directors, other continuing directors, or named executive officers of the company or any of its subsidiaries engaged in 2003 in any transaction with the Company or any of its subsidiaries, in which the amount involved or exceeds \$60,000 other than the financial transactions described below under the heading "Indebtedness of Management".

Indebtedness of Management

The Company's wholly owned subsidiary, Bar Harbor Banking and Trust Company, has had, and expects to have in the future, banking transactions in the ordinary course of its business with directors, officers, principal stockholders, and their associates. All such transactions have been and will be made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with others. No such transactions have involved more than normal risk of collectability or presented other unfavorable features, and no loans outstanding to directors, officers, principal stockholders, or their associates in an amount in excess of \$60,000 are non-accruing or past due or are otherwise considered to be potential problem loans.

PERFORMANCE GRAPH

The following graph illustrates the estimated yearly percentage change in the Company's cumulative total stockholder return on its common stock for each of the last five years. Total stockholder return is computed by taking the difference between the ending price of the common stock at the end of the previous year and the current year, plus any dividends paid divided by the ending price of the common stock at the end of the previous year. For purposes of comparison, the graph also illustrates comparable stockholder return of American Stock Exchange (AMEX) banks as a group as measured by the AMEX Market Index and the peer group index as defined by AMEX. The graph assumes a \$100 investment on December 31, 1998 in the common stock of each of the Company, the AMEX peer group banks and the AMEX Market Index as a group and measures the amount by which the market value of each, assuming reinvestment of dividends, has increased as of December 31 of each calendar year since the base measurement point of December 31, 1998.

Market values for 1999, 2000, 2001, 2002 and 2003 are based on information obtained from the American Stock Exchange.
