Item 1.01 Entry into a Material Definitive Agreement.

On March 22, 2016, Questar Gas Company (“Questar Gas”), a wholly owned subsidiary of Questar Corporation (“Questar Corp”), entered into a Second Amendment to Gas Gathering Agreement (the “Amendment”) with QEPM Gathering I, LLC (“QEPM”). The Amendment amends the Gas Gathering Agreement, effective September 1, 1993 (the “1993 Gathering Agreement”), pursuant to which QEPM, as successor in interest, gathers natural gas produced by Wexpro Company (“Wexpro”), a wholly owned subsidiary of Questar Corp, for Questar Gas pursuant to the Wexpro Agreement. Specifically, the Amendment amends the 1993 Gathering Agreement to simplify and make more transparent QEPM’s determination of the cost-of-service gathering rates charged to Questar Gas under the agreement effective January 1, 2016, and to clarify the natural gas that is dedicated for gathering under the agreement.

The Amendment was entered into as part of a settlement and release agreement, dated March 22, 2016, among the parties in the legal action captioned Questar Gas Company v. QEP Field Services Company, which involved a dispute between the parties regarding QEPM’s, and its predecessors’, charges and their right to gather certain natural gas under the 1993 Gathering Agreement. The settlement and release agreement resolved all issues in the case and all associated counter claims. The settlement is not expected to have a material impact on the financial position, results of operations or cash flows of Questar Corporation or Questar Gas Company for future periods because the charges under the Gas Gathering Agreement are included in Questar Gas’s rates as part of its Gas Balancing Account. While the settlement and release agreement is not conditioned on regulatory approval, Utah and Wyoming regulators review Questar Gas’s gas costs, including gathering costs, to determine if they are just and reasonable.

The foregoing description of the Amendment does not purport to be complete and is qualified in its entirety by reference to the full text of the Amendment, which is filed as Exhibit 10.1 to this report and incorporated by reference herein.
