CHEMUNG FINANCIAL CORPORATION
PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS
MAY 11, 2011

INFORMATION REGARDING THE ANNUAL MEETING

Time and Place of the Meeting

This proxy statement is provided in connection with the solicitation of proxies by the Board of Directors for use at the Annual Meeting of Shareholders (the “Annual Meeting”) of Chemung Financial Corporation (“Chemung Financial” or “the Company”) to be held on Wednesday, May 11, 2011 at 2:00 p.m., at the Holiday Inn Elmira – Riverview, 760 East Water Street, Elmira, New York.

This Proxy Statement and the accompanying Proxy and Notice of Annual Meeting of Shareholders are being mailed to shareholders on or about April 1, 2011. In the proxy statement, the “Bank” refers to Chemung Canal Trust Company, Chemung Financial’s subsidiary bank.

Shareholders Entitled to Vote

The record date for the meeting is March 21, 2011. Only shareholders of record at the close of business on that date are entitled to notice of and to vote at the meeting. On the record date there were 3,565,610 shares of common stock of the Company outstanding and entitled to vote. Each share of common stock is entitled to one vote on each matter that properly comes before the meeting.

Proxies and Voting Procedures

Shares represented by properly executed proxies will be voted as directed. If a proxy does not specify how it is to be voted, it will be voted as the Board recommends – that is, FOR the election of the three director nominees named in the proxy statement and FOR the ratification of Crowe Horwath as our independent registered public accounting firm. Abstentions are voted neither “for” nor “against,” but are counted in the determination of a quorum. The Board of Directors knows of no other business to be brought before the Annual Meeting but if any other matters are properly presented at the meeting for consideration, the persons named as proxies will have discretion to vote on those matters according to their best judgment.

We offer three alternative ways to vote your shares:

To Vote by Internet – You can access the web page at www.voteproxy.com and follow the on-screen instructions. Have your proxy card available when you access the web page.

To Vote by Telephone – If you wish to vote by telephone, call toll-free 1-800-776-9437 and follow the instructions. Have your proxy card available when you call.

To Vote by Mail – To vote by mail, please sign, date and mail your proxy card in the envelope provided as soon as possible.

The deadline for the telephone and internet voting is 11:59 p.m. Eastern Daylight Time on May 10, 2011. A shareholder may revoke a proxy vote at any time before it is voted by delivering written notice of revocation to the Secretary of the Company, or by delivering a later dated proxy, or by voting in person at the Annual Meeting.

Required Vote

There are no cumulative voting rights. Nominees for director will be elected by a plurality of votes cast at the annual meeting by holders of common stock present in person, or represented by proxy and entitled to vote on such election, meaning that the nominees for each directorship who receive the most votes will be elected. Only shares voted in favor of a nominee will be counted

toward the achievement of a plurality. Any other matter requires the affirmative vote of a majority of the votes cast at the meeting, except as otherwise provided in the Company's bylaws or Certificate of Incorporation.

Solicitation of Proxies

The cost of soliciting proxies will be paid for by the Company. In addition to solicitations by mail, some of the directors, officers or employees of the Company may conduct solicitations in person or by telephone or other appropriate means without remuneration. The company may also request nominees, brokerage houses, custodians and fiduciaries to forward soliciting material to beneficial owners of stock and will reimburse such intermediaries for their reasonable expenses in forwarding proxy materials.

PROPOSAL 1 ELECTION OF DIRECTORS

The Board is divided into three classes of directors, as equal in number as possible, with one class to be elected each year for a term of three years. The Board is not aware that any nominee named in this proxy statement will be unable or unwilling to serve as a director.

Shareholders will be entitled to elect three directors for a three-year term expiring at the 2014 Annual Meeting, or until their respective successors have been duly elected and qualified. Unless authority to vote for the nominees is withheld, the shares represented by the enclosed proxy card, if properly executed and returned, will be voted FOR the election of the nominees. Should any nominee become unable to serve as a director, the persons named in the proxy to represent shareholders will vote for any nominee, if any, who may be nominated by the Board. The Company is currently anticipating a merger with Fort Orange Financial Corporation ("FOFC") in Albany, New York. As part of the Agreement and Plan of Merger, two of FOFC's directors will join the Board of Chemung Financial Corporation upon the consummation of the merger, in accordance with the Company's bylaws.

The biography of each of the nominees and continuing directors below contains information regarding the person's service as a director, business experience, other director positions, if any, held currently or at any time during the last five years, and individual experience, qualifications, and skills that contribute to the Board's effectiveness as a whole. INFORMATION REGARDING THE BOARD OF DIRECTORS

Board Organization and Operation

Chemung Financial is managed under the direction of its Board of Directors (the “Board”). All members of the Board also serve on the Board of Directors of the Bank. The Board establishes policies and strategies and regularly monitors the effectiveness of management in carrying out these policies and strategies. Members of the Board are kept informed of the Company’s business activities through discussions with key members of the management team by reviewing materials provided to the Board and by participating in meetings of the Board and its committees. Currently, the Board has fifteen members.

The Company separates the roles of CEO and Chairman of the Board, which provides the appropriate balance between strategy development and independent oversight of management. The CEO is familiar with the Company’s business and industry and is responsible for identifying strategic priorities and leading the discussion and execution of strategy. The Chairman of the Board presides at all executive sessions of the Board facilitating teamwork and communication between management and the Board, while providing guidance to the CEO. Mr. David J. Dalrymple served as Chairman of the Board in 2010.

The Company’s Governance Guidelines require that the Board consist of a substantial majority of independent directors. The Board has determined that Messrs. Agan, Boyea, Eggers, Lounsberry, Meier, Meyer, Potter, Storch, Streeter, Swan, Updegraff and Ms. Drinkwater are independent and that none of said persons have any relationship with the Company that would impair their independence as so defined. A copy of the Corporate Governance Guidelines can be viewed at the Corporate Governance link on the Bank's website at www.chemungcanal.com/home/info.governance.

During 2010 the Board of Directors of the Company held thirteen meetings. The Board of Directors of the Bank also held thirteen meetings in 2010. Each director attended at least 75% of the total board meetings and meetings of the board committees on which he or she served.

Board Committees

The committees of the Company’s Board of Directors are the Executive, Audit, Compensation and Personnel, and Nominating and Governance.

Executive Committee: The Committee serves in a dual capacity as the Executive Committee for the Company and the Bank. The Committee may, during the interval between Board meetings, exercise all of the authority of the Board, except those powers that are expressly reserved to the Board under law or the Company’s bylaws. In 2010, members of the Committee included Messrs. D. Dalrymple (Chair), Agan, Bentley, R. Dalrymple, Meier, Swan, Updegraff and Ms. Drinkwater. Although there were no formal meetings of this Committee in 2010, the Board met in executive session following each Board meeting.

Audit Committee: The responsibilities of the Audit Committee include the appointment of independent auditors, the pre-approval of all audit and non-audit services performed by the Company’s independent auditors, the review of the adequacy of internal accounting and disclosure controls of the Company, and the oversight of risk management. All Committee members are independent as defined by applicable laws and regulations. In 2010, members of the Committee included Messrs. Streeter (Chair), Agan, Eggers, Meyer, Potter and Storch. Mr. Meyer has been designated by the Board as the Audit Committee’s “financial expert” in accordance with applicable laws, the Committee having determined that Mr. Meyer meets all required qualifications within the meaning of pertinent regulations. There were six meetings of the Audit Committee in 2010. See the report of the Audit Committee on [page](#)

18.

Compensation and Personnel Committee: The purpose of the Compensation and Personnel Committee (the “Compensation Committee”) is to discharge the Board’s duties relating to the compensation of the executive officers and to review the Bank’s compensation policies and programs affecting other employees. The Committee met eight times in 2010. The members of the Compensation and Personnel Committee meet the independence requirements of applicable laws and rules as determined by the Board. In 2010, members of the Committee included Messrs. Meyer (Chair), Agan, D. Dalrymple, R. Dalrymple, Eggers, Lounsberry, Meier and Swan.

Nominating and Governance Committee: The Nominating and Governance Committee met four times in 2010 and included Messrs. Eggers (Chair), Lounsberry, Meyer, Potter, Streeter and Ms. Drinkwater. The members of the Nominating and Governance Committee meet the independent requirements of applicable laws and rules as determined by the Board. In general, the Committee oversees the Company’s corporate governance matters on behalf of the Board and is responsible for the identification and

6

recommendation of individuals qualified to become members of the Board. The Committee's functions include (i) identifying, evaluating and recommending qualified director nominees; (ii) the consideration of shareholder nominees for election to the Board; (iii) reviewing the committee structure and making recommendations to the Board for committee membership; (iv) recommending corporate governance guidelines to the Board; and, (v) overseeing a self-evaluation process for the Board and its committees.

The Committee reviews annually with the Board the composition of the Board as a whole and considers whether the Board reflects an appropriate balance of knowledge, experience, skills, expertise and diversity. Among other factors, the Committee looks for director nominees who know the communities and industries that the Company serves. The Committee utilizes the following process when identifying and evaluating the individuals that it recommends to the Board as director nominees.

- o The Committee reviews the qualifications of any candidates who have been properly recommended or nominated by the shareholders, as well as those candidates who have been identified by management, individual members of the Board or, if the Committee determines, a search firm.
- o The Committee evaluates the performance and qualifications of individual members of the Board eligible for re-election at the annual meeting of shareholders.
- o The Committee considers the suitability of each candidate, including the current members of the Board, in light of the current needs of the Board. In evaluating the suitability of the candidates, the Committee considers many factors including issues of character, judgment, independence, business expertise, experience, other commitments, and such other factors as the Committee concludes are pertinent. Diversity of experience, skills, gender, race, ethnicity and age are factors, among others, considered in this process.
- o After such review and consideration, the Committee recommends that the Board select the slate of director nominees.
 - o Shareholder recommendations for nominees to the Board must be directed in writing to the Corporate Secretary, One Chemung Canal Plaza, Elmira, New York 14901, and must include (i) the name and address of the shareholder proposing a nominee for consideration; (ii) the number of shares owned by the notifying shareholder and the date the shares were acquired; (iii) any material interest of the notifying shareholder in the nomination and a statement in support of the nominee with references; (iv) the name, age, address and contact information for each proposed nominee; (v) the principal occupation or employment of each proposed nominee; (vi) the number of shares of the Company's common stock that are owned by the nominee as of record date; (vii) detailed information about any relationship or understanding between the proposing shareholder and the nominee; (viii) detailed information of any relationship between the nominee and the company within the last three years; and, (ix) other information regarding the nominee as would be required to be included in the proxy statement pursuant to Regulation 14A under the Securities Exchange Act of 1934.

Chemung Financial Corporation's bylaws establish an advance notice procedure with regard to certain matters, including shareholder proposals and director nomination, which are properly brought before an annual meeting of shareholders. To be timely, a shareholder's notice must be delivered to or mailed and received at the Company's principal executive offices not less than 120 calendar days prior to the date proxy statements were mailed to shareholders in connection with the previous year's annual meeting of shareholders. In the event that no annual meeting was held in the previous year or the date of the annual meeting has been changed by more than thirty (30) days from the date contemplated at the time of the previous year's proxy statement, notice by the shareholder to be timely must be so received a reasonable time before the solicitation is made.

A copy of the Nominating and Governance Committee Charter can be viewed at the Corporate Governance link on the Bank's website at www.chemungcanal.com/home/info.governance.

Compensation of Directors

The Compensation Committee periodically reviews the compensation of the Board of Directors and makes recommendations to the full Board with respect to the type and amounts of compensation payable to the directors for service on the Board and Board committees.

7

Each non-employee director of the Company receives an annual retainer of \$5,500 and a fee of \$300 for each meeting of the Board of Directors and its committees attended. The chair of each committee receives \$350 for each committee meeting attended. The Chairman of the Board receives an additional annual retainer of \$2,750. One fee is paid for attendance at meetings that serve both the Company and the Bank. Mr. Bentley receives no cash compensation for his services as a director.

A Deferred Directors Fee Plan for non-employee directors provides that directors may elect to defer receipt of all or any part of their fees. Deferrals are either credited with interest compounded quarterly at the Applicable Federal Rate for short-term debt instruments or converted to units, which appreciate or depreciate, as would an actual share of the Company's common stock purchased on the deferral date. Cash deferrals will be paid into an interest bearing account and paid in cash. Units will be paid in shares of common stock.

Additional compensation is paid to each director in shares of the Company's common stock in an amount equal to the total amount of cash fees earned by each director during the year, valued as of December 31, and paid in January. The following table summarizes all compensation earned by non-employee directors in 2010.

Communicating with the Board

Shareholders may communicate in writing with the Board of Directors or with individual directors by contacting the Company's Corporate Secretary, Jane H. Adamy, One Chemung Canal Plaza, Elmira, New York 14901. The corporate secretary will relay the question or message to the specific director identified by the shareholder or, if no specific director is requested, to the CEO.

Directors Attendance at Annual Meetings

The Company does not have a formal policy regarding attendance by a member of the Board of Directors at the Company's annual meeting. The Company will continue to encourage such attendance. In 2010, thirteen directors attended the Annual Meeting of Shareholders.

The Board's Role in Risk Oversight

The Board has charged the Audit Committee with the oversight of risk management. In 2009, the Board created the position of Chief Risk Officer (CRO) reporting to the President and CEO and the Audit Committee. The CRO is responsible for developing and maintaining a comprehensive process for identifying, assessing, monitoring, and reporting key risks to the organization. The CRO ensures that risk limits are appropriate for the nature and complexity of the Bank's business activities and are consistent with the risk parameters established by the Board. The CRO makes regular reports to the Board and Audit Committee regarding the status of risk management.

As it relates to the risks inherent in the Bank's incentive compensation programs, joint meetings of the Audit Committee and the Compensation and Personnel Committee are held in order to determine if the Bank's incentive compensation plans encourage excessive risk-taking. At the present time, the committees and the Board do not believe these programs create risks that are reasonably likely to have a material adverse effect on the Company, due to the existence of internal controls and the fact that the incentive payments comprise a small portion of total compensation. See "Compensation Discussion and Analysis" section for more information about the Bank's incentive compensation plans.

COMPENSATION DISCUSSION AND ANALYSIS

Compensation and Personnel Committee

The Compensation Committee, currently consisting of Directors Meyer (Chair), Agan, D. Dalrymple, R. Dalrymple, Eggers, Lounsberry, Meier and Swan, met eight times in 2010. The members of the Committee meet the independence requirements of applicable laws and rules as determined by the Board.

Compensation Philosophy and Objectives

The Compensation Committee reviews and administers the Company's compensation policies and practices for the Named Executive Officers ("NEOs"). The current NEOs named in the Summary Compensation Table are President and Chief Executive Officer, Ronald M. Bentley, Chief Financial Officer and Treasurer, John R. Battersby Jr. and Bank Executive Officers James E. Corey III, Melinda A. Sartori and Richard G. Carr.

The Company's compensation philosophy is designed to attract, motivate and retain highly qualified financial services professionals capable of maximizing business performance for the benefit of shareholders. The Compensation Committee believes in a simple, straightforward approach to executive compensation and therefore has limited the

number and types of programs used, as discussed below in the Elements of Compensation subsection.

The Compensation Committee's goal is to provide a competitive level of total compensation targeted at the average level, compared to similar financial services companies. NEOs are rewarded for satisfying both Company and individual performance goals. In 2010, compensation components for the NEOs were: 1) base salary; 2) short and long term performance-based incentives; and, 3) retirement and other benefits.

Setting Executive Compensation - Benchmarking with Peer Companies

The Compensation Committee analyzes and uses compensation data provided by Pearl Meyer & Partners, LLC (“Pearl Meyer”) which conducts an annual compensation survey in conjunction with the New York Bankers Association, an industry trade association. The Company has no relationship with Pearl Meyer & Partners other than as a participant in the survey. In 2010, thirty-two New York State banks and financial institutions participated in the survey. In 2010, the total compensation for the NEOs approximates the average of the participating banks. A listing of the participating banks is provided on [page 12](#).

Elements of Compensation

Base Salary: Base salary paid to executives is reviewed against market on an annual basis. Base salary levels reflect the Compensation Committee’s perceived value of the position, both in the context of the market data for similar positions, as well as the individual fulfilling the duties of the position. Mr. Bentley reviews the base salaries of the other NEOs with the Compensation Committee and a recommendation for approval is submitted to the full Board. The recommendations are based upon an evaluation process, which includes professional and leadership performance as well as the attainment of goals set forth in the Company’s annual business plan.

The Compensation Committee reviewed the relevant market data and considered individual performance of each NEO in 2009, and determined that the base salaries should be increased in January 2010 as follows: Mr. Battersby \$4,500; Mr. Corey \$2,000; Mrs. Sartori \$4,350; and Mr. Carr \$5,000. The actual base salaries for 2010 are reported in the Summary Compensation Table on [page 13](#). Similarly in January 2011, the Compensation Committee reviewed the NEOs base salaries utilizing the same methodology (relevant market data and individual performance) and increased the base salaries as follows: Mr. Battersby \$3,500; Mr. Corey \$3,000; Mrs. Sartori \$4,480; and Mr. Carr \$10,000.

The Compensation Committee conducts an annual performance review of the CEO. The CEO’s performance objectives are defined consistent with, and in support of, the Company’s annual business plan and performance is also measured against progress towards the attainment of the Company’s long-term strategic plan. These goals include, but are not limited to, metrics related to net income, return on equity, efficiency, asset quality, bank performance against a peer group and progress in achieving long-term strategic objectives. The peer group consists of publicly traded banks in New York and Pennsylvania with total assets between \$500 million and \$6 billion. In 2010, the following banks were included in the peer group: Community Bank System, Inc.; NBT Bancorp, Inc.; Tompkins Financial Corporation; Financial Institutions, Inc.; Arrow Financial Corporation; Canandaigua National Corporation; Alliance Financial Corporation; Citizens and Northern Corporation; Wilber Corporation; Pensco Financial Services; Penns Woods Bancorp, Inc.; and Fidelity D&D Bancorp, Inc. In January 2011, the Committee determined that Mr. Bentley achieved his 2010 goals and he received a base salary increase of \$13,000. Based on a similar assessment of the CEO’s performance in 2009, the Committee increased Mr. Bentley’s base salary by \$12,000 in 2010. The total base salary earned by Mr. Bentley in 2010 is reported in the Summary Compensation Table on [page 13](#).

Short and Long-Term Performance-Based Incentive Compensation: The Company has created incentive compensation programs to motivate and reward senior officers (including the NEOs) for achieving predefined goals. The Compensation Committee and the Board do not subscribe to formula-driven incentive plans but believes in maintaining discretion over the payment of incentive compensation. This discretion permits the Compensation Committee to make compensation decisions in the best interests of the Company and shareholders when events beyond the control of management positively or negatively influence financial results. In such circumstances, the Compensation Committee may reduce or increase incentive payments but in no event shall the payments be materially greater than the levels described below. The Compensation Committee and the Board do not believe these plans are reasonably likely to have a material adverse effect on the Company. These plans are believed to be of low risk as the plans provide for payments that comprise a moderate percentage of total compensation and, therefore, do not

encourage excessive risk taking. Furthermore, these plans generally conform to proposed sound incentive compensation policies as prescribed by the Federal Reserve Board.

The Compensation Committee considers cash awards to recognize significant efforts or individual contributions of senior officers, including the NEOs (but excluding the CEO). In 2010 these cash awards were \$290,000, which represents approximately 20% of the annual base salaries of these officers. In determining these awards, many factors are considered including, but not limited to, the Company's net earnings vs. original plan, the financial results delivered by the senior officer's division against goal, service quality results vs. goal, individual success in implementing business plan initiatives, and other contributions made by the senior officer to the Company's success. The senior officers eligible for an award, the criteria used to determine individual awards, and actual awards are reviewed with the Compensation Committee. There is no expectation that a cash award will be paid each year. In 2010,

these incentive compensation payments totaled \$596,055 representing 32.7% of total base salaries of those receiving payments. The following paragraphs provide a description of these plans.

In 2010, the Compensation Committee approved a Restricted Stock Plan for officers of the Company, excluding the CEO. The Board may make discretionary grants of restricted shares of the Company's common stock to officers selected to participate in the Plan. The Board believes that these awards 1) align the interests of the Company's executives and senior managers with the interests of the Company and its shareholders, 2) insures the Company's compensation practices are competitive and comparable with its peers; and, 3) promotes retention of selected management level employees. The awards are based on the performance, responsibility and contributions of the NEOs and other senior officers and target an award at an average of the peer group. Mr. Bentley recommends the number of shares to be awarded to senior officers, including the NEOs, which is subject to the approval of the Compensation Committee and the Board and which may not exceed 10,000 shares per year in the aggregate. Ten senior officers including Mr. Battersby, Mr. Carr and Mrs. Sartori were awarded restricted stock in 2010. These shares vest over a five year period, lapse with termination of employment, with or without cause, and vest immediately in case of death, disability or a change of control.

President & CEO Bonus Plan: As previously discussed, the Compensation Committee and Board determined that Mr. Bentley achieved the goals established for him in 2010 and awarded him a bonus of \$168,850. The bonus was paid in January 2011, \$113,850 in cash and \$55,000 in Company stock, which amounted to 2,392 shares.

Mr. Bentley also receives shares of Company stock for his service as a board director based upon an amount equal to the average compensation received by non-employee directors. He receives no cash compensation for serving on the Board. For his 2010 Board services he received 741 shares in January 2011 with a value of \$16,531.

Retirement and Other Benefits: The Company provides retirement benefits through a combination of the Pension Plan and a 401(k) plan. While the Company instituted a "soft freeze" to its Pension Plan and employees hired after June 30, 2010 are not eligible to participate, all NEOs are participants in the Plan and the entire cost is paid by the Company. The benefits are payable based upon years of service and a calculation of final average compensation, which is further described on [page 16](#). The NEOs are eligible to participate in the 401(k) Plan on the same terms as other employees. Company contributions are discretionary in accordance with the business plan approved by the Board each year. Employees may contribute up to 70% of base pay on a pre-tax basis up to the statutory limits.

The NEOs are eligible for the same benefits available to all other employees including life and health insurance, vacations, holidays, and personal and sick leave.

The Incentive Compensation Deferral Program allows the NEOs, and other senior officers that the Compensation Committee may approve annually, to defer some or all of their incentive cash compensation to a future date. Although all of the NEOs are eligible to participate, Mr. Corey is the only active participant in the program, which is detailed in the Nonqualified Compensation Table on [page 15](#).

Perquisites are provided to the NEOs that the Compensation Committee believes are modest, reasonable and similar to those provided to executive officers at peer financial institutions, and are designed to assist the executives in carrying out their duties. Club memberships are provided to the NEOs to enable them to interact and foster relationships with clients and local business people. Mr. Bentley, Mr. Battersby, Mr. Corey and Mrs. Sartori have use of a Company-owned vehicle, of which personal use is subject to tax.

The Company entered into a Severance Agreement and a Change of Control Agreement with Mr. Bentley upon his joining the Company in 2006. Under the Severance Agreement, if Mr. Bentley's employment is terminated, he would receive his base salary for one year and would remain covered under the employee benefit programs for one

year. Under the Change of Control Agreement, Mr. Bentley would receive a range of different payments depending on the circumstances, which are further described on page 17.

The Company has entered into Change in Control Agreements with Messrs. Battersby, Corey, Carr and Mrs. Sartori. The purpose of the agreements is to retain and secure key employees and encourage their continued attention and dedication to their assigned duties. In the event of their termination, following a change in control, they would receive a severance benefit equal to two times their highest annual compensation, including salary and bonus, based on the last two years of compensation. Under the terms of the Restricted Stock Plan, if there is a change in control, all shares granted would vest and all restrictions would lapse.

Total Compensation of the NEOs

The Compensation Committee believes that the total compensation paid to the NEOs in 2010 approximates the average total compensation for similar positions at the peer banks that participated in the 2010 Pearl Meyer & Partners Banking Compensation Survey.

The following is the peer group used in the 2010 Pearl Meyer & Partners survey:

Nonqualified Deferred Compensation Table

The Incentive Compensation Deferral Program allows a select group of management to defer some or all of their cash bonus to a future date. Eligible employees are generally highly compensated employees and are designated by the Board from time to time. Deferred amounts are an unfunded liability of the Company and its subsidiaries. Amounts deferred earn interest compounded quarterly on the average balance during each calendar quarter at a rate during each calendar quarter equal to the Applicable Federal Rate for short-term debt instruments as computed and published by the Internal Revenue Service for the month immediately preceding the calendar quarter for which the interest computation is being made. The following table includes information about the activity in the Incentive Compensation Deferral Program for 2010.

(1) This amount represents the deferral, under the Incentive Compensation Program, of a portion of bonus otherwise payable. The total bonus amount, including the deferred amount, is listed in the Bonus column of the Summary Compensation Table.

(2) This amount represents accrued interest on the amount in column 1 at the Applicable Federal Rate of 0.46% for ten days.

(3) This amount represents the year-end balance of the account under the Deferred Compensation Program.

Pension Benefits

Chemung Canal Trust Company Pension Plan: Messrs. Battersby, Bentley, Corey, Carr and Mrs. Sartori are participants in the Chemung Canal Trust Company Pension Plan, a non-contributory defined benefit pension plan. The Pension Plan is a “qualified plan” under the IRS Code and therefore must be funded. Contributions are deposited to the Plan and held in trust. The Plan assets may only be used to pay retirement benefits and eligible plan expenses. As of December 31, 2010, Mr. Battersby, Mr. Carr and Mr. Corey have reached age 55 and have completed 5 years of service to be eligible for early retirement.

Under the Plan, pension benefits are based upon final average annual compensation where annual compensation is total base earnings paid plus 401(k) salary deferrals. Bonuses, overtime, and dividends are excluded. The normal retirement benefit equals 1.2% of final average compensation (highest consecutive five years of annual compensation in the prior 10 years) times years of service (up to a maximum of 25 years) plus 1% of average monthly compensation for each additional year of service (up to a maximum of 35 years). Compensation for purposes of determining benefits under the Plan is reviewed annually. The compensation limit for both 2010 and 2011 is \$245,000.

Normal retirement age under the plan is 65. Participants may commence their retirement benefit prior to the age of 65 if they have at least five years of credited service and have attained age 55. The retirement benefit payable before age 65 is reduced to recognize the greater number of years during which the participant will receive the retirement benefit. The reduction is 6 2/3% for each year between age 60 and 65 that the benefit commences prior to the age of 65. The reduction prior to age 60, if the benefit commences between age 55 and 60, is 5.33% per year.

Chemung Canal Trust Company Executive Supplemental Pension Plan: As described above, U.S. laws place limitations on compensation amounts that may be included under the Pension Plan. The Executive Supplemental Pension Plan is provided to executives in order to produce total retirement benefits, as a percentage of compensation, that is comparable to employees whose compensation is not restricted by the annual compensation limit. Pension amounts based upon the pension plan formula, which exceed the applicable limitations, will be paid under the Executive Supplemental Pension Plan. Currently Mr. Bentley is the only active participant.

The Executive Supplemental Pension Plan is a “non-qualified plan” under the Internal Revenue Service Code. Contributions to the Plan are not held in trust; therefore, they may be subject to the claims of creditors in the event of bankruptcy or insolvency. When payments come due under the Plan, cash is distributed from general assets.

Pension Benefits Table

The table below sets forth the accumulated benefits to which the executives would be entitled had they terminated employment on December 31, 2010 and elected to commence their benefit at the earliest age at which they would receive an unreduced benefit, payable as a monthly benefit for as long as the executive lived. The expected benefit payments are discounted using interest and mortality assumptions to produce the present value of the accumulated benefit as of December 31, 2010. The assumed interest rate is 5.65% and the mortality assumption is based upon the RP-2000 Mortality Table with projections specified by IRS Proposed Regulation Section 1-430(h)(3)-1.

Potential Payments upon Termination of Employment or Change in Control

The following paragraphs summarize the estimated amounts payable to each of the NEOs under an employment agreement or change in control agreement assuming employment was terminated December 31, 2010.

Mr. Bentley is covered under a Severance Agreement and a Change of Control Agreement. Under the Severance Agreement, if terminated involuntarily without cause, he would receive one year's salary equal to \$377,000 and employee benefits for one year equal to \$12,790.

Under the Change of Control Agreement, Mr. Bentley would receive a number of payments and benefits under different circumstances: 1) Within two years following a change of control if there is (a) involuntary termination without cause or by him for good reason, or (b) there is a termination by him for any reason within one year of the change of control, he would receive cash severance equal to 2.99 times the highest annual compensation paid to him, based upon the prior two years, in the amount of \$1,572,970, a present value of employee retirement plan benefits in the amount of \$387,445 and a potential tax gross-up of excise tax; and 2) if he voluntarily terminates his employment more than one year after a change of control, his payments would total \$793,869 comprised of cash severance of \$526,077 and a present value of employee and retirement plan benefits of \$267,792.

Under the Company's executive supplemental disability benefit program Mr. Bentley, if terminated due to disability, would receive benefits that would continue until the earlier of recovery, death or age 67 with a present value of \$215,185.

The Company has entered into Change of Control Agreements with executive officers Battersby, Corey, Sartori and Carr. Following a change in control, if the executive's employment is terminated within twelve months or if the executive resigns for any reason, the agreements provide for payments of two (2) times the executive's annual compensation (including only salary and bonus) for the last two years. Payments would be made in equal monthly installments for twenty-four (24) months following the effective date of the termination.

The amount of severance pay that each of the executive officers would be entitled to, pursuant to the Change in Control Agreements, if termination had occurred on December 31, 2010 is as follows: Mr. Battersby \$418,654; Mr. Corey \$393,846; Mrs. Sartori \$378,366; and, Mr. Carr \$350,308.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act of 1934 requires directors and certain officers of Chemung Financial and persons who beneficially own more than ten percent of the outstanding shares of Chemung Financial's common stock to file reports of beneficial ownership and changes of beneficial ownership of shares of common stock with the Securities and Exchange Commission ("SEC"). SEC regulations require such persons to furnish the Company with copies of all Section 16(a) reports they file. Based solely upon review of the copies of such reports furnished to the Company and its representatives and certain representations that no other reports were required, all persons subject to the SEC reporting requirements filed the required reports on a timely basis.

Certain Transactions with Related Parties

A number of Chemung Financial's directors, members of executive management and their associates are customers of Chemung Canal Trust Company. Any extensions of credit made to them are made in the ordinary course of business,

are made on substantially the same terms, including interest rates and collateral, as those prevailing at the same time for comparable loans with persons not related to the company and do not involve more than normal risk of collectability or present other unfavorable features to the Bank.

The law firms of Sayles & Evans, of which Ms. Drinkwater is a partner and Nixon Peabody LLP, of which Mr. Eggers is a senior counsel, each provided legal services to the Company in 2010. The amounts paid to each of these entities were less than the established reporting thresholds. The Bank's policy requires that a review of related party transactions over \$100,000 be conducted for potential conflict of interest and all such transactions be approved by the Board.

Code of Ethics

The Board of Directors has adopted a Code of Ethics for Senior Financial Officers, which applies to Chemung Financial's chief executive officer, the chief auditor and other senior officers performing accounting, auditing, financial management or similar functions. This Code of Ethics supplements a Code of Business Conduct and Ethics, which governs all employees, officers and directors. Both codes can be viewed at the Corporate Governance link on the home page of the Bank's website at www.chemungcanal.com/home/info.governance.
