SJW CORP. ANNOUNCES  
STOCK REPURCHASE PROGRAM

SAN JOSE, CA, April 29, 2004 - SJW Corp. (AMEX:SJW) announced today that its board of directors authorized a stock repurchase program to repurchase up to 100,000 shares of its outstanding common stock over the next thirty-six months. Repurchases under the stock repurchase program may be made, from time to time, in the open market or in private transactions. Depending on market conditions and other factors, these repurchases may be commenced or suspended at any time or from time to time without prior notice. SJW Corp. is a publicly traded holding company headquartered in San Jose, California. SJW Corp., through its subsidiary San Jose Water Company, provides water services to a population of approximately one million people in the City of San Jose and nearby communities.

This press release may contain certain forward-looking statements within the definition under the U.S. Private Securities Litigation Reform Act of 1995, including but not limited to statements relating

SJW CORP. (AMEX: SJW) ANNOUNCES FIRST QUARTER  
FINANCIAL RESULTS

SAN JOSE, CA, April 29, 2004 - SJW Corp. (AMEX:SJW) basic earnings per common share for the quarter ended March 31, 2004 were \$0.19, compared to \$0.58 for the same quarter in 2003. 2003 first quarter earnings include an after-tax gain of \$3,030,000, or \$0.33 per share, on the sale of a non-utility property.

Operating revenue for the first quarter was \$31,063,000 versus \$27,971,000 for the same period in 2003, representing an increase of \$3,092,000 or 11%. Approximately \$2,669,000 of the total revenue increase was primarily attributable to cumulative rate increases of 7% and higher customer demand of 6% as a result of warmer temperatures in March 2004.

Total water production costs for the first quarter of 2004 consisting of purchased water, power and pump taxes, increased \$1,593,000, or 18% from the first quarter of 2003. The increase was primarily attributable (1) to increased water production costs of \$693,000 due to increases in the cost of purchased water and pump taxes, (2) reduced surface water availability of \$366,000 and (3) higher customer demand of \$534,000.

Total quarterly operating expenses for the first quarter of 2004, excluding water production costs and income taxes, increased \$1,751,000 or 13% from 2003. The increases consisted principally of: \$673,000 in salaries and related costs, \$126,000 in pension costs primarily as a result of the enhancement of pension plan benefits, \$653,000 in depreciation expense on added utility plant and \$299,000 in other costs. Income tax expense for the first quarter of 2004 was lower than the same period of 2003 due to lower earnings.

For the three months ended March 31, 2004, other comprehensive income included \$578,000 due to an increase in the market value of the investment in California Water Service Group.

The Directors of SJW Corp. today declared a quarterly dividend on common stock of \$0.255 per share. The dividend is payable on June 1, 2004 to shareholders of record on May 12, 2004.

SJW Corp. is a publicly traded holding company headquartered in
