Item 9. Regulation FD Disclosure

Federated Department Stores, Inc. ("Federated"), today posted the following weekly sales update on its Internet website:

"This is the update for the second week of January 2003 including sales from Sunday January 12th through Saturday January 18th. The four week fiscal month of January 2003 runs from January 5th through February 1st this year.

Comp store sales in the first two weeks of the month have been somewhat stronger than anticipated. However, at this point we would still forecast the month as a whole to be down in the range of -4% to -5%."

The informational statements contained in this release are the exclusive property of Federated and may not be reproduced, in whole or in part, in any manner, without the prior written consent of Federated.

This release contains certain forward-looking statements that reflect current views of the financial performance and future events of Federated. The words "expect", "plan", "anticipate", "believe" and

other similar expressions identify forward-looking statements. Any such forward-looking statements are subject to risks and uncertainties. Future results of the operations of Federated could differ materially from historical results or current expectations due to a variety of factors that affect Federated, including competitive pressures from specialty stores, general merchandise stores, manufacturers' outlets, off-price and discount stores, new and established forms of home shopping (including the Internet, mail-order catalogues and television) and general consumer spending levels, including the impact of the availability and level of consumer debt, and the effect of weather.
