Item 1.01 Entry Into a Material Definitive Agreement

On January 29, 2019, Equity Commonwealth, a Maryland real estate investment trust (the “Company”), by and through its primary operating subsidiary, EQC Operating Trust (the “Operating Trust”), and another subsidiary (collectively, “Sellers”), entered into a sale agreement (the “Sale Agreement”) with Silverstein/Arden 1735 Market Holdco LP (“Purchaser”), pursuant to which Sellers agreed to convey to Purchaser 100% of the equity interests in the fee simple owner of 1735 Market Street in Philadelphia, Pennsylvania, for a gross sale price of \$451.6 million. Proceeds after credits for capital costs, contractual lease costs, and rent abatements are expected to be approximately \$435.6 million.

1735 Market Street is an approximately 1.3 million square foot, Class A, office property located in the Market West submarket of Philadelphia, Pennsylvania.

In connection with entering into the Sale Agreement, the parties agreed to customary representations, warranties, covenants, and indemnities. The Purchaser made an earnest money deposit of \$10 million that will be credited to the sale price at closing, or, if the closing does not occur due to a default by the Purchaser, then the deposit will serve as liquidated damages for the Sellers. Pursuant to the Sale Agreement, including the Purchaser's extension right, the closing is expected to occur on or before March 27, 2019, unless another date is mutually agreed by the parties. This transaction is subject to various customary closing conditions, and there is no certainty that this transaction will close.

The foregoing summary of the Sale Agreement does not purport to be complete and is subject to, and qualified in its entirety by, reference to the full text of the Sale Agreement, which is included as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated herein by reference. The representations and warranties in the Sale Agreement were made as of a specified date, may be subject to a contractual standard of materiality different from what might be viewed as material to shareholders, or may have been used for the purpose of allocating risk between the parties. Accordingly, the representations and warranties in the Sale Agreement are not necessarily characterizations of the actual state of facts about Sellers or Purchaser at the time they were made or otherwise and should only be read in conjunction with the other information that the Company makes publicly available in reports, statements and other documents filed with the Securities and Exchange Commission.

Item 8.01 Other Events

During the quarter ended December 31, 2018, the Company sold 97 Newberry, a 289,000 square foot industrial property in East Windsor, Connecticut, for a gross sale price of \$7.1 million.
