PART III – NARRATIVE

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

Due to our reduced staffing levels we experienced delays in closing our quarter, and consequently our independent registered public accounting firm was unable to complete its review of our Quarterly Report on Form 10-Q within the prescribed time period without unreasonable effort or expense.

As a result of the foregoing, our Quarterly Report on Form 10-Q for the quarterly period ended February 28, 2010 will be filed on or before April 19, 2010, which is within the extension period provided under Rule 12b-25.

PART IV - OTHER INFORMATION

- (1) Name and telephone number of person to contact in regard to this notification:

Eric M. Hellige (212)  
421-4100

- (2) Have all other periodic reports required under Section 13 or 15(d) of the Securities Exchange Act of 1934 or Section 30 of the Investment Company Act of 1940 during the preceding 12 months or for such shorter period that the registrant was required to file such report(s) been filed? If the answer is no, identify report(s).  Yes  No

- (3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?  Yes  No

Our revenue for the three-month period ended February 28, 2010 decreased by approximately \$218,000, or approximately 37%, to approximately \$375,000 as compared to approximately \$593,000 reported for the three-month period ended February 28, 2009. The decrease in our revenues resulted from the loss of our largest customer in December 2009.

For the three-month period ended February 28, 2010, our gross profit amounted to approximately \$63,000, which was a decrease of approximately \$7,000 from the gross profit of approximately \$70,000 reported in the three-month period ended February 28, 2009. The decrease was due to the reduction of revenue due to the loss of our largest customer.

Selling, general and administrative expenses decreased by approximately \$279,000, or approximately 32%, to approximately \$583,000 for the three-month period ended February 28, 2010 from approximately \$862,000 reported in the same prior-year fiscal period. We made significant reductions to our salary and consulting expense for the period resulting in a saving of approximately \$203,000.

Depreciation and amortization expense for the three months ended February 28, 2009 was approximately \$137,000. There was no depreciation and amortization expense recorded for the period ended February 28, 2010 due to the impairment loss that we recorded at November 30, 2009 and the expensing of all deferred financing costs at November 30, 2009.

Interest expense decreased by approximately \$134,000 to approximately \$328,000 for the three months ended February 28, 2010 as compared to approximately \$462,000 for the three months ended February 28, 2009. In fiscal 2010, we no longer use the effective interest method to record interest expense, as we did in fiscal 2009, because we wrote off all debt discounts at November 30, 2009.

The mark-to-market adjustment to our warrant liability resulted in warrant income for the three-month period ended February 28, 2009 of approximately \$2,551,000, which was due to the decrease in the market value of our common stock from November 30, 2008 to February 28, 2009. There was no income or expense for mark-to-market adjustment in the three-month period ended February 28, 2010 due to a zero valuation of warrants held by our lender on November 30, 2009 and February 28, 2010.
