Explanation of Responses:

- * If the form is filed by more than one reporting person, *see* Instruction 4(b)(v).
 - ** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. *See* 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).
- Each Stock Option Equivalent corresponds to one share of the Issuer's Class B common stock and, when notionally exercised, will result in a credit in the Reporting Person's deferred compensation account equal to the difference between the closing price of the Class B common stock on the New York Stock Exchange on the date of such exercise and the exercise price of the Stock Option Equivalent.
- (1) Each Class B Phantom Common Stock Unit is the economic equivalent of one share of the Issuer's Class B common stock. In accordance with the previously disclosed amendment, dated March 13, 2007, to the employment agreement between the Reporting Person and the Issuer (the "Amended Employment Agreement"), the Reporting Person's deferred compensation account balance with the Issuer (including all Phantom Common Stock Units held therein on that date) was converted into Stock Option Equivalents on March 16, 2007. The Phantom Common Stock Units reported hereon were acquired as a result of a hypothetical dividend credit owed to the Reporting Person's deferred compensation account based on a record date prior to March 16 that did not become payable until April 2. Upon acquisition of the Phantom Common Stock Units on April 2, these Units were exchanged for additional Stock Option Equivalents.
- (2) These Stock Option Equivalents vest in four equal annual installments beginning on March 16, 2008.
- (3) The closing price of the Issuer's Class B common stock on the New York Stock Exchange on April 2, 2007 was \$30.78.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
