(1) SEC filings sometimes "incorporate information by reference." This means the Companies are incorporating information that has previously been filed with the SEC, and that this information should be considered part of the filing you are reading. Unless Edison International or SCE specifically states otherwise, information in this graph shall not be deemed to be incorporated by reference and shall not constitute solicitation. Information otherwise be considered filed under the Securities Act or the Securities Exchange Act.

Page 43

- (2) The historical stock performance depicted on the graph is not necessarily indicative of future performance. The Companies do not make or endorse any predictions as to future stock performance or dividend payments. Quarterly dividends customarily paid on January 31, April 30, July 31, and October 31 for 2003, were not declared by the Edison International Board. This proxy statement is not to be relied upon as material for soliciting the purchase or sale of stock of either of the Companies.
- (3) In February 2000, Dow Jones launched a new U.S. Equity Index series which replaced all of its previous series including the Dow Jones Electric Utilities Index previously used for this graph. The new series covers 95% of the U.S. equity market and replaces the previous series that covered 80% of the market. Additionally, the industry classification system was restructured. The net result is that all U.S. indices will show differences when compared to the indices used prior to 2000.
- (4) As of December 31, 2003.
- (5) Ex-dividend dates have been used to determine the number of dividends included in Edison International's adjusted cumulative total return calculation. The ex-dividend date occurs a few days prior to the date of each dividend payment, and is the date on which the stock begins trading at a price that does not include the dividend. Edison International had three ex-dividend dates in 1999 even though shareholders received four dividend payments in that year. In 2000, there were four ex-dividend dates and four dividend payments. In 2003, a dividend was declared in the fourth quarter, with an ex-dividend date of December 31, 2004. For purposes of calculating the adjusted cumulative total return presented in the following table, four ex-dividend dates were used in 1999, three ex-dividend dates were used in 2000, and one ex-dividend date was used in 2003. The adjusted calculation for 2000 includes only three ex-dividend dates because the Board did not declare the dividend customarily paid on January 31, 2001. As noted in footnote 1, there were no dividends declared by the Edison International Board for quarterly dividend payments starting January 31, 2001 through October 31, 2003.

CERTAIN RELATIONSHIPS AND TRANSACTIONS

Mr. Olson is a Senior Partner of the law firm of Munger, Tolles and Olson which provided legal services to Edison International, SCE, and/or their subsidiaries in 2003. Such services are expected to continue to be provided in the future. The amount paid to Munger, Tolles and Olson in 2003 for legal services was \$1,000,000, which exceeds the threshold requiring disclosure by the SEC.

In 2002 and 2003, Deloitte Consulting Services, LLP and Deloitte & Touche LLP provided various consulting services to Edison International and SCE, and such services are expected to continue to be provided in the future. Mr. John Danner, brother of Bryant C. Danner, provided consulting services on two such projects to a retainer consulting agreement with Deloitte Consulting Services. In 2003, the aggregate amount paid to Edison International for those projects was \$284,020 and the aggregate amount paid by SCE was \$1,000,000. John Danner received an aggregate amount of approximately \$88,000 in connection with the consulting services provided for the projects.

Edison International and SCE believe that any transactions described above are comparable to those that would have been undertaken under similar circumstances with nonaffiliated entities or persons.

OTHER MANAGEMENT TRANSACTIONS

There are no other transactions to report.

CHANGE IN CERTIFYING ACCOUNTANT

On May 8, 2002, following a recommendation from the Audit Committees, the Boards of Directors of Edison International and SCE decided to no longer engage Arthur Andersen LLP as Edison International's and SCE's independent accountants, and appointed PricewaterhouseCoopers LLP to serve as Edison International's and SCE's independent accountants for the balance of 2002.

From January 1, 2002 through May 8, 2002, there were no disagreements with Arthur Andersen LLP regarding the application of accounting principles or practices, financial statement disclosure, or auditing scope or procedure that, if not resolved to Arthur Andersen LLP's satisfaction, would have caused them to make reference to the matter in connection with their reports on Edison International's and SCE's consolidated financial statements for those periods; and there were no reportable events, as listed in Item 304(a)(1)(v) of SEC Regulation S-K.

From January 1, 2002 through May 8, 2002, Edison International and SCE did not consult PricewaterhouseCoopers LLP with respect to the application of accounting principles to a specific transaction, either completed or proposed, or the type of audit opinion that might be rendered on Edison International's and SCE's consolidated financial statements, or any other matters or reportable events listed in Item 304(a)(1)(v)(ii) of SEC Regulation S-K.

In connection with preparing Current Reports on Form 8-K dated May 8, 2002, to report the change in certifying accountant, Edison International and SCE provided Arthur Andersen LLP with substantial disclosures as appear above. By a letter dated May 10, 2002, Arthur Andersen LLP stated its agreement with the disclosures. Because Arthur Andersen LLP is no longer conducting business, the Companies have not received a copy of the specific disclosures appearing above. Edison International and SCE furnished PricewaterhouseCoopers LLP with a copy of the foregoing disclosures and gave them the opportunity to be included in this Proxy Statement if they believe the foregoing disclosures to be incomplete. PricewaterhouseCoopers did not present any response indicating its disagreement with the disclosures.

AUDIT COMMITTEES' REPORT (1)

The Edison International and SCE Audit Committees have certain duties and powers as described in their charters. In 2004, the Committees developed updated charters which were approved by the Boards of Directors in 2004, and are attached to this Proxy Statement as Appendices A and B, respectively. The Audit Committees are currently composed of the same five non-employee Directors named at the end of this report each of whom is independent as defined by the New York Stock Exchange listing standards.

Management is responsible for the Companies' internal controls and the financial reporting process, including the integrity and objectivity of the financial statements. The independent accountants are responsible for performing an independent audit of the Companies' financial statements in accordance with generally accepted auditing standards and to issue a report thereon. The Committees monitor and oversee these processes. The Committees' members are not accountants or auditors by profession and, therefore, have relied on the representations from management and the independent accountants about the carrying out of their respective responsibilities.

In connection with the December 31, 2003, financial statements, the Audit Committees:

Edgar Filing: EDISON INTERNATIONAL - Form DEF 14A

- o reviewed and discussed the audited financial statements with the Companies' management;
- o discussed with PricewaterhouseCoopers LLP, the Companies' independent accountants, the m by Statement on Auditing Standards No. 61 (Communication with Audit Committees); and
- o received the written disclosures required by Independence Standards Board Standard No. 1 Discussions with Audit Committees) and discussed with PricewaterhouseCoopers LLP its ind the Companies.

Based upon these reviews and discussions, the Edison International and SCE Audit Committees their respective Boards of Directors that the audited financial statements be included in the Edi International and SCE 2003 Annual Reports on Form 10-K to be filed with the SEC.

- (1) The nature of the services comprising these fees were assurance and related services to support the performance of the audit or review of the financial statements and not report "Other Fees" above, including the implementation of the requirements of the Sarbanes-Oxley Act.
 - (2) The nature of the services comprising these fees were to support compliance with U.S. and foreign tax reporting and payment requirements, including tax return review and preparation, laws, regulations or cases.
 - (3) The nature of the services comprising these fees were accounting support for SCE's financial reporting case, analytical accounting projects, and assistance with implementing an upgrade of the financial information system.

The Edison International and SCE Audit Committees are required to review with management and the independent accountants all audit services to be performed by the independent accountants and all non-audit services that are not required to be pre-approved and that require pre-approval under the Securities Exchange Act. The

Page 47

The Edison International and SCE Audit Committees' pre-approval responsibilities may be delegated to one or more Committee members, provided that the delegates present any pre-approval decisions to the respective Committees at their next meeting. The independent accountants must assure that all audit and non-audit services provided to the Companies have been approved by the Audit Committees.

During the fiscal year ended December 31, 2003, all services performed by the independent accountants were pre-approved by the Edison International and SCE Audit Committees, irrespective of whether the services were pre-approved under the Securities Exchange Act.

INDEPENDENT ACCOUNTANTS FOR 2004

The Edison International and SCE Board Audit Committees have selected PricewaterhouseCoopers as the Companies' independent accountants for calendar year 2004. The Committees have considered whether the provision of the non-audit services described above is compatible with maintaining PricewaterhouseCoopers' independence. PricewaterhouseCoopers is an international accounting firm which provides leadership in public utility matters.

Representatives of PricewaterhouseCoopers are expected to attend the Annual Meeting to respond to any appropriate questions and to make a statement if they wish.

SHAREHOLDER RIGHTS AGREEMENT**

Item 2 on Edison International Proxy Card

A shareholder of Edison International has given notice of his intention to present the following for action at the Annual Meeting. Pursuant to Rule 14a-8(1)(1) of the Securities Exchange Act, Edison International will provide the number of Edison International securities held by the proponent of the shareholder proposal promptly upon receipt of an oral or written request; his name and address are as follows. The following text and information was provided by the proponent of the shareholder proposal and has been endorsed or verified by Edison International. The Edison International Board of Directors response to the shareholder proposal appears below under "Recommendation of Your Board of Directors Against Item

2 - Shareholder Input on a Poison Pill

RESOLVED: Shareholders request that our Directors increase shareholder voting rights and submit any adoption, maintenance or extension of a poison pill to a shareholder vote as a separate ballot item at the earliest possible shareholder ballot. If this proposal is adopted, any material change or removal of this proposal is requested to be submitted to a shareholder vote as a separate ballot item at the earliest possible shareholder ballot.

Page 48

We as shareholders voted in support of this topic:

Year	Rate of Support
----	-----
2003	62%

These percentages are based on yes and no votes cast. I believe this level of shareholder support is more impressive than the raw percentage because this support followed our Directors' objections and we do not have confidential voting. The 38%-vote favoring management's objections equals only 28% of Edison shares outstanding and insiders own 14% of our stock. The Council of Institutional Investors formally recommends shareholder approval of poison pills and adoption of proposals which achieve a majority of votes cast. Institutional investors in general own 14% of our stock.

John Chevedden, 2215 Nelson Ave., No. 205, Redondo Beach, Calif. 90043 submitted the following proposal.

The key negative of poison pills is that pills can preserve management deadwood.

Diluted Stock

An anti-democratic management scheme (poison pill) to flood the market with diluted stock is not a reason that a tender offer for our stock should fail.

T.J. Dermot Dunphy, CEO of Sealed Air (NYSE) for 25 years

I believe that it is important to take at least a single step here to improve our corporate governance standards since I believe our 2003 governance standards were impeccable. For instance:

Our board materially ignored our 2003 majority shareholder vote on this topic.

Edgar Filing: EDISON INTERNATIONAL - Form DEF 14A

No confidential voting.

No cumulative voting.

No independent Board Chairman.

Three of our Directors each had 16 to 23 years tenure and there are no tenure limits.

A relatively recent addition to our Board, Mr. Karatz, is potentially overqualified with 4 outside directorships (Avery, Honeywell, Kroger, National Golf) added to his CEO obligations at KB Home.

Mr. Karatz also serves on the Compensation Committee at a Honeywell (HON). Honeywell rewarded its CEO with \$65 million in 2002.

Mr. Olson is our Director who is also the senior partner in a law firm that rewarded our company \$6 million in 2002.

Page 49

This topic won an overall 60% yes-vote at 79 companies in 2003. I believe that a majority of shareholder votes are a strong signal of shareholder concern on this topic. I can see how our Directors could object to this proposal because it gives our Directors flexibility to obtain our input and ignore our input if our Directors seriously believe they have a good reason.

RECOMMENDATION OF YOUR BOARD OF DIRECTORS AGAINST ITEM 2

The Edison International Board recommends that you vote against the shareholder proposal (Item 2 on proxy card) because the Board already has substantially implemented the proposal.

At Edison International's 2003 annual meeting of shareholders, shareholders adopted a non-binding shareholder proposal recommending that the Board terminate our shareholder rights plan and not act without submitting the matter to a shareholder vote. The current year's shareholder proposal recommends that the Board take substantially the same actions. However, since the adoption of last year's shareholder proposal, the Board has taken actions to implement its recommendations.

The Nominating/Corporate Governance Committee of the Board reviewed the status of the Edison International shareholder rights plan, the reasons for its adoption, and the advisability of modifying the plan. Recommended by the Committee, the Board concluded that it would be in the best interests of Edison International and its shareholders to take the following actions:

- o Effective February 26, 2004, we amended our existing shareholder rights plan document to provide that the Board will not cause the rights plan to be triggered (i.e. making the rights exercisable) without prior approval by Edison International's shareholders. The terms of our shareholder rights plan provide that it will expire in November 2006 and that this expiration date cannot be accelerated by the Company. The action now taken by the Board does not incur the costs and delays that would be incurred in redeeming the rights issued under the existing plan and specifically enhances the shareholder's ability to participate in the operation of the plan.
- o The Board also has adopted a policy that (i) the Company's existing rights plan will not be amended and (ii) the Board would seek shareholder approval before adopting any future shareholder rights plan unless, due to timing constraints or other reasons consistent with the Board's fiduciary duty, a committee consisting solely of independent directors determines that it would be in the best interests of shareholders to adopt the plan before obtaining shareholder approval. Any rights plan adopted by the Board without such prior shareholder approval would automatically terminate on the first day after the adoption of the plan unless the plan is approved by the Company's shareholders before the plan terminates.

The Board believes that these actions are responsive to and substantially implement both last

this year's shareholder proposals.

**FOR THE FOREGOING REASONS, YOUR BOARD RECOMMENDS THAT
YOU VOTE "AGAINST" ITEM 2.**

**SHAREHOLDER PROPOSALS AND NOMINATIONS FOR

**EDISON INTERNATIONAL
CHARTER FOR THE AUDIT COMMITTEE
OF THE BOARD OF DIRECTORS**

**Adopted by the Board of Directors
March 18, 2004**

Article I - Purpose

The purpose of the Audit Committee ("Committee") of the Board of Directors ("Board") of Edison International ("Company") is to assist the Board in its oversight of:

- o the integrity of the Company's financial statements;
- o the Company's systems of disclosure and internal control regarding finance, accounting, and ethics that management and the Board have established;
- o the Company's compliance with legal and regulatory requirements;
- o the qualifications and independence of the independent accountants retained by the Company ("Auditors") for the purpose of preparing or issuing an audit report or performing other attest services; and
- o the performance of the Auditors and of the Company's internal audit function;

and to produce a report of the Committee annually for inclusion in the Company's proxy statement, with applicable Securities and Exchange Commission ("SEC") rules and regulations.

Article II - Authority

The Committee shall have the authority (without having to seek Board approval) and appropriate funds by the Company, to obtain advice and assistance from the Auditors and from outside legal, accounting advisors, as it deems necessary to carry out its duties. The Committee may also request the Auditor, the Company's chief internal auditor ("General Auditor") or management and any other internal or external personnel to conduct any investigations, reviews or studies of any matter within the scope of the Committee's responsibilities. In connection with any such investigation, the Committee shall have unrestricted access to Company personnel and documents.

Article III - Composition of the Committee

1. Appointment. The Committee shall consist of not less than four nor more than seven members of the Board. Each Committee member shall be appointed by resolution adopted by a majority of the exact number of Directors and shall serve until a successor shall be appointed by the Board. In the event any member

Edgar Filing: EDISON INTERNATIONAL - Form DEF 14A

Committee shall cease to be a director of the Company, the vacancy thus created shall either be filled by the Board or, at the Board's discretion, left unfilled, provided that in no event shall the Committee have more than four members. The Board shall designate one of the Committee members as Chair ("Chair") who shall preside over meetings of the Committee and report Committee actions to the Board. If the Chair is not present, the Committee may designate an acting Chair.

Page A-1

2. Independence of Members. Each member of the Committee shall be independent as determined pursuant to applicable law, regulation, stock exchange listing standard and director qualification standards of the Board's Nominating/Corporate Governance Committee, subject to any exceptions provided for in any applicable law or the aforementioned standards. No Committee member may be an "affiliated person" (as defined in Rule 10A-3 of the Securities Exchange Act of 1934, as amended, and hereinafter referred to as the "Act") of the Company or any of its subsidiaries, subject to the exception provided in SEC Rule 10A-3(b)(1)(iv)(B) that a Committee member may sit on the board of a Company affiliate provided that director also otherwise meets the independence requirements for such affiliate. No Committee member may accept, directly or indirectly from the Company or any of its subsidiaries, any consulting, advisory or other compensatory fee other than (a) fees paid to Directors for service on the Board, (b) additional fees paid to Directors for service on a committee of the Board (including the Committee) and/or for serving as the chair of such a committee and (c) fixed amounts of compensation under a retirement plan (including deferred compensation) for prior service with the Company that is not attributable to continued service on the Board. If a member of the Committee ceases to be independent for reasons beyond the member's reasonable control, that member, with notice by the Company to the applicable stock exchange, shall remain a Committee member until the earlier of the Company's next annual shareholders' meeting or the occurrence of the event that caused the member to be no longer independent.

3. Financial Literacy and Expertise. Each member of the Committee shall be financially literate as determined by the Board, or become financially literate within a reasonable time after appointment. At least one member shall have accounting or related financial management expertise, as determined by the Board. The Board shall determine and disclose in the Company's annual proxy statement or Annual Report on Form 10-K whether each member of the Committee qualifies as an "audit committee financial expert" in compliance with the requirements described in Item 401 of Regulation S-K under the Act. If the Board determines that a member of the Committee does not qualify, the Board may presume that such Committee member has accounting or related financial management expertise.

4. Other Audit Committee Appointments. No Director may serve as a member of the Committee if such Director also serves on the audit committee of more than two other public companies, unless the Board determines that such simultaneous service would not impair the ability of such Director to effectively serve on the Committee.

5. Subcommittees. Except as otherwise expressly provided in this Charter, neither the Board nor the Committee may delegate to any Subcommittee of this Committee the authority to perform any responsibilities set forth in this Charter. The Board or the Committee may form Subcommittees from time to time to gather information, carry out investigations, or prepare reports, for consideration and action by the Committee.

Article IV - Meetings and Other Actions

The Committee shall meet at least four times per year, with one meeting to be held at the completion of the annual audit and before the Company's annual financial statements are published, and three meetings to be scheduled at the direction of the Chair in connection with the review and release of quarterly financial statements and results. Additional meetings may be held as needed to fulfill the Committee's responsibilities. Any meeting may be requested by any Committee member. The frequency, length, and agendas of meetings shall be determined by the Chair in consultation with Committee members and Company management. Any Committee member may request the inclusion of items on the agenda or raise subjects at a meeting that are not on the agenda. Periodically, the Committee shall meet with Company management, the General Auditor and the Audit Committee in executive sessions to discuss any matters.

Page A-2

that the Committee believes warrant Committee attention. The Committee shall also meet separately or in combinations of the foregoing groups in carrying out its duties and responsibilities set forth in this Charter.

Edgar Filing: EDISON INTERNATIONAL - Form DEF 14A

A majority of the members of the Committee shall constitute a quorum for the transaction of business and all meetings shall be held at the principal offices of the Company or as directed by the Chair.

The Company's Secretary shall keep, or appoint an appropriate person to keep, regular minutes of all meetings and proceedings. If no appointed person is present, the Committee may designate an acting secretary. The minutes of each meeting shall be reviewed and approved by legal counsel and the Chair. The approved minutes shall be a permanent corporate record maintained by the Company's Secretary. A report on the Committee's activities and any other matters required to be reported by this Charter in connection with execution of its duties and responsibilities shall be provided to the Board after each meeting.

Unless otherwise provided in this Charter, the meetings and any other actions of the Committee shall be governed by the provisions of Article III of the Bylaws of the Company applicable to meetings and actions of the Board and the Committee shall have all of the authority of the Board in fulfilling its duties and responsibilities, except as limited by any applicable law, regulation or stock exchange listing standard, or Article III of the Bylaws of the Company.

Article V - Duties and Responsibilities

The Committee shall have the following duties and responsibilities which shall not be delegated to any other Board Committee.

External Audit Responsibilities

1. The Committee shall exercise the exclusive authority and direct responsibility to appoint, reappoint, and oversee the Auditors, who shall report directly to the Committee. Under the Committee's oversight, the Auditors shall interact with management to the fullest extent necessary to fulfill the Auditors' duties and responsibilities.
2. At least annually, the Committee shall obtain and review a report from the Auditors describing:
 - o their internal quality-control procedures;
 - o any material issues raised by their most recent internal quality-control review or peer review, or any inquiry or investigation by governmental or professional authorities, within the preceding three years, with respect to any independent audit carried out by the Auditors, and any steps taken to address with any such issues; and
 - o to assist the Committee in its determination of the objectivity and independence of the Auditors and the relationships between the Auditors and the Company, including the matters covered by Indenture Standard Board Standard Number 1.

After reviewing the report and the Auditors' work throughout the year, the Committee shall evaluate the Auditors' qualifications, performance and independence. This evaluation shall include a review of the lead audit partner. In addition, the Committee shall ensure that the audit partners are rotated to the extent required by the Act. The Committee shall also consider whether there should be regular rotation of the Audit

Page A-3

In making its evaluation, the Committee shall take into account the opinions of the Company's management and the General Auditor.

The Committee shall present its conclusions to the Board.

3. The Committee shall review with management and pre-approve all the audit services to be performed by the Auditors, including the Auditors' engagement letter for the annual audit of the Company in accordance with the standards of the Public Company Accounting Oversight Board (United States) and the proposed fees to be paid with such audit.
4. The Committee shall discuss with the Auditors the scope, plans for and results of, the annual
