(e) Elimination of Gross-Up Protections.

In December 2008, the Corporate Personnel Committee (the Committee) of the Board of Directors of Freeport-McMoRan Copper & Gold Inc. (the Company) adopted a policy pursuant to which the Company will no longer provide excise tax gross-up protections in change of control arrangements adopted, revised or extended after December 2, 2008. The Committee provided, however, that such protections in place at the time for Richard C. Adkerson, its President and Chief Executive Officer, and Kathleen L. Quirk, its Executive Vice President, Chief Financial Officer and Treasurer, would continue through the term of their existing executive employment agreements (together, the Agreements).

In support of the Company's policy to eliminate excise tax gross-up protections going forward, Mr. Adkerson and Ms. Quirk voluntarily waived their rights to those protections and, on April 27, 2011, executed amendments to the Agreements to eliminate the change of control gross-up protections. As amended, the Agreements now provide that change of control benefits will be reduced to a level that does not trigger an excise tax if the net after-tax benefit of such reduction exceeds the net after-tax benefit if such reduction is not made.

This description of the amendments is qualified in its entirety by the terms of the Amendment to Amended and Restated Executive Employment Agreement for each of Mr. Adkerson and Ms. Quirk, which are attached as Exhibits 10.1 and 10.2 and are incorporated herein by reference.

Item 9.01 Financial Statements and Exhibits.

(d) Exhibits.
