- (f) Dr. Tan is a citizen of Brunei.

Item 3. Source and Amount of Funds or Other Consideration

The shares of Common Stock and warrants to purchase Common Stock with respect to the investment units reported herein were acquired with Dr. Tan's personal assets, and 27,500 of such shares represent stock options granted to Dr. Tan that are currently exercisable or exercisable within 60 days. See Item 5 below.

Item 4. Purpose of the Transaction

In September and October 2008, the Company conducted a private placement of 70 investment units (each, a "Unit") at a price of \$30,000 per Unit in exchange for an aggregate of \$2,100,000. Each Unit consists of 25,000 shares of Common Stock and a warrant to purchase an additional 25,000 shares of Common Stock. Each warrant is exercisable for three years at a price of \$2.00 per share. The funds were raised by the Company for working capital purposes. Dr. Tan purchased 2 Units in the private placement consisting of 50,000 shares and warrants to purchase an additional 50,000 shares for an aggregate subscription price of \$60,000.

As a director of the Board of the Company, Dr. Tan is routinely involved in the management of and setting of policy for the Company, and he participates with the Company's Board of Directors in the consideration of and taking of action on significant corporate events involving the Company, including the review of nominees to fill a current vacancy on the Company's Board of Directors. However, the shares of Common Stock held by the reporting persons are held for investment purposes only, and the reporting persons currently have no plans or proposals which relate to or would result in any of the events or consequences listed in clauses (a) through (j) of Item 4 of Schedule 13D. While the reporting persons currently have no specific plans to acquire additional shares, they may do so in the future, including through the exercise of stock options and warrants that the reporting persons currently hold or may be granted or issued in the future. Among other considerations, the timing and amounts of any such additional purchases will be subject to market conditions, the price at which Common Stock can be purchased, and the reporting person's and financial condition.

- (iii) options to acquire 27,500 shares that are subject to stock options exercisable at or within sixty days of the date hereof.

Except as otherwise set forth herein, no other person or entity is known to have the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, the shares.

- (c) The reporting person has not effected any other transactions in the Common Stock within the past 60 days.
 - (e) Not applicable.
