**PART III — NARRATIVE**

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

Isle of Capri Casinos, Inc. (the "Company") has determined that it is unable to file its Form 10-Q for the quarter ended January 28, 2007 by the March 9, 2007 due date or by March 14, 2007, the five-day extension period referred to in Rule 12b-25 promulgated by the Securities and Exchange Commission (the "SEC").

The Company announced on March 12, 2007 that it would restate its financial statements for the fiscal years ended April 25, 2004, April 24, 2005 and April 30, 2006 and the quarterly results for fiscal 2005 and 2006 included therein, and for the first two quarters of fiscal 2007. The Company is assessing the time frame in which it expects to complete and file the restated financial statements and its Form 10-Q for the fiscal quarter ended January 28, 2007.

The Company expects these adjustments to result in a reduction of its retained earnings through the fiscal quarter ended October 29, 2006 in an amount not to exceed \$12 million, which includes adjustments related to periods prior to fiscal 2004 of approximately \$6.0 to \$7.0 million primarily related to amortization of intangible assets as discussed below.

The restatement primarily relates to the certain lease accounting issues related to the space being leased for the Company's new casino in Coventry, England, statutory audit adjustments for a United Kingdom subsidiary and adjustments related to the amortization of certain intangible assets related to customer lists and berthing rights, which should have been fully expensed prior to fiscal year 2004.

If answer is no, identify report(s). Yes x No o

---

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof ? Yes x No o

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

The Company does expect the results of operations for the third fiscal quarter of 2007 to be different from the results of the corresponding period of fiscal year 2006, primarily due to operations being negatively impacted by severe weather conditions, increased competition in the Company's markets, significant pre-opening costs related to various casino developments and adoption of new accounting policies related to stock based compensation. The Company cannot currently estimate the change in results due to the restatement of its financial statements as discussed above.
