PROXY STATEMENT
ANNUAL MEETING OF SHAREHOLDERS
To Be Held August 17, 2006

Date, Time and Place of Meeting

The board of directors of Rentrak Corporation (Rentrak) is furnishing this proxy statement and the accompanying 2006 Annual Report to Shareholders, notice of annual meeting, and the enclosed proxy card in connection with the board's solicitation of proxies for use at Rentrak's 2006 Annual Meeting of Shareholders (the Annual Meeting). The Annual Meeting will be held Thursday, August 17, 2006, at 10:00 a.m. Pacific Daylight Time, at Rentrak's executive offices, located on the first floor at One Airport Center, 7700 N.E. Ambassador Place, Portland, Oregon 97220.

Solicitation and Revocation of Proxies

Shares represented by a proxy card that is properly dated, executed and returned will be voted as directed on the proxy. If no direction is given, proxies will be voted FOR each of the director nominees selected by the board of directors. If other matters properly come before the Annual Meeting, the persons named in the accompanying proxy will vote in accordance with their best judgment with respect to such matters. Any proxy given by a shareholder may be revoked at any time prior to its use by execution of a later-dated proxy delivered to Rentrak's Secretary, by vote in person at the Annual Meeting, or by written notice of revocation delivered to Rentrak's Secretary.

Rentrak's board of directors has selected the two persons named on the enclosed proxy card to serve as proxies in connection with the Annual Meeting. These proxy materials and the accompanying Rentrak 2006 Annual Report to Shareholders are being mailed on or about July 7, 2006 to shareholders of record on June 26, 2006.

Purposes of the Annual Meeting

The Annual Meeting has been called for the following purposes:

To elect a board of directors consisting of six members, each to serve until the next annual meeting of shareholders and until his or her successor is duly elected and qualified;

To hear reports from various officers of Rentrak; and

To transact such other business as may properly come before the meeting or any adjournments thereof.

Section 2.3.1 of Rentrak's 1995 Restated Bylaws, as amended, sets forth procedures to be followed for introducing business at a shareholders meeting. Rentrak has no knowledge of any other matters that may be properly presented at the Annual Meeting. If other matters do properly come before the Annual Meeting in accordance with the 1995 Restated Bylaws, the persons named in the proxy card will vote your proxy in accordance with their judgment on such matters in the exercise of their sole discretion.

Record Date and Shares Outstanding

Only shareholders of record at the close of business on June 26, 2006 (the Record Date), are entitled to notice of, and to vote at, the Annual Meeting. At the close of business on the Record Date, 10,709,710 shares of Rentrak common stock were outstanding. For information regarding the ownership of Rentrak common stock by holders of more than five percent of the outstanding shares and by Rentrak's directors and executive officers, see Security Ownership of Certain Beneficial Owners and Management.

Voting; Quorum; Vote Required

Each share of common stock outstanding on the Record Date is entitled to one vote per share at the Annual Meeting. Shareholders are not entitled to cumulate their votes. The presence, in person or by proxy, of the holders of a majority of Rentrak's outstanding shares of common stock is necessary to constitute a quorum at the Annual Meeting. Assuming the existence of a quorum, the affirmative vote of a plurality of the votes cast at the Annual Meeting, in person or by proxy, will be required to elect persons nominated to be directors.

Effect of Abstentions

If you abstain from voting, your shares will be deemed present at the Annual Meeting for purposes of determining whether a quorum is present. However, only votes cast in favor of a nominee for director will have an effect on the outcome of the election of directors.

Effect of Broker Non-Votes

If a broker holds your shares in street name, you should instruct your broker how to vote. A broker non-vote occurs when a nominee holding shares for a beneficial owner returns a duly executed proxy but does not vote on a proposal because the nominee does not have discretionary voting power with respect to the matter being considered and did not receive voting instructions from the beneficial owner. Broker non-votes are deemed present at the Annual Meeting for purposes of determining whether a quorum is present, but will have no effect on the outcome of the election of directors.

2007 Shareholder Proposals

The deadline for shareholders to submit proposals to be considered for inclusion in the proxy statement for the 2007 Annual Meeting of Shareholders is March 9, 2007. To be considered at the 2007 Annual Meeting of Shareholders, Section 2.3.1 of Rentrak's 1995 Bylaws, as amended, requires shareholders to deliver notice of all proposals, nominations for director and other business to Rentrak's principal executive office no later than 60 calendar days (or by June 18, 2007) and no earlier than 90 calendar days prior to the first anniversary of the date of the 2006 Annual Meeting.

PROPOSAL 1 ELECTION OF DIRECTORS

Rentrak's 1995 Restated Bylaws, as amended, provide that its board of directors shall consist of six members. The board of directors has nominated the individuals named below to fill the six positions. If for any reason any of the nominees named below should become unavailable for election (an event that the board does not anticipate), proxies will be voted for the election of such substitute nominee as the board in its discretion may recommend. Proxies cannot be voted for more than six nominees. If a vacancy occurs after the Annual Meeting, the board of directors may elect a replacement to serve for the remainder of the unexpired term.

Our current directors, Judith Allen, Cecil Andrus, George Kuper, Paul Rosenbaum, Ralph Shaw and Stanford Stoddard, have been nominated to stand for re-election as directors. Directors are re-elected annually to serve until the next annual meeting of shareholders and until their successors are duly elected and qualified.

COMMITTEES AND MEETINGS OF THE BOARD

The board of directors has established several standing committees, including an Audit Committee, a Compensation Committee, a Finance Committee, and a Nominating and Governance Committee. During the fiscal year ended March 31, 2006, the board of directors held four meetings. Each director attended at least 75% of the total number of meetings held by the board of directors and the board committees on which he or she served during fiscal 2006.

The board of directors has adopted corporate governance guidelines, which state that directors are expected to attend all meetings of the board of directors, including our annual meetings of shareholders. All directors attended the annual meeting held in August 2005.

Audit Committee

The Audit Committee's activities are governed by a formal written charter revised by the board of directors on June 25, 2004. A copy of the Audit Committee charter is available on Rentrak's website under "Investor Relations" at www.rentrak.com. The Audit Committee held five meetings during the fiscal year ended March 31, 2006.

The Audit Committee is currently comprised of Mr. Andrus (Chair), Mr. Shaw and Mr. Stoddard, each of whom meets the financial literacy and independence requirements for audit committee membership specified in the Nasdaq listing standards. The board of directors has determined that Mr. Shaw is qualified to be an audit committee financial expert as defined in the rules of the Securities and Exchange Commission (the "SEC").

The Audit Committee makes decisions regarding the engagement or discharge of Rentrak's independent auditors, reviews and pre-approves audit and legally-permitted non-audit services provided by the independent auditors, and oversees the integrity of Rentrak's financial statements and other financial information, its systems of internal accounting and financial controls, and the independence and performance of Rentrak's independent auditors. The Audit Committee is also responsible for establishing procedures for the receipt and handling of complaints about accounting and auditing matters and for reviewing potential conflicts of interest and reports of ethical violations regarding Rentrak's directors, officers and employees.

Compensation Committee

The Compensation Committee is currently comprised of Ms. Allen (Chair), Mr. Andrus and Mr. Shaw. The Compensation Committee is responsible for approving and evaluating Rentrak's director and officer compensation plans, policies and programs, evaluating the performance of Rentrak's management, and making compensation decisions regarding Rentrak's executive employees. The Compensation Committee is governed by a written charter approved by the board of directors on June 25, 2004. The charter is available on Rentrak's website under "Investor Relations" at www.rentrak.com. During the fiscal year ended March 31, 2006, the Compensation Committee held six meetings.

Nominating and Governance Committee

The Nominating and Governance Committee (the "Nominating Committee") is comprised of Mr. Kuper as Chair and Ms. Allen and Mr. Andrus as its two other members. The board of directors has determined that each of these directors is independent as defined in Rule 4200(a)(15) of the Nasdaq listing standards. The Nominating Committee is governed by a written charter approved by the board of directors on June 25, 2004. The charter is available on Rentrak's website under "Investor Relations" at www.rentrak.com. The Nominating Committee held four meetings during the fiscal year ended March 31, 2006.

Edgar Filing: RENTRAK CORP - Form DEF 14A

The Nominating Committee is responsible for identifying individuals qualified to become directors of Rentrak and recommending to the board of directors candidates for election and for recommending individuals to serve on each board committee. It is also responsible for developing for board approval a set of corporate governance guidelines addressing board organizational issues, committee structure and membership, and succession planning for Rentrak's chief executive officer position.

The Nominating Committee has not adopted any specific, minimum qualifications for director candidates. In evaluating potential director nominees, the Nominating Committee will take into account all factors that it considers appropriate, including strength of character, maturity of judgment, career specialization, relevant technical skills or financial acumen, diversity of viewpoints, industry knowledge, and the highest personal and professional ethics, integrity and sound business judgment.

In determining whether to recommend nomination of current directors for re-election, the Nominating Committee will perform periodic evaluations of individual directors. Non-employee directors are generally expected to retire upon reaching age 75 or completing ten years of service, whichever is later. Directors who are also employees will generally be expected to resign upon termination of employment, although the board of directors may make an exception to this policy for a former chief executive officer if it believes it to be in the best interests of Rentrak.

When the Nominating Committee is required to identify new director candidates, because of a vacancy or a desire to expand the board, the Nominating Committee will poll current directors for suggested candidates. The Nominating Committee has not hired a third-party search firm to date, but has the authority to do so if it deems such action to be appropriate. Once potential candidates are identified, the Nominating Committee will conduct interviews with the candidates and perform such investigations into the candidates' background as the Nominating Committee deems appropriate.

The Nominating Committee will consider director candidates suggested by shareholders for nomination by the board of directors. Shareholders wishing to suggest a candidate to the Nominating Committee should do so by sending the candidate's name, biographical information, and qualifications to: Chair of Nominating Committee, in care of Mark L. Thoenes, Executive Vice President, Chief Financial Officer and Secretary, Rentrak Corporation, P.O. Box 18888, Portland, Oregon 97218-0888. Candidates suggested by shareholders will be evaluated by the same criteria and process as candidates from other sources.

Finance Committee

The Finance Committee is comprised of Mr. Shaw (Chair), Ms. Allen and Mr. Kuper. It is responsible for evaluating strategic and operational financial issues facing Rentrak. During the fiscal year ended March 31, 2006, the Finance Committee met four times.

CODE OF ETHICS

Rentrak has adopted a Code of Ethics for Senior Financial Officers (Code of Ethics), which is applicable to its chief executive officer, president, principal financial officer, and principal accounting officer. The Code of Ethics focuses on honest and ethical conduct, the adequacy of disclosure in Rentrak's financial reports, and compliance with applicable laws and regulations. The Code of Ethics is included as part of our Code of Business Conduct approved by the board of directors, which is generally applicable to all directors, officers, and employees of Rentrak. The Code of Business Conduct and Code of Ethics are available on Rentrak's website under Investor Relations at www.rentrak.com and are administered by the Audit Committee.

SHAREHOLDER COMMUNICATIONS WITH THE BOARD

Communications by shareholders to the board of directors should be sent to the attention of the Chair of the Nominating and Governance Committee, in care of Mark L. Thoenes, Executive Vice President, Chief Financial Officer and Secretary, Rentrak Corporation, P.O. Box 18888, Portland, Oregon 97218-0888. Such communications will be forwarded unopened to the individual occupying that position. The Chair of the Nominating Committee will be responsible for responding to or forwarding such communications as appropriate, including communications directed to individual directors or board committees. Communications will not be forwarded if the Chair of the Nominating Committee determines that they do not appear to be within the scope of the board's (or such other intended recipient's) responsibilities or are otherwise inappropriate or frivolous.

Compensation of Directors

Each non-employee director of Rentrak Corporation (Rentrak) receives an annual retainer of \$30,000. In addition, the chair of the Compensation Committee receives a \$3,000 annual retainer, the chair of the Audit Committee receives a \$5,000 annual retainer, and each other non-employee director who serves on the Audit Committee receives a \$2,500 annual retainer. Non-employee directors are also paid \$1,200 for each board or committee meeting they attend in person or by telephone conference call. Rentrak also reimburses directors for their travel expenses for each meeting attended in person.

Under Rentrak s 1997 Equity Participation Plan in effect until August 2005, each non-employee director received an automatic grant, at the beginning of each fiscal year, of a stock option exercisable for 10 years, subject to earlier termination if the director ceases to be a director. The option entitles the director to purchase 10,000 shares of Rentrak common stock at a purchase price equal to the fair market value of Rentrak s stock on the date of grant and becomes exercisable in full one year after the date of grant. Each chair of a board committee simultaneously receives an option to purchase an additional 2,500 shares on the same terms. Accordingly, on April 1, 2005, Ms. Allen, Mr. Andrus, Mr. Kuper and Mr. Shaw each received an option for 12,500 shares and Mr. Stoddard received an option for 10,000 shares. Each of these options was granted at an exercise price of \$10.79 per share and became exercisable in full one year after the date of grant.

The 2005 Stock Incentive Plan, which was approved by Rentrak s shareholders at the 2005 annual meeting, does not provide for automatic, equity-based grants to non-employee directors. On June 15, 2006, the board of directors, upon the recommendation of the Compensation Committee, approved awards of deferred stock units to each non-employee director of Rentrak. Each award entitles the director to receive 9,000 shares of Rentrak common stock upon retirement as a director or certain other events. The awards have a one-year vesting period. The board of directors also approved annual awards of 9,000 deferred stock units to each non-employee director beginning April 1, 2007, in lieu of the annual option grants previously provided under Rentrak s 1997 Equity Participation Plan.

Employment Contracts and Termination of Employment and Change-In-Control Arrangements

PAUL ROSENBAUM. Rentrak entered into an employment agreement effective October 1, 2001, with Mr. Rosenbaum relating to his employment as Chairman and Chief Executive Officer. The agreement has been extended pursuant to annual renewal provisions to September 30, 2007. In the event of a change in control of Rentrak, the term of the agreement will be automatically extended to December 31 of the third calendar year following the year in which the change in control occurs. A change in control includes (1) the acquisition by a person or group of beneficial ownership of 25% or more of the combined voting power of Rentrak s then outstanding capital stock, (2) the election of directors a majority of whom are not individuals nominated by Rentrak s then incumbent directors, and (3) the approval by Rentrak s shareholders of a plan of complete liquidation, a sale of substantially all of Rentrak s assets, or a merger or similar transaction other than a transaction in which Rentrak s shareholders continue to hold at least 75% of the combined voting power of the voting securities of the surviving entity immediately following the transaction, in each case unless the event otherwise constituting a change in control has been approved by two-thirds of Rentrak s directors then in office. The agreement with Mr. Rosenbaum provides for an annual base salary of \$450,000, subject to annual review by the board of directors in its sole discretion as to whether to increase (but not decrease) his base salary level. The agreement also provides for the lease of an automobile for use by Mr. Rosenbaum and for employee benefits available to officers and other management employees generally. Upon termination of Mr. Rosenbaum s employment by reason of death, his estate will be entitled to a lump sum payment of \$500,000 less any amounts payable under any life insurance policies purchased by Rentrak for the benefit of Mr. Rosenbaum s dependents. Upon termination of Mr. Rosenbaum s employment by Rentrak without cause or by Mr. Rosenbaum with good reason before a change in control of Rentrak occurs, Mr. Rosenbaum will be entitled to an additional 12 months salary and benefits as long as Mr. Rosenbaum does not compete with Rentrak during that 12-month period. Cause is defined as a material breach of the agreement by Mr. Rosenbaum, his failure to comply with Rentrak s general policies or standards or to perform any job duties, a felony conviction or plea of no contest, or any act by Mr. Rosenbaum constituting fraud, dishonesty involving Rentrak, or in competition with or materially detrimental to Rentrak. Good reason is defined as Rentrak s failure to comply with the agreement or an act or failure to act by Rentrak that constitutes a substantial adverse change in Mr. Rosenbaum s position or responsibilities or a reduction in his base salary. Upon termination without cause or for good reason following a change in control and during the term of the agreement, Mr. Rosenbaum will be entitled to a lump sum payment equal to three times his annual base salary plus continuation of benefits for three years, subject to reduction to the extent that Mr. Rosenbaum s after-tax benefit would be larger as a result of the excise tax on excess parachute payments. No severance benefits are payable if Mr. Rosenbaum s employment is terminated by Rentrak for cause or voluntarily by Mr. Rosenbaum other than for good reason.

Edgar Filing: RENTRAK CORP - Form DEF 14A

RON GIAMBRA. In July 2002, Rentrak entered into an employment agreement with Mr. Giambra that provides for his employment as Senior Vice President, Theatrical. As amended, the agreement will expire on June 30, 2007. If a change in control of Rentrak occurs during the term of the agreement, the term will be extended to two years following the change in control. A change in control is defined as described above with respect to Mr. Rosenbaum's employment agreement, except that the exception for events approved by Rentrak's board of directors does not apply, the beneficial ownership threshold is 50% rather than 25%, and the sale of Rentrak's theatrical division to a third party also constitutes a change in control, while a change in a majority of Rentrak's directors does not. If Mr. Giambra dies, becomes disabled, or terminates his employment voluntarily other than for good reason (as defined), he or his estate will be entitled to accrued salary and other earned compensation through the date of termination and other employee benefits then in effect, plus, in the case of death or disability, accrued bonus for the prior fiscal year to the extent not paid. If his employment is terminated before a change in control of Rentrak occurs, by Rentrak without cause or by Mr. Giambra for good reason, in addition to the compensation payable as described in the preceding sentence upon death or disability, he will be entitled to severance payments equal to his monthly base salary for either 24 months payable in installments or 18 months' base salary payable in a lump sum, at Mr. Giambra's election. Severance payments are conditioned upon Mr. Giambra's execution of a general release of claims against Rentrak. Cause is defined as the commission of an act of fraud, embezzlement, or theft constituting a felony or commission of an act (or failure to act) that is intentionally against Rentrak's interests and causes Rentrak material injury, in each case as determined by the board of directors after 60 days' prior written notice to Mr. Giambra of the circumstances believed to constitute cause and an opportunity to make a presentation on his behalf to the board accompanied by legal counsel. Good reason is defined as any reduction in base salary, benefits, severance compensation, the circumstances under which severance would be payable, or Mr. Giambra's right to participate in Rentrak's bonus programs or stock-based compensation plans, or any diminution in his title, position or responsibilities. If Mr. Giambra's employment is terminated at any time within two years after a change in control of Rentrak occurs, either without cause or for good reason, he will be entitled to a lump sum payment equal to 2.99 times his annual base salary, subject to reduction at Mr. Giambra's election to the extent that his after-tax benefit would be larger as a result of the excise tax on excess parachute payments.

CATHY HETZEL. Ms. Hetzel entered into an employment agreement with Rentrak as of March 17, 2004, providing for her employment as Senior Vice President, OnDemand Essentials. The agreement will expire on February 28, 2007. If Ms. Hetzel dies or becomes disabled (as defined), she or her estate will be entitled to accrued salary and other earned compensation through the date of termination, plus a pro rated portion of her target bonus amount, and other employee benefits then in effect. If Ms. Hetzel's employment is terminated before a change in control of Rentrak occurs, by Rentrak without cause or by Ms. Hetzel for good reason, in addition to the compensation payable as described in the preceding sentence, she will be entitled to severance payments equal to her monthly base salary for the lesser of 24 months or the number of full calendar months remaining in the term. Severance payments are conditioned upon Ms. Hetzel's execution of a general release of claims against Rentrak. Severance payable to Ms. Hetzel will also be reduced by amounts received from a new employer during the severance period. The definition of cause in Ms. Hetzel's agreement is similar to the definition in Mr. Rosenbaum's agreement. The circumstances constituting good reason are also similar. If Ms. Hetzel's employment is terminated during the term of the agreement and after a change in control of Rentrak occurs, either without cause or for good reason, she will be entitled to a lump sum payment equal to two times her annual base salary plus her total bonus compensation for the most recent fiscal year ended prior to the change in control, together with continuation of benefits for two years, subject to reduction to the extent that her after-tax benefit would be larger as a result of the excise tax on excess parachute payments. A change in control is defined as described above with respect to Mr. Rosenbaum's employment agreement, except that the exception for events approved by Rentrak's board of directors does not apply. No severance benefits are payable if Ms. Hetzel's employment is terminated by Rentrak for cause or voluntarily by Ms. Hetzel other than for good reason.

Edgar Filing: RENTRAK CORP - Form DEF 14A

KENNETH PAPAGAN. Mr. Papagan entered into an amended and restated employment agreement with Rentrak as of January 1, 2004, providing for his continued employment as Executive Vice President, Business Development and Strategic Planning. The agreement will expire on December 31, 2006. If Mr. Papagan dies or becomes disabled (as defined), he or his estate will be entitled to accrued salary and other earned compensation through the date of termination, a lump sum payment equal to 50% of his annual base salary plus a pro rated portion of his target bonus amount, and other employee benefits then in effect. If Mr. Papagan's employment is terminated before a change in control of Rentrak occurs, by Rentrak without cause or by Mr. Papagan for good reason, in addition to the compensation payable as described in the preceding sentence, he will be entitled to severance payments equal to his monthly base salary for six months plus an additional number of months equal to the number of months remaining in the original term or the renewal term, if applicable. Severance payments are conditioned upon Mr. Papagan's execution of a general release of claims against Rentrak and will terminate if he breaches noncompete provisions in the agreement. Severance payable to Mr. Papagan will also be reduced by amounts received from a new employer during the severance period. The definition of cause in Mr. Papagan's agreement is similar to the definition in Mr. Rosenbaum's agreement. The circumstances constituting good reason are also similar, with the addition of the failure by Mr. Rosenbaum to continue to be Rentrak's Chief Executive Officer and the relocation of Rentrak's executive offices by more than 35 miles. If Mr. Papagan's employment is terminated during the term of the agreement and after a change in control of Rentrak occurs, either without cause or for good reason, he will be entitled to a lump sum payment equal to three times his annual base salary plus two times his total bonus compensation for the most recent fiscal year ended prior to the change in control, together with continuation of benefits for three years, subject to reduction to the extent that his after-tax benefit would be larger as a result of the excise tax on excess parachute payments. A change in control is defined as described above with respect to Mr. Rosenbaum's employment agreement, except that the exception for events approved by Rentrak's board of directors does not apply. No severance benefits are payable if Mr. Papagan's employment is terminated by Rentrak for cause or voluntarily by Mr. Papagan other than for good reason.

AMIR YAZDANI. Effective July 1, 2001, Rentrak entered into an employment agreement with Mr. Yazdani providing for his employment as Rentrak's Chief Information Officer. The agreement will expire on June 30, 2008. If Mr. Yazdani dies or becomes disabled (as defined), he or his estate will be entitled to accrued salary and other earned compensation through the date of termination, plus the accrued portion of his target bonus amount for that fiscal year, and other employee benefits then in effect. If Mr. Yazdani's employment is terminated before a change in control of Rentrak occurs, by Rentrak without cause or by Mr. Yazdani for good reason, in addition to the compensation payable as described in the preceding sentence, he will be entitled to severance payments equal to his monthly base salary for a period of one year following the date of termination. Severance payments are conditioned upon Mr. Yazdani's execution of a general release of claims against Rentrak. If Mr. Yazdani's employment is terminated by Rentrak other than for cause within two years after a change in control of Rentrak, he will be entitled to receive payments equal to his monthly base salary for a period of one year following the date of termination, subject to reduction to the extent that his after-tax benefit would be larger as a result of the excise tax on excess parachute payments. The terms "good reason" and "cause" have substantially the same meaning as in Mr. Giambra's employment agreement described above. A change in control is defined as described above with respect to Mr. Rosenbaum's employment agreement, except that the exception for events approved by Rentrak's board of directors does not apply.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The Report of the Compensation Committee on Executive Compensation shall not be deemed incorporated by reference by any general statement incorporating this proxy statement into any filing under the Securities Act of 1933 or under the Securities Exchange Act of 1934, except to the extent that Rentrak specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

The Compensation Committee of Rentrak is charged with determining the compensation of all executive officers of Rentrak. These decisions are based on Rentrak's executive compensation philosophy. This compensation philosophy, which has been in place in the Company for a number of years, has four primary principles: (i) linking executive compensation to the creation of sustainable increases in shareholder value; (ii) providing executive compensation rewards contingent upon organizational performance; (iii) differentiating compensation based on individual contribution; and (iv) encouraging the retention of an experienced management team.

Edgar Filing: RENTRAK CORP - Form DEF 14A

To implement this philosophy, executive compensation has been comprised of three primary components – annual salary, performance bonuses and a long-term incentive program consisting of stock option grants. Ownership of shares of Rentrak's common stock by executives is encouraged and has formed a significant component of the total executive compensation package. In addition, competitive factors, accounting treatment and Rentrak's ability to deduct compensation are considered in determining executive compensation.

Deductibility of Compensation

In considering Rentrak's compensation structure, the Compensation Committee takes into consideration Section 162(m) of the Internal Revenue Code. This provision limits the deductibility of compensation in excess of \$1 million paid to any of a company's five most highly-paid executive officers in a single tax year. Compensation that is performance-based or qualifies under certain other exceptions is excluded from the calculation. For example, stock options granted under Rentrak's 2005 Stock Incentive Plan are structured to qualify as performance-based compensation under Section 162(m). Deductibility is, however, only one factor considered by the Compensation Committee in structuring executive compensation consistent with Rentrak's executive compensation philosophy.

Employment Agreements

Rentrak has entered into employment agreements with each of its executive officers. During fiscal 2006, the Compensation Committee established a policy to limit employment agreements to a one-year term. As existing agreements near their expiration date, replacement agreements are negotiated with officers whose employment with Rentrak will continue. New agreements were entered into with four executive officers during fiscal 2006 pursuant to this policy. Employment Agreements with current executive officers named in the Summary Compensation Table above are described in more detail above under Executive Compensation Employment Contracts and Termination of Employment and Change-in-Control Arrangements.

Annual Salary

Base salary rates are generally established initially in each executive officer's employment agreement and are subject to annual review by the Compensation Committee. Factors considered by the Compensation Committee in establishing and increasing salary levels include the level of duties and responsibilities of each executive officer, the executive officer's experience and performance, competitive factors in Rentrak's industry, company performance and Rentrak's economic prospects. During fiscal 2006, the base salary rates of seven of Rentrak's executive officers were increased by amounts ranging from 3% to 24% of their prior salary levels, including a 24% increase in Marty Graham's salary in connection with his promotion to President of Rentrak's PPT Division, a 20% increase in the salary level of Ken Papagan, Rentrak's Executive Vice President in charge of new business development, and a 19% increase in the salary of Amir Yazdani, Rentrak's Chief Information Officer.

Performance Bonuses

Rentrak has a performance bonus program for executive officers pursuant to which target bonuses can be achieved based on improvement in corporate and personal performance. During 2006, with the review and approval of the Compensation Committee, Rentrak implemented a revamped system of performance bonuses tied in part to corporate, division or department performance and in part to the level of achievement of specific performance parameters established for each individual officer. Under the program, each executive officer is assigned a participation percentage for the portion of the bonus tied to corporate, division or department performance. Such performance is measured by the level of income achieved in excess of a threshold amount established for the fiscal year. Following the end of each fiscal year, Rentrak's Chief Executive Officer determines, with the approval of the Compensation Committee, the extent to which each executive officer has accomplished his or her target individual performance parameters, expressed as a percentage. Performance bonuses totaling \$344,000 were awarded to Rentrak's nine executive officers other than the Chief Executive Officer under this program for services during fiscal 2006. The Summary Compensation Table above shows the bonus amounts paid to Rentrak's five most highly compensated executive officers.

Edgar Filing: RENTRAK CORP - Form DEF 14A

Long-Term Equity Incentive Program

Stock option grants have been historically used to motivate employees to focus on Rentrak's long-term performance, and Rentrak has long maintained stock option plans for key employees, including all executive officers. In some instances, stock options are granted as required by the terms of an officer's employment agreement. The size of each option grant is based upon such factors as the employee's duties, responsibilities, performance, experience and anticipated contribution to Rentrak. One executive officer was granted an option during fiscal 2006 in accordance with the terms of his employment agreement.

The compensation committee is currently considering the impact of changes in accounting rules for stock-based compensation that became effective, for Rentrak, beginning April 1, 2006. As a result, the compensation committee intends to evaluate and consider various forms of stock-based compensation to be awarded in the future beyond stock option grants.

Compensation of Paul A. Rosenbaum, Chairman, President, and Chief Executive Officer

Effective October 2001, Rentrak entered into an employment agreement with Paul Rosenbaum which, as extended annually, has a current expiration of September 30, 2007. Mr. Rosenbaum's annual base salary for fiscal 2006 was \$450,000, the same rate as in effect for fiscal 2005 and 2% below his annual salary level for fiscal 2004. The base salary rate was established based on Mr. Rosenbaum's prior work experience and expectations, compensation levels at companies of similar size and scope, and Rentrak's financial performance over the past two fiscal years. At Mr. Rosenbaum's request, he was not paid an incentive bonus for his services during fiscal 2006. Additionally, Mr. Rosenbaum was not granted any stock options in fiscal 2006.

COMPARISON OF FIVE-YEAR CUMULATIVE TOTAL RETURN OF RENTRAK CORPORATION, NASDAQ MARKET INDEX, AND PEER GROUP

The chart on the next page compares the five year cumulative total return on Rentrak's common stock with that of the NASDAQ Market index, and a group of peer companies selected by Rentrak. The chart assumes \$100 was invested on March 31, 2001, in Rentrak's common stock, the NASDAQ Market index, and the peer group, and that any dividends were reinvested. The peer group is composed of the companies within the video distribution business as follows: Hastings Entertainment, Inc., Blockbuster, Inc., Movie Gallery, Inc., and Netflix, Inc. The peer group has changed from the 2005 Proxy Statement with the addition of Netflix and the removal of Hollywood Video due to its acquisition by Movie Gallery in April 2005.

REPORT OF THE AUDIT COMMITTEE

The Report of the Audit Committee shall not be deemed incorporated by reference by any general statement incorporating this proxy statement into any filing under the Securities Act of 1933 or under the Securities Exchange Act of 1934, except to the extent that Rentrak specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

In discharging its responsibilities, the Audit Committee and its individual members have met with management and Rentrak's independent auditors, Grant Thornton LLP, to review Rentrak's accounting functions and the audit processes for the Company's financial statements and system of internal control over financial reporting. The Audit Committee reviewed and discussed with Rentrak's independent auditors and management the audited financial statements for fiscal 2006. It also discussed with the independent auditors all other matters that the independent auditors were required to communicate and discuss with the Audit Committee under applicable auditing standards, including those described in Statement on Auditing Standards No. 61, as amended, regarding communications with audit committees. Audit Committee members also discussed and reviewed the results of the independent auditors' examination of the Company's financial statements, management's assessment of the Company's system of disclosure controls and procedures, external financial reporting and internal control over financial reporting, and issues relating to auditor independence. The Audit Committee has received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and has discussed with the independent auditors their independence.

Based on its review and discussions with management and the independent auditors, the Audit Committee recommended to the board of directors that the audited financial statements for the fiscal year ended March 31, 2006, be included in Rentrak's Annual Report on Form 10-K for filing with the Securities and Exchange Commission.

Cecil Andrus (Committee Chair) Ralph Shaw Stanford Stoddard

SELECTION OF INDEPENDENT AUDITORS

From May 9, 2002, until August 23, 2004, Rentrak's independent registered public accountants were KPMG LLP. On August 23, 2004, Rentrak was advised by KPMG LLP that it resigned as Rentrak's independent registered public accounting firm. Rentrak's audit committee accepted KPMG's resignation. KPMG LLP's reports on the consolidated financial statements of Rentrak and subsidiaries for the fiscal year ended March 31, 2004, did not contain an adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles or practices, financial statement disclosure or auditing scope or procedure, or any reportable events as defined under Item 304(a)(1)(v) of Regulation S-K promulgated by the SEC, except that KPMG's report dated July 9, 2004 contained a separate paragraph which made reference to Rentrak's restatement of its consolidated financial statements for the period ended March 31, 2003. A copy of a letter addressed to the SEC from KPMG LLP stating that it agreed with the above statements was attached as Exhibit 16.1 to Form 8-K filed by Rentrak with the SEC on August 27, 2004.

Upon the acceptance of KPMG's resignation, Rentrak began the search for a new independent registered accounting firm for Rentrak's fiscal year ended March 31, 2005. On October 28, 2004, Rentrak engaged the firm of Grant Thornton LLP to audit Rentrak's financial statements as its new principal independent auditors. The Audit Committee directed the process of review of candidate accounting firms and made the final decision to engage Grant Thornton LLP. Rentrak engaged Grant Thornton LLP as its independent registered accounting firm for the fiscal year ended March 31, 2006 as well.
