Item 2.05. Costs Associated with Exit or Disposal Activities.

On September 29, 2005, as previously reported on the Current Report on Form 8-K filed by Cott Corporation (the Company) on October 4, 2005 (the Prior Form 8-K), the Company announced a plan to realign the management of its Canadian and United States businesses to a North American basis (the Realignment Plan). In the Prior 8-K, the Company reported that it expected to record certain pre-tax charges of \$60 to 80 million over the 12 to 18 month period following the announcement of the Realignment Plan, that the largest of the charges would be related to asset impairment and that there also would be additional charges for severance, termination and other costs.

On December 12, 2005 the Company announced that, as a part of the Realignment Plan, it will close its Columbus, Ohio manufacturing plant effective March 2006. In connection with the plant closure, the Company expects to record approximately \$13 million in pre-tax charges, of which approximately \$10 million relates to equipment and goodwill impairments and the remainder to contract termination costs and severance costs for the termination of approximately 70 employees. The majority of these charges are expected to be taken in 2005 and are part of the \$60 to 80 million of total anticipated charges previously announced by the Company. A copy of the press release announcing the plant closure is filed as Exhibit 99.1 to this report and is incorporated herein by reference.

The Company anticipates that, in connection with implementing the Realignment Plan, it will record additional pre-tax charges of approximately \$21 to 41 million over the 12 to 18 month period following the September announcement of the Realignment Plan. At the present time, the Company is not yet able to determine its estimate of the allocation of the total remaining charges to specific categories or its estimate of the amount or range of amounts that will result in future cash expenditures. The Company will file an amended Form 8-K after making such determinations.

Item 2.06. Material Impairments.
