180 intends to review its investment in the Issuer on a continuing basis and to engage in discussions with management and the Board of Directors of the Issuer concerning the business, operations, corporate governance and future plans of the Issuer. Depending on various factors including, without limitation, the Issuer's financial position and investment strategy, the price levels of the Shares, conditions in the securities market and general economic and industry conditions, 180 may in the future take such actions with respect to their investment in the Issuer as they deem appropriate including, without limitation,

- communicating privately or publicly with other stockholders, the Issuer's Board of Directors or other persons;
- making proposals or director nominations to the Issuer;
- soliciting proxies with respect to proposals or director nominees made by 180;
