(a) As of the date hereof, Mr. Roy is the record and beneficial owner of 32,846,000 shares of Common Stock (which includes 500,000 common shares deemed to be issued and outstanding upon exercise of options). This number represents approximately 44.8% of the issued and outstanding shares of Common Stock, based on 73,305,756 shares issued and outstanding as of September 2, 2008 (which also includes 500,000 common shares deemed to be issued and outstanding upon exercise of options).

ITEM 6. CONTRACTS, ARRANGEMENTS, UNDERSTANDINGS OR RELATIONSHIPS WITH RESPECT TO SECURITIES OF THE ISSUER.

The Share Purchase Agreement entered into by Mr. Roy, together with Mr. Kent, provides that such persons will indemnify Primary Corp. against a loss of its investment in the shares it purchased plus an agreed return on its investment in the event that, during the period commencing six months and one day after the respective initial and subsequent closing dates of Primary Corp.'s purchase of the shares through the date seven months after such closing dates, Primary Corp. elects to sell the shares through the facilities of the American Stock Exchange or otherwise and the sum of (a) the greater of (i) the gross proceeds received by Primary Corp. from the sale of such shares during such period and (ii) the Fair Market Value, as defined, of the shares sold during such period and (b) the Fair Market Value of any such shares unsold on the dates seven months after such closing dates is less than certain stipulated sums, Messrs. Roy and Kent will indemnify Primary Corp. against such deficiency. The aggregate amounts subject to indemnification with respect to the 270,000 shares sold at the first closing is \$953,370 and with respect to the 480,000 shares sold at the second closing is \$1,694,880. If Primary Corp. is prevented from selling such shares because the Company is not in compliance with Rule 144(c)(i) [the availability of current public information], adopted under the Securities Act of 1933, as amended, the period during which Primary Corp. is indemnified in connection with its re-sale of the shares is extended to one month following the date on which the Company completes the filings and the amount of the deficiency as to which Primary Corp. is entitled to indemnification is increased. Fair Market Value is defined in the Share Purchase Agreement as the actual gross sale price received by Primary Corp. from sales of shares on the American Stock Exchange, provided the shares are sold in a reasonably prudent and businesslike manner, and as to any shares not sold on the Exchange, including any shares unsold at the end of the seven-month period, the closing price of the Company's common stock on the business day immediately preceding Primary Corp.'s sale of the shares or on the dates seven months after the respective closing dates. If Primary Corp. elects not to sell the shares at these times, Messrs. Roy and Kent are relieved of the indemnity and the pledged shares are returned to them.
