Dear Shareowner,

As you know, on April 2, 2006, Lucent Technologies announced its plans to merge with Alcatel. The primary driver of the combination is to generate significant growth in revenues and earnings based on the market opportunities for next-generation networks, services and applications, while yielding significant synergies from the combination of the two companies. The transaction will build upon the complementary strengths of each company and the combined company's increased scale, scope and global capabilities will enhance its long-term value for shareowners, customers and employees.

As previously stated, the merger is subject to customary regulatory and governmental reviews in the United States, Europe and elsewhere (several of which have already been obtained), as well as the approval by shareowners of both Lucent and Alcatel.

From a Lucent standpoint, approving the merger transaction REQUIRES APPROVAL BY THE HOLDERS OF MORE THAN 50 PERCENT OF LUCENT'S TOTAL NUMBER OF OUTSTANDING SHARES.

As you may know, Lucent has scheduled a special meeting of its shareowners for Thursday, Sept. 7, 2006, to provide shareowners with the opportunity to vote on the proposed merger. Shareowners of record as of July 17, 2006, are entitled to vote on the proposed merger and are urged do so in advance of the meeting by submitting their proxy over the Internet, by telephone or by mail.

As of today, we have not received a proxy for the Lucent stock that you owned as of the record date. Whether or not you plan to attend the special meeting, if you have not voted, we urge you to do so as soon as possible given the importance of your vote - if you do not vote, that is equivalent to voting against the merger. Please see the enclosed proxy card for detailed instructions on voting. Additional information is included in the definitive proxy statement, which is available from MacKenzie Partners (Collect 212-929-5500 or Toll-Free 800-322-2885) and Morrow & Co. (Toll-Free 800-573-4370). Additionally, they can provide you assistance in voting your shares.

I thank you for your continued support of Lucent and look forward to beginning this exciting chapter in our company's history.

Sincerely,

/s/ Patricia Russo
