### **Cautionary Statement Regarding Forward-Looking Statements**

Certain matters discussed herein, including expectations regarding future performance of Florida Rock and Vulcan Materials, contain forward-looking statements that are subject to risks, assumptions and uncertainties that could cause actual results to differ materially from those projected. These risks, assumptions, and uncertainties include, but are not limited to, those associated with general economic and business conditions; changes in interest rates; the timing and amount of federal, state and local funding for infrastructure; changes in the level of spending for residential and private nonresidential construction; the highly competitive nature of the construction materials industry; pricing; weather and other natural phenomena; energy costs; cost of hydrocarbon-based raw materials; increasing healthcare costs; the timing and amount of any future payments to be received by Vulcan Materials under two earn-outs contained in the agreement for the divestiture of Vulcan Materials Chemicals business; the ability to manage and successfully integrate acquisitions; risks and uncertainties related to the proposed transaction with Florida Rock Industries, Inc. (Florida Rock) including the ability to successfully integrate the operations of Florida Rock and to achieve the anticipated cost savings and operational synergies following the closing of the proposed transaction with Florida Rock; and other assumptions, risks and uncertainties detailed from time to time in either company's SEC reports, including each company's report on Form 10-K for the year. There can be no assurance that the transaction described above will be consummated. Forward-looking statements speak only as of the date hereof, and each company assumes no obligation to update such statements.

Unless otherwise noted, the information provided herein is provided on a pro forma basis, to the extent the parties dispose of any assets in connection with the merger, certain of the data will be affected.
