PROXY STATEMENT

This proxy statement is furnished in connection with the solicitation by the board of directors, or board, of Zone 4 Play, Inc., a Nevada corporation, referred to herein as Zone4Play, we, us or our, of proxies to be voted at our annual meeting of stockholders to be held on Monday, June 20, 2005, referred to herein as the Meeting, at our offices at Israel R&D Center, Kyriat Atidim, Bldg. 2, Tel Aviv 61580, Israel, and at any adjournment or adjournments thereof. The holders of record of our common stock, \$0.001 par value per share, as of the close of business on April 22, 2005, or the Record Date, will be entitled to notice of and to vote at the Meeting and any adjournment or adjournments thereof. As of the Record Date, there were 23,925,010 shares of our common stock issued and outstanding and entitled to vote. Each share of our common stock is entitled to one vote on any matter presented at the Meeting.

If proxies in the accompanying form are properly voted and received, the shares

Edgar Filing: ZONE 4 PLAY INC - Form DEF 14A

of our common stock represented thereby will be voted in the manner specified therein. If not otherwise specified, the shares of our common stock represented by the proxies will be voted: (i) FOR the election of the three (3) nominees named below as directors; (ii) FOR the approval of the 2004 Global Share Option Plan, or the Stock Plan; and (iii) in the discretion of the persons named in the enclosed form of proxy, on any other proposals which may properly come before the Meeting or any adjournment or adjournments thereof. Any stockholder who has submitted a proxy may revoke it at any time before it is voted, by written notice addressed to and received by our Corporate Secretary, by submitting a duly executed proxy bearing a later date or by electing to vote in person at the Meeting. The mere presence at the Meeting of the person appointing a proxy does not, however, revoke the appointment.

The presence, in person or by proxy, of holders of shares of our common stock having a majority of the votes entitled to be cast at the Meeting shall constitute a quorum. Abstentions are included in the shares present at the Meeting for purposes of determining whether a quorum is present. Broker non-votes, or when shares are represented at the Meeting by a proxy specifically conferring only limited authority to vote on certain matters and no authority to vote on other matters, are included in the determination of the number of shares represented at the Meeting for purposes of determining whether a quorum is present but are not counted for purposes of determining whether a proposal has been approved in matters where the proxy does not confer the authority to vote on such proposal, and thus have no effect on its outcome.

On or about April 29, 2005, this proxy statement, together with the related proxy card, is being mailed to our stockholders of record as of the Record Date. Our annual report to our stockholders for the fiscal year ended December 31, 2004, or fiscal 2004, including our financial statements, is being mailed together with this proxy statement to all of our stockholders of record as of the Record Date. In addition, we have provided brokers, dealers, banks, voting trustees and their nominees, at our expense, with additional copies of our annual report so that our record holders could supply these materials to our beneficial owners as of the Record Date.

PROPOSAL 1

ELECTION OF DIRECTORS

OUR BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR"
EACH OF THE NOMINEES FOR THE BOARD OF DIRECTORS.

At the Meeting, three (3) directors are to be elected, which number shall constitute our entire board of directors, to hold office until the next annual meeting of stockholders and until their successors shall have been duly elected and qualified. The affirmative vote by the holders of a plurality of the shares of our common stock represented at the Meeting is required for the election of directors, provided a quorum is present in person or by proxy. Plurality means that the three (3) nominees who receive the largest number of votes cast "FOR" will be elected as directors, even though such nominees may not receive a majority of the votes cast. Abstentions and broker non-votes will not be counted in making the determination.

Unless otherwise specified in the proxy, it is the intention of the persons named in the enclosed form of proxy to vote the stock represented thereby for the election as directors, each of the nominees whose names and biographies appear below. All of the nominees whose names and biographies appear below are presently our directors. In the event any of the nominees should become

Edgar Filing: ZONE 4 PLAY INC - Form DEF 14A

unavailable or unable to serve as a director, it is intended that votes will be cast for a substitute nominee designated by our board of directors. Our board has no reason to believe that the nominees named will be unable to serve if elected. Each nominee has consented to being named in this proxy statement and to serve if elected.

The following are the nominees for election to our board, and all of these nominees are current members of our board:

Name	Age	Director Since	Position with Zone4Play
Shimon Citron	49	2001	Chief Executive Officer and Director
Shlomo Rothman	58	2004	Director
Oded Zucker	39	2004	Director

PROPOSAL 2

APPROVAL OF THE ZONE4PLAY 2004 GLOBAL SHARE OPTION PLAN

OUR BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" PROPOSAL 2

In November 2004, our board of directors adopted the Zone4Play 2004 Global Share Option Plan, or Stock Plan, and in March 2005 voted to recommend that the Stock Plan shall be presented to our stockholders for approval. The affirmative vote of a majority of the votes properly cast at the Meeting is required to approve the adoption of the Stock Plan, provided a quorum is present in person or by proxy. You may vote "For," "Against" or "Abstain." Abstentions will have the same effect of a vote cast "Against" the proposal, but broker non-votes will not be included in the tabulations.

A total of 5,000,000 shares of common stock have been reserved for issuance to employees, directors, consultants and service providers under the Stock Plan.

We believe that equity is a key element of our compensation package because equity awards encourage loyalty to Zone4Play and align an individual's interests directly with those of our stockholders. The Stock Plan will allow us to provide employees, directors, consultants and service providers with equity incentives that are competitive with those of companies with which we compete for talent.

As of December 31, 2004, we had approximately 36 employees, all of whom were eligible to be considered for option awards under the Stock Plan. As of such date, an aggregate of 1,460,000 shares of common stock were issuable pursuant to outstanding stock options granted under the Stock Plan, and an aggregate of 3,540,000 shares of common stock were available for future grants. As of December 31, 2004, outstanding options to purchase 1,300,000 shares of common stock were exercisable at a purchase price of \$0.55 per share, and options to purchase 160,000 shares of common stock were exercisable at a purchase price of \$1.00 per share. All such options expire on December 31, 2014.

The closing price of a share of common stock on the Over-the-Counter Bulletin Board on the Record Date was \$1.59. The proceeds received by us upon exercise of the options by participants in the Stock Plan will be used for the general corporate purposes of Zone4Play.

The following is a summary of the material terms and conditions of the Stock Plan. The full text of the Stock Plan is attached as Appendix A to this Proxy Statement.

Summary of the Stock Plan

Administration.

The Stock Plan is currently administered by the board, however, the board has the authority to delegate its administrative duties to a committee of the board.

Eligibility.

Under the Stock Plan, our employees, directors, officers, consultants and advisors are eligible for selection to participate. Each of the board and the committee has full authority to determine who will receive options and the provisions of all options to be granted under the Stock Plan.

Edgar Filing: ZONE 4 PLAY INC - Form DEF 14A

Types of Awards.

Awards under the Stock Plan may be in the form of either incentive stock options or non-qualified options. Stock options represent the right to purchase shares of common stock within a specified period of time at a specified price. The exercise price for a stock option shall be determined by the board in its sole discretion. For incentive stock options, the exercise price will be not less than 100% (110% for an incentive stock option granted to a 10% or more stockholder) of the fair market value of common stock on the date of grant. The aggregate fair market value, determined on the date the option is granted, of the stock for which any person may be granted incentive stock options which become exercisable for the first time by such person in any calendar year cannot exceed the sum of \$100,000 (determined on the date such option is granted). No incentive stock option will be granted to a person who is not an "employee" as defined in the applicable provisions of the Internal Revenue Code of 1986, as amended, or the Code, and regulations issued thereunder. An incentive stock option shall expire in ten years (five years in the case of an incentive stock option granted to a 10% or more stockholder) after the date of grant.

Transferability.

Under the Stock Plan, awards are generally non-transferable other than by will or by the laws of descent and distribution; provided, however, that the board and the committee, as applicable, in its discretion, may allow for transferability of an option by an option holder. Awards may be exercised by a person other than the participant only in the circumstances outlined below.

Death; Disability; Retirement; Termination.

Under the Stock Plan, all previously unexercised options terminate and are forfeited and expire automatically on the date of termination of the option holder's employment with us, unless the board or the committee expressly allows the option holder to exercise any or all of such options after termination. However, if an option holder dies or becomes disabled at a time when he or she is entitled to exercise an option, then the portion formerly exercisable by the option holder may be exercised by the option holder's executor or administrator, or by the person to whom the option is transferred under the applicable laws of descent or distribution, within twelve months of the death of the option holder (the "Exercise Period"), subject, in the case of incentive stock options, to the limitations stated above on their exercise. In addition, if an option holder's employment is terminated without "Cause" (as defined in the Stock Plan) at a time when he or she is entitled to exercise an option, then the portion formerly exercisable may be exercised by the option holder within three months of his or her termination date. Shares which are not delivered because of termination or expiration of options may be reused for other options.

Amendment, Suspension or Termination.

The board or the committee may at any time discontinue granting options under the Stock Plan. The board of directors may amend the Stock Plan, except that no such amendment may adversely affect the rights of any option holder without his or her written consent and except that the term of the Stock Plan may not be extended.

Adjustment in Case of Changes.

In the event of a stock dividend, stock split or other change in corporate structure or capitalization affecting the common stock, the number and kind of shares of stock or securities of Zone4Play then subject to the Stock Plan and the options then outstanding or to be granted thereunder, and the option price, will be appropriately adjusted by the board or the committee, whose determination will be binding on all persons. Unless otherwise provided, in the

Edgar Filing: ZONE 4 PLAY INC - Form DEF 14A

event of a dissolution or liquidation of Zone4Play, a merger or consolidation in which Zone4Play is not the surviving corporation, the sale of substantially all of the property or assets of Zone4Play, or the sale of 50% or more of the voting stock of Zone4Play, every option hereunder will terminate. In the event that the options are terminated in accordance with the foregoing, all outstanding options shall be exercisable in full for at least thirty days prior to such termination date. The existence of the Stock Plan shall not prevent any such change or other transaction and no option holder thereunder shall have any right except as herein expressly set forth.

United States Tax Effects

Incentive Stock Options

In general, neither the grant nor the exercise of an incentive stock option granted under the Stock Plan will result in taxable income to the option holder or a deduction to Zone4Play. However, the exercise of an incentive stock option may result in alternative minimum tax liability for the option holder in the year of exercise. Therefore, option holders should fully understand the implications of alternative minimum tax prior to the exercise of an incentive stock option. If the option holder does not dispose of stock received upon exercise of an incentive stock option within two years from the date the option is granted nor within one year after the date of exercise, any later sale of such stock will result in a long-term capital gain or loss.

If shares received upon exercising an incentive stock option are disposed of before the holding period requirements described above have been satisfied (a "disqualifying disposition"), the option holder will generally realize ordinary income at the time of disposition of the stock. The amount of such ordinary income will be equal to the lesser of: (a) the difference between the fair market value of the stock on the date of exercise and the option price, and (b) the difference between the net proceeds received upon the sale of the stock and the option price. Subsection (b) above will apply when the option holder sells stock purchased during the holding period at a sales price less than the fair market value of the stock on the date of exercise. We will generally be entitled to a deduction for Federal income tax purposes equal to the amount of ordinary income realized by the option holder. If the gain realized on the sale exceeds the amount recognized as ordinary income with respect to the disqualifying disposition, the excess will be either a long term or short-term capital gain depending on the option holder's holding period for the stock acquired pursuant to the exercise of the option.

Other Options

Options granted under the Stock Plan which are not incentive stock options are "nonstatutory options." No taxable income results upon the grant of a nonstatutory option.

When an option holder exercises a nonstatutory option the option holder will realize ordinary income subject to withholding and to the FICA tax. Generally such income will be realized at the time of exercise and in an amount equal to the excess, measured at the time of exercise, of the then fair market value of the stock over the option price. The tax is due regardless of whether the stock acquired upon exercise of the option is sold. The Company will be entitled to a deduction for Federal income tax purposes equal to the amount of ordinary income realized by the option holder.

The tax basis of stock acquired upon exercise of a nonstatutory option is

Edgar Filing: ZONE 4 PLAY INC - Form DEF 14A

generally the option price plus any amount included in taxable income by reason of the exercise. If an option holder pays the exercise price of a nonstatutory option by surrendering previously owned stock (however acquired), no gain or loss is recognized on the exchange of the previously owned shares for an equivalent number of new shares. The option holder's basis and holding period in the surrendered shares will carry over to the number of shares received upon exercise that equals the number of shares surrendered. As to any shares received upon exercise in excess of the number of shares surrendered, the option holder will realize ordinary income, subject to withholding, equal to the fair market value of such shares less any cash paid for such shares. The option holder's tax basis in these additional shares will equal the amount of ordinary income realized plus the amount of any cash paid for such shares.

Persons Subject to Section 16(b) of the Exchange Act

If an option granted under the Stock Plan to a person subject to Section 16(b) of the Exchange Act is exercised by such person within six months of the date of grant, the ordinary income (or, in the case of an incentive option, the alternative minimum taxable income) associated with exercise will not be recognized until six months after the date of grant of the option unless, not later than 30 days from date of exercise, the option holder makes an election under Section 83(b) of the Code to have such income recognized at the time of exercise. Any deduction available to us in connection with the exercise of such an option will be subject to similar deferral rules.

-5-

Israeli Tax Effects

Options granted to participants who are residents of the state of Israel are governed by Section 102 of the Israeli Income Tax Ordinance of 1961, as amended (the "Ordinance"). Pursuant to the Ordinance, participants who are (i) employees of Zone4Play may only be granted options that comply with Section 102 of the Ordinance and (ii) non-employees and/or "Controlling Shareholders" (as defined in Section 32(9) of the Ordinance) may only be granted options that comply with Section 3(i) of Ordinance.

Subject to the approval of the Israeli Tax Authorities upon our filing of an election under Section 102 of the Ordinance, we may designate employee options as (i) "approved" options qualified for capital gains tax treatment under Section 102(b) of the Ordinance or (ii) "unapproved" options qualified for ordinary income tax treatment under Section 102(b) of the Ordinance. "Approved" options, and the shares issued upon exercise thereof, must be held by a trustee appointed by us and approved by the Israeli Tax Authorities for a certain length of time, as set forth in Section 102 of the Ordinance, in order to qualify for the favorable capital gains tax treatment. Failure to hold the options and/or shares for such time may result in the loss of capital gains tax treatment. "Unapproved" options are not subject to a holding period requirement.

Any and all taxes arising from the grant or exercise of an option shall be borne solely by the participant. Neither Zone4Play, nor the Trustee, will have any obligation for any such taxes and the participant shall agree to indemnify us, our affiliates and the trustee from any and all liability for any such taxes or penalties therein.

CORPORATE GOVERNANCE GUIDELINES

Because we are not listed on the Nasdaq National Market or SmallCap Market, we technically are not subject to a number of corporate governance guidelines.

Edgar Filing: ZONE 4 PLAY INC - Form DEF 14A

Nevertheless, our board recently has reviewed our governance practices in light of the Sarbanes-Oxley Act of 2002 and the new rules and regulations of the Securities and Exchange Commission, or the Commission or the SEC. We have voluntarily adopted a number of corporate governance guidelines and practices. There are others, however, that we have not adopted because we feel that they are impractical for a company of our size.

Our board of directors has adopted the following corporate governance guidelines to assist it in the exercise of its duties and responsibilities and to serve the best interests of Zone4Play and its stockholders. These guidelines, which provide a framework for the conduct of our board's business, include that:

- o the principal responsibility of the directors is to oversee the management of Zone4Play;
- o our outside directors will meet regularly in executive session; and
- o our directors have full and free access to management and, as necessary and appropriate, independent advisors.

COMMITTEES AND MEETINGS OF OUR BOARD OF DIRECTORS

Our board of directors held 8 meetings during fiscal 2004. Throughout this period, each member of our board who was a director in fiscal 2004 attended or participated in at least 75% of the aggregate of the total number of regularly scheduled meetings of our board held during the period for which such person has been a director, and the total number of meetings held by all committees of our board on which each the director served during the periods the director served. Our board of directors has two standing committees: the Audit Committee and the Compensation Committee. The Audit Committee operates under a charter that has been approved by our board. The charter is posted on our website at www.Zone4Play.com.

Compensation Committee. The members of our Compensation Committee are Messrs. Oded Zucker and Shimon Citron. Our Compensation Committee will make recommendations concerning salaries and incentive compensation for our management and our employees. The primary responsibilities of our Compensation Committee include:

-6-

- o annually reviewing and approving corporate goals and objectives relevant to CEO compensation;
- o reviewing and approving, or recommending for approval by our board, the salaries and incentive compensation of our executive officers;
- o administering our 2004 Global Share Option Plan; and
- o reviewing and making recommendations to our board with respect to director compensation.

Audit Committee. Our Audit Committee was established in April 2004. In March 2005, our board of directors adopted an amended and restated Audit Committee Charter, attached hereto as Appendix B. The primary responsibilities of our Audit Committee include:

- o appointing, approving the compensation of, and assessing the independence of our independent registered public accounting firm;

Edgar Filing: ZONE 4 PLAY INC - Form DEF 14A

- o overseeing the work of our independent registered public accounting firm, including through the receipt and consideration of certain reports from our independent registered public accounting firm;
- o reviewing and discussing with management and our independent registered public accounting firm our annual and quarterly financial statements and related disclosures;
- o monitoring our internal control over financial reporting, disclosure controls and procedures and code of business conduct and ethics;
- o overseeing our internal audit function;
- o discussing our risk management policies;
- o establishing policies regarding hiring employees from our independent registered public accounting firm and procedures for the receipt and retention of accounting related complaints and concerns;
- o meeting independently with our internal auditing staff, independent registered public accounting firm and management; and
- o preparing the audit committee report required by SEC rules, which is included on page 6 of this proxy statement.

During fiscal 2004, our Audit Committee was comprised of Mr. Rothman. Our board of directors has determined that Mr. Rothman satisfies the definition of an "audit committee financial expert" as set forth in Item 401(e) of Regulation S-B promulgated by the SEC. Our Audit Committee held three (3) meetings during fiscal 2004.

Nominating/Corporate Governance Committee; Director Candidates. Zone4Play does not have a Nominating Committee or Corporate Governance Committee or any committees of a similar nature, nor any charter governing the nomination process. Our board does not believe that such committees are needed for a company our size. However, our outside directors, Messrs. Rothman and Zucker, will consider stockholder suggestions for additions to our board.

In considering whether to recommend any particular candidate for inclusion in the board's slate of recommended director nominees, our outside directors will apply criteria including the candidate's integrity, business acumen, knowledge of our business and industry, age, experience, diligence, conflicts of interest and the ability to act in the interests of all stockholders. No particular criterion will be a prerequisite or will be assigned a specific weight. We believe that the backgrounds and qualifications of our directors, considered as a group, should provide a composite mix of experience, knowledge and abilities that will allow the board to fulfill its responsibilities.

Stockholders may recommend individuals to any one of our outside directors by submitting their names, together with appropriate biographical information and background materials and a statement as to whether the stockholder or group of stockholders making the recommendation has beneficially owned more than 5% of our common stock for at least one year as of the date such recommendation is made. Such requests should be addressed to any of our outside directors c/o Zone4Play at the address on the first page of this proxy statement.

In fiscal 2004, we did not pay a fee to any third party to identify or evaluate,

Edgar Filing: ZONE 4 PLAY INC - Form DEF 14A

or assist in identifying or evaluating, potential nominees for our board. We have not received any recommendations from stockholders for board nominees.

Code of Business Ethics and Conduct. Pursuant to the requirements of Section 406 of the Sarbanes-Oxley Act of 2002 and related SEC rules, in March 2005, our board of directors adopted a Code of Business Ethics and Conduct, or Code of Ethics. Our Code of Ethics can be viewed on our corporate website, www.zone4play.com. Our Code of Ethics contains written standards designed to deter wrongdoing and to promote:

- o honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships;
- o full, fair, accurate, timely, and understandable disclosure in reports and documents filed with the SEC and in other public announcements;
- o compliance with applicable governmental laws, rules and regulations;
- o the prompt internal reporting of violations of our Code of Ethics to an appropriate person or persons identified in our Code of Ethics; and
- o accountability for adherence to our Code of Ethics.

Each of our employees, officers and directors completed a signed certification to document his or her understanding of and compliance with our Code of Ethics.

COMMUNICATING WITH OUR INDEPENDENT DIRECTORS

Our board of directors will give appropriate attention to written communications that are submitted by stockholders, and will respond if and as appropriate. Mr. Citron, as CEO and Director, with the assistance of our outside counsel, is primarily responsible for monitoring communications from our stockholders and for providing copies or summaries to the other directors as he considers appropriate. Communications are forwarded to all directors if they relate to important substantive matters and include suggestions or comments that Mr. Citron considers to be important for the directors to know. In general, communications relating to corporate governance and long-term corporate strategy are more likely to be forwarded than communications relating to ordinary business affairs, personal grievances and matters as to which we tend to receive repetitive or duplicative communications.

Stockholders who wish to send communications on any topic to our board should address such communications to: Board of Directors c/o Zone4Play at the address on the first page of this proxy statement.

ATTENDANCE AT ANNUAL STOCKHOLDER MEETINGS

We encourage our directors to attend our annual stockholder meetings. We did not have an annual meeting of stockholders in 2004.

COMPENSATION OF DIRECTORS

We have agreements with each of our non-employee directors, Messrs. Rothman and Zucker, pursuant to which we have agreed to pay each director a director's fee of \$7,000 per annum, payable in quarterly installments during the director's tenure on our board. REPORT OF THE AUDIT COMMITTEE

The Audit Committee has furnished the following report:

March 28, 2005

To the Board of Directors of Zone4Play, Inc.:

The Audit Committee of our board of directors is currently composed of one member and acts under a written charter. The current member of the Audit Committee, Mr. Rothman, is not an employee of Zone4Play and possesses the financial sophistication required by such charter. The Audit Committee held three (3) meetings during fiscal 2004.

Management is responsible for our financial reporting process, including its system of internal controls and for the preparation of consolidated financial statements in accordance with generally accepted accounting principles. Our independent registered public accounting firm is responsible for auditing those financial statements. The Audit Committee's responsibility is to monitor and review these processes. As appropriate, the Audit Committee reviews and evaluates, and discusses with our management and our independent registered public accounting firm, the following:

- o the plan for, and the independent registered public accounting firm's report on, each audit of our financial statements;
- o the independent registered public accounting firm's review of our unaudited interim financial statements;
- o our financial disclosure documents, including all financial statements and reports filed with the Securities and Exchange Commission or sent to stockholders;
- o our management's selection, application and disclosure of critical accounting policies;
- o changes in our accounting practices, principles, controls or methodologies;
- o significant developments or changes in accounting rules applicable to us; and
- o the adequacy of our internal controls and accounting and financial personnel.

Edgar Filing: ZONE 4 PLAY INC - Form DEF 14A

The Audit Committee reviewed and discussed with our management our audited financial statements for the year ended December 31, 2004. The Audit Committee also reviewed and discussed the audited financial statements and the matters required by Statement on Auditing Standards No. 61, 89 and 90, titled Communication with Audit Committees, with our independent registered public accounting firm. These standards require our independent registered public accounting firm to discuss with our Audit Committee, among other things, the following:

- o methods used to account for significant unusual transactions;
- o the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus;
- o the process used by management in formulating particularly sensitive accounting estimates and the basis for the auditors' conclusions regarding the reasonableness of those estimates; and

-9-

- o disagreements with management over the application of accounting principles, the basis for management's accounting estimates and the disclosures in the financial statements.

Our independent registered public accounting firm also provided the Audit Committee with the written disclosures and the letter required by Independence Standards Board Standard No. 1, titled Independence Discussions with Audit Committees. Independence Standards Board Standard No. 1 requires auditors annually to disclose in writing all relationships that, in the auditor's professional opinion, may reasonably be thought to bear on independence, confirm their perceived independence and engage in a discussion of independence. In addition, the Audit Committee discussed with our independent registered public accounting firm their independence from Zone4Play. The Audit Committee also considered whether our independent registered public accounting firm's provision of certain other non-audit related services to Zone4Play is compatible with maintaining our auditors' independence, and concluded that it was compatible.

Based on our discussions with management and our independent registered public accounting firm, and our review of the representations and information provided by our management and our independent registered public accounting firm, the Audit Committee recommended to our board of directors that the audited financial statements be included in our annual report on Form 10-KSB for the year ended December 31, 2004.

Nothing herein shall be deemed to require the Company to register the Shares under the securities law of any jurisdiction.

15.2 It is intended that the Plan be applied and administered in compliance with Rule 16b-3 and with Section 162(m). If any provision of the Plan would be in violation of Section 162(m) if applied as written, such provision shall not have effect as written and shall be given effect so as to comply with Section 162(m) as determined by the Board in its sole and absolute discretion. The Board is authorized to amend the Plan and the Board is authorized to make any such modifications to Option Agreements to comply with Rule 16b-3 and Section 162(m), as they may be amended from time to time, and to make any other such amendments or modifications deemed necessary or appropriate to better accomplish the purposes of the Plan in light of any amendments made to Rule 16b-3 and Section 162(m). Notwithstanding the foregoing, the Board may amend the Plan so that it (or certain of its provisions) no longer comply with either or both of Rule 16b-3 or Section 162(m) if the Board specifically determines that such compliance is no longer desired and the Board may grant Options that do not comply with Rule 16b-3 and/or Section 162(m) if the Board determines, in its sole and absolute discretion, that it is in the interest of the Company to do so.

16. CONTINUANCE OF EMPLOYMENT

Neither the Plan nor any Option Agreement shall impose any obligation on the Company or an affiliate to continue any Optionee in its employ or service, and nothing in the Plan or in any Option granted pursuant hereto shall confer upon any Optionee any right to continue in the employ or service of the Company or an affiliate thereof or restrict the right of the Company or an affiliate thereof to terminate such employment or service at any time.

17. GOVERNING LAW AND JURISDICTION

The Plan shall be governed by and construed and enforced in accordance with the laws of the State of Israel as applicable to contracts made and to be performed therein, without giving effect to the principles of conflict of laws. The Company and/or its affiliates shall withhold taxes according to the requirements under the applicable laws, rules, and regulations, including withholding taxes at source. Furthermore, the Optionee shall agree to indemnify the Company and/or its affiliates and hold them harmless against and from any and all liability for any such tax or

18.2 The Company shall not be required to release any Share certificate to an Optionee until all required payments have been fully made.

19. NON-EXCLUSIVITY OF THE PLAN

The adoption of the Plan by the Board shall not be construed as amending, modifying or rescinding any previously approved incentive arrangements or as creating any limitations on the power of the Board to adopt such other incentive arrangements as it may deem desirable, including, without limitation, the granting of Options otherwise than under the Plan, and such arrangements may be either applicable generally or only in specific cases. For the avoidance of doubt, prior grant of options to Optionees of the Company under their employment agreements, and not in the framework of any previous option plan, shall not be deemed an approved incentive arrangement for the purpose of this section.

20. MULTIPLE AGREEMENTS

The terms of each Option may differ from other Options granted under the Plan at the same time, or at any other time. The Board may also grant more than one Option to a given Optionee during the term of the Plan, either in addition to, or in substitution for, one or more Options previously granted to that Optionee. Except as required by Rule 16b-3 with respect to Options granted to persons subject to Section 16 of the Exchange Act, no amendment of an Option shall be deemed to be the grant of a new Option.

21. RULES PARTICULAR TO SPECIFIC COUNTRIES

Notwithstanding anything herein to the contrary, the terms and conditions of the Plan may be adjusted with respect to a particular country by means of an addendum to the Plan in the form of an appendix (the "Appendix"), and to the extent that the terms and conditions set forth in the Appendix conflict with any provisions of the Plan, the provisions of the Appendix shall govern. Terms and conditions set forth in the Appendix shall apply only to Options issued to Optionees under the jurisdiction of the specific country that is subject of the Appendix and shall not apply to Options issued to any other Optionee. The adoption of any such Appendix shall be subject to the approval of the Board and if required the approval of the shareholders of the Company.

The Audit Committee shall also ask the independent auditor whether management's choices of accounting principles and policies are, as a whole, in accordance with GAAP and whether there are other acceptable alternatives to the principles and policies applied by management.
