(“PartnerRe” or the “Company”) of proxies from holders of PartnerRe common shares (the “PartnerRe common shares” or the “common shares”), referred to as shareholders throughout this Proxy Statement. The proxies will be voted at the Annual General Meeting of shareholders, which will be held at 12:00 p.m. local time on December 18, 2015, at Wellesley House South, 90 Pitts Bay Road, Pembroke HM 08, Bermuda, and at any adjournment thereof. Our primary mailing address is Wellesley House South, 90 Pitts Bay Road, Pembroke HM 08, Bermuda (telephone 1-441-292-0888). Pursuant to rules adopted by the U.S. Securities and Exchange Commission (the “SEC”), we have elected to provide access to our proxy materials over the Internet. PartnerRe expects to provide Notice and electronic delivery of this Proxy Statement and the enclosed proxy card to shareholders on or about November 6, 2015. As further detailed in the Notice which will be mailed to shareholders, shareholders may access the proxy materials on the Internet, request a printed set of the proxy materials, or both.

GENERAL INFORMATION ABOUT THE MEETING

Frequently Asked Questions

WHY AM I RECEIVING THESE MATERIALS?

You are receiving these materials as you were a shareholder of PartnerRe as of November 2, 2015 (the "Record Date"), which entitles you to attend and vote at or prior to the Annual General Meeting to be held at Wellesley House South, 90 Pitts Bay Road, Pembroke HM08, Bermuda on Friday, December 18, 2015, at 12:00 p.m. local time.

WHAT IS INCLUDED IN THESE MATERIALS?

1. This Proxy Statement for the Annual General Meeting; and
2. PartnerRe's Annual Report on Form 10-K for the year ended December 31, 2014 as filed with the SEC on February 26, 2015.

WHY DID I RECEIVE A NOTICE IN THE MAIL REGARDING THE INTERNET AVAILABILITY OF PROXY MATERIALS INSTEAD OF A FULL SET OF PROXY MATERIALS?

Pursuant to rules adopted by the SEC and applicable Bermuda law, PartnerRe has elected to provide access to its proxy materials via the Internet. On or about November 6, 2015, PartnerRe will send to shareholders as of the Record Date the Notice. All shareholders will have the ability to access the proxy materials via the Internet or request to receive a printed set of the proxy materials. Instructions on how to access the proxy materials over the Internet or to request a printed copy are detailed in the Notice, together with instructions on how to receive future proxy materials electronically. PartnerRe encourages shareholders to take advantage of the availability of the proxy materials on the Internet to help to reduce the environmental impact of our Annual General Meeting as well as to improve the efficiency of delivery.

WHAT AM I VOTING ON?

You will be asked:

1. To elect four (4) directors to hold office until the 2018 annual general meeting of shareholders or until their respective successors have been duly elected (Proposal 1);
2. To ratify the appointment by our Audit Committee of Deloitte Ltd., as our independent auditors, to serve until the 2016 annual general meeting, and to refer decisions about the auditors' compensation to the Board of Directors (Proposal 2); and
3. To approve the Executive Compensation disclosed pursuant to Item 402 of Regulation S-K (non-binding advisory vote) (Proposal 3).

For more information about these Proposals, see pages 54-56.

WHAT ARE THE BOARD'S VOTING RECOMMENDATIONS?

The Board recommends that you vote FOR all the Proposals.

WHO IS ENTITLED TO VOTE?

You may vote if you held common shares as of the close of business on the Record Date. Each common share held at the Record Date entitles you to one vote on each matter to be voted on. As of the Record Date, PartnerRe had 47,913,360 common shares issued and outstanding, net of treasury shares.

HOW MANY VOTES MUST BE PRESENT OR REPRESENTED BY PROXY TO HOLD THE ANNUAL GENERAL MEETING?

In order for us to transact business at the Annual General Meeting, the holders of not less than 25% of the outstanding common shares as of the Record Date must have voted prior to the meeting or be present, in person or by proxy. This is referred to as a quorum.

HOW MANY VOTES ARE NEEDED TO APPROVE EACH PROPOSAL?

All matters to be voted on at the Annual General Meeting will be decided by a simple majority of votes cast. If common shares are held by a broker for a shareholder that does not indicate how to vote on a non-routine matter, or if a shareholder abstains from voting on a particular matter, such common shares will not be counted for purposes of determining how many votes are required for approval on that matter. All matters except the ratification of auditors are considered non-routine.

WHAT IS THE DIFFERENCE BETWEEN A SHAREHOLDER OF RECORD AND A BENEFICIAL OWNER OF COMMON SHARES HELD IN STREET NAME?

You are a shareholder of record if your common shares are registered directly in your name with PartnerRe's transfer agent, Computershare Trust Company, N.A. ("Computershare").

You are a beneficial owner of common shares held in street name if your common shares are held in an account at a brokerage firm, bank, broker-dealer, or other similar organization.

HOW DO I VOTE IF I AM A SHAREHOLDER OF RECORD?

You can vote in person at the Annual General Meeting, or prior to the Annual General Meeting:

1. over the Internet by following the instructions provided in the Notice;
2. by telephone using the telephone number shown on the proxy card; or
3. by filling out the proxy card and mailing it to the address shown on the proxy card.

HOW DO I VOTE IF I AM A BENEFICIAL OWNER?

You can vote in person at the Annual General Meeting if you have obtained a legal proxy from the organization that holds your common shares. Please follow the instructions that your bank or broker provides.

You can vote prior to the Annual General Meeting by following the instructions provided by your bank or broker.

HOW CAN I ATTEND THE ANNUAL GENERAL MEETING?

The Annual General Meeting is open to all shareholders that hold common shares as of the Record Date.

If you are a shareholder of record, you will have to present valid picture identification.

If you are a beneficial owner, you will need to obtain a legal proxy from your bank or broker. This legal proxy will serve as an admission ticket and authorize you to vote your common shares (or change your vote) at the Annual General Meeting. You will also be required to present valid picture identification.

Shareholders who do not have valid picture identification and a legal proxy (if required) may not be admitted to the Annual General Meeting.

We encourage all shareholders, even those who plan to attend the Annual General Meeting, to vote in advance. If you intend to vote at the Annual General Meeting, you must provide our Secretary oral or written notice either at or prior to the meeting.

WHAT IS A PROXY? HOW DO I APPOINT A PROXY AND INSTRUCT THAT INDIVIDUAL HOW TO VOTE ON MY BEHALF?

A proxy is your legal designation of another person to vote the common shares you hold on your behalf.

You can appoint the proxies recommended by the Board (i.e. Jean-Paul L. Montupet and David Zwiener; see below "What does solicitation of proxies means?") to vote on your behalf, and give those individuals voting instructions by following the directions on the proxy card.

If you are a shareholder of record, you may also appoint another individual to represent you at the Annual General Meeting by notifying Computershare in writing before the Annual General Meeting begins. Your appointed proxy must provide valid picture identification to be admitted to the Annual General Meeting.

If you are a beneficial owner, please contact the bank or broker that holds your common shares if you intend to appoint a proxy that is different from those recommended by the Board.

WHAT DOES SOLICITATION OF PROXIES MEAN?

In a solicitation of proxies, one party (in this case, the Board) encourages shareholders to appoint one or more particular individuals (in this case, Jean-Paul L. Montupet, the Chairman, and David Zwiener, the Chief Executive Officer) to vote on their behalf (i.e., to vote as their proxy in accordance with their instructions).

Proxies will be solicited initially over the Internet pursuant to the instructions set out in the Notice. As provided in the Notice, you may also request printed materials by mail. Our directors, officers and employees may make further solicitation personally, by telephone or otherwise; these individuals will not be specifically compensated for such activities. Innisfree M&A Incorporated, (“Innisfree”) a U.S. proxy solicitation firm, has been retained by PartnerRe to assist, if necessary, in the solicitation of proxies, using the means discussed above. In the event that we utilize the services of Innisfree, they will receive a fee for their services and reimbursement for out-of-pocket expenses.

Beneficial owners will be asked to forward the proxy materials to the bank or broker that holds their common shares. That entity will be reimbursed for its reasonable expenses incurred in connection with distributing and collecting proxy materials.

WHO PAYS FOR THE SOLICITATION OF PROXIES?

PartnerRe will bear all of the costs of soliciting proxies for use at the Annual General Meeting. If you vote via the Internet, by mail or by telephone from outside the United States and Canada, you may incur costs associated with their use. These costs are your responsibility.

WILL MY COMMON SHARES BE VOTED IF I DO NOT APPOINT A PROXY?

If you are a shareholder of record and you do not appoint a proxy or vote by telephone or over the Internet, your common shares will not be voted and therefore will have no effect on the voting results unless you personally attend the Annual General Meeting.

If you are a beneficial owner, your brokerage firm has the authority to vote common shares on certain routine matters even if you do not provide instructions. Only the ratification of auditors is considered a routine matter for these purposes. Without your instructions, your common shares will not be voted for any other Proposal at the Annual General Meeting.

CAN I CHANGE MY MIND AFTER I VOTE?

You may change your vote or revoke your proxy at any time before your proxy is voted at the Annual General Meeting by:

1. voting again by telephone or over the Internet prior to 11:59 p.m. Eastern Time on December 17, 2015; or
2. attending and voting at the Annual General Meeting, if you are a shareholder of record (valid picture identification required); or
3. following the instructions of your bank or broker, if you are a beneficial owner.

If you intend to change your vote at the Annual General Meeting, you must provide our Secretary oral or written notice either at or prior to the meeting. We will not assume that you wish to change your vote simply because you attend the Annual General Meeting.

WHAT DOES IT MEAN IF I RECEIVE MORE THAN ONE FORM OF PROXY?

Multiple proxies may indicate that your common shares are held in more than one account. We encourage you to register all of your accounts in the same name and address. To minimize costs, if you are a beneficial owner, you should contact the bank or broker and request consolidation.

WHAT IF I SHARE AN ADDRESS WITH ANOTHER SHAREHOLDER, AND WE RECEIVED ONLY ONE PAPER COPY OF THE PROXY MATERIALS? HOW MAY I OBTAIN AN ADDITIONAL COPY OF THE PROXY MATERIALS?

We have adopted a procedure called “householding”. Under this procedure, we deliver a single copy of the Notice and, if applicable, the proxy materials to multiple shareholders who share the same address unless we receive contrary instructions. Shareholders wishing to discontinue or begin householding, or any shareholder residing at a householded address wanting to request delivery of a copy of the Notice and, if applicable, these proxy materials, may address their request:

1. BY INTERNET: www.proxyvote.com
2. BY TELEPHONE: 1-800-579-1639
3. BY E-MAIL: sendmaterial@proxyvote.com
4. IN WRITING: Broadridge, Householding Department, 51 Mercedes Way, Edgewood, New York, 11717, USA.

There is no charge for requesting a copy. If requesting materials by e-mail, please send an e-mail with the 12-Digit Control Number (located on the Notice) in the subject line. Please make the request as instructed above on or before December 4, 2015, to facilitate timely delivery.

Beneficial owners who wish to either discontinue or begin householding should contact their bank or broker. This procedure reduces the environmental impact of our Annual General Meeting as well as our postage and printing costs.

HOW DO I MAKE A PROPOSAL FOR INCLUSION IN THE PROXY STATEMENT FOR THE 2016 ANNUAL GENERAL MEETING?

Shareholders may propose any matter for a vote by our shareholders at the 2016 Annual General Meeting by sending their proposal marked for the attention of the Secretary, PartnerRe Ltd., Wellesley House South, 90 Pitts Bay Road, Pembroke HM 08, Bermuda. Any notice given by a shareholder for including a proposal must be received no earlier than July 21, 2016, and no later than August 20, 2016. We may also omit a shareholder’s proposal if it does not comply with applicable requirements of the SEC.

Upon the consummation of EXOR S.p.A.’s acquisition of PartnerRe, PartnerRe shall become a wholly owned indirect subsidiary of EXOR S.p.A. To the extent the 2016 Annual General Meeting occurs after the consummation of such acquisition, shareholder proposals submitted in accordance with the limitations set forth in this proxy statement and PartnerRe’s Bye-Laws will not be presented to the shareholders at the 2016 Annual General Meeting or included in any materials provided to then shareholders of PartnerRe in connection with the 2016 Annual General Meeting.

CAN I MAKE AN ADDITIONAL PROPOSAL AT THE 2016 ANNUAL GENERAL MEETING?

If a shareholder wishes to introduce a proposal at the 2016 Annual General Meeting other than for inclusion in our Proxy Statement, the proposing shareholder must notify us no earlier than September 19, 2016, and no later than October 19, 2016 of their intent to raise such proposal at the 2016 Annual General Meeting (subject to adjustment if the 2016 Annual General Meeting date is changed, as described in the Bye-Laws). Notice of such proposal is to be sent to the address listed in the response to the question above and must contain sufficient information in respect of the proposal to comply with our Bye-Laws. Upon the consummation of EXOR S.p.A.’s acquisition of PartnerRe, PartnerRe shall become a wholly owned indirect subsidiary of EXOR S.p.A. To the extent the 2016 Annual General Meeting occurs after the consummation of such acquisition, shareholder proposals submitted in accordance with the limitations set forth in this proxy statement and PartnerRe’s Bye-Laws will not be presented to the shareholders at the 2016 Annual General Meeting or included in any materials provided to then shareholders of PartnerRe in connection with the 2016 Annual General Meeting.

DIRECTOR COMPENSATION

The directors' compensation guidelines align the interests of directors and shareholders by promoting share ownership while maintaining competitive compensation levels. Compensation for PartnerRe directors reflects both the significant amount of time and the specialized skills required for the directors to fulfill their duties.

The total compensation package for director service consists of cash and restricted share units (RSUs). The following table outlines how the directors' compensation was allocated in 2014:

Component	Director Annual Amount (\$)	Committee Chair Fee Annual Amount (\$)	Chairman of the Board Annual Amount (\$)
Cash	80,000	15,000	160,000
RSUs	150,000		180,000
Dividend equivalents	Per actual dividend rate declared by the Board		Per actual dividend rate declared by the Board

Equity Components

RSUs are awarded on an annual basis and have a five-year cliff vest with no delivery restrictions. RSUs are granted each year on June 15 or the nearest business day thereafter. All unvested RSUs will be forfeited upon the director's termination of service, except if the termination is due to a change in control of PartnerRe, death, permanent disability, mandatory retirement from the Board, voluntary termination due to the acceptance of a public service position that would either preclude continued Board service or make such continued service impractical or failure to be re-elected by shareholders to the Board (each regarded as a "permissible reason for departure"). In the event of a permissible reason for departure, RSUs will fully vest upon termination. Dividend equivalents relating to RSU awards are paid each year in one lump sum on June 15 or the nearest business day thereafter. Prior to grant, directors can elect to receive the settlement of their RSUs, at the time of vesting, 100% in shares or 60% in shares and 40% in cash.

Prior to 2013, share option awards with a three-year ratable vest were granted to directors. Effective as of the Annual General Meeting on May 17, 2013, share options are no longer part of the directors' equity compensation.

Directors' equity awards are granted under the Amended and Restated Non-Employee Directors Share Plan, effective May 16, 2012. Currently, this plan provides for the issuance of up to 1,200,000 PartnerRe common shares, and prescribes a maximum annual limit for awards pursuant to the plan. Any amendment or termination for which shareholder approval is required will not be effective until such approval has been obtained. Unless terminated earlier, the plan will expire on May 16, 2022.

Elective Equity Incentive

To further align director and shareholder interests, the compensation guidelines allow directors to elect each year to defer 50% or 100% of their cash compensation. To encourage increased share ownership, deferred cash compensation is paid out in RSUs with a PartnerRe match of 25% on the value of the deferred cash compensation. The PartnerRe match is in RSU awards, which have the same terms and conditions as the other RSU grants.

Board Ownership Guidelines

Each director is required to own a minimum number of PartnerRe common shares with an aggregate value equal to four times the director's annual cash compensation entitlement (not including committee chair fees). For these purposes, RSUs and shares held outright are included in each director's holdings. All of the directors currently meet the ownership guidelines. Directors who do not meet the ownership guidelines are required to receive at least 50% of their cash compensation in the form of RSUs until the ownership guidelines are met. As with the elective equity incentive, mandatory deferrals receive a PartnerRe match of 25%. The PartnerRe match is paid out in RSU awards, which have the same terms and conditions as the other RSU grants.

Executive Director's Fees and Directors' Expenses

Effective as of the Annual General Meeting on May 17, 2013, fees are also paid to directors who serve as a chairman of a committee. In the event that a Director serves on a special committee of the Board (which special committees may be established from time to time), the Director may receive, at the discretion of the Nominating & Governance Committee, compensation in

17

addition to the annual cash and equity compensation described above. The amount and form of such additional compensation shall be determined by the Nominating & Governance Committee and approved by the Board. Mr. Costas Miranthis, our former President and Chief Executive Officer, was not paid any fees or additional compensation for services as a director or as a member of the Risk & Finance Committee, and, since his appointment as executive officer in January 2015, Mr. Zwiener has not been paid any fees or additional compensation for his services as a director or as a member of the Risk & Finance Committee. All directors are reimbursed for travel and other related expenses personally incurred while attending Board or committee meetings. All directors are reimbursed for all expenses related to attending education sessions that will help them fulfill their obligations as directors or committee members. Every other year, the partners/spouses of the directors and executive officers are invited to participate in an optional spousal program at the time of a Board meeting which is paid by PartnerRe. Such a program took place in 2014 during the September Board meeting. The total cost of the program was \$8,471 (see the All Other Compensation table below for details on the non-executive directors' related costs). Other than the spousal program, we do not provide any perquisites to our directors.

CORPORATE GOVERNANCE

Corporate Governance Framework

The Board considers that good corporate governance is critical to achieving business success and aligning the interests of management and shareholders. PartnerRe believes that it has established a comprehensive corporate governance framework, key components of which are set forth in the following documents:

• Our Bye-Laws;

- Our Corporate Governance Principles and Application Guidelines (which defines how the Board operates and reflects PartnerRe's global business practices);

• Our Code of Business Conduct and Ethics;

• Our Audit Committee Charter;

• Our Compensation & Management Development Committee Charter;

• Our Nominating & Governance Committee Charter; and

• Our Risk & Finance Committee Charter.

Code of Business Conduct and Ethics

The Board of PartnerRe has adopted the Code of Business Conduct and Ethics, which applies to all directors, officers and employees. Any specific waiver of its provisions requires the approval of the Board or a Committee of the Board, and any such waiver must be disclosed to shareholders promptly. We will disclose any such waiver on our website at www.partnerre.com within four business days of such waiver being granted. There were no waivers of the Code of Business Conduct and Ethics in 2014. Any reported violation to the Code of Business Conduct and Ethics will be investigated and may result in disciplinary action, as appropriate.

Directors Independence and Certain Relationships and Related Transactions

Directors Independence Determination

Pursuant to our Corporate Governance Principles and Application Guidelines, a majority of our directors must be independent. The Board, with the recommendation of the Nominating & Governance Committee, has determined that all directors are independent with the exception of Mr. Zwiener who is the interim Chief Executive Officer of PartnerRe. In making its determination, the Board, with the recommendation of the Nominating & Governance Committee, considered the New York Stock Exchange listing standards for independence and reviewed a comprehensive list of board memberships and charitable associations for each director. The Board, with the recommendation of the Nominating & Governance Committee, also considered certain other arrangements described in Note 20 "Agreements with Related Parties" to Consolidated Financial Statements in our Annual Report on Form 10-K for the year ended December 31, 2014, which addresses business relationships with other companies in which a director of PartnerRe is a board member, and determined that no director other than Mr. Zwiener, as an executive of PartnerRe, had a direct or indirect material relationship with PartnerRe. In addition, there are no interlocking directorships and none of our independent directors, or any of their immediate family members received any consulting, advisory, legal, or other non-director fees from PartnerRe. If any such relationship were to arise, all relevant material fees would be disclosed and the Board, with the recommendation of the Nominating & Governance Committee, would make a new determination as to independence.

In the normal course of our operations, PartnerRe may purchase or hold securities of companies for which some of our directors also serve as members of the board or non-executive directors. All transactions entered into as part of the investment portfolio are completed on market terms.

Certain Relationships and Related Transactions

The Board of PartnerRe has adopted a written Related Person Transaction Policy to codify the practice of identifying, approving and reporting related-person transactions. The Nominating & Governance Committee is responsible for applying and enforcing this policy. Annually, each of our directors and executive officers completes a questionnaire identifying his or her board relationships outside of PartnerRe, the results of which are used to compile a list of parties which is subsequently distributed to all relevant business unit heads and support staff personnel. PartnerRe then identifies and quantifies any transaction that may have been consummated with any party on the list. In addition, the questionnaire solicits information about whether the director or executive officer or any member of his or her immediate family has a direct or indirect material interest in any transaction involving PartnerRe. The Nominating & Governance Committee determines whether the transaction should be ratified, terminated and reported. Certain types of transactions do not require approval, ratification and disclosure if they fall within permitted exceptions (such as transactions in the ordinary course of business not exceeding \$120,000, transactions in which the director's or executive officer's or any member of his or her immediate family's interest derives solely from his or her (i) service as a director of or (ii) ownership of less than 10% of the equity interest in another corporation or organization that is a party to the transaction, or a director or executive officer compensation arrangement already approved by the Compensation Committee). For 2014, the Nominating & Governance Committee determined that there were no related transactions involving our directors, executive officers or any of their immediate family members as well as the entities named in the Other Beneficial Owners section in the table on page 27 that needed to be reported in this Proxy Statement.

Board Leadership Structure

Since its inception in 1993 PartnerRe has always separated the role of the Chief Executive Officer from that of the Chairman of the Board. The role of Chairman is filled by an independent, non-executive director and as a result, we have not appointed a lead director. The separation of these two roles is an important component of our corporate governance structure. The Chairman provides leadership to the Board, presides at the Board meetings which are scheduled at least four times a year and calls additional meetings of the directors as he deems appropriate. The Chairman advises the Nominating & Governance Committee on the selection of committee chairmen, leads the performance evaluation of the Chief Executive Officer, advises on and determines, with the input from the Chief Executive Officer and the Board, the agenda for Board meetings. With input from the Chief Executive Officer, the Chairman determines the nature and extent of information that should be provided to the Board in advance of Board meetings, acts as a liaison between shareholders and the Board where appropriate and performs such other functions as the Board may direct. The Chairman also presides at all executive sessions of the Board which are held each time a physical Board meeting occurs.

Meetings and Committees of the Board

The Board held four meetings in 2014. Each director attended at least 75% of the meetings held by the Board and by the committees on which he or she serves. PartnerRe does not have a policy with regard to directors' attendance at annual general meetings of shareholders but directors are encouraged to attend. Seven directors attended the 2014 Annual General Meeting.

The Board has established four standing committees: the Audit Committee, the Compensation & Management Development Committee (the "Compensation Committee"), the Nominating & Governance Committee and the Risk & Finance Committee. Members of the Audit, Compensation and Nominating & Governance Committees are independent in accordance with the definition of the New York Stock Exchange rules. The committee memberships are as follows:

Director	Audit	Compensation & Management Development	Nominating & Governance	Risk & Finance
Jean-Paul L. Montupet		CHAIR		—

Each committee has a charter that, among other things, reflects current best practices in corporate governance. Below is a brief description of the role of each committee:

Audit Committee

Pursuant to its charter, the Audit Committee's primary responsibilities are to assist Board oversight of:

- the integrity of PartnerRe's financial statements;
- PartnerRe's compliance with legal and regulatory requirements, including the receipt of reports arising in respect of the Code of Business Conduct and Ethics;
- the independent auditor's qualifications and independence; and
- the performance of PartnerRe's internal audit function and independent auditors.

The Audit Committee regularly meets with management, the Chief Audit Officer and our independent registered public accounting firm to review matters relating to the quality of financial reporting and internal accounting controls, including the nature, extent and results of their audits. In addition, the Audit Committee discusses PartnerRe's policies with respect to risk assessment and risk management processes.

Mr. Zwiener was the Chairman of the Audit Committee for the fiscal year ended December 31, 2014. Ms. Perry was appointed as the Chairman of the Audit Committee on January 25, 2015 replacing Mr. Zwiener who became PartnerRe's interim Chief Executive Officer at that time. Ms. Perry meets the definition of an "audit committee financial expert" as adopted by the SEC, and she has agreed to be designated as such. The Board of PartnerRe has determined that Ms. Perry is independent under New York Stock Exchange Rules. Ms. Perry also serves as chairman of Korn/Ferry International's audit committee. Further information about Ms. Perry can be found on page 14.

The other members of the Audit Committee meet the financial literacy requirements of the New York Stock Exchange Rules. They each have a broad range of experience in senior executive positions in their respective industries. The Board has determined that each member of the Audit Committee has appropriate accounting and financial management expertise. Further details relating to the experience of the Audit Committee members can be found in their respective biographies on pages 11-16.

The following report was approved by the Audit Committee on November 4, 2015.

Audit Committee Report

The Audit Committee has discussed with the independent registered public accounting firm, Deloitte Ltd. ("Deloitte"), the matters required to be discussed by Rules on Auditing Standards No. 16, Communications with Audit Committees and Related and Transitional Amendments to PCAOB Standards.

The Audit Committee and Deloitte have discussed Deloitte's independence and whether Deloitte can provide non-audit related services and maintain independence from management and PartnerRe. The Audit Committee has received from Deloitte the written disclosures and the letter required by PCAOB Rule 3526 (Communication with Audit Committees, Concerning Independence) including written materials addressing Deloitte's internal quality control procedures.

During fiscal year 2014, the Audit Committee had nine meetings, including informational calls, to discuss (among other things) PartnerRe's quarterly results. The meetings were conducted to encourage communication among the members of the Audit Committee, management, the internal auditors and Deloitte. The Audit Committee also discussed with Deloitte the overall scope and plans for Deloitte's audits and the results of such audits. The Audit Committee met with representatives from Deloitte, both with and without management present.

The Audit Committee has reviewed and discussed the audited financial statements for the year ended December 31, 2014 with management and with Deloitte. Based on the above-mentioned reviews and discussions, the Audit Committee has recommended to the Board that the audited financial statements be included in PartnerRe's Annual Report on Form 10-K for the year ended December 31, 2014.

Compensation Committee

Pursuant to its charter, the Compensation Committee has been established mainly to discharge the Board's responsibilities relating to the Company's compensation and benefits policies for its Chief Executive Officer and all other executive officers and to oversee plans for management development and succession.

The Compensation Committee can delegate authority to its chairman or a sub-committee as it deems appropriate or as necessary to carry out responsibilities of the Compensation Committee.

Compensation of Executive Officers and Directors: Roles and Responsibilities

The Compensation Committee is responsible for the review and final approval of the compensation elements for each executive officer including the Chief Executive Officer.

In so reviewing and approving executive officers' compensation, the Compensation Committee:

in consultation with the Board in executive session, establishes and approves goals and objectives relevant to the compensation of the Chief Executive Officer and evaluates the performance of the Chief Executive Officer in light of such established goals and objectives; and

in consultation with the Chief Executive Officer, establishes and approves goals and objectives relevant to the compensation of all other executive officers and evaluates their performance in light of such established goals and objectives.

For more information on the responsibilities and activities of the Compensation Committee, including the Committee's processes for determining Named Executive Officers' compensation, see our "Compensation and Discussion Analysis" section on pages 30-41.

The Compensation Committee is not involved in the consideration and determination of the directors' compensation.

Compensation Committee Consulting Services

The Compensation Committee has the authority to hire, manage and terminate external compensation consulting services.

The Chairman of the Compensation Committee requests information, analysis and proposals from time to time from Frederic W. Cook & Co., Inc. As discussed below, examples of the services provided include reviewing executive retention plans, proposing alternative approaches in the design of long-term incentive plans, suggesting the composition of our competitive peer group and performing competitive pay analyses based on the peer group. Separate to the consultants used by the Compensation Committee, management obtains consulting services from other compensation consultants on an as-needed basis throughout the year. Fees for these consulting services are set on a project-by-project basis. An annual retainer is not paid to any executive compensation consulting firm.

Compensation Consultant

Frederic W. Cook & Co., Inc., an external consulting firm, provides information and guidance to the Compensation Committee as requested. Each year at the Compensation Committee's November meeting, a report is presented suggesting which companies constitute an appropriate competitive peer group. Further details about the peer group can be found under "Competitive Peer Group and Pay Analysis," on page 40. Based on the approved competitive peer group, the consultant prepares a competitive analysis of total compensation for our executive officers against compensation for comparable executives at each peer group company. This analysis is presented to the Compensation Committee at its November meeting. The Compensation Committee makes a determination with respect to the compensation of the Chief Executive Officer based on peer group analysis. In 2013, Frederic W. Cook & Co., Inc. conducted an analysis of PartnerRe's executive compensation programs and provided advice to the Compensation Committee as needed on items such as ISS corporate governance guidelines. The Compensation Committee has direct access to all external advisors without management involvement.

Frederic W. Cook & Co., Inc. has not provided any services or received any payment from PartnerRe in an amount in excess of \$120,000 during the year ended December 31, 2014 and did not perform consulting work for the management team. The following factors set forth in the SEC rules regarding compensation advisor independence were reviewed in order to determine if any conflict of interest issues were raised by the use of the consulting firm:

-

Whether the compensation consulting company employing the compensation advisor is providing any other services to PartnerRe.

23

How much the compensation consulting company who employs the compensation advisor has received in fees from PartnerRe, as a percentage of that person's total revenue.

What policies and procedures have been adopted by the compensation consulting company employing the compensation advisor to prevent conflicts of interest.

Whether the compensation advisor has any business or personal relationship with a member of the compensation committee.

Whether the compensation advisor owns any stock of PartnerRe.

Whether the compensation advisor or the person employing the advisor has any business or personal relationship with an executive officer of PartnerRe.

Based on consideration of these and any other relevant factors, the Compensation Committee concluded there was no conflict of interest between PartnerRe and any compensation advisor.

Compensation Committee Interlocks and Insider Participation

No member of the Compensation Committee in 2014 was an officer or employee of PartnerRe or any of its subsidiaries. There are no Compensation Committee interlocks.

Nominating & Governance Committee

Under the terms of its charter, the Nominating & Governance Committee is responsible for overseeing all aspects of corporate and board governance. The Nominating & Governance Committee identifies individuals qualified to become directors, often with the assistance of a third-party search firm, and recommends appropriate nominees to the Board. In addition, the Nominating & Governance Committee recommends directors for committee membership, prescribes committee structure, evaluates Board and committee performance, oversees and sets director compensation, develops and recommends to the Board the Corporate Governance Principles and Application Guidelines and oversees compliance with such guidelines. The Nominating & Governance Committee Chairman oversees individual assessments of those directors who are standing for re-election.

The Nominating & Governance Committee may, at its discretion, consider director candidates suggested by shareholders. Under our Bye-Laws, the procedure by which shareholders may submit nominations for directors is the same as for other shareholder proposals, as described under "How Do I Make A Proposal for Inclusion in the Proxy Statement for the 2016 Annual General Meeting" on page 9.

The Nominating & Governance Committee identifies, reviews, assesses and recommends candidates to fill vacancies on the Board that occur for any reason. The Nominating & Governance Committee does not have a formal diversity policy; however, it has established and rigorously follows criteria when evaluating the candidacy of any individual for membership to the Board and any committee. Members of the Nominating & Governance Committee review prospective candidates' qualifications and geographic location; determine whether prospective candidates are independent and regularly consider whether the composition of the Board and its committees is diverse and appropriate in light of the current business challenges and needs. In particular, the Nominating & Governance Committee considers each director's individual skills, judgment, age, background and experience.

Risk & Finance Committee

Under the terms of its charter, the Risk & Finance Committee oversees PartnerRe's risk management framework policies and practices as well as its capital management policies and processes. The Risk & Finance Committee has oversight responsibility for PartnerRe policies and activities mainly related to:

• overall management of PartnerRe's risks pursuant to the business strategy and risk guidelines established by the Board; and

• capital management including issuance, retirement and internal capital movements.

The Audit Committee has primary responsibility for risks related to PartnerRe's financial statements, as discussed below.

The Board's Role in Risk Oversight

As a reinsurance company PartnerRe must assume risk in order to achieve its strategic objectives and return targets; however, it is necessary that risk be assumed within an enterprise risk management framework in accordance with an established risk appetite. The Board sets both the risk appetite and return goals by considering the following:

establishment of a minimum capital level expressed as a fixed percentile of a modeled financial loss exceedance curve plus a margin;

24

- setting our risk appetite as a percentage of capital, with loss tolerances for the ten largest financial or reputational risks being set with a specific fixed dollar amount; and
- approving key risk management principles and policies utilized by PartnerRe to drive individual decision making throughout the organization.

In addition the Board also:

- allocates responsibilities for risk oversight among the Board and its committees;
- facilitates open communication between management and directors about the risks which PartnerRe assumes; and
- fosters an appropriate culture of integrity and risk awareness.

While the Board oversees risk management, it is the responsibility of management to manage risk. PartnerRe has robust internal policies and procedures as well as a strong internal control environment to identify and manage risks which ensures communication with the Board and its committees. PartnerRe's enterprise risk management framework includes policies and procedures, an enterprise risk management committee chaired by the Chief Executive Officer or President, regular internal management disclosure committee meetings, a comprehensive internal and external audit process and the Code of Business Conduct and Ethics. The Board and the Audit Committee monitor the effectiveness of the internal controls and the Board and the Risk & Finance Committee oversee the risk management framework. Management communicates routinely with the Board and its committees on the significant risks identified and how they are being managed and mitigated. Much of the work is delegated to Board committees, which meet regularly and report back to the Board.

For instance:

The Audit Committee oversees and focuses on risks related to PartnerRe's financial statements, the financial reporting process, accounting and legal matters. The Audit Committee oversees the internal audit function and PartnerRe's ethics programs, including the Code of Business Conduct and Ethics. The Audit Committee members meet separately with PartnerRe's Chief Audit Officer and representatives of the independent auditing firm.

The Compensation Committee evaluates the risks and rewards associated with PartnerRe's compensation philosophy and programs. As discussed in more detail in the "Compensation Discussion and Analysis" section on pages 30-41, the Compensation Committee reviews and approves compensation programs with features that mitigate risk without diminishing the positive incentives of the compensation. Management discusses with the Compensation Committee the procedures that have been put in place to identify and mitigate potential risks in compensation.

The Risk & Finance Committee approves and monitors limits for the key risks listed above. PartnerRe assumes and oversees risks relating to reserving, underwriting limits, investments, currency risk and hedging programs, mergers and acquisitions, and capital projects.

Significant Board Practices

Executive Sessions

Following every physical Board meeting in 2014, the Chief Executive Officer recused himself from the meeting to allow the Board to meet in executive sessions. The independent directors are at liberty to raise whatever issues they wish during these sessions. The Chairman presides over the executive sessions

Advance Materials

Information and data important to the directors' understanding of the business or matters to be considered at a Board or committee meeting are, to the extent practical, distributed sufficiently in advance of the meeting to allow careful review. The Chairman, in conjunction with the Chief Executive Officer, establishes on an annual basis an agenda of topics for consideration and review by the Board during the following year. This annual schedule of topics is then provided to the full Board for review and comment and is adjusted, as appropriate, during the year. In addition, the Chairman and each committee sets a quarterly agenda in advance of all Board and committee meetings.

Access to Management

Directors have full and unrestricted access to management. In addition, key members of management attend Board meetings to present information about the results, plans and operations of the business within their areas of

responsibility.

25

Access to Outside Advisers

The Board and its committees may retain external counsel or consultants on their own initiative. For example, the Audit Committee has the authority to retain and terminate the independent auditor, the Nominating & Governance Committee may retain search firms to help identify director candidates, and the Compensation Committee may retain and terminate the services of compensation consultants for advice on executive compensation matters.

Mandatory Retirement Age

The current mandatory retirement age for directors, as determined by the Board, is 73. A director must resign from the Company in May of the year that he or she turns 73, unless the Board waives the mandatory retirement age for a specific director in exceptional circumstances. Such waiver is renewed annually and will be disclosed.

Communication with Directors

Any shareholder or other interested party who wishes to communicate with our directors may write to the Board at Wellesley House South, 90 Pitts Bay Road, Pembroke HM 08, Bermuda, marked for the attention of a particular director or the Secretary to the Board. The Secretary's office opens all such correspondence and forwards it to the relevant director, except for items unrelated to the functions of the Board, including business solicitations or advertisements.

Anti-Hedging and Anti-Pledging Policy

Prohibition against hedging or pledging of PartnerRe common shares are embedded within our Trading Policy. This prohibits PartnerRe directors, officers and employees from: (i) entering into hedging or monetization transactions related to PartnerRe common shares, including through the use of financial instruments, such as prepaid forwards, equity swaps, collars and exchange funds; and (ii) holding PartnerRe common shares in a margin account or otherwise pledging PartnerRe common shares as collateral for a loan.

Insurance

The primary underwriter for PartnerRe's director and officer insurance is Hartford Fire Insurance Company. The policy period runs from May 15, 2014 to May 14, 2015. The cost of this coverage for the one-year period ending May 14, 2015, was \$1,574,059.

PartnerRe assists its directors and executive officers by monitoring transactions and completing and filing Section 16 reports on their behalf.

Based solely on a review of the reports filed by individuals subject to Section 16(a) during 2014, no director or executive officer failed to file his or her required reports on a timely basis.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Executive Summary

This Compensation Discussion and Analysis provides an overview of how our Named Executive Officers (NEOs) were compensated in 2014, and how their compensation aligns with our established pay-for-performance compensation philosophy. The Compensation Discussion and Analysis describes the compensation of the following NEOs.

Name	Title
Costas Miranthis	Former President and Chief Executive Officer ⁽¹⁾
William Babcock	Executive Vice President and Chief Financial Officer
Emmanuel Clarke	President (Former Chief Executive Officer, PartnerRe Global) ⁽²⁾
Laurie Desmet	Executive Vice President and Chief Operations Officer, Group
Theodore C. Walker	Chief Executive Officer, PartnerRe North America

(1) As described in further detail below. Mr. Miranthis ceased serving as the President and Chief Executive Officer on January 25, 2015. David Zwiener currently serves as the Interim Chief Executive Officer.

(2) As discussed in further detail below, Mr. Clarke was appointed President of PartnerRe on September 8, 2015. PartnerRe's Executive Total Compensation Program is based on our compensation philosophy of providing market competitive programs which are designed to attract and retain top talent, align remuneration to value creation, and incent positive behaviors as well as motivating employees and paying for performance, while discouraging excessive risk-taking. To support this philosophy, PartnerRe uses a mix of both short and long-term based compensation elements inclusive of base salary, annual cash incentives, long-term equity awards and benefits. PartnerRe provides clear alignment between financial and non-financial performance to encourage employees to help PartnerRe achieve long-term financial objectives. The Compensation & Management Development Committee (Compensation Committee) reviews the Executive Total Compensation Program components annually to ensure there is a clear alignment with our pay-for-performance compensation philosophy.

For 2014, the result of the Adjusted Return on Equity (AROE, as described under Group Adjusted Return on Equity below), was 15.1% and is PartnerRe's primary financial metric, for the purposes of evaluating at-risk compensation. This performance exceeded the Company's target of 8% - 9% in a continually challenging economic and operating environment. The Company's diversified platform and performance culture allowed the Company to meet these challenges and remain financially strong.

In May 2014, our shareholders voted on executive compensation for the 2013 performance year. In this non-binding advisory say-on-pay vote, shareholders, representing 93% of the total shares voted, voted in favor of PartnerRe's compensation philosophy and practices. PartnerRe will continue to focus on the philosophy which guides the compensation decisions that were so strongly supported by our shareholders.

The Compensation Committee regularly evaluates the alignment of the compensation of our NEOs with Company performance while also giving consideration to total compensation relative to that of peer companies. The Compensation Committee considers a number of factors in their evaluation, including periodic reviews of market data provided by Frederic W. Cook & Co., Inc., the Compensation Committee's independent consultant. In addition, the Compensation Committee considers ways of providing the shareholders with adequate protection following a potential termination of the NEOs by putting in place restrictive covenants (including non-compete clauses) to ensure that NEOs are not able to put the Company at a competitive disadvantage.

Merger and Acquisition Related Changes

Amalgamation of PartnerRe and AXIS and Chief Executive Officer Change

Effective as of January 25, 2015, Mr. Miranthis resigned as a Director and as the PartnerRe's President and Chief Executive Officer, but he continued his employment as a non-executive employee of the Company until March 31, 2015. David Zwiener was appointed as PartnerRe's interim President and Chief Executive Officer and is currently serving as the interim Chief Executive Officer. He will serve in this position until the earlier of the closing of the proposed acquisition of PartnerRe by EXOR S.p.A. (EXOR) (discussed below) or April 30, 2016. In connection with

his appointment, Mr. Zwiener ceased serving as the chairman of the Audit Committee and a member of the Compensation Committee, but remained a member of the Company's Board of Directors and the Risk & Finance Committee.

30

Under the terms of a letter agreement between Mr. Miranthis and the Company, dated January 25, 2015, Mr. Miranthis received, in connection with his resignation, a cash payment totaling \$16,594,007, two-thirds of which was paid on February 4, 2015 following his execution of a general release, and the remaining one-third will be paid following the earlier of the closing date of the previously announced (and subsequently terminated and abandoned) proposed amalgamation (Amalgamation) of PartnerRe with AXIS Capital Holdings Limited, a Bermuda exempted company (AXIS Capital) or December 1, 2015, subject to his execution of an additional release. All of Mr. Miranthis' unvested equity awards that he held on March 31, 2015 became fully vested as of March 31, 2015 (with any performance share units being earned at the maximum level of performance achievement), and any share options and share appreciation rights will remain exercisable for their original terms. He will also be entitled to certain other benefits, including a supplemental contribution of \$150,000 to the Bermuda Non-Registered Pension Plan; continued allowances for housing, tax advice fees, a club membership and payment of his attorneys' fees. Mr. Miranthis will be subject to a non-competition covenant for the period between January 25, 2015 and the payment date of the second payment described above, a one-year non-solicitation covenant, a confidentiality covenant and a non-disparagement covenant.

As the interim Chief Executive Officer, Mr. Zwiener's annual base salary is \$1,000,000, and he received a grant of sign-on restricted share units with a value of \$1,500,000, which will vest and settle on the earlier of closing date of the acquisition of PartnerRe by EXOR or April 30, 2016. As part of his agreement, he is eligible to receive a cash service bonus of \$3,000,000, and he is eligible for a discretionary cash bonus with a maximum aggregate value of \$2,000,000, based on the board's assessment of Mr. Zwiener's execution of the transaction or his efforts in relation thereto (which bonus accrues monthly and may be earned at a rate of 0% to 200% of the target bonus amount of \$125,000 for each month during which he is employed). Both bonuses will be payable on the earlier of the closing date of the acquisition of PartnerRe by EXOR, the appointment by the Board of Directors of a replacement to Mr. Zwiener as Chief Executive Officer of PartnerRe or April 30, 2016.. If his employment is terminated without cause or for good reason, Mr. Zwiener will be entitled to an amount equal to the base salary that he would otherwise have earned between the date of his termination and April 30, 2016; a cash payment equal to the value of his sign-on restricted share unit award, subject to his execution of a general release; and payment of a pro rata portion of the cash service and discretionary bonus. While he will receive certain executive-level perquisites, he will not be entitled to participate in the Company's Change in Control Policy or any other change in control or severance plan or policy. Mr. Zwiener will be subject to a one-year post-termination non-solicitation covenant, a confidentiality covenant and a non-disparagement covenant.

Acquisition of PartnerRe by EXOR and Executive Committee Changes

On August 2, 2015, PartnerRe entered into an agreement and plan of merger (Merger Agreement) with EXOR under which EXOR will acquire all of the outstanding common shares of PartnerRe for an all cash consideration of \$137.50 per common share. At the effective time of the acquisition, the relevant holders of outstanding common shares of PartnerRe will also be entitled to receive a one-time special cash dividend in the amount of \$3.00 per share. In connection with the execution of the Merger Agreement, PartnerRe and AXIS Capital terminated the previously announced Amalgamation. To obtain the requisite approval of its shareholders on the Merger Agreement and the transactions related thereto, PartnerRe will hold a Special General Meeting of its shareholders on November 19, 2015. In connection with such special general meeting of its shareholders, PartnerRe mailed a Definitive Proxy Statement to its shareholders on or around September 28, 2015.

Effective September 8, 2015 Emmanuel Clarke was appointed as President of PartnerRe Ltd. by the board of Directors of PartnerRe. Mr. Clarke will be responsible for leading and managing all of PartnerRe's operations. David Zwiener will remain in the role of interim Chief Executive Officer, dedicating his time to bringing EXOR's acquisition of PartnerRe to a successful close, at which point he will step down.

In connection with his appointment as President, Mr. Clarke entered into an arrangement with PartnerRe pursuant to which he will receive: (1) a base salary of \$950,000; (2) an annual incentive target of 125% of his base salary (prorated for 2015 based on the timing of his promotion); (3) an annual long term incentive award target of \$2,000,000; and (4) a retention bonus of \$950,000, to be paid on the earlier of December 31, 2016 or the date that is twelve months after the date of the closing of EXOR's acquisition of PartnerRe. PartnerRe expects to enter into an

amended and restated employment agreement with Mr. Clarke in connection with his appointment as President of PartnerRe.

Elements of Total Compensation

The three principal types of compensation paid to the NEOs for 2014 (each of which is described in more detail below) are:

- (1) Base salary
- (2) Annual cash incentive
- (3) Annual equity awards

When analyzing the NEO's mix of compensation with respect to the 2014 performance year and setting amounts for each of these components, the Compensation Committee is guided by the philosophy outlined in the Executive Total Compensation Program. To allocate the three principal forms of compensation optimally, the Compensation Committee focuses on, amongst other things, the following:

- clearly linking pay to performance;
- achieving a balance between fixed compensation (base salary) and at-risk compensation (annual cash incentive and equity awards). At-risk compensation supports a pay-for-performance approach and links predetermined objectives, including Company performance, with at-risk compensation; however, caps are in place to ensure that NEOs are not inappropriately motivated to maximize their at-risk earnings;
- ensuring that long-term incentive awards in the form of equity are designed to align the NEO's interests with shareholders' interests by emphasizing long-term business performance and overall PartnerRe success;
- promoting the retention of NEOs by providing long-term incentives; and
- providing flexibility in the form and structure of compensation to meet individual goals and time horizons.

Balance of Fixed and At-Risk Compensation

For the 2014 performance year, the total compensation (base salary, annual cash incentive and equity awards) that was at-risk for the Chief Executive Officer was 88.6% (32.0% comprised of annual cash incentive and 56.6% comprised of equity awards) and 11.4% was base salary. For the NEOs (excluding the Chief Executive Officer) compensation that was at-risk was 80.3% (34.7% comprised of annual cash incentive and 45.6% comprised of equity awards) with the balance of their total compensation, 19.7%, being base salary. At-risk compensation is considered by the PartnerRe Board to include annual incentive and equity grants. The breakdown of the Chief Executive Officer's and other NEOs' compensation mix is as follows:

(1) Base salary at December 31, 2014.

(2) Actual annual cash incentive award for the 2014 performance year, paid in March 2015.

Actual annual equity dollar value for the 2014 performance year, granted on February 17, 2015. In connection with (3) his resignation, Mr. Miranthis received the value of his equity awards for the 2014 performance year in cash as part of his termination payments.

(1) Base Salary

Base salary is reviewed annually by the Compensation Committee, and is the fixed component of the total compensation package. The level of base salary is intended to reflect the expertise, level of experience and scope of responsibilities of the NEO. Base salary targets the market median based on market competitive data (as discussed in Competitive Peer Group and Pay Analysis below) and is the base component of overall compensation. In line with company philosophy and as shown in the graph above, base salary is the smallest component of total compensation for the NEOs. Mr. Miranthis' base salary has not changed since he was appointed to the role of Chief Executive Officer effective January 1, 2011.

The base salary for each NEO is reviewed at the first Compensation Committee meeting of the calendar year and fixed as of April 1 of each year. The base salaries as of April 1, 2014 were as follows:

	Costas Miranthis	William Babcock	Emmanuel Clarke ⁽¹⁾	Laurie Desmet	Theodore C. Walker
2014 Base Salary	\$1,000,000	\$599,167	CHF629,287	\$537,950	\$607,957

(1) US dollar equivalent is \$635,643. Exchange rate of 1USD = 0.99CHF used to calculate dollar value.

(2) Annual Cash Incentive

Annual cash incentive is an "at-risk" performance based component of compensation and has been designed to align NEO and shareholder interests through the attainment of predetermined metrics and objectives.

Pursuant to PartnerRe's annual cash incentive program, each employee has a target annual cash incentive that is expressed as a percentage of base salary. The annual cash incentive payout ranges from 0% to 200% of the target, depending upon actual performance compared with predetermined performance metrics. The table below shows actual annual cash incentive paid against the target annual incentive for the 2014 performance year.

	Costas Miranthis	William Babcock	Emmanuel Clarke	Laurie Desmet	Theodore C. Walker
Target Annual Cash Incentive (% of salary)	150%	100%	100%	100%	100%
Target Annual Cash Incentive (Value) ^{(1) (2)}	\$1,500,000	\$599,167	CHF629,287	\$537,950	\$607,957
Actual Annual Cash Incentive ^{(1) (3)}	\$2,793,750	\$1,101,718	CHF1,144,525	\$978,397	\$948,869

(1) Amounts relate to the 2014 performance year. The actual annual cash incentive is paid in March 2015.

(2) US dollar equivalent for Emmanuel Clarke's target annual cash incentive is \$635,643. Exchange rate of 1USD = 0.99CHF used to calculate dollar value.

(3) US dollar equivalent for Emmanuel Clarke's actual annual cash incentive is \$1,156,086. Exchange rate of 1USD = 0.99CHF used to calculate dollar value.

The metrics for the following performance measures are predetermined by the Compensation Committee:

- i) Total Group Performance (Group AROE + Group Organizational Objectives)
- ii) Business Unit Financial Performance, which includes Operating Expenses for the Chief Financial Officer (CFO) and the Chief Operations Officer (COO)
- iii) Personal Objectives

The AROE metric is PartnerRe's primary financial metric, for the purposes of evaluating compensation, as it focuses on the value provided to shareholders and is a reliable indicator of Company performance and profitability. Business Unit Financial Performance and Operating Expense Performance are financial metrics that are also used for NEOs in determining their Annual

Incentive payout. The inclusion of qualitative objectives provides the ability to assess performance which may not be quantifiable but impacts the overall performance of the Company.

The Compensation Committee annually approves the metrics within the Total Group Performance measure and the weighting of each measure for each NEO. Each measure is weighted to reflect the contributions of each NEO toward our strategy, the current business environment, as well as the behaviors which the Compensation Committee wishes to encourage and reward. The Compensation Committee places significant emphasis on quantitative performance measures (i.e., combined Group AROE, Business Unit Financial Performance and Operating Expense Performance). The Compensation Committee approved the weight of financial performance in a range of 72.5% - 75% for NEOs in 2014, which remains unchanged from 2013. The qualitative objectives (Group Organizational and Personal combined) also remain unchanged within a target weight range of 25% - 27.5%. The following table outlines the 2014 weightings and measures for each NEO:

	Costas Miranthis	William Babcock	Emmanuel Clarke	Laurie Desmet	Theodore C. Walker
Group AROE	75%	62.5%	42.5%	52.5%	42.5%
Group Organizational Objectives	25	7.5	7.5	7.5	7.5
Total Group Performance	100%	70%	50%	60%	50%
Business Unit Financial Performance ⁽¹⁾	—	10	30	20	30
Personal Objectives	—	20	20	20	20
Total Financial Performance	75%	72.5%	72.5%	72.5%	72.5%
Total Personal Performance	25%	27.5%	27.5%	27.5%	27.5%

(1) Business Unit Return on Equity (ROE) for Messrs. Clarke and Walker and Operating Expense Performance for Mr. Babcock and Ms. Desmet.

i) Total Group Performance

The Total Group Performance measure applied to all NEOs and was the most heavily-weighted measure (100% for Mr. Miranthis, 70% for Mr. Babcock, 60% for Ms. Desmet and 50% for Messrs. Clarke and Walker). The Total Group Performance measure is comprised of Group AROE and Group Organizational Objectives, with Group Adjusted Return on Equity (Group AROE) being the primary metric. Mr. Miranthis' annual cash incentive was paid out at 186% of target, reflective of the Company's strong financial performance in 2014.

The actual 2014 Total Group Performance results and resulting payout for each NEO, based on the weightings shown in the above table, are shown below:

	Performance	Scale Payout	Payout			Other NEOs (1)
			CEO	CFO	COO	
Group AROE	15%	200%	150%	125%	105%	85%
Group Organizational Objectives	145%	145%	36%	11%	11%	11%

(1) Emmanuel Clarke and Theodore C. Walker.

Group Adjusted Return on Equity (Group AROE)

The Compensation Committee assessed all the metrics used in determining the NEOs' 2014 performance year annual cash incentives. As the foregoing tables show and as discussed above, Group AROE is the most predominant component used to determine Total Group Performance and consequently the 2014 performance year annual cash incentive payouts.

Group AROE is the sum of the Company's Operating Return on Equity (ROE) and the return on the Company's Risk Assets. ROE is based on operating earnings or losses (see Key Financial Measures in our Annual Report on Form 10-K for the year ended December 31, 2014 a definition). ROE excludes realized and unrealized gains or losses on the

Company's Risk Assets. The return on the Company's Risk Assets includes the realized and unrealized gains and losses from a portion of the Company's investment portfolio that includes equities, asset-backed securities, insurance linked securities and other specific investments. Group AROE is not a financial measure calculated in accordance with U.S. GAAP. See Key Financial Measures in our Annual Report on Form

10-K for the year ended December 31, 2014 for a reconciliation of this non-GAAP financial measure to the most directly comparable GAAP financial measure.

The Group AROE scale is established annually and approved by the Compensation Committee prior to the start of the performance year. The main factors considered in establishing the Group AROE scale were the current reinsurance market outlook and a sustained period of low interest rates.

The payout scale is as follows and is subject to straight-line interpolation.

2014 Group AROE Performance	Payout of Award as a Percentage of Target Annual Cash Incentive
>14%	200%
8-9%	100%
<3%	0%

The scale reflects PartnerRe's compensation philosophy in the following respects:

- The annual cash incentive target (i.e., payout at 100%) is awarded for a target Group AROE performance, which is established prior to the start of the performance year.

- The annual cash incentive payout is capped at 200% because an uncapped payout could encourage risk-taking activities which are not in the best interests of our shareholders.

- The scale is designed to ensure that our shareholders receive a minimum return, currently at least 3% Group AROE, before employees receive an allocation toward their annual cash incentive.

- The scale is set to create challenging but realistic goals to motivate employees and provide the opportunity to pay for performance.

The Group AROE for 2014 was 15.1% and consequently the payout award for this component for the 2014 performance year was 200%.

Group Organizational Objectives

Non-financial objectives are recommended annually by the President and Chief Executive Officer and approved by both the Compensation Committee and the Board. For 2014, the Group Organizational Objectives were:

- Evolve organizational structure;
- Continue to explore options for strategic development; and
- Simplify risk policy documentation and enhance ERM framework.

The Group Organizational Objectives will vary from year to year and the Compensation Committee does not assign specific weighting to any one individual component of the Group Organizational Objectives. No individual Group Organizational Objective was significant enough to make a meaningful impact on the maximum potential annual cash incentive payout for the 2014 performance year. As each qualitative objective was not individually material and was subjective in nature (i.e., not a quantitative measurement), the Compensation Committee reviewed the performance in the aggregate and determined that PartnerRe successfully achieved the Group Organizational Objectives, resulting in a payout of 145% of target.

ii) Business Unit Financial Performance

Mr. Miranthis's annual cash incentive does not include a Business Unit Performance measure. For Mr. Clarke and Mr. Walker, a Business Unit ROE metric accounted for 100% of their Business Unit Performance measure. The Operating Expense metric was introduced for Mr. Babcock and Ms. Desmet in 2014 to encourage PartnerRe's continued focus on expense management. The use of this financial metric emphasizes the importance of cost management as a performance indicator in today's challenging environment.

The following table shows the Non-Group Financial Performance metrics used for the 2014 performance year:

NEO	Metric used for Business Unit Performance Measure	Relative Weight of Business Unit Performance Measure (among all measures)	Actual 2014 Performance ⁽¹⁾	Scale Payout
William Babcock	CFO Operating Expense	10%	160%	160%
Emmanuel Clarke	Global ROE	30%	15.1%	180%
Laurie Desmet	COO Operating Expense	20%	180%	180%
Theodore C. Walker	North America ROE	30%	7.7%	94%

(1) The targets and payout scales are illustrated below and are subject to straight-line interpolation.

Global ROE Performance	North America ROE Performance	CFO Operating Expense Performance ⁽¹⁾	COO Operating Expense Performance ⁽¹⁾	Payout of Award as a Percentage of Target Annual Cash Incentive
>16%	>14%	(\$2.7m)	(\$10m)	200%
9-10%	8-9%	\$0	\$0	100%
<4%	<3%	\$2.7m	\$10m	0%

(1) Overage (savings) to operating expense budget.

iii) Personal Objectives

Other than the Chief Executive Officer, each of our NEOs has predetermined qualitative objectives that vary from year to year. Qualitative objectives are recommended annually by the Chief Executive Officer and approved by the Compensation Committee. The weight on qualitative objectives aligns with the Compensation Committee's goal of a 25% - 27.5% weight on qualitative objectives (Group Organizational and Personal Objectives combined), placing greater emphasis on quantitative performance measures. In 2014, the Compensation Committee considered numerous qualitative personal objectives, none of which covered all of our NEOs. For each NEO, the Compensation Committee considered all of the objectives that specifically applied to the NEO and reached a subjective view as to how well the NEO had achieved his or her personal objectives. Personal objectives cover many areas, including operational efficiency, effective capital management, maintaining good relationships with clients and success of significant projects. The Compensation Committee determined that each NEO successfully achieved their personal objectives for the 2014 performance year, resulting in a payout of between 145% and 160% of target for the Personal Objectives metric for each NEO.

(3) Equity Awards

Through 2014, equity awards have provided "at-risk" compensation which has a long-term focus and are subject to both performance and time-based vesting mechanisms. Equity awards are intended to: (i) align the long-term interests of NEOs and shareholders; (ii) reflect long-term performance goals; and (iii) act as a talent retention vehicle.

Form of Equity

The NEOs blend of equity is 60% performance-based awards (PSUs and SSARs) and 40% time-based awards (RSUs). Prior to the start of the performance year, NEOs can customize their award and convert up to 25% of their PSU and RSU awards into SSARs. The performance-based equity has a greater motivational impact while the time-based

equity has a greater retentive impact. The annual equity award distribution for the NEOs is as follows:

36

Equity Award Level	Annual Equity Target Dollar Value	Actual Grant for 2014 Performance Year ⁽¹⁾	Blend of Equity		
			RSUs ⁽²⁾ (40%)	PSUs ⁽²⁾ (40%)	SSARs ⁽²⁾ (20%)
CEO	\$4,500,000	\$4,950,000	\$1,980,000	\$1,980,000	\$990,000
CFO ⁽³⁾	\$1,250,000	\$1,375,000	\$481,250	\$481,250	\$412,500
Other NEOs	\$1,250,000	\$1,375,000	\$550,000	\$550,000	\$275,000

(1) Granted on February 17, 2015 at 110% of target dollar value. In connection with his resignation, Mr. Miranthis received the value of his equity awards for the 2014 performance year in cash as part of his termination payments.

(2) RSUs and PSUs have a three-year cliff vest and the PSUs are subject to a performance measure; SSARs have a three-year ratable vest.

(3) Mr. Babcock customized his 2015 grant as follows: 35% RSUs / 35% PSUs / 30% SSARs.

Equity Performance Adjustment

At grant, the target dollar value of the annual equity award is adjusted (90% - 110%) based on the prior year's Group AROE result of 15.1%:

Results within scale (3 -14%) – no adjustment

Results below scale (<3%) – 90% of target dollar value

Results above scale (>14%) – 110% of target dollar value

The 15.1% Group AROE result for 2014 exceeded the maximum range on the annual incentive scale, resulting in an adjustment of 110% to the 2014 equity target dollar values.

For the 2014 performance year grant, upon settlement, PSU awards can be adjusted upward or downward based on the average three-year growth in Tangible Book Value Per Diluted Share (TBVPS) + non-life reserve discount + life unrecognized value + dividends paid from grant date. This financial performance metric was selected by the Company because it has a high correlation to shareholder value. The following table shows the payout scale on settlement, based on performance and is subject to straight-line interpolation:

Level	PSU Metric Scale (above risk-free return) ⁽¹⁾	PSU Adjustment %
Maximum	>1,200bps	150%
Target	700bps	100%
	<200bps	50%

(1) Based on a reference portfolio of risk-free securities with three-year duration.

The following table shows each NEO's actual 2015 PSU grant value against the scale to show what each NEO would potentially receive when the PSUs vest if maximum, target or minimum performance is achieved at the end of the three year period:

Name	Estimated PSU Value at Vest for PSU Performance ⁽¹⁾		
	Minimum	Target Performance	PSU Grant at Minimum
Costas Miranthis ⁽²⁾	2,970,000	1,980,000	990,000
William Babcock	721,875	481,250	240,625
Emmanuel Clarke	825,000	550,000	275,000
Laurie Desmet	825,000	550,000	275,000
Theodore C. Walker	825,000	550,000	275,000

(1) Based on value at grant on February 17, 2015.

(2) See Amalgamation of PartnerRe and AXIS and Chief Executive Officer Change above for the treatment of PSUs for Mr. Miranthis in connection with his resignation.

Linking Pay for Performance

The Group AROE scale is established annually and approved by the Compensation Committee. The main factors considered in establishing the Group AROE scale were the current reinsurance market outlook and a sustained period of low interest rates. The Company's financial results for 2014 were above target and this was reflected in the above target payment of the annual cash incentive component of at-risk compensation to the NEOs for the 2014 performance year, demonstrating a strong link between pay and performance.

The table below provides a three-year history of the Company performance.

	2012	2013	2014
Group AROE	15.0%	15.7%	15.1%
Group AROE Scale Payout	150%	200%	200%
Total Group Performance ⁽¹⁾	150%	190%	186%

(1) Based on a weighting of 75% for Group AROE and 25% for Group Organizational Objectives.

A review of the Chief Executive Officer's compensation was considered at the February 2014 meeting of the Compensation Committee and a decision was made to increase Mr. Miranthis's target annual incentive and target equity value to bring him closer to the market median of peer companies. In their review, the Compensation Committee considered, amongst other factors, the Company's performance, the current reinsurance environment, alignment with peer companies' Chief Executive Officer pay packages and maintaining a total compensation package that would continue to allow the Chief Executive Officer to focus on increasing shareholder value. Based upon these considerations, and taking into consideration the recommendation from the Compensation Committee's independent consultant Frederic W. Cook & Co., Inc., the Compensation Committee determined that it would be appropriate to increase the Chief Executive Officer's at-risk annual incentive target from 125% to 150% of base salary and the annual target equity value from \$3,000,000 to \$4,500,000. Further underscoring the Compensation Committee's commitment to align pay with performance, the Chief Executive Officer's salary remained unchanged. Both increases took effect for the 2014 performance year, and bring the CEO near the market median of peer companies.

Executive Share Ownership and Retention

To promote the goal of aligning the interests of the NEOs and shareholders, the Executive Total Compensation Program prescribes share ownership guidelines, holding restrictions and incentives to encourage the NEOs to hold a stake in the future value of PartnerRe.

The Executive Total Compensation Program prescribes net share retention guidelines for all equity grants. For this purpose, "net shares" are the common shares remaining from a transaction (i.e., the exercise of an option or the vesting of restricted shares) after the NEO sells enough common shares to pay the applicable exercise price and any related

tax or social security liabilities. The guidelines provide that:

- NEOs who have not satisfied the applicable share ownership target must retain 100% of the net shares they acquire until they reach the target.

38

If an NEO has met the share ownership target, but the holdings subsequently drop below the target amount for any reason (for example, a new share issuance), the executive will have a one-year grace period to once again meet the target.

The net share retention guidelines do not apply to grants made prior to becoming an NEO.

The ownership target is expressed as a percentage of PartnerRe's fully diluted common shares outstanding ("CSO") at the end of each calendar year and includes all common shares and equivalents held by the NEO. The number of fully diluted CSO at December 31, 2014, was 49,087,412. The table below shows the ownership targets, common share ownership, and ownership expressed as a percentage of fully diluted CSO for each NEO as of December 31, 2014. All of the NEOs have reached their share ownership targets.

Name	Ownership Target—Common shares/equivalents as a percentage of fully diluted CSO	Common Share Ownership ⁽¹⁾	Common shares/equivalents as a percentage of fully diluted CSO
Costas Miranthis	0.07%	198,365	0.40
William Babcock	0.03%	50,351	0.10
Emmanuel Clarke	0.03%	61,402	0.13
Laurie Desmet	0.03%	42,264	0.09
Theodore C. Walker	0.03%	63,033	0.13

(1) Common Share Ownership includes common shares owned outright, PSUs, RSUs, RSU equivalents of Options, SSARs (conversion ratio for 2014 was one RSU to seven SSARs) and common shares held in qualified plans. This includes vested and unvested awards.

Severance

To assist in recruiting and to ensure that PartnerRe is competitive within the market, the Company provides for severance payments to the NEOs under several different scenarios. The severance triggers, restrictive conditions, and compensation payments are governed by each NEO's individual employment agreement and our Change in Control Policy. For more information, see Potential Payments Upon Termination or Change of Control below.

Benefits & Perquisites Review

To meet market competitive conditions, benefits and perquisites are provided to NEO's. In line with our peers, PartnerRe provides additional perquisites for Bermuda-based executives who have relocated from their home country to the corporate headquarters. Consistent with our pay-for-performance compensation philosophy, executive perquisites are limited to personal use of corporate aircraft (for the Chief Executive Officer only, capped at 30 hours, of which zero hours were used for 2013 and 2014), housing, club membership, car and travel allowances. All other benefits for the executives are awarded to all employees in their location. The Company does not provide tax gross-ups to NEOs.

Governance Features of our Executive Compensation Program

The Compensation Committee is charged with the corporate governance of executive compensation with respect to our NEOs. All members of the Compensation Committee are non-executive directors and are considered independent pursuant to the NYSE Rule 303A.05. The Compensation Committee is authorized to retain independent consultants to give advice on compensation matters.

The Compensation Committee is responsible for the review and final approval of the compensation elements for each executive officer including the Chief Executive Officer.

In so reviewing and approving executive officers' compensation, the Compensation Committee:

in consultation with the Board in executive session, establishes and approves goals and objectives relevant to the compensation of the Chief Executive Officer and evaluates the performance of the Chief Executive Officer in light of such established goals and objectives; and

in consultation with the Chief Executive Officer, establishes and approves goals and objectives relevant to the compensation of all other executive officers and evaluates their performance in light of such established goals and

objectives.

39

The Compensation Committee is not involved in the consideration and determination of the directors' compensation.

Independent Consultant

The Compensation Committee utilizes the services of an external compensation consultant. In 2014, the Compensation Committee utilized the services of Frederic W. Cook & Co., Inc.

In making decisions on Chief Executive Officer and other executive compensation, the Compensation Committee considered analysis and advice provided by Frederic W. Cook & Co., Inc., which was provided without consulting the Chief Executive Officer or management. Compensation Committee members have direct access to the consultant without management involvement.

During 2014, the services of Frederic W. Cook & Co., Inc. were limited to executive compensation matters. The Compensation Committee ascertained that Frederic W. Cook & Co., Inc. is an independent consultant to the Company.

Competitive Peer Group and Pay Analysis

The goal of the Compensation Committee is to ensure that the total compensation opportunity of our NEOs is competitive with the median of total compensation paid to executives of companies within the competitive peer group of (re)insurance companies which compete with us for executive talent. The Compensation Committee achieves this by conducting a competitive peer group analysis and comparing both the total compensation and each individual element of compensation to the peer group median.

The Compensation Committee considered and approved the composition of the competitive peer group with input from its independent consultant, Frederic W. Cook & Co., Inc. The competitive peer group is compiled using the following criteria: size (revenues, assets and market capitalization), corporate strategy, number of employees and business mix. Our 2014 competitive peer group (determined at the end of 2013) is comprised of ACE Ltd., Allied World Assurance Company Holdings AG, Arch Capital Group Ltd., AXIS, Everest Re Group Ltd., Munich Re, RenaissanceRe Holdings Ltd, SCOR SA, Validus Holdings and XL Group plc. Swiss Re is also part of the peer group for 2014 for the Chief Executive Officer compensation comparison; benchmark data for the other NEO's is not available.

Each year the Compensation Committee reviews an analysis prepared by Frederic W. Cook & Co., Inc. comparing compensation within the peer group. The Compensation Committee utilizes this analysis when comparing compensation of the NEOs with that of executives with comparable responsibilities within the peer group.

Risk Management

The purpose of our business is to assume risk. As described above, our compensation programs contain a number of design features that proactively discourage excessive risk-taking. It is the view of the Compensation Committee that PartnerRe's compensation policies and procedures do not create risks that are reasonably likely to have a material adverse effect on PartnerRe. These policies and procedures are reviewed as part of the Company's risk management framework.

Clawback Provisions

NEOs may be required to repay some or all of any cash or equity incentive received from a grant if: (i) PartnerRe is required to restate our financial statements due to material non-compliance with financial reporting requirements; (ii) the restated financial statements would have resulted in a lower incentive award; and (iii) PartnerRe has determined that the material non-compliance causing the restatement was the result of the award recipient's willful misconduct. The requirement to repay applies to any amounts granted, vested, obtained as the result of exercise or otherwise paid out during the 12 months following the date the financial statements subject to the restatement were filed with the SEC. Under the policy, the Board may also cancel the award recipient's unvested equity or other unpaid bonus or incentive compensation and may cancel their vested but unexercised SSARs and options. These clawback features are in addition to the clawback provisions required under the Sarbanes-Oxley Act of 2002, which remain in effect. PartnerRe intends to further adjust our clawback policy in light of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 once the SEC adopts final rules implementing those requirements.

Equity Practices

Long-term incentives have comprised the greatest portion of the NEO's target compensation, encouraging executives to perform in a manner consistent with long term shareholder value. As described above under Executive Share Ownership and Retention, the Executive Total Compensation Program prescribes share ownership guidelines, holding restrictions and incentives

40

to encourage the NEOs to hold a stake in the future value of PartnerRe. PartnerRe does not backdate, reprice or grant equity awards retroactively. Repricing of awards would require shareholder approval under our shareholder-approved long-term incentive plan.

Anti-Hedging and Anti-Pledging Policy

A prohibition against hedging or pledging of PartnerRe common shares is embedded within our Trading Policy. This prohibits PartnerRe directors, officers and employees from: (i) entering into hedging or monetization transactions related to PartnerRe common shares, including through the use of financial instruments, such as prepaid forwards, equity swaps, collars and exchange funds; and (ii) holding PartnerRe common shares in a margin account or otherwise pledging PartnerRe common shares as collateral for a loan.

Annual Incentive Practices

As described above under Annual Cash Incentive, the annual cash incentive award is capped at a maximum payout of 200% of target to discourage excessive risk taking. Scales are reviewed and set annually prior to the start of each performance year to create challenging but realistic targets to ensure that risk-taking behaviors are not undertaken to achieve unrealistic goals.

Impact of Regulatory and Accounting Requirements

The Compensation Committee is mindful of how regulatory requirements, particularly those described below, affect its decisions.

Internal Revenue Code Section 162(m)

Section 162(m) precludes a public company (with certain exceptions) from taking a tax deduction for compensation in excess of \$1 million paid to specified NEOs. The Company believes that the tax deductibility of compensation is an important factor, but should not be the sole factor, in setting executive compensation policy. Accordingly, although the Company generally intends to avoid losing a tax deduction due to Section 162(m), the Company reserves the right, in appropriate circumstances, to pay amounts that are not deductible.

Accounting Standards

The Compensation Committee considers the accounting treatment of compensation elements in determining types and levels of compensation for our NEOs. In determining equity awards in 2014, the Compensation Committee considered the potential dilution impact of the Employee Equity Plan. The Compensation Committee concluded that the associated dilutive impact was appropriate, given the objectives of our Executive Total Compensation Program, competitive compensation practices in the reinsurance industry, our performance, and the value of the awards as tools to motivate and retain employees.

Compensation Committee Report

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management and, based on such review and discussions, the Compensation Committee recommended to the Board that the Compensation Discussion and Analysis be included in this Form 10-K.

(1) As described in further detail in Amalgamation of PartnerRe and AXIS and Chief Executive Officer Change above, Mr. Miranthis ceased serving as the President and Chief Executive Officer on January 25, 2015.

The figures reflect the total salary received by each NEO during the applicable fiscal year. Our NEOs are not entitled to defer their salary in exchange for equity. The 2014 base salary shown above in the Elements of Total Compensation section refers to gross base salary in local currency.

In accordance with the SEC proxy disclosure rules, columns (d) and (e) reflect the amount of RSUs, PSUs and SSARs granted during the fiscal year by using the aggregate grant date fair value of awards, determined in accordance with FASB Accounting Standards Codification (ASC) Topic 718. For a discussion of the assumptions and methodologies used to value equity awards, see Note 16 to Consolidated Financial Statements in our Annual Report on Form 10-K for the year ended December 31, 2014. Equity awards granted in 2014 relate to the 2013 performance year. For details on the equity awards granted in 2015 for the 2014 performance year, see above Form of Equity section.

(4) The figures reflect the non-equity incentive compensation paid in 2015 for the 2014 performance year. For more details, see above Annual Cash Incentive section.

(5) The 2014 amount for Mr. Miranthis includes \$198,000 in housing allowances, \$150,000 for defined contribution plans and non-qualified plans, \$96,066 for corporate memberships, \$89,428 for dividend equivalents, \$42,576 for life insurance premiums (including AD&D and individual disability) and \$39,375 for Bermuda payroll tax. The

company also paid, on Mr. Miranthis' behalf, Swiss taxes in the amount of \$1,214,185, due on his SSARs exercises as it related to his prior work assignment in Switzerland (from 2007 to 2010), which are reimbursable due to contractual obligations for the period of time Mr. Miranthis worked in Switzerland. The remaining \$13,983 is for the following items: Bermuda government social insurance contribution, car allowance, club allowance, and spousal attendance at a director and executive officer event. Under his executive employment agreement, Mr. Miranthis is entitled to the use of a company car. The amount for Mr. Miranthis includes insurance and service fees for the company car. When the company car is not being used by him, it is utilized for other business-related purposes. The Chief Executive Officer had access to two private aircrafts in the U.S. until November 2014, from December 2014 this was reduced to one private aircraft in the U.S. and one private aircraft in Europe, of which PartnerRe has a fractional interest. The Chief Executive Officer must approve any use of any of the aircrafts by employees and directors. Personal use of the aircrafts is reviewed annually by the Nominating & Governance Committee.

The 2014 amount for Mr. Babcock includes \$204,000 in housing allowances, \$65,506 for defined contribution plans and non-qualified plans, \$37,256 for dividend equivalents, \$30,000 in travel allowance and \$7,560 for Bermuda payroll tax. The remaining \$41,126 is for the following items: life insurance premiums, tax filing assistance, car allowance, club allowance and spousal attendance at a director and executive officer event.

The Bermuda government imposes a payroll tax of 14% on all employees in the Bermuda office including Messrs. Miranthis and Babcock. The salary level to which this tax applies is currently capped at \$750,000. PartnerRe pays the employee payroll tax portion of 5.25% for all Bermuda employees.

The 2014 amount for Mr. Clarke includes \$93,009 in housing allowances, \$62,043 for defined contribution plans and non-qualified plans, \$57,762 in school allowance and \$37,454 for dividend equivalents. As described in further detail above in the Annual Cash Incentive section, all employees of PartnerRe are eligible for an annual cash incentive if predetermined performance goals are achieved. Each employee has a target annual cash incentive that is set as a percentage of base salary. The annual cash incentive payout range is 0% to 200% of target for the CEO and 0% to 200% of target for all other employees.

PSUs vest in their entirety three years after grant date and are subject to a performance measure, which is described in further detail above in the Equity Performance Adjustment section. Dividend equivalents are accrued quarterly on unvested PSU awards and will be paid in cash when any earned PSUs are delivered.

RSUs vest in their entirety three years after grant date. Dividend equivalents are paid out quarterly in cash on unvested RSU awards.

The Company granted SSARs to the NEOs during fiscal year 2014 in respect of the 2013 performance year. second anniversary and 34% on the third anniversary.

- (5) The value of SSARs on February 28, 2014 is calculated by multiplying the Black-Scholes valuation of \$14.62 by the number of underlying SSARs. The value of RSUs and PSUs on February 28, 2014 is calculated by multiplying the fair market value of \$98.88 by the number of RSUs and PSUs.

- (6) Mr. Clarke's threshold, target and maximum annual cash incentive was CHF 0, CHF 629,292 and CHF 1,258,584, respectively. The applicable exchange rate at December 31, 2014 of US\$1.00 to CHF1.01 was used to convert amounts reported.

The Compensation Committee of the Board reviews and approves the non-equity and equity incentive awards for the NEOs. The grant date of the annual equity awards is the date of the first Compensation Committee of the Board meeting of the year, when awards are approved. SSARs are granted with an exercise price equal to the closing price of PartnerRe common shares on the grant date.

Mr. Miranthis was eligible for benefits under the Bermuda Non-Registered Pension Plan. Under this plan, PartnerRe contributes 15% of annual base salary each year. Employee voluntary contributions are allowed up to a maximum of 10% of base salary. Employees are vested in employer contributions 50% after one year of service and 100% at the end of two years. Payouts and withdrawals from the employer contributions may be made only upon the employee's separation from service. Voluntary contributions made by the employee can be withdrawn twice per year at a minimum of \$1,000. Payout will commence immediately after the employee ceases to work for PartnerRe, in the form of a lump sum payment.

Mr. Clarke is enrolled in the Swiss Non-Qualified Defined Contribution Plan. Under this plan, employer contributions are equal to 10% of the employee's insured salary and employee contributions are equal to 5% of the employee's insured salary. As required under Swiss law, the employee pension fund is required to have a guaranteed rate of return for the compulsory part and all contributions to this plan vest immediately.

Mr. Babcock, Ms. Desmet and Mr. Walker participate in the U.S. Non-Qualified Defined Contribution Plan. Under this plan, eligible participants receive an employer based contribution equal to 3% of base salary as well as an employer match equal to 200% of the first 4% of base salary upon exceeding the 2014 Internal Revenue Code compensation maximum of \$255,000. All contributions to the non-qualified plan are vested immediately. Salary and annual incentive deferral elections, as well as distribution payments, are intended to comply with Section 409A of the Internal Revenue Code.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE OF CONTROL

General

In this section, the description of termination provisions and change in control benefits, as well as the numbers in the table, are based on NEO employment agreements and a Change in Control Policy (CIC Policy) in effect as of December 31, 2014.

Each NEO employment agreement: (i) sets forth termination scenarios for death, disability, retirement, termination by us for or without cause and termination by the NEO with or without good reason (in accordance with Swiss law, Mr. Clarke's employment agreement contemplates immediate termination for valid reason), and details what each NEO would receive upon each termination scenario; (ii) contains confidentiality provisions as well as non-competition and non-solicitation covenants which are in effect during and after employment; and (iii) incorporates our CIC Policy.

Changes in NEO Employment Agreements

Unrelated to the Amalgamation described above and prior to any consideration of any transaction that has given rise to the Amalgamation, the Compensation Committee considered amendments to the NEOs' employment agreements (Executive Agreements) to address a gap between the Company's CIC Policy and the Executive Agreements. Pursuant to the CIC Policy, termination must occur "during" the 12-month transition period following the change in control event to constitute a qualifying CIC Policy termination. Consequently, the executives could not provide 12 months' notice within the transition period and still have a termination occur "during" the transition period.

In September 2014, the Compensation Committee approved modifications to the Executive Agreements to reflect the intent of the CIC Policy and provide the executives with a period of up to 6 months following a change in control event to assert "Good Reason," thereby allowing the executives to continue to provide up to a 12 month notice following a change in control event and still be eligible for payments and benefits under the CIC Policy. In addition, it was further approved that the Executive Agreements be clarified to provide that, if the Company delivers a notice to terminate the executive for reasons other than death, disability or cause at any point during the transition period, the executive will be entitled to payments and benefits under the CIC Policy together with a 12 month notice.

Termination Provisions

This section describes for our NEOs the consequences of a termination of employment for retirement, death, disability, NEO voluntary termination without good reason or a termination by PartnerRe for cause, NEO termination for good reason or a Company termination without cause.

Each Executive Agreement contains a provision for notice periods (which can be immediate) under various termination scenarios. In the event that the Company elects to terminate the NEO's employment before the end of the required notice period, the NEO will receive a payment that reflects the amount of compensation he or she would have earned had he or she remained an employee through the termination date originally specified in the notice of termination (collectively, Payments in lieu of notice). The descriptions under "Voluntary Termination by the NEO without good reason or termination for cause by PartnerRe" and "Termination by the NEO for good reason or by PartnerRe without cause" do not include the Payments in lieu of notice.

In the event the Company elects to terminate the NEO's employment before the end of the required notice period, the NEO will receive a payment that reflects the amount of compensation that would have been earned had the NEO remained an employee through the termination date originally specified in the notice of termination.

For 2014, per the amendments to the Executive Agreements and for the purposes of the severance tables below, the Average Incentive will be the greater of the target annual cash incentive for the current year or an amount that is equal to the percentage calculated by multiplying the sum of the percentage that is the payout as percentage of target, as determined by the Compensation Committee, for each of the three fiscal years prior to the fiscal year in which the transaction date occurs, divided by 3 (Average Payout Percentage), and multiplying the Average Payout Percentage by the target annual incentive value.

Termination for retirement

Each Executive Agreement provides that where the NEO's employment terminates as a result of his or her retirement on or after attaining the retirement age (as defined by the NEO's contract), that the NEO is entitled to (i) all accrued base salary and benefits accrued or earned but unpaid through retirement date; (ii) any Annual Incentive earned in respect of the previous completed fiscal year not paid as of retirement date; (iii) the Average Incentive amount prorated based on the number of days elapsed in the current fiscal year of the date of termination (Pro Rata Average Incentive) and (iv) any other payments or benefits that may be approved by the Board in its sole discretion.

Pursuant to his or her employment agreement, if Mr. Walker's and Ms. Desmet's employment agreement terminates as a result of his or her retirement before attaining age 65, but subject to having already attained age 55, Mr. Walker and Ms. Desmet is eligible to receive certain medical and dental coverage paid for by the Company.

Under PartnerRe's Executive Restricted Share Unit Award Agreement, Executive Performance Share Unit Award Agreement and Executive Share-Settled Share Appreciation Right Agreement (collectively, PartnerRe Equity Agreements), any unvested equity awards held by an NEO as of his or her retirement date will continue to vest under the original vesting provisions for up to 36 months following the date of retirement. Any vested equity awards (including those that vest post-retirement) will remain exercisable for the remainder of their original term. The continuation of the vesting and exercise periods following retirement is subject to compliance with post-retirement covenants (non-competition, non-solicitation of employees and non-disclosure of confidential information until the awards have vested, or, in the case of SSARS, until the SSARS have been exercised or expired).

Termination for death

Pursuant to their Executive Agreements, upon an NEO's death, his or her dependents are entitled to receive within 30 days of the date of termination, in aggregate:

• Accrued base salary and benefits and any annual incentive earned in respect of the previous completed fiscal year but not paid as of the date of termination;

• 12 month's base salary;

• A payment equal to the pro rata portion of the Average Incentive Amount, determined as of the date of termination based on the number of days elapsed in the current fiscal year;

• A payment equal to the target annual incentive for the fiscal year in which the date of termination occurs;

• Continued health coverage for 24 months; and

• Pursuant to the NEO's PartnerRe Equity Agreements, immediate vesting of all equity awards, with all vested SSARs remaining exercisable for 12 months following the date of termination of employment.

Other benefits:

For Mr. Miranthis' dependents: housing allowance for up to six months; and

For Mr. Clarke's dependents: housing and school allowance for up to six months.

Termination for disability

Pursuant to their employment agreements, each NEO whose employment is terminated for disability is entitled to:

• Accrued base salary and benefits and any annual incentive earned in respect of the previous completed fiscal year but not paid as of the date of termination;

• The amount of any difference between the level of long-term disability benefits required to be maintained under PartnerRe's benefit plans and the amount actually paid in satisfaction of such benefits by insurance or any governmental authority for so long as the NEO remains disabled and therefore entitled to such benefits. Such payment shall be made no less frequently than monthly;

• A payment equal to the pro rata portion of the Average Incentive Amount determined as of the date of termination based on the number of days elapsed in the current fiscal year as of the date of termination;

• Immediate vesting of all equity awards, with all vested Options and SSARs remaining exercisable for 12 months following the date of termination of employment; and

• Health and welfare benefit continuation for so long as the NEO remains entitled to such benefits pursuant to PartnerRe's benefit plans.

Other benefits:

Effective February 2013, in case of long term disability and subject to conditions, Mr. Miranthis would receive on a monthly basis the difference between 70% of his monthly base salary and the level of long-term disability benefits required to be maintained under PartnerRe's benefit plans for five years at which time a lump sum of \$5 million would be paid. The Company has subscribed to an insurance policy to cover such payments. The premium for 2014 was \$36,336; and

For Mr. Miranthis: housing allowance for up to six months; and

For Mr. Clarke: housing and school allowance for up to six months.

Voluntary Termination by the NEO without good reason or termination for cause by PartnerRe (or valid reason with respect to Mr. Clarke's employment agreement)

The NEO will only receive a lump sum corresponding to accrued base salary, benefits and annual cash incentive earned in respect of prior completed fiscal year but not paid (Accrued Benefits). All unvested equity awards will be forfeited and vested equity awards will remain exercisable for three months following the date of termination of employment.

Termination by the NEO for good reason or by PartnerRe without cause (without a change in control)

The Chief Executive Officer is entitled to an amount equal to the sum of the following, to be paid or provided on the payment date:

• The accrued salary and benefits plus the annual incentive earned in respect of the previous completed fiscal year but not paid as of the date of termination;

• 12 months' base salary at the rate in effect on the date of termination, paid as a lump sum;

• The pro rata portion of the Average Incentive Amount determined based on the number of days elapsed in the current fiscal year as of the date of termination;

• The Average Incentive Amount;

• Any unvested equity awards held at the time of termination will vest in full; and

• All outstanding PSUs will vest on a pro rata basis on the date of termination.

Other benefits:

Housing for up to six months; and

Health and welfare benefit continuation for up to 12 months.

The other NEOs are entitled to an amount equal to the sum of the following to be paid or provided on the Payment Date:

• The accrued salary and benefits plus the annual incentive earned in respect of the previous completed fiscal year but not paid as of the Date of Termination;

• 12 months' base salary at the rate in effect on the Date of Termination, paid as a lump sum;

• The pro rata portion of the Average Incentive Amount determined based on the number of days elapsed in the current fiscal year as of the Date of Termination;

• The Average Incentive Amount; and

• Any unvested equity awards held at the time of termination will vest on a pro rata basis and, if applicable, be paid out.

Other benefits: health and welfare benefit continuation for up to 12 months.

Change in Control Policy

The CIC Policy has two objectives: to motivate management to act in the best interests of shareholders and to protect compensation and benefits in order to retain key executives during a change in control transaction.

Certain senior employees, including the NEOs, are eligible for severance in the form of cash compensation and benefits if two events occur:

1. There has been a change in control event, as defined in the CIC Policy, within the previous 12 months; and
2. The employee is terminated by PartnerRe for reasons other than death, disability or for cause, or the employee terminates with good reason, within 18 months of the change in control event.

Upon the occurrence of a change in control (as defined in the CIC Policy) and a qualifying termination described above, the Chief Executive Officer is entitled to the following payments and benefits, to be paid within a reasonable period as determined by the Board and/or as is administratively practical:

• Three times base salary;

• A Pro Rata Target Annual Cash Incentive;

• An amount equal to three times the Average Incentive;

• Housing for up to 18 months;

• Health and welfare benefit continuation for three years; and

• Immediate vesting of all equity awards.

All outstanding performance awards shall be paid as if the maximum performance goals established in connection therewith were fully achieved.

The other NEOs are entitled to:

• Two times base salary;

• A Pro Rata Target Annual Cash Incentive;

• An amount equal to two times the Average Incentive;

• For Mr. Clarke: housing and school allowance for up to 12 months;

• Health and welfare benefit continuation for two years;

If an excise tax is triggered under U.S. Federal tax law, either a reduction of any payments and benefits to the extent required to prevent the excise tax or the payments and benefits as is with no reduction, depending on which result would be better for the NEO; this option could apply to Mr. Babcock, Ms. Desmet and Mr. Walker; and

• Upon the occurrence of a change in control (as defined in the equity plan) all outstanding equity awards shall immediately vest.

All outstanding performance awards shall be paid as if the maximum performance goals established in connection therewith were fully achieved.

Potential Payments upon Termination or Change in Control

The following table reflects the amount of compensation that would be paid to each of our NEOs in the event such NEO's employment is terminated under various scenarios, including disability, death, for cause or without good reason (without a change in control) and in connection with a change of control. The amounts shown have been calculated as if the NEO's employment had been terminated as of December 31, 2014, and using the closing market price of our common shares on December 31, 2014 (\$114.13). The amounts shown in the tables are only estimates of the amounts that would be paid out to the NEOs upon their termination. The actual amounts to be paid out can only be determined at the time of an NEO's termination.

The table does not include the following items:

• All Accrued Benefits;

• The effects of a retirement since none of our NEOs attained retirement age as of December 31, 2014;

Additional payments to the NEOs under PartnerRe's benefit plans (plans providing, among other things, disability insurance, death insurance and medical insurance) which do not discriminate in scope, terms or operation in favor of the NEOs and are generally available to all employees;

The cash payment received by Mr. Miranthis in connection with the Amalgamation, which is described in further detail in Amalgamation of PartnerRe and AXIS and Chief Executive Officer Change above;

The effects of a NEO voluntary termination or a termination for cause by PartnerRe since the NEO would only be entitled to Accrued Benefits; and

In connection with the termination by the NEO or the termination by PartnerRe without cause, the Payments in lieu of notice since it is assumed that PartnerRe has not exercised its option to terminate the employment sooner.

The numbers in the table are based on NEO employment agreements and the CIC Policy in effect as of December 31, 2014.

PRINCIPAL ACCOUNTANT FEES AND SERVICES

The Audit Committee is directly responsible for the appointment, retention, compensation and oversight of the work of our public accounting firm Deloitte. The Audit Committee also pre-approves the audit services and non-audit services to be provided by Deloitte, including the fees and terms for such services, before Deloitte is engaged to render such services. The Audit Committee may delegate the authority to grant such approval to one or more designated members of the Audit Committee, provided that the decisions of any member to whom authority is delegated shall be presented to the full Audit Committee at its next meeting. The Audit Committee has sole authority to approve all audit fees and terms. All services of Deloitte, the member firm of Deloitte Touche Tohmatsu Limited, and their respective affiliates (collectively, the Deloitte Entities), were pre-approved by the Audit Committee. During fiscal year 2014, the Audit Committee had nine meetings, including informational calls, to discuss (among other things) the Company's quarterly results. The meetings were conducted to encourage communication among the members of the Audit Committee, management, the internal auditors and Deloitte. The Audit Committee also discussed with Deloitte the overall scope and plans for Deloitte's audits and the results of such audits. The Audit Committee met with representatives from Deloitte, both with and without management present.

The following table presents fees for professional services rendered by the Deloitte Entities for the years ended December 31, 2014 and 2013 (in U.S. \$):

	2014	2013	
Audit Fees ⁽¹⁾	\$5,455,920	6,174,078	(3)

Tax Fees ⁽⁴⁾	—	14,897	
All Other Fees	—	—	
Total	\$5,530,080	\$6,239,697	

These are fees for professional services rendered by the Deloitte Entities for the audit of our annual financial (1) statements included in our annual report on Form 10-K, the review of the financial statements included in our quarterly reports on Form 10-Q and audit services provided in connection with statutory and regulatory filings.

These are fees for audit-related services performed by the Deloitte Entities that are reasonably related to the (2) performance of the audit or review of our financial statements but are not described in item (1) above. These fees include an audit for an employee benefit plan and meetings with a regulator.

(3) These fees were an estimate at the time of the filing of the Proxy Statement in 2014 and were finalized by the Audit Committee thereafter.

(4) These are fees attached to tax instructional based training provided by Deloitte Entities on ASC 740: Tax Provisions and SSAP101: Income Taxes.

ELECTION OF DIRECTORS

PROPOSAL 1—TO ELECT FOUR (4) DIRECTORS TO HOLD OFFICE
UNTIL THE ANNUAL GENERAL MEETING OF SHAREHOLDERS IN THE YEAR 2018
OR UNTIL THEIR RESPECTIVE SUCCESSORS HAVE BEEN DULY ELECTED
(Item 1 on the Form of Proxy)

Messrs. Holsboer, Mendoza, Twomey and Zwiener have been nominated to hold office for a three-year term that will expire at the Annual General Meeting in the year 2018. The proxy will be voted in accordance with the directions thereon or, if no directions are indicated, the proxy will be voted for the election of the four nominees named above. The Board has proposed and recommended that each nominee be re-elected to hold office.

If any nominee shall, prior to the Annual General Meeting, become unavailable for election as a director, the persons named in the accompanying proxy will vote in their discretion for such nominee, if any, as may be recommended by the Board, or the Board may reduce the number of directors to eliminate the vacancy.

In accordance with the terms of the Merger Agreement, upon termination of EXOR's proposed acquisition of PartnerRe, the Directors then in office will cease to continue as directors of PartnerRe.

The presence, in person or by proxy, of the holders of 25% of the outstanding common shares is required for a quorum for the election of directors at the Annual General Meeting. If a quorum is not present, the Annual General Meeting may be adjourned from time to time until a quorum is obtained. Election of directors at the Annual General Meeting will be decided by a simple majority of votes cast. For further information, see the answers to the questions "How many votes must be present or represented by proxy to hold the Annual General Meeting?" on page 6 and "How many votes are needed to approve each proposal?" on page 7.

Nominees

The ages, business experience, and directorships in other companies of the four nominees for election are set forth on pages 11-13. All of the nominees currently serve as directors of the Company.

THE BOARD RECOMMENDS A VOTE "FOR" THE ELECTION OF THE FOUR (4)
DIRECTORS NAMED ABOVE.

PROPOSAL 2—TO RATIFY THE APPOINTMENT BY OUR AUDIT COMMITTEE OF DELOITTE LTD., AS OUR INDEPENDENT AUDITORS TO SERVE UNTIL THE 2016 ANNUAL GENERAL MEETING, AND TO REFER DECISIONS ABOUT THE AUDITORS' COMPENSATION TO THE BOARD OF DIRECTORS

(Item 2 on the Form of Proxy)

The Board proposes and recommends that the shareholders ratify the appointment by our Audit Committee of the firm of Deloitte Ltd. to serve as our independent registered public accounting firm until the 2016 Annual General Meeting. Deloitte Ltd. has served as independent auditors from the inception of PartnerRe in August 1993 to present. A representative of Deloitte Ltd. will attend the Annual General Meeting and will have an opportunity to make a statement, if he or she desires to do so, and to respond to appropriate questions. Shareholders at the Annual General Meeting will also be asked to vote to refer decisions about the auditors' compensation to the Board.

Notwithstanding the approval of Proposal 2, upon consummation of EXOR's proposed acquisition of PartnerRe, EXOR may choose to replace PartnerRe's independent registered public accounting firm.

If you do not ratify the appointment of Deloitte Ltd., the Audit Committee will reconsider its appointment. Even if you do ratify the appointment, the Audit Committee retains its discretion to reconsider its appointment if it believes necessary in the best interest of PartnerRe and its shareholders.

THE BOARD RECOMMENDS A VOTE "FOR" THE PROPOSAL TO RATIFY THE APPOINTMENT BY OUR AUDIT COMMITTEE OF DELOITTE LTD., AS OUR INDEPENDENT AUDITORS, TO SERVE UNTIL THE 2016 ANNUAL GENERAL MEETING AND TO REFER DECISIONS ABOUT THE AUDITORS' COMPENSATION TO THE BOARD.

PROPOSAL 3—TO APPROVE EXECUTIVE COMPENSATION DISCLOSED PURSUANT TO
ITEM 402 OF REGULATION S-K (NON-BINDING ADVISORY VOTE)
(Item 3 on the Form of Proxy)

The Dodd-Frank Wall Street Reform and Consumer Protection Act, enacted in July 2010, requires our shareholders be provided with the opportunity to approve, on a non-binding, advisory basis, the compensation of our Named Executive Officers (“NEOs”) as disclosed in this Proxy Statement pursuant to Section 14A of the Securities Exchange Act of 1934, as amended, in accordance with the compensation disclosure rules of the U.S. Securities and Exchange Commission.

As described in detail under the heading “Compensation Discussion and Analysis,” we seek to closely align the interests of NEOs with the interests of shareholders. Our compensation programs are designed to reward our NEOs for the achievement of short-term and long-term strategic and operational goals and the achievement of increased total shareholder return, while at the same time avoiding the encouragement of unnecessary or excessive risk-taking. The Executive Summary in the Compensation Discussion and Analysis, which begins on page 30, describes PartnerRe’s primary business as assuming risk; we increase shareholder value by ensuring that our executives and employees have the skills to assess, value and manage risk appropriately, consistent with the long-term goals of PartnerRe. Our compensation policies emphasize, and are designed to reward these skills.

The following three principles drive our behavior and form the foundation for our compensation policies:
• selling a product of value to selected reinsurance and capital markets clients while maintaining the financial ability to meet our commitments;

• delivering an adequate return on shareholders’ capital within predetermined risk levels; and
• following sound management and governance practices while providing a challenging work environment where employees can develop their careers and earn appropriate rewards for their performance.

PartnerRe’s Executive Total Compensation Program (which begins on page 32) guides the compensation for our Chief Executive Officer and all other NEOs. Our compensation program has many features designed to motivate and reward contributions and behaviors that produce optimal financial and non-financial results and ensures PartnerRe’s long-term success. These features are designed to ensure that the Executive Total Compensation Program:

• clearly links pay to performance;
• achieves a balance between fixed compensation (base salary) and at risk compensation (annual cash incentive and equity awards). At risk compensation supports a pay-for-performance approach and links predetermined objectives, including Company performance, with at risk compensation, but is also capped to ensure that NEOs are not inappropriately motivated to maximize their at risk earnings;
• ensures that long-term incentive awards in the form of equity are designed to align the NEOs’ interests with shareholders’ interests by emphasizing long-term business performance and overall PartnerRe success;
• promotes retention of NEOs by providing long-term incentives; and
• provides flexibility in form and structure of compensation to meet individual goals and time horizons.

Our compensation programs are designed to align the interests of management, employees, and shareholders by dissuading excessive risk-taking and ensuring that shareholders and employees share equally in the upside and downside of appropriate risk exposure.

The vote on this resolution is not intended to address any specific element of compensation; rather, the vote relates to the compensation of our NEOs, as described in this Proxy Statement in accordance with the compensation disclosure rules of the U.S. Securities and Exchange Commission. The vote is advisory, which means that the vote is not binding on PartnerRe, our Board or the Compensation & Management Development Committee of the Board. If there is a significant vote against our NEO compensation as disclosed in this Proxy Statement, the Compensation & Management Development Committee will evaluate whether any actions are necessary to address the concerns of shareholders.

The affirmative vote of a majority of the common shares present or represented and entitled to vote either in person or by proxy is required to approve this Proposal 3.

Accordingly, we ask our shareholders to vote annually at the Annual General Meeting on the following resolution:

“RESOLVED, that the compensation paid to PartnerRe’s NEOs, as disclosed pursuant to Item 402 of Regulation S-K, including Compensation Discussion and Analysis, compensation tables and narrative discussion, is hereby APPROVED.”

THE BOARD RECOMMENDS A VOTE “FOR” THE APPROVAL OF THE EXECUTIVE COMPENSATION, AS DISCLOSED IN THIS PROXY STATEMENT.

Audit Committee Review of Services

At each regularly scheduled Audit Committee meeting, the Audit Committee reviews the following:

- A report summarizing the services provided by the Deloitte Entities and the fees paid for those services;
and
- A listing of newly pre-approved services since its last regularly scheduled meeting.

The Chairman of the Audit Committee is authorized to pre-approve services on behalf of the Audit Committee between meetings should the need arise. Any services and fees approved by the Chairman of the Audit Committee are included in the quarterly summary for the Audit Committee.

APPENDIX II

Reconciliation of Non-GAAP Measures to GAAP Measures

Group adjusted operating return on beginning diluted book value per common share and common share equivalents outstanding (Group AROE): The Compensation Committee uses annualized Group AROE as it believes that AROE is the best measure of operating performance, as it measures profit achieved relative to the shareholders' investment. Group AROE adjusts the Company's Operating Return on Equity measure (Operating ROE-see Key Financial Measures in Item 7 of Part II to our Annual Report on Form 10-K for the year ended December 31, 2014) by capturing the realized and unrealized gains or losses of our Risk Assets. Risk Assets are a part of the portion of the Company's investment business and includes Equities, Principal Finance, Insurance Linked Securities, Strategic Investments and other specific investments.

The presentation of Group AROE is a non-GAAP financial measure within the meaning of Regulation G and should be considered in addition to, and not as a substitute for, measures of financial performance prepared in accordance with GAAP (see Comment on Non-GAAP Measures in Item 7 of Part II to our Annual Report on Form 10-K for the year ended December 31, 2014). The table below provides a reconciliation of Group AROE to the most comparable GAAP financial measure for the year ended December 31, 2014:

	2014
Return on beginning diluted book value per common share calculated with net income per share attributable to common shareholders (Return on Equity) ⁽¹⁾	17.9%
Less:	
Net realized and unrealized investment gains, net of tax, on beginning diluted book value per common share	5.1
Net foreign exchange losses, net of tax, on beginning diluted book value per common share	(0.8)
Net interest in earnings of equity investments, net of tax, on beginning diluted book value per common share	0.2
Withholding tax on inter-company dividends, net of tax, on beginning diluted book value per common share	(0.1)
Operating return on beginning diluted book value per common share (Operating ROE) ⁽¹⁾	13.5%
Add:	
Net realized and unrealized investment gains on risk assets, net of tax, on beginning diluted book value per common share	1.6
Group adjusted operating return on beginning diluted book value per common share and common share equivalents outstanding (Group AROE)	15.1%

⁽¹⁾The Company calculates Return on Equity and Operating ROE using net income per share and operating net income per share, respectively, for the period, divided by the beginning diluted book value per common share and common share equivalents outstanding.

AUDIT COMMITTEE CHARTER

Audit Committee Purpose

The Audit Committee has been established to oversee the Company’s financial reporting process and the internal control structure on behalf of the Board of Directors. The Audit Committee will:
