SUN COMMUNITIES, INC.
PROXY STATEMENT

INTRODUCTION

This Proxy Statement contains information related to the 2015 Annual Meeting of Stockholders (the "Annual Meeting") of Sun Communities, Inc. (the "Company"), which will be held on Monday, July 20, 2015, at 11:00 a.m. local time at 27777 Franklin Road, Suite 100, Southfield, MI 48034. On or about April 29, 2015, we began mailing a notice containing instructions on how to access these proxy materials to all stockholders of record at the close of business on April 22, 2015 (the "Record Date").

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING

What is the Purpose of the Annual Meeting?

At the Annual Meeting, stockholders will vote on the following proposals (the "Proposals"):

- Proposal No. 1 — Elect ten directors to serve until our 2016 annual meeting of stockholders or until their successors shall have been duly elected and qualified;
- Proposal No. 2 — Ratification of the selection of Grant Thornton LLP as our independent registered public accounting firm for 2015;
- Proposal No. 3 — Non-binding advisory vote on executive compensation;
- Proposal No. 4 — Approval of our 2015 Equity Incentive Plan (the "2015 Plan") and
- Proposal No. 5 — Approval of an amendment to our articles of incorporation to increase the number of authorized shares of our common stock, \$0.01 par value per share, from 90,000,000 to 180,000,000 and to increase the number of authorized shares of our preferred stock, \$0.01 par value per share, from 10,000,000 to 20,000,000.

In addition, stockholders shall consider any other business properly brought before the Annual Meeting.

We have sent these proxy materials to you because our Board of Directors (the "Board of Directors" or "Board") is requesting that you allow your shares of our common stock to be represented at the Annual Meeting by the proxies named in the enclosed proxy card. This Proxy Statement contains information that we are required to provide you under the rules of the Securities and Exchange Commission ("SEC") and that is designed to assist you in voting your shares of common stock.

Who is Entitled to Vote?

You will be entitled to vote your shares of common stock on the Proposals if you held your shares of common stock at the close of business on the Record Date. As of the Record Date, a total of 53,640,457 shares of common stock were outstanding and entitled to vote held by 236 holders of record. Shares cannot be voted at the Annual Meeting unless the holder is present in person or represented by proxy. Each share of common stock entitles its holder to cast one vote for each matter to be voted upon.

What is Required to Hold the Annual Meeting?

The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the shares of common stock outstanding and entitled to vote on the Record Date will constitute a quorum permitting business to be conducted at the Annual Meeting. If you have returned valid proxy instructions or you attend the Annual Meeting and vote in person, your shares of common stock will be counted for purposes of determining whether there is a quorum,

even if you abstain from voting on any or all matters introduced at the Annual Meeting. If there is not a quorum at the Annual Meeting, the stockholders entitled to vote at the Annual Meeting, whether present in person or represented by proxy, will only have the power to adjourn the Annual Meeting until such time as there is a quorum. The Annual Meeting may be reconvened without notice to the stockholders, other than an announcement at the prior adjournment of the Annual Meeting, within 120 days after the Record Date, and a quorum must be present at such reconvened Annual Meeting.

How do I Vote?

Your vote is important. Stockholders have a choice of voting over the Internet, by telephone or by using a traditional proxy card.

To vote by Internet, go to www.proxyvote.com and follow the instructions there. You will need the 16 digit number included on your proxy card, voter instruction form or notice.

To vote by telephone, stockholders should dial the phone number listed on their voter instruction form and follow the instructions. You will need the 16 digit number included on the voter instruction form or notice.

If you received a notice and wish to vote by traditional proxy card, you can receive a full set of materials at no charge through one of the following methods:

(i) by internet: www.proxyvote.com;

(ii) by phone: (800) 579-1639; or

(iii) by email: sendmaterial@proxyvote.com (your email should contain the 16 digit number in the subject line included on the voter instruction form or notice).

The deadline for voting by phone or electronically is 11:59 p.m., Eastern Time, on July 19, 2015.

If you complete your proxy via the internet, telephone or properly sign and return you proxy card, your shares will be voted as you direct. You may specify whether your shares should be voted: (1) for all, some or none of the nominees for director, (2) for or against Proposal No. 2, (3) for or against Proposal No. 3, (4) for or against Proposal No. 4, and (5) for or against Proposal No. 5.

We encourage you to provide voting instructions to your brokerage firm by returning a completed proxy. This ensures your shares will be voted at the meeting according to your instructions. You should receive directions from your brokerage firm about how to submit your proxy to them at the time you receive notice of this Proxy Statement.

Can I Change or Revoke My Proxy?

Yes, you may change your proxy at any time before the Annual Meeting by timely delivery of a properly executed, later-dated proxy or by voting in person at the Annual Meeting. You may also revoke your proxy by filing with our Secretary, any time prior to the time set for commencement of the Annual Meeting, a written notice of revocation bearing a later date than the proxy. However, attendance (without further action) at the Annual Meeting will not by itself constitute revocation or change of a previously granted proxy.

What are the Board's Recommendations?

If no instructions are indicated on your valid proxy, the representatives holding your proxy will vote in accordance with the recommendations of the Board. The Board unanimously recommends a vote:

- FOR the election of each of the nominees for director;
- FOR the ratification of the selection of Grant Thornton LLP as our independent registered public accounting firm for 2015;
- FOR the non-binding approval of the executive compensation as disclosed in this Proxy Statement;
- FOR the approval of our 2015 Plan; and

Edgar Filing: SUN COMMUNITIES INC - Form DEF 14A

- FOR the approval of an amendment to our articles of incorporation to increase the number of authorized shares of our common stock, \$0.01 par value per share, from 90,000,000 to 180,000,000 and to increase the number of authorized shares of our preferred stock, \$0.01 par value per share, from 10,000,000 to 20,000,000.

With respect to any other matter that properly comes before the Annual Meeting or any adjournment or postponement thereof, the representatives holding proxies will vote in their own discretion.

How Can I Receive a Proxy Statement and Annual Report?

Our Proxy Statement and our Annual Report on Form 10-K for the year ended December 31, 2014, as filed with the SEC on March 2, 2015, is available electronically via the Internet at www.proxyvote.com. In addition, we will provide without charge to each person to whom this Proxy Statement is delivered, upon written or verbal request, a copy of this Proxy Statement and our Annual Report on Form 10-K for the year ended December 31, 2014, which contains our audited financial statements. Written or telephone requests should be directed to us at 27777 Franklin Road, Suite 200, Southfield, Michigan 48034. Our telephone number is (248) 208-2500.

If you received a notice and wish to vote by traditional proxy card, you can receive a full set of materials at no charge through one of the following methods:

- (i) by internet: www.proxyvote.com;
- (ii) by phone: (800) 579-1639; or
- (iii) by email: sendmaterial@proxyvote.com (your email should contain the 16 digit number in the subject line included on the voter instruction form or notice).

What Vote is Needed to Approve Each Proposal?

Following are the votes needed in order for each Proposal to be approved at the Annual Meeting. For all Proposals a quorum must be present at the Annual Meeting.

Proposal No. 1: The affirmative vote by a majority of all the votes cast in person or by proxy at the Annual Meeting is necessary for the election of ten directors to serve until our 2016 annual meeting of stockholders, or until their successors shall have been duly elected and qualified.

Proposal No. 2: The affirmative vote by a majority of all the votes cast in person or by proxy at the Annual Meeting is required for the ratification of the selection of Grant Thornton LLP as our independent registered public accounting firm for 2015.

Proposal No. 3: The affirmative vote by a majority of all the votes cast in person or by proxy at the Annual Meeting is required for the non-binding approval of the executive compensation of our named executive officers as disclosed in this Proxy Statement.

Proposal 4: The affirmative vote by a majority of all the votes cast in person or by proxy at the Annual Meeting is required for the approval of the 2015 Plan.

Proposal No. 5: The affirmative vote by at least two-thirds of all votes entitled to be cast on Proposal No. 5 is required for the approval of an amendment to our articles of incorporation to increase the number of authorized shares of our common stock, \$0.01 par value per share, from 90,000,000 to 180,000,000 and to increase the number of authorized shares of our preferred stock, \$0.01 par value per share, from 10,000,000 to 20,000,000.

We will treat abstentions as shares that are present and entitled to vote for purposes of determining the presence or absence of a quorum. Abstentions will not be counted as "votes cast." Abstentions will have the same effect as a vote against Proposal No. 5. Abstentions will have no effect on any of the other proposals. Broker "non-votes," or proxies from brokers or nominees indicating that such broker or nominee has not received instructions from the beneficial owner or other entity entitled to vote such shares on a particular matter with respect to which such broker or nominee

does not have discretionary voting power, will be treated in the same manner as abstentions for purposes of the Annual Meeting. Therefore, broker non-votes will have the same effect as a vote against Proposal No. 5. If you are a beneficial owner whose shares of common stock are held of record by a broker, your broker has discretionary voting authority under New York Stock Exchange ("NYSE") rules to vote your shares on Proposal No. 2 even if the broker does not receive voting instructions from you. However, under NYSE rules, your broker does not have discretionary authority to vote on any of the other proposals without instructions from you, in which case a broker "non-vote" will occur and your shares of common stock will not be voted on these matters.

How is My Vote Counted?

If the proxy in the form enclosed is duly executed, dated and returned, and it has not been revoked in accordance with the instructions enclosed, the shares of common stock represented by the proxy will be voted by Gary A. Shiffman and Karen J. Dearing, the Board's proxy agents for the Annual Meeting, in the manner specified in the proxy. If no specification is made, the common stock will be voted "for" the election of the ten nominees for the Board, "for" the ratification of the selection of Grant Thornton LLP as our independent registered public accounting firm for 2015, "for" the executive compensation as disclosed in this Proxy Statement, "for" the approval of the 2015 Plan, "for" the approval of an amendment to our articles of incorporation to increase the number of authorized shares of our common stock and preferred stock, and at the discretion of Gary A. Shiffman and Karen J. Dearing, the Board's designated representatives for the Annual Meeting, with respect to such other business as may properly come before the Annual Meeting or any adjournment or postponement of the Annual Meeting. It is not anticipated that any matters other than those set forth in this Proxy Statement will be presented at the Annual Meeting. If other matters are presented, proxies will be voted in accordance with the discretion of the proxy holders. In addition, no stockholder proposals or nominations were received on a timely basis, so no such matters may be brought to a vote at the Annual Meeting.

Who is Soliciting My Proxy?

This solicitation of proxies is made by and on behalf of our Board. Proxies may be solicited by personal interview, telephone, facsimile or email or by our directors, officers and employees. Arrangements may also be made with brokerage houses or other custodians, nominees and fiduciaries to forward solicitation material to the beneficial owners of common stock held of record by such persons, and we may reimburse them for reasonable out-of-pocket expenses incurred in forwarding the material. We anticipate fees and expenses for these parties will not exceed \$1,000. The costs of all proxy solicitation will be borne by us.

Our principal executive offices are located at 27777 Franklin Road, Suite 200, Southfield, Michigan 48034.

BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

Board of Directors and Committees

Under our charter, each of our directors serves for a one-year term or until his or her successor is duly elected and qualified. Our current directors are Stephanie W. Bergeron, James R. Goldman, Brian M. Hermelin, Ronald A. Klein, Paul D. Lapides, Clunet R. Lewis, Ronald L. Piasecki, Randall K. Rowe, Gary A. Shiffman and Arthur A. Weiss.

The Board meets quarterly, or more often as necessary. The Board met ten times during 2014 and took various actions pursuant to resolutions adopted by unanimous written consent. All directors attended at least 75% of the meetings of the Board and each committee on which they served. All of our then-serving board members attended the 2014 annual meeting.

Effective January 6, 2015, the Board increased the number of members of the Board from seven to ten as permitted under our bylaws and appointed Messrs. Rowe, Goldman and Klein to serve as directors of the Company until our 2015 annual stockholders meeting and until their successors are elected and qualify. In addition, Mr. Rowe has been appointed to the Executive Committee of the Board; Mr. Goldman has been appointed to the Audit Committee of the Board and has been designated as an audit committee financial expert; and Mr. Klein has been appointed to the Nominating and Corporate Governance Committee of the Board.

Several important functions of the Board may be performed by committees that are comprised of members of the Board. Our bylaws authorize the formation of these committees and grant the Board the authority to prescribe the functions of each committee and the standards for membership of each committee. In addition, the Board appoints the members of each committee. The Board has four standing committees: an Audit Committee, a Compensation Committee, a Nominating and Corporate Governance Committee, and an Executive Committee. You may find copies of the charters of the Audit Committee, the Compensation Committee, the Nominating and Corporate Governance Committee and the Executive Committee under the “Investors-Officers and Directors” section of our website at www.suncommunities.com. You may also find a copy of our corporate governance guidelines and our code of business conduct and ethics under the “Investors-Officers and Directors” section of our website at www.suncommunities.com. All of the committee charters, our corporate governance guidelines and our code of business conduct and ethics are available in print to any stockholder who requests them.

The Audit Committee operates pursuant to a fourth amended and restated charter that was approved by the Board in April 2013, and is reviewed annually. It is available under the “Investors-Officers and Directors” section of our website at www.suncommunities.com. The Audit Committee, among other functions, (i) has the sole authority to appoint, retain, terminate and determine the compensation of our independent accountants, (ii) reviews with our independent accountants the scope and results of the audit engagement, (iii) approves professional services provided by our independent accountants, (iv) reviews the independence of our independent accountants, and (v) directs and controls our internal audit functions. The current members of the Audit Committee are Messrs. Clunet R. Lewis (Chairman), James R. Goldman, Brian M. Hermelin and Ms. Stephanie W. Bergeron, all of whom are “independent,” as that term is defined in the rules of the SEC and applicable rules of the NYSE. The Audit Committee held four formal meetings during the year ended December 31, 2014. The Board has determined that each member of the Audit Committee is an “audit committee financial expert,” as defined by SEC rules.

The Compensation Committee operates pursuant to a charter that was approved by the Board in March 2004. A copy of the Compensation Committee Charter is available under the “Investors-Officers and Directors” section of our website at www.suncommunities.com. The Compensation Committee, among other functions, (i) consults with executive management in developing a compensation philosophy; (ii) reviews and approves corporate goals and objectives relevant to the compensation of the Chief Executive Officer and such other executive officers as may be designated by the Chief Executive Officer, evaluates the performance of such officers in light of such goals and objectives, and

determines and approves the compensation of such officers based on these evaluations, (iii) approves the compensation of our other executive officers, (iv) recommends to the Board for approval the compensation of the non-employee directors, (v) oversees our incentive-compensation plans and equity-based plans, and (vi) reviews and approves any employment agreements and severance agreements to be made with any existing or prospective executive officer. The current members of the Compensation Committee are Messrs. Brian M. Hermelin (Chairman), Clunet R. Lewis, Paul D. Lapidés and Ronald L. Piasecki, all of whom are independent directors under the NYSE rules. During the year ended December 31, 2014, the Compensation Committee held four formal meetings and took various actions by unanimous written consent.

The Nominating and Corporate Governance Committee (the “NCG Committee”) operates pursuant to a charter that was approved by the Board in March 2004. A copy of the NCG Committee Charter is available under the “Investors-Officers and Directors” section of our website at www.suncommunities.com. The NCG Committee, among other functions, is responsible for (i) identifying individuals qualified to become Board members, consistent with criteria approved by the Board, (ii) recommending that the Board select the committee-recommended nominees for election at each annual meeting of stockholders, (iii) developing and

recommending to the Board a set of corporate governance guidelines applicable to us, and (iv) periodically reviewing such guidelines and recommending any changes, and overseeing the evaluation of the Board. The current members of the NCG Committee are Messrs. Paul D. Lapidés (Chairman), Ronald A. Klein, Clunet R. Lewis, and Ronald L. Piasecki, all of whom are independent under the NYSE rules. The NCG Committee held two formal meetings during the year ended December 31, 2014. The NCG Committee considers diversity and skills in identifying nominees for service on our Board. Regarding diversity, the NCG Committee considers the entirety of the board and a wide range of economic, social and ethnic backgrounds and does not nominate representational directors from any specific group.

The Executive Committee operates pursuant to a charter that was approved by the Board in January 2014 and amended in February 2015. The Executive Committee was established to generally manage our day-to-day business and affairs between regular Board meetings. The Executive Committee has specific authority to approve any and all acquisitions and/or financings (including refinancings of existing debt) by us or our subsidiaries up to a maximum purchase price or loan amount of \$75 million per transaction. In no event may the Executive Committee, without the prior approval of the Board acting as a whole: (i) recommend to the stockholders an amendment to our charter; (ii) amend our bylaws; (iii) adopt an agreement of merger or consolidation; (iv) recommend to the stockholders the sale, lease or exchange of all or substantially all of our property and assets; (v) recommend to the stockholders our dissolution or a revocation of a dissolution; (vi) fill vacancies on the Board; (vii) fix compensation of the directors for serving on the Board or on a committee of the Board; (viii) declare distributions or authorize the issuance of our stock; (ix) approve or take any action with respect to any related party transaction involving us; or (x) take any other action which is forbidden by our bylaws or charter. All actions taken by the Executive Committee must be promptly reported to the Board as a whole and are subject to ratification, revision and alteration by the Board, except that no rights of third persons created in reliance on authorized acts of the Executive Committee can be affected by any such revision or alteration. The current members of the Executive Committee are Messrs. Randall K. Rowe, Gary A. Shiffman and Arthur A. Weiss. The Executive Committee did not hold any formal meetings during the year ended December 31, 2014.

The Board oversees and implements its risk management function several different ways. Specifically, the Audit Committee discusses our risk assessment and risk management policies with the Chief Financial Officer and other accounting staff, our internal auditor and our independent accountants in conjunction with its review of our financial statements as they deem necessary. In addition, the Board discusses the general risks facing us, the risk factors disclosed in our annual and period reports and our risk management policies with our executive management team from time to time throughout the year. In the event that a specific risk is identified, the Board or the Audit Committee directs management to assess, evaluate and provide remedial recommendations to the Board or the Audit Committee.

Communications with the Board

You are welcome to make any such report anonymously but we prefer that you identify yourself so that we may contact you for additional information if necessary or appropriate.

If you wish to communicate with our non-management directors as a group, you may do so by writing to Non-Management Directors of Sun Communities, Inc., c/o Compliance Officer, Sun Communities, Inc., 27777 Franklin Road, Suite 200, Southfield, MI 48034.

We recommend that all correspondence be sent via certified U.S. mail, return receipt requested. All correspondence received by the Compliance Officer will be forwarded by the Compliance Officer promptly to the addressee(s).

Board Leadership Structure and Independence of Non-Employee Directors

The Board and the Nominating and Corporate Governance Committee assess and revise our leadership structure from time to time. The Board does not have a fixed policy regarding the separation of the offices of Chairman and Chief Executive Officer and believes that it should maintain the flexibility to select the Chairman and its Board leadership structure, from time to time, based on the criteria that it deems to be in the best interests of the company and its stockholders. Gary A. Shiffman currently serves as our Chairman of the Board and Chief Executive Officer. The Board believes that combining the Chairman and Chief Executive Officer positions is the right corporate governance structure for us at this time because it most effectively utilizes Mr. Shiffman's

extensive experience and knowledge regarding the company and the manufactured home industry and provides for the most efficient leadership of our Board and company. The Board believes that Mr. Shiffman, rather than an independent director, is in the best position, as Chairman and Chief Executive Officer, to lead Board discussions regarding our business and strategy and to help the Board respond quickly and effectively to the many business challenges affecting the company. The Board also believes that this structure is preferable because it allows one person to speak for and lead the company and the Board and that splitting the roles of Chairman and Chief Executive Officer may cause the company's leadership to be less effective.

Although the Board believes that it is more effective to have one person serve as our Chairman and Chief Executive Officer at this time, it also recognizes the importance of strong independent leadership on the Board. Accordingly, in addition to maintaining a significant majority of independent directors (as described below) and independent Board committees, the Board appoints a Lead Independent Director on an annual basis to serve for a term of one year. Mr. Clunet R. Lewis is currently serving as Lead Independent Director. The Lead Independent Director calls and presides at the executive sessions of our independent directors, acts as a liaison between our management team and the Board and is responsible for identifying, analyzing and making recommendations to the Board with respect to certain strategic and extraordinary matters. The Board believes that its Lead Independent Director structure including the duties and responsibilities described above provides the same independent leadership, oversight, and benefits for the company and the Board that would be provided by an independent Chairman.

The NYSE rules require that a majority of the Board consist of members who are independent. There are different measures of director independence-independence under NYSE rules, under Section 16 of the Exchange Act and under Section 162(m) of the Code. The Board has reviewed information about each of our non-employee directors and determined that Ms. Stephanie W. Bergeron and Messrs. James R. Goldman, Brian M. Hermelin, Ronald A. Klein, Paul D. Lapidès, Clunet R. Lewis, Ronald L. Piasecki, and Randall K. Rowe are independent directors. The independent directors meet on a regular basis in executive sessions without management participation. In 2014, the executive sessions occurred after many of the regularly scheduled meetings of the entire Board and may occur at such other times as the independent directors deem appropriate or necessary.

Consideration of Director Nominees

Board Membership Criteria

The Board of Directors has established criteria for Board membership. These criteria include the following specific, minimum qualifications that the NCG Committee believes must be met by an NCG Committee-recommended nominee for a position on the Board:

- The candidate must have experience at a strategic or policymaking level in a business, government, non-profit or academic organization of high standing;
- The candidate must be highly accomplished in his or her field, with superior credentials and recognition;
- The candidate must be well regarded in the community and must have a long-term reputation for high ethical and moral standards;
- The candidate must have sufficient time and availability to devote to our affairs, particularly in light of the number of boards on which the nominee may serve; and
- The candidate's principal business or occupation must not be such as to place the candidate in competition with us or conflict with the discharge of a director's responsibilities to us or to our stockholders.

In addition to the minimum qualifications for each nominee set forth above, the NCG Committee will recommend director candidates to the full Board for nomination, or present director candidates to the full Board for consideration, to help ensure that:

• A majority of the Board of Directors shall be “independent” as defined by the NYSE rules;

• Each of its Audit, Compensation and NCG Committees shall be comprised entirely of independent directors; and

• At least one member of the Audit Committee shall have such experience, education and qualifications necessary to qualify as an “audit committee financial expert” as defined by the rules of the SEC.

Consideration of Shareholder Nominated Directors

The NCG Committee's current policy is to review and consider any director candidates who have been recommended by stockholders in compliance with the procedures established from time to time by the NCG Committee. Identifying and Evaluating Nominees

The NCG Committee may solicit recommendations for director nominees from any or all of the following sources: non-management directors, executive officers, third-party search firms or any other source it deems appropriate. The NCG Committee will review and evaluate the qualifications of any proposed director candidate that it is considering or has been recommended to it by a stockholder in compliance with the NCG Committee's procedures for that purpose, and conduct inquiries it deems appropriate into the background of these proposed director candidates. When nominating a sitting director for re-election, the NCG Committee will consider the director's performance on the Board and the director's qualifications in respect to the criteria set forth above. Other than circumstances in which we are legally required by contract or otherwise to provide third parties with the ability to nominate directors, the NCG Committee will evaluate all proposed director candidates based on the same criteria and in substantially the same manner, with no regard to the source of the initial recommendation of the proposed director candidate.

Except as described below, to the best of our knowledge, during the past ten years: (i) there have been no events under any bankruptcy act, no criminal proceedings and no judgments or injunctions that are material to the evaluation of the ability or integrity of any director or nominee, (ii) no director or nominee has been the subject of a or a party to any judicial or administrative proceedings relating to an alleged violation of (a) mail or wire fraud; (b) fraud in connection with any business entity; (c) violations of federal or state securities, commodities, banking or insurance laws and regulations, and (iii) no director or nominee has been the subject of a or a party to any sanction or order of any self-regulatory organization, any registered entity (as defined in Section 1(a)(29) of the Commodity Exchange Act), or any equivalent exchange, association, entity or organization that has disciplinary authority over its members or persons associated with a member.

As announced on February 27, 2006, the SEC completed its inquiry regarding the accounting for our SunChamp investment during 2000, 2001 and 2002, and the entry of an agreed-upon Administrative Order (the "Order"). The Order required us to cease and desist from violations of certain non-intent based provisions of the federal securities laws, without admitting or denying any such violations. On February 27, 2006, the SEC filed a civil action against Mr. Shiffman, in his capacity as our Chief Executive Officer, Jeffrey P. Jorissen, our then (and now former as of February 2008) Chief Financial Officer and a former Controller in the United States District Court for the Eastern District of Michigan alleging various claims generally consistent with the SEC's findings set forth in the Order. PROPOSAL NO. 1

ELECTION OF DIRECTORS

The first matter to be considered at the Annual Meeting will be the election of ten directors. Our current directors are:

Stephanie W. Bergeron;
James R. Goldman;
Brian M. Hermelin;
Ronald A. Klein;
Paul D. Lapidès;
Clunet R. Lewis;
Ronald L. Piasecki;
Randall K. Rowe;
Gary A. Shiffman; and
Arthur A. Weiss.

The term of each of our directors expires at the Annual Meeting, or until his or her successor is duly elected and qualified or until the earlier resignation or removal of such director.

Following the recommendation of the NCG Committee, the Board of Directors has nominated each of the following incumbent directors for election at the Annual Meeting:

Stephanie W. Bergeron;
James R. Goldman;
Brian M. Hermelin;
Ronald A. Klein;
Paul D. Lapidès;
Clunet R. Lewis;
Ronald L. Piasecki;
Randall K. Rowe;
Gary A. Shiffman; and
Arthur A. Weiss.

Each director elected at the Annual Meeting will serve for a term commencing on the date of the Annual Meeting and continuing until our 2016 annual meeting of stockholders or until his or her successor is duly elected and qualified or until the earlier resignation or removal of such director.

In the absence of directions to the contrary, proxies will be voted in favor of the election of the ten nominees named above.

Vote Required

A majority of the votes cast in person or by proxy at the Annual Meeting is required for the election of directors. Abstentions will not be counted in determining which nominees received a majority of votes cast since abstentions do not represent votes cast for or against a candidate. Brokers are not empowered to vote on the election of directors without instruction from the beneficial owner of the shares and thus broker non-votes likely will result. Because broker non-votes are not considered votes cast for or against a candidate, they will not be counted in determining

which nominees receive a majority of votes cast. Although we know of no reason why any nominee would not be able to serve, if any nominee should become unavailable for election, the persons named as proxies will vote your shares of common stock to approve the election of any substitute nominee proposed by the Board.

Board Recommendation

The Board unanimously recommends that you vote “FOR” each of the ten nominees named above.

PROPOSAL NO. 2

RATIFICATION OF SELECTION OF GRANT THORNTON LLP

The second proposal to be considered at the Annual Meeting will be the ratification of the selection of Grant Thornton LLP as our independent registered public accounting firm. The Audit Committee has selected and appointed Grant Thornton LLP as our independent registered public accounting firm to audit its consolidated financial statements for the year ending December 31, 2015. Grant Thornton LLP has audited our consolidated financial statements since 2003. Although ratification by stockholders is not required by law or by our bylaws, the Audit Committee believes that submission of its selection to stockholders is a matter of good corporate governance. Even if the appointment is ratified, the Audit Committee, in its discretion, may select a different independent registered public accounting firm at any time if the Audit Committee believes that such a change would be in our best interests and our stockholders. If our stockholders do not ratify the appointment of Grant Thornton, the Audit Committee will take that fact into consideration, together with such other factors it deems relevant, in determining its next selection of independent auditors.

It is anticipated that a representative of Grant Thornton LLP will attend the Annual Meeting, will have an opportunity to make a statement if he or she desires to do so and will be available to respond to appropriate questions.

Auditor Fees

Aggregate fees for professional services rendered by Grant Thornton, LLP, our independent auditors, for the years ended December 31, 2014 and 2013 were as follows:

Category	December 31, 2014	December 31, 2013
Audit Fees: For professional services rendered for the audit of our financial statements, the audit of internal controls relating to Section 404 of the Sarbanes-Oxley Act, the reviews of the quarterly financial statements and consents	\$560,329	\$569,376
Audit-Related Fees: For professional services rendered for accounting assistance with new accounting standards and potential transactions and other SEC related matters	\$143,988	\$123,204
Tax Fees	\$—	\$—
All Other Fees	\$—	\$—

Auditor Fees Policy

The Audit Committee has a policy concerning the pre-approval of audit and non-audit services to be provided by our independent auditors. The policy requires that all services provided by the independent auditors to us, including audit services, audit-related services, tax services and other services, must be pre-approved by the Audit Committee. In some cases, pre-approval is provided by the full Audit Committee for up to a year, and relates to a particular category or group of services and is subject to a particular budget. In other cases, specific pre-approval is required. All of the services provided by our independent auditor in 2014 and 2013 including services related to audit, audit-related fees, tax fees and all other fees described above, were approved by the Audit Committee under its pre-approval policies.

Vote Required

A majority of the votes cast in person or by proxy at the Annual Meeting is required to ratify the selection of Grant Thornton LLP. Abstentions will not be counted as votes cast for this proposal and do not represent votes cast for or against the ratification of the selection of Grant Thornton LLP. In the absence of your voting instructions, your broker

or nominee may vote your shares for this proposal in its discretion.

Board Recommendation

The Board unanimously recommends that you vote “FOR” the ratification of the selection of Grant Thornton LLP as our independent registered public accounting firm for 2015.

REPORT OF THE AUDIT COMMITTEE

The Board maintains an Audit Committee comprised of four of our directors. The directors who serve on the Audit Committee are all “independent” for purposes of the NYSE listing standards. The Audit Committee held four formal meetings and several informal meetings during the 2014 fiscal year.

In accordance with its written charter, the Audit Committee assists the Board with fulfilling its oversight responsibility regarding quality and integrity of our accounting, auditing and financial reporting practices. In discharging its oversight responsibilities regarding the audit process, the Audit Committee:

• reviewed and discussed the audited financial statements with management and Grant Thornton, LLP, our independent auditors, for the fiscal year ended December 31, 2014;

discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Codification of Statements on Auditing Standards), as amended, as adopted by the Public Company Accounting Oversight Board; and

received and reviewed the written disclosures and the letter from the independent auditors required by the Independence Standards Board’s Standard No. 1 (Independence Discussions with Audit Committees), and discussed with the independent auditors any relationships that may impact their objectivity and independence.

Based upon the review and discussions referred to above, the Audit Committee recommended to the Board that the audited financial statements included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2014 be filed with the SEC.

The Audit Committee has considered and determined that the level of fees of Grant Thornton LLP for provision of services other than the audit services is compatible with maintaining the auditor’s independence.

Respectfully Submitted,
Members of the Audit Committee:
Clunet R. Lewis (Chairman)
Stephanie W. Bergeron
James R. Goldman
Brian M. Hermelin

The executive compensation program supports our commitment to providing superior stockholder value. This program is designed to:

- attract, retain and reward executives who have the motivation, experience and skills necessary to lead us effectively and encourage them to make career commitments to us;
- base executive compensation levels on our overall financial and operational performance and the individual contribution of an executive officer to our success;
- create a link between the performance of our stock and executive compensation; and
- position executive compensation levels to be competitive with other similarly situated public companies including the real estate industry in general and manufactured housing REITs in particular.

Element	Compensation Objectives and Key Features
Base Salary	<p>Fixed compensation component that provides a minimum level of cash to compensate the executive officer for the scope and complexity of his position.</p> <p>Amounts based on an evaluation of the executive officer's experience, position and responsibility as well as intended to be competitive in the marketplace to attract and retain executives.</p>
Annual Incentive Award	<p>Variable cash compensation component that provides incentive and reward to our executive officers based on the Committee's subjective assessment of both annual corporate and individual performance using certain measures of performance.</p> <p>Measures of corporate performance principally focused on funds from operations and other key operating metrics.</p>
Long-Term Incentive	<p>Variable equity compensation component that provides longer-term motivation which has the effect of linking stock price performance to executive compensation.</p> <p>Restricted stock is also intended to provide post-retirement financial security in lieu of other forms of more costly supplemental retirement programs.</p>

Role of Executive Officers in Compensation Decisions

The Compensation Committee makes all decisions regarding the compensation of executive officers, including cash-based and equity-based incentive compensation programs. The Compensation Committee reviews the performance, and determines the annual incentive compensation, of the Chief Executive Officer. The Compensation Committee and the Chief Executive Officer annually review the performance metrics of the short and long-term performance plans and the performance of the other executive officers. The conclusions reached and recommendations based on the reviews of the other executive officers, including with respect to annual incentive and equity award amounts, are presented by the Chief Executive Officer to the Compensation Committee, which can exercise its discretion in modifying any recommended incentive or equity awards.

Role of the Compensation Consultant

In 2015, we reviewed, and engaged, FPL Associates, LP, or FPL, a nationally-known executive compensation consulting firm specializing in the public REIT industry to assist us in evaluating the elements and levels of our executive compensation, including base salaries, annual cash incentive awards and annual equity-based incentives for our named executive officers. All executive compensation services provided by FPL were conducted under the direction or authority of the Compensation Committee. FPL had previously provided compensation consulting services to our Compensation Committee.

Use of Comparative Market Data

As requested by the Compensation Committee, in the early part of 2015, FPL reviewed the most recent publicly available information for peer group companies and focused on several main compensation components: base salary, target annual bonus, and long-term incentive awards (collectively “total remuneration”) both on an actual and target basis as well as per individual and in aggregate across the team. The Compensation Committee, in its discretion in setting the compensation elements and levels for the named executive officers, took into consideration this data, as well as other factors.

The information provided by FPL consisted of data from a peer group of companies with similarity to Sun Communities in terms of asset focus, geography, size, among other factors. The companies that comprised the peer group are highlighted below.

Company Name	Property Focus	Headquarters
Apartment Investment and Management Company	Multi-Family	Denver, CO
Associated Estates Realty Corporation	Multi-Family	Richmond Heights, OH
Brandywine Realty Trust	Office	Radnor, PA
Camden Property Trust	Multi-Family	Houston, TX
CubeSmart	Self-Storage	Malvern, PA
Education Realty Trust, Inc.	Student Housing	Memphis, TN
Equity LifeStyle Properties, Inc.	Manufactured home	Chicago, IL
Home Properties, Inc.	Multi-Family	Rochester, NY
Mid-America Apartment Communities, Inc.	Multi-Family	Memphis, TN
Post Properties, Inc.	Multi-Family	Atlanta, GA
Tanger Factory Outlet Centers, Inc.	Other Retail	Greensboro, NC
Weingarten Realty Investors	Shopping Center	Houston, TX

Our relative percentile rankings in comparison to these peers for number of employees, UPREIT market capitalization, total capitalization and total shareholder return are 56th percentile, 22nd percentile, 31st percentile and 96th percentile, respectively.

Compensation Processes

The Compensation Committee considers (a) internal equity among executive officers, (b) market data for the positions held by these executives, (c) each executive's duties, responsibilities, and experience level, (d) each executive's performance and contribution to our success, and (e) cost to us when determining levels of compensation. In order to implement our executive compensation philosophy, the Compensation Committee exercises its independent discretion in reviewing and approving the executive compensation program as a whole, as well as specific compensation levels for each executive officer. Final aggregate compensation determinations for each fiscal year are made after the end of the fiscal year and after financial statements for the year become available. At that time, the Compensation Committee determines the annual incentive award, if any, for the past year's performance, and makes decisions on awards of equity-based compensation.

Advisory Vote on Executive Compensation

The Compensation Committee also considered the results of the advisory vote by shareholders on executive compensation, or the "say-on-pay" proposal, presented to shareholders at our July 22, 2014 Annual Meeting. As reported in our Form 8-K, filed with the SEC on July 23, 2014, approximately 87% of the shares that voted on the say-on-pay proposal approved our 2013 executive compensation. Based on the votes from our 2014 Annual Meeting, we will continue to offer an annual non-binding advisory vote on the executive compensation. Accordingly, the Compensation Committee made no direct changes to the Company's executive compensation program as a result of the say-on-pay vote and our executive compensation program for the year ended December 31, 2014 continued to focus on the factors and objectives described above.

2014 Compensation Decisions

Base Salary

Base salary is generally based on factors such as an individual officer's level of responsibility, prior years' compensation, comparison to compensation of other officers, and compensation provided at competitive companies and companies of similar size. The base salaries for the named executive officers for the year ended December 31, 2014, were paid in accordance with existing employment agreements.

Executive	2013 Base Salary	2014 Base Salary	Percent Change
Gary A. Shiffman	\$671,111	\$680,941	1.5%
John B. McLaren	\$400,000	\$425,000	6.3%
Karen J. Dearing	\$352,980	\$370,629	5.0%
Jonathan M. Colman	\$75,000	\$75,000	0.0%

Annual Incentive Award

Annual incentive awards are cash bonuses that motivate the executive officers to maximize our annual operating and financial performance and reward participants based on annual performance. The Compensation Committee annually reviews the performance measures for determining award levels which include individual performance, our performance against budget and growth in FFO per share, revenue producing sites and CNOI, in each case as measured against targets established by the Compensation Committee. A definition of FFO and NOI is included under the heading "Supplemental Measures" in Item 7 of our Annual Report on Form 10-K, and CNOI is described further below. The Compensation Committee, in its sole discretion, may make adjustments to the NAREIT definition of FFO in determining FFO performance targets and achievement.

We view, and believe our stockholders view, these measures as key operating metrics which are primary drivers of long-term TSR. In setting these goals, the budget level of payout is intended to represent performance at the midpoint of published guidance. Exceed and excel achievement levels are set at increasing levels of performance greater than our annual budget.

The following tables provide a summary of the various target levels that we established for 2014 compared to the actual results to evaluate the achievement of certain executive goals:

Achievement Level	Target Ranges		
	FFO	CNOI ⁽²⁾	Revenue Producing Sites ("RPS")
Budget	\$3.36 - \$3.37	\$255,846,871	1,920
Exceed	\$3.38 - \$3.39	\$257,126,105	1,970
Excel	\$3.40 or greater	\$258,405,340	2,020

	Company Results		
	Revised FFO ⁽¹⁾	CNOI ⁽²⁾	Revenue Producing Sites ("RPS")
Result	\$3.41	\$257,050,698	1,890
Achievement Level	Excel	Budget	Not achieved

⁽¹⁾ The reconciliation for Revised FFO as deemed by the Compensation Committee is below.

⁽²⁾ CNOI is primarily comprised of NOI/Gross Profit excluding any Gross Profit (Loss) on fixed asset home sales.

The following table provides information regarding the Compensation Committee's calculation of Revised FFO (shown as diluted per share):

	Year Ended December 31, 2014
Funds from operations (FFO)	\$3.06
Acquisition related costs	0.41
Gain on settlement	(0.10)
Adjustment to reflect certain items including unbudgeted acquisitions and capital events	0.04
Revised FFO as deemed by the Compensation Committee	\$3.41

Targets for FFO achievement were developed from the Company's budget including community acquisitions and common stock offerings completed through April 30, 2014. Adjustments were made to remove the operating results of, and related effect of securities issued for, properties acquired after April 30, 2014, the effect of securities issued in our September 2014 follow-on offering, the effect of securities issued through our ATM program and certain unbudgeted expenses incurred to prepare for the integration of the ALL properties.

We achieved Revised FFO/share of \$3.41 as adjusted by the Compensation Committee and as such Messrs. Shiffman and McLaren and Ms. Dearing received an incentive payout at the maximum/excel level with respect to this target.

	2014 Base Salary Budget	Bonus Opportunity (as a % of Salary)		
		Exceed	Excel	
Executive				
Gary A. Shiffman ⁽¹⁾	\$680,941	30%	60%	100%
John B. McLaren ⁽²⁾	\$425,000	30%	60%	100%
Karen J. Dearing ⁽¹⁾	\$370,629	30%	60%	100%

⁽¹⁾ The Compensation Committee has the discretion to award the CEO and CFO a cash bonus in any amount up to a maximum of 25% of their base salary.

⁽²⁾ The Compensation Committee has the discretion to award the COO a cash bonus in any amount up to a maximum of 50% of his base salary.

The annual incentive is earned based upon five metrics across the CEO, COO, and CFO; however, the weighting varies based on the line of sight and impact of each executive.

Executive	Performance Metrics				Compensation Committee Discretion
	Achievement of individual goals	Company achievement of FFO	CNOI	Achievement of Revenue Producing Sites ("RPS")	
Gary A. Shiffman	25%	50%	—	—	25%
John B. McLaren	—	20%	25%	5%	50%
Karen J. Dearing	25%	50%	—	—	25%

The individual goals for Mr. Shiffman were focused on strategic leadership of the organization and communication of our mission and values, implementation of systems and processes that assure physical, financial and human resources of our organization, providing strategic planning and guidance for growth through acquisitions and expansions and opportunistically accessing capital markets to fund growth and strengthen the balance sheet.

The individual goals for Ms. Dearing were focused on evaluation and implementation of strategies associated with our capital requirements and structure including debt and equity transactions, effectively leading our accounting, tax and information technology departments, and creating and communicating along with the other executive officers, our strategic vision. The Compensation Committee determined that for fiscal year 2014 both Mr. Shiffman and Ms.

Dearing “excelled” in the achievement of their individual goals and as such, achieved annual incentive awards of \$170,235 and \$92,657, respectively, for the achievement of this target. Both Mr. Shiffman and Ms. Dearing received the excel level award for the achievement of FFO and as such, achieved annual incentive awards of \$340,471 and \$185,315, respectively, for the achievement of this target.

Based on the results achieved in 2014, including significant community acquisitions, community dispositions, financing transactions, equity transactions and diligent management of the Company's balance sheet, the Compensation Committee, elected to exercise its sole discretion to award Mr. Shiffman and Ms. Dearing additional discretionary amounts of \$170,235 and \$92,657, respectively, bringing their total annual incentive bonuses to \$680,941 and \$370,629, respectively.

Combined net operating income (CNOI) for this purpose may not be the same as net operating income as disclosed in our financial statements included in our Annual Report on Form 10-K as certain items that are not under Mr. McLaren's control or that are recorded solely for GAAP financial purposes are excluded from the computation of combined net operating income. CNOI also excludes any gain or loss from the sale of homes which were depreciated assets utilized in our home rental program. Mr. McLaren achieved the budget level award for CNOI, the excel level award for FFO and did not achieve an annual incentive award for the achievement of revenue producing sites. The Compensation Committee, in its sole discretion, elected to award Mr. McLaren a discretionary bonus of \$212,500 due to his significant efforts with respect to our core portfolio, acquired communities and leadership of the operations, sales and human resource departments.

In summary, the three executives earned total annual cash incentives as shown in the table below.

Executive	Actual Amount Earned
Gary A. Shiffman	\$680,941
John B. McLaren	\$329,375
Karen J. Dearing	\$370,629

For Jonathan M. Colman:

The CEO reviews Mr. Colman's overall responsibilities, his individual performance during the year, the annual incentives of the other executive officers and his overall compensation and makes recommendation of incentive compensation to the Compensation Committee. The Compensation Committee exercises its sole discretion in awards of incentive compensation to Mr. Colman. For the fiscal year 2014, the CEO recommended and the Compensation Committee approved an annual incentive award of \$1,000,000 related to his work on the acquisition of the 39 communities completed in 2014, and the 26 communities completed on January 6, 2015, including the \$1.3 billion ALL acquisition, and the disposition of 11 communities.

Long-term Incentive Award

Long-term equity incentive awards are provided to the executive officers in order to increase their personal stake in our success and motivate them to enhance our long-term value while better aligning their interests with those of other stockholders. Equity awards are generally awarded in the form of restricted stock although stock options are utilized from time to time. The value of the restricted shares awarded is the price of a share of our stock as of the close of business on the grant date. On an annual basis the Compensation Committee reviews and approves the equity incentives to be issued to each of the executive officers for the prior year's performance. There is no established target for long-term equity incentive awards for any of the executive officers either as a dollar value or percentage of their total compensation. Rather, the Compensation Committee reviews this component of each executive officer's total compensation on an annual basis. Our executive officers (as well as our employees that receive restricted stock awards) receive distributions on the restricted stock awards that have been granted to date, including restricted stock awards that have not vested.

In April 2015, the following grants of restricted stock were made to certain of our executive officers after consideration of the Company's outperformance in relative TSR, significant absolute TSR, strong FFO and same site NOI growth, extensive community acquisition and disposition activity, prudent balance sheet management, capital raising events, individual performance and various other performance metrics:

Name	Number of Shares
Gary A. Shiffman	100,000
John B. McLaren	25,000
Karen J. Dearing	20,000

Fifty percent of the award is subject to certain future market and financial performance vesting criteria and the remainder of the award will vest over time.

The market performance criteria is based (i) 50% on the absolute total stockholder return on the Company's common stock during an applicable three-year measurement period, and (ii) 50% on the total stockholder return on the Company's common stock during an applicable three-year measurement period relative to the total stockholder return of the MSCI US REIT Index.

Total stockholder return is calculated using the average closing sales price of our common stock (as reported on the NYSE) for the 20 trading days immediately preceding and including the first day and the last day of the applicable three-year measurement period. The following tables detail the market performance criteria applicable to each three-year measurement period. If the minimum performance level for each metric is met, the award is pro-rated between vesting levels.

Metric	Performance Level	Earned %
Absolute Cumulative TSR (Weight 50%)	less than 21%	0%
	21.0%	50%
	27.0%	75%
	33.0%	90%
	36.0%	100%
Relative TSR vs. MSCI US REIT Index (Weight 50%)	Below index	0%
	Index	50%
	Index + 1%	75%
	Index + 2%	85%
	Index +3%	100%

The financial performance criteria is based (i) 50% on certain Company FFO growth targets for the applicable calendar year, and (ii) 50% on certain Company same-site NOI growth targets for the applicable calendar year.

The time vesting shares granted on April 14, 2015 to Messrs. Shiffman and McLaren and Ms. Dearing vest 20% on April 14, 2018, 30% on April 14, 2019, 35% on April 14, 2020, 10% on April 14, 2021 and five percent on April 14, 2022.

Employment Agreements

Gary A. Shiffman

In June 2013, we entered into an employment agreement with Gary A. Shiffman, under which he serves as our Chief Executive Officer. The employment agreement was amended in July 2014. He also served as our President until February 2014. Mr. Shiffman's employment agreement has an initial term ending June 20, 2018, and will be automatically renewed for successive one year terms thereafter unless either party timely terminates the agreement. Pursuant to this employment agreement, Mr. Shiffman's initial annual base salary was \$671,000, which amount is increased by an annual cost of living adjustment on January 1 of each year of the term. Mr. Shiffman's base salary for 2014 was \$680,941. In addition to his base salary, we may pay Mr. Shiffman annual incentive compensation in an amount up to 100% of his then current base salary, as follows: (i) if, in the sole discretion of the Compensation Committee of our Board, Mr. Shiffman fulfills his annual individual goals and objectives as approved by the Compensation Committee, he will receive incentive compensation in the amount of 25% of his then current base salary; (ii) if, in the sole discretion of the Compensation Committee, the Company achieves the FFO and financial budget objectives approved by our Board at the beginning of the applicable year, Mr. Shiffman will receive incentive compensation in the amount of 50% of his then current base salary; and (iii) the remaining 25% of the incentive compensation may be awarded to Mr. Shiffman in the sole discretion of the Compensation Committee for extraordinary performance during the applicable year. Incentive compensation paid or payable to Mr. Shiffman under the employment agreement shall not be deemed to be fully earned and vested, and must be repaid to the extent such incentive compensation becomes subject to clawback pursuant to the provisions of the Dodd-Frank Wall Street Reform and Consumer Protection Act, any rules promulgated thereunder or the rules and regulations of the New York Stock Exchange. Mr. Shiffman's incentive-based compensation, including equity-based incentive compensation, is also subject to our Executive Compensation "Clawback" Policy (the "Clawback Policy"), under which the Compensation Committee may seek recoupment of incentive compensation if any of our officers engages in fraud,

willful misconduct or gross negligence that directly caused or otherwise directly contributed to the need for a material restatement of our financial results in order to comply with federal securities laws. The non-competition clauses of Mr. Shiffman's employment agreement preclude him from engaging, directly or indirectly: (a) in the real estate business or any other business competitive with our business during the period he is employed by us; and (b) in the manufactured housing community business or any other business competitive with our business for a period of 18 months following the period he is employed by us. However, Mr. Shiffman's employment agreement does allow him to make passive investments relating to real estate in general. See "Change in Control and Severance Agreements" for a description of the terms of Mr. Shiffman's employment agreement relating to change in control and severance payments.

In connection with the execution of the employment agreement, and pursuant to a restricted stock award agreement, we also issued Mr. Shiffman 250,000 restricted shares of our common stock. Additional information about this award may be found in the section, "Grants of Plan Based Awards" contained in this document.

A copy of Mr. Shiffman's employment agreement is attached as an exhibit to our periodic filings under the Exchange Act.

John B. McLaren

On March 7, 2011, with an effective date of January 1, 2011, we entered into an employment agreement with John B. McLaren pursuant to which Mr. McLaren serves as our Chief Operating Officer. The employment agreement was amended in July 2014. Since February 2014, he has also served as our President. Prior to that, he was our Executive Vice President. Mr. McLaren's employment agreement is for an initial term ending on December 31, 2015. The employment agreement is automatically renewable for successive one year terms thereafter unless either party timely terminates the agreement. Pursuant to the employment agreement, Mr. McLaren is paid an annual base salary of \$345,000 in the first year, \$375,000 in the second year, \$400,000 in the third year, and \$425,000 thereafter, subject to adjustments in accordance with the annual cost of living. Upon signing the employment agreement, Mr. McLaren was paid a one-time signing bonus of \$150,000. In addition to his base salary and in accordance with the terms of his employment agreement and sole discretion of the Compensation Committee, Mr. McLaren is eligible for annual incentive compensation of up to 50% of his base salary if certain annual individual and/or Company performance criteria, as established by the Compensation Committee in its sole discretion, are met and up to 50% of his base salary at the sole discretion of the Compensation Committee. Incentive compensation paid or payable to Mr. McLaren under the employment agreement shall not be deemed to be fully earned and vested, and must be repaid to the extent such incentive compensation becomes subject to clawback pursuant to the provisions of the Dodd-Frank Wall Street Reform and Consumer Protection Act, any rules promulgated thereunder or the rules and regulations of the New York Stock Exchange. Mr. McLaren's incentive-based compensation, including equity-based incentive compensation, is also subject to our Clawback Policy, under which the Compensation Committee may seek recoupment of incentive compensation if any of our officers engages in fraud, willful misconduct or gross negligence that directly caused or otherwise directly contributed to the need for a material restatement of our financial results in order to comply with federal securities laws. The non-competition clauses of Mr. McLaren's employment agreement preclude him from engaging, directly or indirectly, in the development, ownership, leasing, management, financing, or sales of manufactured housing communities or manufactured homes anywhere in the continental United States or Canada during the period he is employed by us and for a period of up to twenty four months following the period he is employed by us; provided, however, that if Mr. McLaren is terminated without "cause" the period of non-competition shall be reduced to twelve months following the period he is employed by us. Notwithstanding, Mr. McLaren's employment agreement does allow him to make passive investments in publicly-traded entities engaged in our business during the period he is employed by us. See "Change in Control and Severance Payments" for a description of the terms of Mr. McLaren's employment agreement relating to change of control and severance payments.

A copy of Mr. McLaren's employment agreement is attached as an exhibit to our periodic filings under the Exchange Act.

Karen J. Dearing

Dearing pursuant to which Ms. Dearing serves as our Executive Vice President, Chief Financial Officer, Secretary, and Treasurer. The employment agreement was amended in July 2014. Ms. Dearing's employment agreement is for an initial term ending on December 31, 2015. The employment agreement is automatically renewable for successive one year terms thereafter unless either party timely terminates the agreement. Pursuant to the employment agreement, Ms. Dearing is paid an annual base salary of \$335,000 thereafter, subject to adjustments in accordance with the annual

cost of living provided that if the base salary for the calendar year 2014 is less than 115% of the base salary for calendar year 2011, for 2014 and 2015 only, the annual increase in the base salary shall be the greater of five percent or the otherwise applicable cost of living adjustment. Upon signing the employment agreement, Ms. Dearing was paid a one-time signing bonus of \$150,000. In addition to her base salary and in accordance with the terms of her employment agreement and in sole discretion of the Compensation Committee, Ms. Dearing is eligible for annual incentive compensation of up to 50% of her base salary if certain annual individual and/or Company performance criteria, as established by the Compensation Committee in its sole discretion, are met and up to 50% of her base salary at the sole discretion of the Compensation Committee. Incentive compensation paid or payable to Ms. Dearing under the employment agreement shall not be deemed to be fully earned and vested, and must be repaid to the extent such incentive compensation becomes subject to clawback pursuant to the provisions of the Dodd-Frank Wall Street Reform and Consumer Protection Act, any rules promulgated thereunder or the rules and regulations of the New York Stock Exchange. Ms. Dearing's incentive-based compensation, including equity-based incentive compensation, is also subject to our Clawback Policy, under which the Compensation Committee may seek recoupment of incentive compensation if any of our officers engages in fraud, willful misconduct or gross negligence that directly caused or otherwise directly contributed to the need for a material restatement of our financial results in order to comply with federal securities laws. The non-competition clauses of Ms. Dearing's employment agreement preclude her from engaging, directly or indirectly, in the development, ownership, leasing, management, financing, or sales of manufactured housing communities or manufactured homes anywhere in the

continental United States or Canada during the period she is employed by us and for a period of up to twenty four months following the period she is employed by us; provided, however, that if Ms. Dearing is terminated without “cause” the period of non-competition shall be reduced to twelve months following the period she is employed by us. Notwithstanding, Ms. Dearing’s employment agreement does allow her to make passive investments in publicly-traded entities engaged in our business during the period she is employed by us. See “Change in Control and Severance Payments” for a description of the terms of Ms. Dearing’s employment agreement relating to change of control and severance payments.

Tax and Accounting Implications

Deductibility of Executive Compensation

Section 162(m) of the Code limits the deductibility on our tax return of compensation over \$1.0 million to any of our named executive officers. We believe that, because we qualify as a REIT under the Code and therefore are not subject to federal income taxes on our income to the extent distributed, the payment of compensation that does not satisfy the requirements of section 162(m) has not and will not generally affect our net income. However, to the extent that compensation does not qualify for deduction of section 162(m), a larger portion of stockholder distributions may be subject to federal income taxation as dividend income rather than return of capital. We do not believe that section 162(m) has materially affected or will materially affect the taxability of stockholder distributions, although no assurance can be given in this regard due to the variety of factors that affect the tax position of each stockholder. For these reasons, section 162(m) is not a significant factor in the Compensation Committee’s compensation policy and practices. In 2014, we paid \$18,050 to Mr. Shiffman and \$55,890 to Mr. McLaren that was subject to section 162(m).

409A Considerations

We have also taken into consideration Code Section 409A in the design and implementation of our compensation programs. If an executive is entitled to nonqualified deferred compensation benefits that are subject to Section 409A, and such benefits do not comply with Section 409A, then the benefits are taxable in the first year they are not subject to a substantial risk of forfeiture. In such case, the executive is subject to regular federal income tax, interest and an additional federal income tax of 20% of the benefit includible in income.

Risks Arising from Compensation Policies and Practices

Our senior management has assessed the enterprise-wide risks facing us and processes and procedures to mitigate such risks. In connection with such enterprise risk management process, our compensation programs were assessed, including program features that could potentially encourage excessive or imprudent risk taking and the specific aspects of our compensation policies and procedures which mitigate some of the material risks that might otherwise arise from such policies and procedures. Following this review, our management, Compensation Committee and full Board of Directors affirmatively determined that there were no risks arising from the compensation policies and practices that are reasonably likely to have a material adverse effect on us.

Additionally, in July 2014, we entered into an Amended and Restated Restricted Stock Award Agreement with Mr. Shiffman, which amended and restated in its entirety the Restricted Stock Award Agreement dated June 20, 2013 between us and Mr. Shiffman. Under the original stock award agreement, we granted Mr. Shiffman 250,000 restricted shares of our common stock, of which 175,000 restricted shares were awarded in respect of the performance of Mr. Shiffman and the company over the prior three years and 75,000 restricted shares were awarded to induce Mr. Shiffman to execute a new five-year employment agreement. All of these restricted shares were scheduled to vest over time through June 2020. The restated stock award agreement amended the vesting schedule of the restricted shares, of which 100,000 restricted shares are now subject to performance vesting and the remaining 150,000 shares will vest over time through June 2020.

If certain market performance criteria established by the Compensation Committee relative to the Company's common stock for the applicable three-year measurement period are satisfied, up to 50,000 of the shares subject to performance vesting will vest as follows, provided that Mr. Shiffman is employed by the Company or any of its affiliates on the applicable vesting dates:

Measurement Period	Vesting Date	Shares Vested
January 1, 2013 through December 31, 2015	March 1, 2016	Up to 16,667
January 1, 2014 through December 31, 2016	March 1, 2017	Up to 16,667
January 1, 2015 through December 31, 2017	March 1, 2018	Up to 16,666

The market performance criteria is based (i) 50% on the absolute total stockholder return on the Company's common stock during the applicable three-year measurement period above, and (ii) 50% on the total stockholder return on the Company's common stock during the applicable three-year measurement period relative to the total stockholder return during such period of the MSCI US REIT Index.

Total stockholder return is calculated using the average closing sales price of our common stock (as reported on the NYSE) for the 20 trading days immediately preceding and including the first day and the last day of the applicable three-year measurement period. The following tables detail the market performance criteria applicable to each three-year measurement period. If the minimum performance level for each metric is met, the award is pro-rated

between vesting levels.

PROPOSAL NO. 3

NON-BINDING ADVISORY VOTE ON EXECUTIVE COMPENSATION

The third proposal to be considered at the Annual Meeting will be a non-binding advisory vote on executive compensation. Section 14A of the Exchange Act requires us to allow stockholders an opportunity to cast a non-binding advisory vote on executive compensation as disclosed in this Proxy Statement. The following proposal, commonly known as a “say on pay” proposal, gives stockholders the opportunity to approve, reject or abstain from voting with respect to our fiscal 2014 executive compensation programs and policies and the compensation paid to our “named executive officers” listed in the Summary Compensation Table below.

“RESOLVED, that the compensation paid to our named executive officers, as disclosed pursuant to the SEC’s rules and regulations, including the Compensation Discussion and Analysis, the compensation tables and narrative discussion is, hereby approved on an advisory basis.”

As discussed in the “Compensation Discussion and Analysis” section of this Proxy Statement, the primary objectives of our executive compensation program are to attract and retain a skilled executive team to manage, lead and direct our personnel and capital to obtain the best possible economic results. The compensation of our executive officers reflects the success of our management team in attaining certain operational goals which leads to the success of the company and serves the best interests of our stockholders.

This proposal allows our stockholders to express their opinions regarding the decisions of the Compensation Committee on the prior year’s annual compensation to the named executive officers. Your non-binding advisory vote will serve as an additional tool to guide the Board and the Compensation Committee in continuing to improve the alignment of our executive compensation programs with our interests and the interests of our stockholders, and is consistent with our commitment to high standards of corporate governance.

Vote Required

Advisory approval of this say on pay proposal requires the affirmative vote of holders of a majority of all the votes cast in person or by proxy at the Annual Meeting. Abstentions will not be counted as votes cast for the say on pay proposal and do not represent votes cast for or against the advisory approval of the proposal. Brokers are not empowered to vote on the say on pay proposal without instruction from the beneficial owner of the shares and thus broker non-votes likely will result. Since broker non-votes are not considered votes cast on the say on pay proposal, they will not be counted in determining whether the say on pay proposal is approved. Because the vote on this proposal is non-binding and advisory in nature, it will not affect any compensation already paid or awarded to any named executive officer and will not be binding on or overrule any decisions by the Board; it will not create or imply any additional fiduciary duty on the part of the Board; and it will not restrict or limit the ability of stockholders to make proposals for inclusion in proxy materials related to executive compensation. To the extent there is any significant vote against our named executive officer compensation as disclosed in this Proxy Statement, the Compensation Committee will evaluate whether any actions are necessary to address the concerns of stockholders. The vote on this resolution is not intended to address any specific element of compensation; rather, the vote relates to the compensation of our named executive officers, as described in this Proxy Statement in accordance with the compensation disclosure rules of the SEC.

Board Recommendation

The Board unanimously recommends that you vote “FOR” the executive compensation of our named executive officers as disclosed in this Proxy Statement.

PROPOSAL NO. 4

APPROVAL OF THE SUN COMMUNITIES, INC. 2015 EQUITY INCENTIVE PLAN

Introduction

We are asking you to approve the 2015 Plan. Subject to stockholder approval, the Board approved the 2015 Plan on April 20, 2015. The 2015 Plan is intended to replace our 2009 Equity Incentive Plan (the "2009 Plan"). If the 2015 Plan is approved by our stockholders, it will become effective on the day of the Annual Meeting. We intend to register shares available for issuance under the 2015 Plan on a Registration Statement on Form S-8 under the Securities Act of 1933 as soon as is practicable if we receive stockholder approval.

The provisions of the 2015 Plan are generally consistent with the provisions of the 2009 Plan, except that the 2015 Plan:

- reserves for issuance up to a total of 1,750,000 shares of our common stock, and replaces the 2009 Plan (and cancels all remaining shares of common stock issuable thereunder); and
- contains certain technical updates and revisions.

By approving the 2015 Plan, the stockholders will be approving, among other things:

- the general eligibility requirements for participation in the 2015 Plan;
- the types of stock-based awards that may be granted under the 2015 Plan; and
- the maximum number of shares for which stock-based awards may be granted under the 2015 Plan.

In determining the number of shares to be authorized under the proposed 2015 Plan the Board considered the purposes of the plan, as well as its cost:

Equity Compensation. The Company operates in a competitive market and its success depends in large part on its ability to attract, retain and reward talented and competent employees. To be able to do so, the Company must offer competitive compensation. The Board believes that the 2015 Plan will serve a critical role in attracting and motivating valuable employees that will be essential to the future success of the Company.

Dilution/Overhang. The estimated dilution, based on the shares requested (1,750,000), outstanding shares under the 2009 Plan (780,127), and outstanding options under the 2009 Plan (0), is approximately 4.5% as of April 22, 2015.

Burn Rate. As shown in the following table, the Company's three-year average annual burn rate is 1.4%, well below the Institutional Shareholder Services, Inc. ("ISS") burn rate cap of 2.71% applied to our industry.

Year	Full			Weighted Average Number of Common Shares Outstanding ⁽²⁾	Unadjusted	Adjusted	
	Options Granted	Value Awards Granted	Unadjusted Total		Adjusted Total ⁽¹⁾	Burn Rate = Unadjusted Total/Common Shares Outstanding	Rate = Adjusted Total/Com Shares Outstanding

(1) Adjusted total includes the "Full Value Awards Granted" column as adjusted to reflect that Institutional Shareholder Services, Inc. (ISS) considers full-value awards to be more valuable than stock options. The adjustment is made based on the Company's three year stock price volatility, such that 1 full-value award will count as 3.0 option shares.

(2) Includes weighted average common operating partnership units and common stock.

The material features of the 2015 Plan are summarized below. This description is qualified in its entirety by reference to the 2015 Plan, attached as Appendix A to this Proxy Statement.

Summary of the 2015 Plan

The following summary of the 2015 Plan is qualified in its entirety by the specific language of the 2015 Plan.

General. The purpose of the 2015 Plan is to provide certain key employees of the Company with an additional incentive to promote the Company's financial success and to provide an incentive which the Company may use to induce able persons to enter into or remain in the employment of the Company or a subsidiary of the Company by providing such persons an opportunity to acquire or increase his or her direct proprietary interest in the operations and future of the Company.

Administration; No Repricing. The administrator of the 2015 Plan shall be a committee of three or more directors of the Company with authority to act as provided in Rule 16b-3 promulgated by the SEC under Section 16 of the Exchange Act of 1934, as amended, as currently in effect and as it may be amended from time to time, and any successor rule, and shall be elected or appointed by the Board of the Directors. Until changed by the Board, the Administrator shall be the Compensation Committee of the Board. Subject to other terms and conditions of the 2015 Plan, the administrator has the full and final authority to, among other things: (i) designate participants in the 2015 Plan; (ii) determine the options and/or stock-based rights granted to participants; (iii) determine the maximum number of shares of common stock subject to any award; and (iv) establish the terms and conditions of each award. Neither the Board nor the administrator will have the authority to take any of the following actions unless our stockholders have approved such action: (i) reduce the purchase price or exercise price of any outstanding the option or stock appreciation right; (ii) subject to certain exceptions related to capital events, cancel any outstanding option or stock appreciation right in exchange for, or replace any outstanding option or stock appreciation right with, cash, another award or any other consideration from us unless specifically provided for by the terms of the 2015 Plan; or (iii) take any other action that is treated as a repricing under generally accepted accounting principles.

Shares Issuable. The maximum number of shares of the common stock that may be issued under the 2015 Plan through awards is 1,750,000 shares of our common stock. The aggregate number of shares to be issued under the 2015 Plan, will be adjusted in accordance with the terms of the 2015 Plan, in connection with a recapitalization or sale or merger. In order that the applicable rules relating to incentive stock options be satisfied, the 2015 Plan provides that the number of shares that may be issued upon the exercise of incentive stock options will not exceed 1,000,000 shares. If an award under the 2015 Plan is forfeited, expires or is settled for cash, then any shares subject to such award may, to the extent of such forfeiture, expiration or cash settlement, be used again for new grants under the 2015 Plan. However, shares of the our common stock tendered or held back upon exercise of an option or settlement of an award to cover the exercise price or tax withholding will not be available for issuance under the 2015 Plan. Awards granted under the 2015 Plan upon the assumption or substitution of outstanding grants from acquired companies shall not reduce the number of shares available for awards unless issued under the 2015 Plan.

Participation. Participants in the 2015 Plan shall be officers who are employees of Sun Communities, Inc., or a subsidiary and other employees of the Sun Communities, Inc., or a subsidiary, as the administrator, in its sole discretion, may designate from time to time to receive an award. As of April 22, 2015, approximately 1,200 of our employees and officers are eligible to participate in the 2015 Plan. In addition, the administrator may grant awards under the 2015 Plan to non-employees who, in the judgment of the administrator, render significant services to us, on such terms and conditions as the administrator deems appropriate and consistent with the intent of the 2015 Plan.

Minimum Vesting. No award may vest prior to the first anniversary of its issuance date, subject to certain limited exceptions set forth in the 2015 Plan.

Incentive Stock Options, Non-qualified Stock Options or Performance-Based Options. Under the 2015 Plan, the administrator may grant incentive stock options, non-qualified stock options or performance based options. The exercise price per share of common stock of each option awarded may never be less than the fair market value of such shares on the date the administrator grants an award, provided, however, that in the case of an incentive option granted to a participant who at the time of the grant owns (as defined in Section 424(d) of the Internal Revenue Code of 1986, as amended) stock in us or possessing more than ten percent (10%) of the total combined voting power of all classes of stock of any such entity (a “10% Stockholder”), the exercise price must be at least one hundred and ten percent (110%) of the fair market value of our common stock. Subject to terms in the 2015 Plan, no option may be exercisable prior to the first anniversary of the date of grant and no shares of our common stock shall vest under an option prior to the first anniversary of the date of grant. No participant may be granted incentive stock options under the 2015 Plan (or any other of our incentive plans) which would result in stock with an aggregate fair market value (measured on the date of grant) of more than \$100,000 first becoming exercisable in any one calendar year, or which would entitle such participant to

purchase a number of shares greater than the maximum number permitted by Section 422 of the Internal Revenue Code of 1986, as in effect on the date of grant.

Stock Appreciation Rights. Stock appreciation rights may also be issued under the 2015 Plan. Each stock appreciation right will entitle the holder to receive, upon exercise, a payment from us of an amount equal to the incremental value of the stock appreciation rights. The incremental value of a single share of common stock is an amount equal to the remainder derived from subtracting (i) the exercise price for the right established in the award agreement from (ii) the fair market value of a share of common stock on the date of exercise. The terms of any stock appreciation right granted under the 2015 Plan, including the exercise price which may never be less than the fair market value of the underlying share of common stock on the date of grant, will be set forth in an award agreement. Notwithstanding any other provision of the 2015 Plan, any stock appreciation right awarded to an individual who is then subject to Section 16 of the Exchange Act of 1934, as amended, must comply with the exemption requirements of Rule 16b-3.

Duration. Options and stock appreciation rights shall terminate after the first to occur of the following events: (i) the expiration date of the award as provided in the award agreement; or (ii) termination of the award as provided in Section 8.02 of 2015 Plan; or (iii) in the case of an incentive stock option, the 10th anniversary of the date of grant, unless the participant is a 10% stockholder in which case on the fifth anniversary of the date of grant; or (iv) solely in the case of tandem stock appreciation rights, upon the expiration date of the related option.

Restricted Share Rights. The administrator may grant to any participant an award of a restricted share right entitling such person to receive shares of our common stock (“Restricted Stock”) in such quantity, and on such terms, conditions and restrictions (whether based on performance standards, periods of service or otherwise) as the administrator shall determine on or prior to the date of grant of such award. The administrator shall establish a period of time during which the holder of the restricted share right will not be permitted to sell, assign, transfer, pledge or otherwise encumber or dispose of any shares of Restricted Stock. Subject to Section 8.07 of the 2015 Plan, a restriction period will commence on the date of grant and will not expire prior to the first anniversary of the date of grant.

Transfer Restrictions. Generally, a participant’s rights and interest under the 2015 Plan may not be assigned or transferred other than by will or the laws of descent and distribution. Notwithstanding the foregoing, or any other provision of the 2015 Plan, a participant who holds non-qualified stock options may transfer such options to his or her spouse, lineal ascendants, lineal descendants, or to a duly established trust for the benefit of one or more of these individuals.

Tax Considerations. The grant of options under the 2015 Plan will have no income tax consequences for either us or the participant (unless the option is freely transferable and has a readily ascertainable market value). Upon the exercise of an option to purchase common stock by a participant, the participant will recognize ordinary income and we will be entitled to a deduction in an amount equal to the excess of the fair market value of common stock purchased over the purchase price. Such ordinary income is not subject to withholding of tax by us. The subsequent sale or exchange of common stock acquired pursuant to the exercise of an option would generally give rise to capital gain or loss.

Participants in the 2015 Plan are responsible for the payment of any federal, state or local taxes that we are required by law to withhold with respect to any amount payable and/or shares issuable under a participant’s award. Participants may elect to meet tax withholding obligations by authorizing us to withhold the appropriate number of shares of common stock, the fair market value of which is equal to such amount, or, in the case of the cash payment, the amount of cash, as is determined by us to be sufficient to satisfy applicable tax withholding requirements. Alternatively, participants may elect to direct payment to us in cash of the amount of any taxes required to be withheld with respect to such award.

Amendment; No Repricing. The Board shall have complete power and authority to amend the 2015 Plan at any time and to add any other stock based award or other incentive compensation programs to the 2015 Plan as it deems

necessary or appropriate and no approval by our stockholders or by any other person, committee or entity of any kind shall be required to make any amendment; provided, however, that the Board shall not, without the requisite affirmative approval of our stockholders, (i) make any amendment which requires stockholder approval under any applicable law, including Rule 16b-3 or the Internal Revenue Code of 1986, as amended, or applicable New York Stock Exchange rules or which, unless approved by the requisite approval of our stockholders, would cause, result in or give rise to “applicable employee remuneration” within the meaning of Section 162(m) of the Internal Revenue Code of 1986, as amended, with respect to any performance-based option; (ii) reduce the purchase price or exercise price of any outstanding option or stock appreciation right; (iii) subject to certain exceptions related to capital events, cancel any outstanding option or stock appreciation right in exchange for, or replace any outstanding option or stock appreciation right with, cash, another award or any other consideration from the Company unless specifically provided for by the terms of the 2015 Plan; or (iv) take any other action that is treated as a repricing under generally accepted accounting principles. No termination or

amendment of the 2015 Plan may, without the consent of the participant to whom any award shall theretofore have been granted under the 2015 Plan, adversely affect the right of such individual under such award.

Termination. The Board shall have the right and the power to terminate the 2015 Plan at any time. If not terminated earlier, the 2015 Plan shall terminate when all shares authorized under the 2015 Plan have been issued. No award shall be granted under the 2015 Plan after the termination of the 2015 Plan, but the termination of the 2015 Plan shall not have any other effect and any award outstanding at the time of the termination of the 2015 Plan and may be exercised after termination of the 2015 Plan at any time prior to the expiration date of such award to the same extent such award would have been exercisable if the 2015 Plan had not been terminated.

New Plan Benefits. Because awards under the 2015 Plan will be granted in the administrator's discretion, we cannot determine the dollar value or number of shares of our common stock that will in the future be awarded under the 2015 Plan if it is approved by the stockholders at the Annual Meeting. No awards have been made under the 2015 Plan prior to the date of the Annual Meeting that are subject to such approval.

Vote Required

Adoption and approval of the 2015 Plan requires approval by the affirmative vote by a majority of all the votes cast in person or by proxy at the Annual Meeting. Abstentions will not be counted as votes cast for this proposal and do not represent votes cast for or against the approval of the 2015 Plan. Brokers are not empowered to vote on this proposal without instruction from the beneficial owner of the shares and thus broker non-votes likely will result. Since broker non-votes are not considered votes cast on this proposal, they will not be counted in determining whether the 2015 Plan is approved.

Board Recommendation

The Board unanimously recommends that you vote "FOR" the approval of the 2015 Plan.

PROPOSAL NO. 5

APPROVAL OF AMENDMENT OF ARTICLES OF INCORPORATION TO INCREASE AUTHORIZED SHARES OF COMMON STOCK AND PREFERRED STOCK

The fifth proposal to be considered at the Annual Meeting will be the approval of an amendment to our articles of incorporation that increases the number of authorized shares of our common stock, \$0.01 par value per share, from 90,000,000 to 180,000,000 and the number of authorized shares of our preferred stock, \$0.01 par value per share, from 10,000,000 to 20,000,000. A copy of the articles of amendment setting forth the proposed amendment (the "Articles of Amendment") is attached hereto as Appendix B to this Proxy Statement. On April 20, 2015, our Board of Directors approved and declared the proposed amendment advisable. The proposed amendment is subject to approval by our stockholders.

As of April 22, 2015:

- 53,640,457 shares of our common stock were outstanding;
- 194,315 shares of our common stock were reserved for issuance under our equity incentive plans;
- 5,305,693 shares of our common stock were reserved for issuance upon conversion or exchange of outstanding common and preferred OP units issued by our subsidiary Sun Communities Operating Limited Partnership;
- 6,263,578 shares of our common stock were reserved for issuance upon conversion or exchange of outstanding shares of our preferred stock; and
- 9,780,551 shares of our preferred stock were outstanding.

Therefore, as of April 22, 2015, there are 24,815,406 shares of common stock that remain unissued or reserved for issuance. If Proposal No. 4 is approved, upon that approval an additional 1,644,059 shares of our common stock will be reserved for issuance under our equity incentive plans. If Proposal No. 4 is approved, there will be 23,171,347 shares of common stock that remain unissued or reserved for issuance.

The proposed amendment to the articles of incorporation deletes Article V, Section 1 of the articles of incorporation and replaces it with the following:

"Section 1. Authorized Shares. The total number of shares of stock which the Corporation has authority to issue is 200,000,000 shares, of which 180,000,000 shares are shares of Common Stock, \$0.01 par value per share ("Common Stock"), and 20,000,000 shares are shares of Preferred Stock, \$0.01 par value per share ("Preferred Stock"). The aggregate par value of all authorized shares of stock having par value is \$2,000,000."

Our Board believes that it is advisable and in the best interests of us and our stockholders to amend our articles of incorporation in order to have available additional authorized but unissued shares of common stock and preferred stock in an amount adequate to provide for our future needs. The additional shares will be available for issuance from time to time by us in the discretion of our Board, subject to stockholder approval as may be required under applicable law or stock exchange regulations. While we have no immediate plans to issue additional shares of common stock or preferred stock, the Board believes the additional authorized shares will provide flexibility with respect to future transactions, including acquisitions of other properties or businesses where we would have the option to use our common stock or preferred stock (or securities convertible into or exercisable for common stock or preferred stock) as consideration (rather than cash), financing future growth, financing transactions, stock splits and other general corporate purposes. We continue to evaluate and pursue property acquisition opportunities on an ongoing basis that will likely require the issuance of additional shares of common stock and preferred stock from time to time. In many such situations, prompt action may be required which would not permit seeking stockholder approval to authorize additional shares for a specific financing or acquisition transaction on a timely basis. Our Board believes that it is

important to have the flexibility to act promptly in the best interests of our stockholders

The holders of our common stock and preferred stock have no preemptive rights, and our Board has no plans to grant such rights with respect to any such shares. No further approval by stockholders would be necessary prior to the issuance of any additional shares of common stock or preferred stock, except as may be required under applicable law or stock exchange regulations. The issuance of any additional shares of common stock or preferred stock may have the effect of diluting the stock ownership of the current stockholders of the company.

The rights and terms of our common stock will not be changed in any way by the proposed amendment, and the additional shares of common stock, if authorized, would have the same rights and privileges as the shares of common stock currently outstanding.

Under our articles of incorporation, our Board (without further stockholder action) may from time to time establish and issue one or more series of preferred stock with such designations, powers, preferences or rights of the shares of such series and the qualifications, limitations or restrictions thereon.

If our Board were to increase the number of issued shares of common stock or preferred stock, it could have an anti-takeover effect, although this is not the intent of our Board in proposing the amendment. For instance, our authorized but unissued common stock or preferred stock could be issued in one or more transactions that could delay, defer or prevent a transaction or a change in control of the company that might involve a premium price for our stockholders or otherwise be in their best interest. As of the date of this Proxy Statement, we are not aware of any attempt or plan to obtain control of us.

If the stockholders approve the proposal, the Articles of Amendment will be filed with the State Department of Assessments and Taxation of Maryland (the "SDAT") and the amendment of the articles of incorporation as described above will be effective upon the acceptance for record of the Articles of Amendment the SDAT.

Vote Required

The affirmative vote by at least two-thirds of all votes entitled to be cast on this proposal is required for the approval of the amendment to our articles of incorporation to increase the authorized shares of common stock and preferred stock. Abstentions will not be counted as votes cast for this proposal. Brokers are not empowered to vote on this proposal without instruction from the beneficial owner of the shares and thus broker non-votes likely will result. Abstentions and broker non-votes will have the same effect as a vote against this proposal.

Board Recommendation

The Board unanimously recommends that you vote "FOR" the approval of the amendment to our articles of incorporation to increase the authorized shares of common stock and preferred stock.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

However, in May 2014, Mr. Arthur A. Weiss filed a Form 5 relating to the distribution in 2012 of 1,598 shares of common stock by a trust of which he is a co-trustee, but not a beneficial owner.

- Investment in OFS LLC. We entered into an agreement with four unrelated companies and we contributed cash of approximately \$0.6 million towards the formation of OFS LLC. OFS LLC purchased the loan origination platform of Origen. The purpose of the venture is to originate manufactured housing installment contracts for its members. We accounted for our investment in OFS LLC using the equity method of accounting which we have since suspended. As of December 31, 2014, we had an ownership interest in the OFS LLC of 22.9%, and the carrying value of our investment was zero.

Loan Origination, Sale and Purchase Agreement. As of 2014, our agreement with OFS LLC, in which OFS LLC agreed to fund loans that meet our underwriting guidelines and then transfer those loans to us pursuant to a Loan Origination, Sale and Purchase Agreement, was terminated. In 2013, we paid OFS LLC a fee of \$650 per loan pursuant to a Loan Origination, Sale and Purchase Agreement which totaled approximately \$0.1 million and we purchased, at par, \$7.7 million of these loans during the year ended December 31, 2013.

We have entered into the following transactions with Origen:

Each of Arthur A. Weiss and Ronald A. Klein owns a less than one percent indirect interest in American Center LLC. Under this lease agreement, we lease approximately 62,900 rentable square feet. The term of the lease is until October 31, 2026, and the base rent through October 31, 2015 is \$16.45 per square foot (gross). From November 1, 2015 to October 31, 2016, the base rent will be \$16.95 per square foot (gross) and from November 1, 2016 to October 31, 2017, the base rent will be \$17.45 per square foot (gross). interests for our common stock, Mr. Shiffman will have tax consequences different from those on us and our public stockholders upon the sale of any of these partnerships. Therefore, we and Mr. Shiffman may have different objectives regarding the appropriate pricing and timing of any sale of those properties.

Policies and Procedures for Approval of Related Party Transactions

None of our executive officers or directors (or any family member or affiliate of such executive officer or director) may enter into any transaction or arrangement with us that reasonably could be expected to give rise to a conflict of interest without the prior approval of the NCG Committee. Any such transaction or arrangement must be promptly reported to the NCG Committee or the full Board. Any such disclosure provided by an executive officer or director is reviewed by the NCG Committee and approved or disapproved. In determining whether to approve such a transaction or arrangement, the NCG Committee takes into account, among other factors, whether the transaction was on terms no less favorable to us than terms generally available to third parties and the extent of the executive officer's or director's involvement in such transaction or arrangement.

The current policy was adopted and approved in 2004. All related party transactions disclosed above were approved by either the NCG Committee or the full Board.

Until changed by the Board, the Administrator shall be the Compensation Committee of the Board. The Administrator shall have full power and authority to take all actions and to make all determinations required or provided under the Plan, any Award or any Award Agreement and shall have full power and authority to take all other actions and make all other determinations not inconsistent with the specific terms and provisions of the Plan that it deems necessary or appropriate to the administration of the Plan, any Award or Award Agreement, including without limitation, establishing and modifying administrative rules, imposing such conditions and restrictions on Awards as it determines appropriate and canceling Awards (including those made pursuant to other plans of the Company). All such actions and determinations of the Administrator must be made by the affirmative vote of a majority of the members of the Administrator. Unless otherwise expressly determined by the Board, the interpretation and construction by the Administrator of any provision of the Plan, any Award or any Award Agreement is final, binding and conclusive. The Administrator may delegate such of its powers and authority under the Plan as it deems appropriate to the Chief Executive Officer of the Company with respect to Awards, including the granting thereof, to individuals who are not Officers. Notwithstanding any provision of this Plan to the contrary, neither the Board nor the Administrator shall have the authority to take any of the following actions unless the stockholders of the Company have approved such action: (a) reduce the Purchase Price or Exercise Price of any outstanding Option or Stock Appreciation Right; (b) except as otherwise provided in Section 4.03, cancel any outstanding Option or Stock Appreciation Right in exchange for, or replace any outstanding Option or Stock Appreciation Right with, cash, another Award or any other consideration from the Company; and/or (c) take any other action that is treated as a repricing under generally accepted accounting principles.

3.02 Indemnification. Members of the Administrator shall be entitled to indemnification and reimbursement from the Company for any action or any failure to act in connection with service as Administrator to the full extent provided for or permitted by the Company’s articles of incorporation or bylaws or by any insurance policy or other agreement intended for the benefit of the Company’s officers, directors or employees or by any applicable law.

3.03 Terms of Awards. Subject to other terms and conditions of the Plan, the Administrator has the full and final authority to:

(a) designate Participants;

(b) determine the type or types of Awards made to Participants;

(c) determine the number of shares of Company Common Stock subject to any Award;

(d) establish the terms and conditions of each Award, including without limitation, the Exercise Price or Purchase Price, the nature and duration of any restriction or condition relating to vesting, exercise, transfer or forfeiture of an Award or the shares subject to the Award, and any terms or conditions that may be necessary to remain exempt from the requirements of Section 409A of the Code or qualify Options as Incentive Stock Options; and

(e) amend, modify or supplement the terms of any outstanding Award, provided, that, no such amendment, modification or supplement may cause an Award to violate Section 409A of the Code or, without the written consent of the Participant, impair the Participant's vested rights under an Award Agreement.

Article IV.

Company Common Stock Issuable Pursuant to the Plan

4.01 Shares Issuable. The maximum number of shares of Company Common Stock that may be issued under the Plan is One Million Seven Hundred Fifty Thousand (1,750,000) shares. The aggregate number of Company Common Stock actually issued or transferred by the Company upon the exercise of Incentive Stock Options may not exceed One Million (1,000,000) shares. The aggregate number of shares to be issued under the Plan, will be adjusted in accordance with Section 4.03 of the Plan. Shares of Company Common Stock may be authorized and unissued shares or issued shares which have been reacquired by the Company. A share of Company Common Stock and its related tandem Stock Appreciation Right may only be counted once.

4.02 Shares Subject to Terminated Awards. In the event that any Award at any time granted under the Plan is surrendered to the Company, terminated, forfeited, cancelled (other than in connection with the exercise of a tandem Stock Appreciation Right), expires before it has been fully exercised, or an award of Stock Appreciation Rights is exercised for cash, then all shares of Company Common Stock underlying such portion of the Award shall be added to the remaining number of shares of Company Common Stock available for issuance under the Plan. Shares of Company Common Stock tendered or held back upon exercise of an Option or settlement of an Award to cover the exercise price or tax withholding shall not be available for issuance under the Plan. Any shares of Company Common Stock issued by the Company pursuant to its assumption or substitution of outstanding grants from acquired companies shall not reduce the number of shares available for Awards under this Plan unless issued under this Plan.

4.03 Adjustments to Reflect Capital Changes.

(a) Recapitalization. The number and kind of shares subject to outstanding Awards, the Purchase Price or Exercise Price for such shares, and the number and kind of shares available for Awards subsequently granted under the Plan shall be appropriately adjusted to reflect any stock dividend, stock split, combination or exchange of shares, merger, consolidation or other change in capitalization with a similar substantive effect upon the Plan or the Awards granted under the Plan. The Administrator shall have the power to determine the amount of the adjustment to be made in each case.

(b) Sale or Reorganization. Upon consummation of a Business Combination in which the outstanding shares of Company Common Stock are exchanged for securities, cash or other property of an unrelated corporation or business entity or in the event of a liquidation of the Company (in each case, a "Transaction"), the Administrator may, in its discretion, take any one or more of the following actions as to outstanding Options: (i) provide that such Options shall be assumed, or equivalent options shall be substituted, by the acquiring or succeeding entity (or an affiliate thereof), (ii) upon written notice to the holders of the Options, provide that all unexercised Options will terminate immediately prior to the consummation of the Transaction unless exercised by the Option holder within a specified period following the date of such notice, and/or (iii) in the event of a Business Combination under the terms of which holders of the Company Common Stock will receive upon consummation thereof a cash payment for each share surrendered in the Business Combination, make or provide for a cash payment to the Option holders equal to the difference between (A) the Merger Price times the number of shares of Company Common Stock subject to such outstanding Options (to the extent then exercisable at prices not in excess of the Merger Price) and (B) the aggregate exercise prices of all such outstanding Options, in exchange for the termination of such Options. In the event Options will terminate upon consummation of the Transaction as provided in clause (ii) above, each Option holder shall be permitted, within a specified period determined by the Administrator, to exercise all non-vested Options, subject to the consummation of the Transaction.

(c) Options to Purchase Stock of Acquired Companies. After any reorganization, merger or consolidation in which the Company or a Subsidiary of the Company shall be a surviving corporation, the Administrator may grant substituted Options under the provisions of the Plan, subject to the applicable requirements described in Section 424 of the Code or Section 1.409A-1(b)(5)(v)(D) of the Treasury regulations, replacing old Options granted under a plan of another party to the reorganization, merger or consolidation, where such party's stock may no longer be issued following such merger or consolidation. The foregoing adjustments and manner of application of the foregoing provisions shall be determined by the Administrator in its sole discretion. Any adjustments may provide for the elimination of any fractional shares which might otherwise have become subject to any Awards.

Article V.
Participation

5.01 Eligible Employees. Participants in the Plan shall be the Officers and other employees of the Company or a Subsidiary as the Administrator, in its sole discretion, may designate from time to time to receive an Award. The Administrator's designation of a Participant in any year shall not require the Administrator to designate such person to receive an Award in any other year. The Administrator shall consider such factors as it deems pertinent in selecting Participants and in determining the type and amount of their respective Awards.

5.02 Special Provisions for Certain Non-Employees. Notwithstanding any provision contained in this Plan to the contrary, the Administrator may grant Awards under the Plan to non-employees who, in the judgment of the Administrator, render significant services to the Company or a Subsidiary, on such terms and conditions as the Administrator deems appropriate and consistent with the intent of the Plan.

Article VI.
Option Awards

6.01 Power to Grant Options. The Administrator may grant to any Participant Options entitling the Participant to purchase shares of Company Common Stock at a price not less than the Fair Market Value of the shares on the Date of Grant, in such quantity and on such terms and subject to such conditions, not inconsistent with the terms of this Plan, as may be established by the Administrator. The Administrator may designate an Option as an Incentive Stock Option, a Non-Qualified Stock Option or a Performance-Based Option. The terms of any Option granted under this Plan shall be set forth in an Award Agreement. Notwithstanding any provision of this Plan to the contrary, (a) any Option awarded to an individual who is then subject to Section 16 of the Exchange Act must comply with the exemption requirements of Rule 16b-3, and (b) subject to Sections 8.03 and 8.07, no Option may be exercisable prior to the first anniversary of the Date of Grant and no shares of Company Common Stock shall vest under an Option prior to the first anniversary of the Date of Grant.

6.02 Purchase Price of Options. The per share Purchase Price of each share of Company Common Stock which may be purchased upon exercise of any Option granted under the Plan may never be less than the Fair Market Value of such shares on the Date of Grant, provided, however, that in the case of an Incentive Stock Option granted to a Participant who at the time of the grant owns (as defined in Section 424(d) of the Code) stock in the Company or a Subsidiary of the Company possessing more than ten percent (10%) of the total combined voting power of all classes of stock of any such entity (a "10% Stockholder"), the Purchase Price must be at least one hundred and ten percent (110%) of the Fair Market Value of the Company Common Stock on the Date of Grant.

6.03 Designation of Incentive Stock Options. If the Administrator designates, at the Date of Grant, that the Option is an Incentive Stock Option under Section 422 of the Code, the following additional provisions apply.

(a) **Incentive Stock Option Share Limitation.** No Participant may be granted Incentive Stock Options under the Plan (or any other plans of the Company) which would result in stock with an aggregate Fair Market Value (measured on the Date of Grant) of more than \$100,000 first becoming exercisable in any one calendar year, or which would entitle such Participant to purchase a number of shares greater than the maximum number permitted by Section 422 of the Code as in effect on the Date of Grant. If the aggregate Fair Market Value (determined at the Date of Grant) of the shares subject to the Option, which first becomes exercisable in any calendar year and during this period exceeds the limitation of this subsection, so much of the Option that does not exceed the applicable dollar limit will be designated as an Incentive Stock Option and the remainder will be designated as a Non-Qualified Stock Option, but in all other aspects the Award Agreement will remain in full force and effect.

(b) **Other Incentive Stock Option Terms.** Whenever possible, each provision in the Plan and in every Option granted under this Plan which is designated by the Administrator as an Incentive Stock Option will be interpreted in such a manner as to entitle the Option to the tax treatment afforded by Section 422 of the Code. If any provision of this Plan or any Option designated by the Administrator as an Incentive Stock Option does not to comply with requirements necessary to entitle such Option to such tax treatment, then (i) such provision shall be deemed to have contained from the outset such language as is necessary to entitle the Option to the tax treatment afforded under Section 422 of the Code, and (ii) all other provisions of this Plan and the Award Agreement will remain in full force and effect. If any Award Agreement covering an Option designated by the Administrator to be an Incentive Stock Option under this Plan does not explicitly include any terms required to entitle such Incentive Stock Option to the tax treatment afforded by Section 422 of the Code, all such terms shall be deemed implicit in the designation of such Option and the Option shall be deemed to have been granted subject to all such terms.

6.04 **Rights as a Stockholder.** The Participant or any transferee of an Option pursuant to Section 8.02 or Section 11.05 shall have none of the rights of a stockholder with respect to any shares of Company Common Stock covered by an Option until the Participant or transferee is the holder of record of any such shares, and no adjustment shall be made for dividends and cash or other property or distributions or other rights for which the record date is prior to the date the Participant is the holder of record.

Article VII.

Stock Appreciation Rights

7.01 **Power to Grant Stock Appreciation Rights.** The Administrator is authorized to grant to any Participant a Stock Appreciation Right that entitles the Participant to receive, upon exercise thereof, a payment from the Company, payable as provided in Section 7.04, of an amount equal to the Incremental Value of the Stock Appreciation Rights. The Incremental Value of a single share of Company Common Stock is an amount equal to the remainder derived from subtracting (i) the Exercise Price for the right established in the Award Agreement from (ii) the

Fair Market Value of a share of Company Common Stock on the date of exercise. The terms of any Stock Appreciation Right granted under the Plan, including the Exercise Price which may never be less than the Fair Market Value of the underlying share of Company Common Stock on the Date of Grant, will be set forth in an Award Agreement. Notwithstanding any other provision of the Plan, any Stock Appreciation Right awarded to an individual who is then subject to Section 16 of the Exchange Act must comply with the exemption requirements of Rule 16b-3.

7.02 Tandem Stock Appreciation Rights. The Administrator may grant to any Participant a Stock Appreciation Right covering any share of Company Common Stock which is, at the Date of Grant, also covered by an Option granted to the same Participant, either prior to or simultaneously with the grant to such Participant of the Stock Appreciation Rights, provided: (i) any Option covering any share of Company Common Stock shall expire and not be exercisable upon the exercise of any Stock Appreciation Rights with respect to the same share; (ii) any Stock Appreciation Rights covering any share of Company Common Stock shall not be exercisable upon the exercise of any related Option with respect to the same share; and (iii) an Option and Stock Appreciation Rights covering the same share of Company Common Stock may not be exercised simultaneously.

7.03 Exercise Price. In the case of a tandem Stock Appreciation Right, the Exercise Price established under any Stock Appreciation Right, as determined by the Administrator and set forth in the Award Agreement, may not be less than the Purchase Price of the related Option. Upon exercise of a tandem Stock Appreciation Right, the number of shares subject to exercise under a related Option will automatically be reduced by the number of shares of Company Common Stock represented by the Option or portion thereof which is surrendered as a result of the exercise of such Stock Appreciation Right.

7.04 Payment of Incremental Value. Any payment which may become due from the Company by reason of Participant's exercise of a Stock Appreciation Right may be paid to the Participant as determined by the Administrator (i) all in cash, (ii) all in Company Common Stock, or (iii) in any combination of cash and Company Common Stock. In the event that all or a portion of the payment is made in Company Common Stock, the number of shares of the Company Common Stock delivered in satisfaction of such payment will be determined by dividing the amount of the payment by the Fair Market Value on the date of exercise. The Administrator may determine whether payment upon exercise of a Stock Appreciation Right will be made in cash or in stock, or a combination thereof, upon or at any time prior to the exercise of such Stock Appreciation Right. No fractional share of Company Common Stock will be issued to make any payment; if any fractional shares would be issuable, the mix of cash and Company Common Stock payable to the Participant will be adjusted as directed by the Administrator to avoid the issuance of any fractional share.

Article VIII.

Terms of Options and Stock Appreciation Rights

8.01 Duration of Options and Stock Appreciation Rights. Options and Stock Appreciation Rights shall terminate after the first to occur of the following events:

- (a) Expiration Date of the Award as provided in the Award Agreement; or
- (b) Termination of the Award as provided in Section 8.02; or
- (c) In the case of an Incentive Stock Option, the tenth (10th) anniversary of the Date of Grant, unless the Participant is a 10% Stockholder in which case on the fifth (5th) anniversary of the Date of Grant; or
- (d) Solely in the case of tandem Stock Appreciation Rights, upon the Expiration Date of the related Option.

8.02 Exercise on Death or Separation from Service.

- (a) Unless otherwise provided in the Award Agreement, in the event of the death, disability or retirement of a Participant while an employee of the Company or a Subsidiary of the Company, the right to exercise all unexpired Awards shall be accelerated and shall vest as of the date of death, disability or retirement (as applicable), and, except as provided in Section 8.02(c) below, the Participant's Awards may be exercised by the Participant or his Beneficiary at any time within one year after the date of the Participant's death, disability or retirement, as applicable.
- (b) Unless otherwise provided in the Award Agreement, in the event of Participant's Separation from Service at any time for any reason other than death, disability, retirement or for Cause, an Award may be exercised, but only to the extent it was otherwise exercisable, on the date of Separation from Service, within ninety days after the date of Separation from Service. In the event of the death of the Participant within the ninety-day period following Separation from Service, his Award may be exercised by his Beneficiary within the one-year period provided in subparagraph 8.02(a) above.
- (c) With respect to an Award which is intended to constitute an Incentive Stock Option, upon Separation from Service, such Award shall be exercisable as provided in Section 422 of the Code.
- (d) In the event that a Participant's Separation from Service is for Cause, the Participant's Award Agreements and underlying Awards will terminate immediately upon Separation from Service.

8.03 Acceleration of Exercise Time. The Administrator, in its sole discretion shall have the right (but shall not in any case be obligated) to permit purchase of shares of Company Common Stock under any Award prior to the time such Award would otherwise become exercisable under the terms of the Award Agreement; provided, however, that an Award shall not be exercisable prior to the first anniversary of the Date of Grant except in the case of the Participant's death, disability or retirement or in connection with a Change of Control Event.

8.04 Extension of Exercise Time. The Administrator, in its sole discretion, shall have the right (but shall not in any case be obligated) to permit any Award granted under this Plan to be exercised after its Expiration Date or after the period set forth in Section 8.02, subject, however, to the limitations described in Section 8.01 (c) and (d).

8.05 Prohibited Modification or Extension of Options. Notwithstanding any provision of the Plan or any Award Agreement to the contrary, no Option may be modified, extended or renewed if such modification, extension or renewal would be considered as the granting of a new Option. Thus, an Option that is designated as an Incentive Stock Option may only be modified, extended, or renewed in compliance with section 424(h) of the Code and the related Treasury regulations under section 1.424-1(e), and an Option that is designated as a Non-Qualified Stock Option or a Performance-Based Option may only be modified, extended, or substituted in compliance with Treasury regulations under section 1.409A-1(b)(5)(v).

8.06 Conditions for Exercise. An Award Agreement may contain such waiting periods, exercise dates and restrictions on exercise (including, but not limited to, periodic installments which may be cumulative) as may be determined by the Administrator at the Date of Grant.

8.07 Change of Control Event. Unless otherwise provided in the Award Agreement, and subject to such other terms and conditions as the Administrator may establish in the Award Agreement, upon the occurrence of a Change of Control Event, irrespective of whether or not an Award is then exercisable, all outstanding Options shall automatically become fully vested and exercisable and all restrictions applicable to any other Award shall lapse and be of no further force or effect.

8.08 Exercise Procedures.

(a) An Option that is exercisable may be exercised, prior to the Expiration Date of the Award, by the Participant's delivery to the Officer designed in the Award Agreement of written notice of exercise on any business day, at the Company's principal office, on the form specified by the Administrator. Such notice must specify the number of shares with respect to which the Option is being exercised and must be accompanied by payment in full of the Purchase Price of the shares of Company Common Stock for which the Option is being exercised plus the amount (if any) of federal and/or other taxes which the Company may, in its judgment, be required to withhold with respect to the Option (or portion thereof) being exercised.

(b) Notwithstanding the prior provision, the Administrator may (but need not) permit payment to be made by delivery to the Company of either (i) shares of Company Common Stock (including shares issuable to the Participant pursuant to the exercise of the Option), (ii) any combination of cash and shares of Company Common Stock, or (iii) such other consideration as the Administrator deems appropriate and in compliance with applicable law (including payment in accordance with a cashless exercise program under which, if so instructed by the Participant, shares of Company Common Stock may be issued directly to the Participant's broker or dealer upon receipt of the Purchase Price in cash from the broker or dealer.) In the event that any Company Common Stock shall be transferred to the Company to satisfy all or any part of the Purchase Price, the part of the Purchase Price deemed to have been satisfied by such transfer of Company Common Stock shall be equal to the product derived by multiplying the Fair Market Value as of the date of exercise times the number of shares transferred. The Participant may not transfer to the Company in satisfaction of the Purchase Price (y) a number of shares which when multiplied times the Fair Market Value as of the date of exercise would result in a product greater than the Purchase Price or (z) any fractional share of Company Common Stock. Any part of the Purchase Price paid in cash upon the exercise of any Option shall be added to the general funds of the Company and used for any proper corporate purpose. Unless the Administrator shall otherwise determine, any Company Common Stock transferred to the Company as payment of all or part of the Purchase Price upon the exercise of any Option shall be held as treasury shares.

(c) A Stock Appreciation Right that is exercisable may be exercised, prior to the Expiration Date of the Award, by the Participant's delivery to the Officer designed in the Award Agreement of written notice of exercise on any business day, at the Company's principal office, on the form specified by the Administrator. The Administrator will determine whether the appreciation in a Stock Appreciation Right will be paid in the form of cash, shares of Company Common Stock or a combination of the two, in such proportion as the Administrator deems appropriate. For purposes of calculating the number of shares of Company Common Stock to be issued to the Participant, shares of Company Common Stock will be valued at their Fair Market Value on the date of exercise of the Stock Appreciation Right. If shares of Company Common Stock are issued to a Participant, cash will be paid in lieu of any fractional share.

(d) In the event that an Option or Stock Appreciation Right is being exercised by a Beneficiary, or any other person pursuant to Section 11.05, appropriate proof of the right of such person to exercise the Option or Stock Appreciation Right must be provided to the Company.

Article IX.

Restricted Share Awards

9.01 Power to Grant Restricted Share Right. The Administrator may grant to any Participant an Award of a Restricted Share Right entitling such Participant to receive shares of Company Common Stock ("Restricted Stock") in such quantity, and on such terms, conditions and restrictions (whether based on performance standards, periods of service or otherwise) as the

Administrator shall determine on or prior to the Date of Grant. The terms of any Award of Restricted Stock granted under the Plan shall be set forth in an Award Agreement.

9.02 Duration of Restricted Share Rights. During a period established by the Administrator and set forth in a Participant's Award Agreement, (the "Restriction Period") the Participant will not be permitted to sell, assign, transfer, pledge or otherwise encumber or dispose of any shares Restricted Stock. Subject to Section 8.07, a Restriction Period will commence on the Date of Grant and will not expire prior to the first (1st) anniversary of the Date of Grant. Any attempt to dispose of Restricted Stock in a manner contrary to the restrictions set forth in the Plan or an Award Agreement will be ineffective.

9.03 Forfeiture of Restricted Share Rights. Subject to Section 9.05, an Award of a Restricted Share Right will terminate and any unvested shares will be forfeited unless the Participant (a) remains employed by the Company or a Subsidiary until the expiration of the Restriction Period, and (b) satisfies any other conditions set forth in the Award Agreement. If the Award Agreement so provides, in the case of the Participant's death, disability or retirement prior to the expiration of the Restriction Period, any Restricted Stock will immediately vest and any restrictions will lapse as of the date of the Participant's death, disability or retirement.

9.04 Delivery of Shares upon Vesting. Upon the lapse of the restrictions established in the Award Agreement, the Participant shall be entitled to receive, without payment of any cash or other consideration, certificates for the number of shares of Company Common Stock covered by the Award.

9.05 Waiver or Modification of Forfeiture Provisions. The Administrator has full power and authority to modify or waive any or all terms, conditions or restrictions (other than the minimum Restriction Period set forth in Section 9.02) applicable to any Restricted Share Right granted to a Participant under the Plan; provided, that, no modification shall, without consent of the Participant, adversely affect the Participant's rights thereunder and no modification shall reduce the employment requirement to less than one (1) year, except in the case of the Participant's death, disability or retirement or a Change of Control Event.

9.06 Rights as a Stockholder. Unless otherwise provided in the Award Agreement, no person shall have any rights as a stockholder with respect to any shares subject to Restricted Share Rights until such time as the person shall have been issued a certificate for such shares.

Article X.

Other Stock Based Awards

10.01 Grant of Other Awards. Other Awards of shares of Company Common Stock or other securities of the Company and other Awards that are valued in whole or in part by reference to, or are otherwise based on, Company Common Stock ("Other Awards") may be granted either alone or in addition to or in conjunction with Options or Stock Appreciation Rights under the Plan. Subject to the provisions of the Plan, the Administrator shall have the sole and complete authority to determine the persons to whom and the time or times at which Other Awards shall be made, the number of shares of Company Common Stock or other

securities, if any, to be granted pursuant to such Other Awards, and all other conditions of such Other Awards. Any Other Award shall be confirmed by an Award Agreement executed by the Administrator and the Participant, which agreement shall contain such provisions as the Administrator determines to be necessary or appropriate to carry out the intent of this Plan with respect to the Other Award.

10.02 Terms of Other Awards. In addition to the terms and conditions specified in the Award Agreement, Other Awards made pursuant to this Article X shall be subject to the following:

- (a) Any shares of Company Common Stock subject to such Other Awards may not be sold, assigned, transferred or otherwise encumbered prior to the date on which the shares are issued, or, if later, the date on which any applicable restriction, performance or deferral period lapses; and
- (b) If specified by the Administrator and the Award Agreement, the recipient of an Other Award shall be entitled to receive, currently or on a deferred basis, interest or dividends or dividend equivalents with respect to the Company Common Stock or other securities covered by the Other Award; and
- (c) The Award Agreement with respect to any Other Award shall contain provisions providing for the disposition of such Other Award in the event of Separation from Service prior to the exercise, realization or payment of such Other Award, with such provisions to take account of the specific nature and purpose of the Other Award.

Article XI.

Terms Applicable to All Awards

11.01 Award Agreement. The grant and the terms and conditions of the Award shall be set forth in an Award Agreement between the Company and the Participant. No person shall have any rights under any Award granted under the Plan unless and until the Administrator and the Participant to whom the Award is granted have executed and delivered an Award Agreement expressly granting the Award to such person and setting forth the terms of the Award.

11.02 Plan Provisions Control Award Terms. The terms of the Plan shall govern all Awards granted under the Plan, and in no event shall the Administrator have the power to grant any Award under the Plan which is contrary to any of the provisions of the Plan. In the event any provision of any Award granted under the Plan conflicts with any term in the Plan as constituted on the Date of Grant of such Award, the term in the Plan as constituted on the Date of Grant of such Award shall control.

11.03 Modification of Award After Grant. Except as provided in Section 4.03, the terms of any Award granted under the Plan may not be changed after the granting of such Award without the express written approval of the Participant and the Administrator. No modification may be made to an Award granted to an Officer except in compliance with Rule 16b-3. No

modification to the terms of an Award may result in the direct or indirect reduction in the Purchase Price or the Exercise Price of the stock right below the Fair Market Value of the shares on the Date of Grant.

11.04 Taxes. The Company is entitled to withhold (or secure payment from the Participant in lieu of withholding) the amount sufficient to satisfy any federal, state and local withholding tax requirements with respect to any amount payable and/or shares issuable under a Participant's Award, or with respect to any income recognized upon a disqualifying disposition of shares received pursuant to the exercise of an Incentive Stock Option, and the Company may defer payment or issuance of the cash or stock upon exercise or vesting of an Award unless indemnified to its satisfaction against any liability for such tax. The amount of such withholding or tax payment shall be determined by the Administrator (the Participant shall provide to the Company such information as the Company may require to determine the amounts) and, unless otherwise provided by the Administrator, will be payable by the Participant at the time of issuance or payment in accordance with the following rules:

(a) A Participant shall have the right to elect to meet his or her withholding requirement by: (1) having the Company withhold from such Award the appropriate number of shares of Company Common Stock, rounded out to the next whole number, the Fair Market Value of which is equal to such amount, or, in the case of the cash payment, the amount of cash, as is determined by the Company to be sufficient to satisfy applicable tax withholding requirements; or (2) direct payment to the Company in cash of the amount of any taxes required to be withheld with respect to such Award.

(b) In the event that an Award or property received upon exercise of an Award has already been transferred to the Participant on the date upon which withholding requirements apply, the Participant shall pay directly to the Company the cash amount determined by the Company to be sufficient to satisfy applicable federal, state or local withholding requirements.

(c) If permitted under applicable federal income tax laws, a Participant may elect to be taxed in the year in which an Award is exercised or received, even if it would not otherwise have become taxable to the Participant. If the Participant makes such an election, the Participant shall promptly notify the Company in writing and shall provide the Company with a copy of the executed election form as filed with the Internal Revenue Service no later than thirty days from the date of exercise or receipt of Restricted Stock. Promptly following such notification, the Participant shall pay directly to the Company the cash amount determined by the Company to be sufficient to satisfy applicable federal, state or local withholding tax requirements.

11.05 Limitations on Transfer. Except as otherwise provided in this Section 11.05, a Participant's rights and interest under the Plan may not be assigned or transferred other than by will or the laws of descent and distribution. During the lifetime of a Participant, only the Participant personally (or the Participant's personal representative or attorney-in-fact) may exercise the Participant's rights under the Plan. The Participant's Beneficiary may exercise a Participant's rights to the extent they are exercisable under the Plan following the death of the

Participant. Notwithstanding the foregoing, or any other provision of this Plan, a Participant who holds Non-Qualified Stock Options may transfer such Options to his or her spouse, lineal ascendants, lineal descendants, or to a duly established trust for the benefit of one or more of these individuals. Options so transferred may thereafter be transferred only to the Participant who originally received the Options or to an individual or trust to whom the Participant could have initially transferred the Option pursuant to this Section 11.05. Options which are transferred pursuant to this Section 11.05 shall be exercisable by the transferee according to the same terms and conditions as applied to the Participant.

11.06 General Restriction. Notwithstanding anything to the contrary herein, the Company shall have no obligation or liability to deliver any shares of Company Common Stock under the Plan or to make any other distribution of benefits under the Plan unless such delivery or distribution would comply with all applicable laws, rules and regulations, including, without limitation, the Securities Act of 1933, as amended, the Exchange Act, the rules and regulations of the New York Stock Exchange and Section 409A of the Code.

11.07 Surrender of Awards. Any Award granted under the Plan may be surrendered to the Company for cancellation on such terms as the Administrator and Participant approve; provided, however, that the Administrator may not, without stockholder approval, permit the exchange or surrender of Awards, whether for cash or other Awards, that would directly or indirectly reprice the surrendered Award. Notwithstanding anything to the contrary contained in the Plan, the Administrator may not, without stockholder approval, grant new Awards to a Participant with Exercise Prices or Purchase Prices, as the case may be, lower than the Exercise Prices or Purchase Prices, as the case may be, of current Awards held by such Participant on the condition that such Participant surrender such current Awards to the Company.

11.08 Maximum Awards. The maximum number of shares of Company Common Stock granted to any employee that is a "covered employee" (within the meaning of Section 162(m) of the Code) under the Plan each year is 200,000 shares of Company Common Stock (subject to adjustment as provided in Section 4.03) or \$5,000,000 in the case of Awards settled in cash.

Article XII.

General Provisions

12.01 Amendment and Termination of Plan.

(a) Amendment. The Board shall have complete power and authority to amend the Plan at any time and to add any other stock based Award or other incentive compensation programs to the Plan as it deems necessary or appropriate and no approval by the stockholders of the Company or by any other person, committee or entity of any kind shall be required to make any amendment; provided, however, that the Board shall not, without the requisite affirmative approval of stockholders of the Company: (i) make any amendment which requires stockholder approval under any applicable law, including Rule 16b-3 or the Code or which, unless approved by the requisite affirmative approval

of stockholders of the Company, would cause, result in or give rise to “applicable employee remuneration” within the meaning of Section 162(m) of the Code with respect to any Performance-Based Option; (ii) reduce the Purchase Price or Exercise Price of any outstanding Option or Stock Appreciation Right; (iii) except as otherwise provided in Section 4.03, cancel any outstanding Option or Stock Appreciation Right in exchange for, or replace any outstanding Option or Stock Appreciation Right with, cash, another Award or any other consideration from the Company; and/or (iv) take any other action that is treated as a repricing under generally accepted accounting principles. No termination or amendment of the Plan may, without the consent of the Participant to whom any Award shall theretofore have been granted under the Plan, adversely affect the right of such individual under such Award. For the purposes of this section, an amendment to the Plan shall be deemed to have the affirmative approval of the stockholders of the Company if such amendment shall have been submitted for a vote by the stockholders at a duly called meeting of such stockholders at which a quorum was present and the majority of votes cast with respect to such amendment at such meeting shall have been cast in favor of such amendment, or if the holders of outstanding stock having not less than a majority of the outstanding shares consent to such amendment in writing in the manner provided under the Company’s bylaws.

(b) Termination. The Board shall have the right and the power to terminate the Plan at any time. If the Plan is not earlier terminated, the Plan shall terminate when all shares authorized under the Plan have been issued. No Award shall be granted under the Plan after the termination of the Plan, but the termination of the Plan shall not have any other effect and any Award outstanding at the time of the termination of the Plan may be exercised after termination of the Plan at any time prior to the Expiration Date of such Award to the same extent such Award would have been exercisable if the Plan had not been terminated.

12.02 No Right To Employment. No employee or other person shall have any claim or right to be granted an Award under this Plan. Neither the Plan nor any action taken hereunder shall be construed as giving any employee any right to be retained in the employ of the Company or a Subsidiary of the Company.

12.03 Compliance with Rule 16b 3. It is intended that the Plan be applied and administered in compliance with Rule 16b 3. If any provision of the Plan would be in violation of Rule 16b 3 if applied as written, such provision shall not have effect as written and shall be given effect so as to comply with Rule 16b 3, as determined by the Administrator. The Board is authorized to amend the Plan and to make any such modifications to Award Agreements to comply with Rule 16b 3, as it may be amended from time to time, and to make any other such amendments or modifications as it deems necessary or appropriate to better accomplish the purposes of the Plan in light of any amendments made to Rule 16b 3.

12.04 Securities Law Restrictions. The shares of Company Common Stock issuable pursuant to the terms of any Awards granted under the Plan may not be issued by the Company without registration or qualification of such shares under the Securities Act of 1933, as amended, or under various state securities laws or without an exemption from such registration

requirements. Unless the shares to be issued under the Plan have been registered and/or qualified as appropriate, the Company shall be under no obligation to issue shares of Company Common Stock upon exercise of an Award unless and until such time as there is an appropriate exemption available from the registration or qualification requirements of federal or state law as determined by the Administrator in its sole discretion. The Administrator may require any person who is granted an Award hereunder to represent and agree with the Company in writing that if such shares are issuable under an exemption from registration requirements, the shares will be “restricted” securities which may be resold only in compliance with applicable securities laws, and that such person is acquiring the shares issued upon exercise of the Award for investment, and not with the view toward distribution.

12.05 Captions. The captions (i.e., all section headings) used in the Plan are for convenience only, do not constitute a part of the Plan, and shall not be deemed to limit, characterize or affect in any way any provisions of the Plan, and all provisions of the Plan shall be construed as if no captions have been used in the Plan.

12.06 Severability. Whenever possible, each provision in the Plan and every Award Agreement shall be interpreted in such a manner as to be effective and valid under applicable law, but if any provision of the Plan or any Award Agreement is held to be prohibited or invalid under applicable law, then (a) such provision shall be deemed amended to accomplish the objectives of the provision as originally written to the fullest extent permitted by law, and (b) all other provisions of the Plan and every Award Agreement shall remain in full force and effect.

12.07 No Strict Construction. No rule of strict construction shall be implied against the Company, the Administrator, or any other person in the interpretation of any of the terms of the Plan, any Award granted under the Plan or any rule or procedure established by the Administrator.

12.08 Choice of Law. All determinations made and actions taken pursuant to the Plan shall be governed by the laws of Michigan and construed in accordance therewith except to the extent such law is preempted by federal law.

12.09 Section 409A of the Code.

(a) Awards granted under the Plan are intended to be exempt from Section 409A of the Code. To the extent that the Plan or any Award is not exempt from the requirements of Section 409A, the Plan or such Award is intended to comply with the requirements of Section 409A and shall be limited, construed and interpreted in accordance with such intent. Notwithstanding the foregoing, in no event whatsoever shall the Company be liable for any additional tax, interest or penalty that may be imposed on a Participant by Section 409A or any damages for failing to comply with Section 409A.

(b) Notwithstanding anything in the Plan or in any Award Agreement to the contrary, to the extent that any amount or benefit that would constitute non-exempt “deferred compensation” for purposes of Section 409A would otherwise be payable or distributable, or a different form of payment (e.g., lump sum or installment) would be effected, under the Plan or any Award Agreement by reason of the occurrence

of a Change of Control Event or the Participant's disability or Separation from Service, such amount or benefit will not be payable or distributable to the Participant, and/or such different form of payment will not be effected, by reason of such circumstance unless the circumstances giving rise to such Change of Control Event, disability or Separation from Service meet the description or definition of "change in control event," "disability" or "separation from service," as applicable, set forth in Section 409A (without giving effect to any elective provisions that may be available under such definition). This provision does not prohibit the vesting of any Award upon a Change of Control Event, disability or Separation from Service. If this provision prevents the payment or distribution of any amount or benefit, or the application of a different form of payment of any amount or benefit, such payment or distribution shall be made at the time and in the form that would have applied absent the Change of Control Event, disability or Separation from Service, as applicable.

(c) If any one or more Awards granted under the Plan to a Participant could qualify for any separation pay exemption described in Treas. Reg. Section 1.409A-1(b)(9), but such Awards in the aggregate exceed the dollar limit permitted for the separation pay exemptions, the Administrator shall determine which Awards or portions thereof will be subject to such exemptions.

(d) Notwithstanding anything in the Plan or in any Award Agreement to the contrary, if any amount or benefit that would constitute non-exempt "deferred compensation" for purposes of Section 409A would otherwise be payable or distributable under this Plan or any Award Agreement by reason of a Participant's Separation from Service during a period in which the Participant is a "Specified Employee", then, subject to any permissible acceleration of payment by the Administrator under Treas. Reg. Section 1.409A-3(j)(4)(ii) (domestic relations order), (j)(4)(iii) (conflicts of interest), or (j)(4)(vi) (payment of employment taxes): (i) the amount of such non-exempt deferred compensation that would otherwise be payable during the six-month period immediately following the Participant's Separation from Service will be accumulated through and paid or provided on the first day of the seventh month following the Participant's Separation from Service (or, if the Participant dies during such period, within 30 days after the Participant's death); and (ii) the normal payment or distribution schedule for any remaining payments or distributions will resume at the end of such delay period.
