ITEM 5. OTHER EVENTS.

As previously reported in Current Reports on Form 8-K filed with the Securities and Exchange Commission (the "SEC"), certain holders of 12-3/4% Senior Notes due 2007 of Arch Wireless Communications, Inc. ("AWCI"), a wholly-owned subsidiary of Arch Wireless, Inc. (the "Registrant"), filed an involuntary petition against AWCI on November 9, 2001 under chapter 11 of the U.S. Bankruptcy Code (the "Bankruptcy Code") in United States Bankruptcy Court for the District of Massachusetts, Western Division (the "Bankruptcy Court"). On December 6, 2001, AWCI consented to the involuntary petition and the Bankruptcy Court entered an order for relief with respect to AWCI under chapter 11 of the Bankruptcy Code. Also on December 6, 2001, the Registrant and 19 of the Registrant's other wholly-owned, domestic subsidiaries filed voluntary petitions for relief under Chapter 11 of the Bankruptcy Code with the Bankruptcy Court. These cases are being jointly administered under the docket for Arch Wireless, Inc., et al., Case No. 01-47330-HJB. The Registrant and its domestic subsidiaries (collectively, the "Debtors") are operating their businesses and managing their property as debtors in possession under the Bankruptcy Code.

The Registrant reports its operating results and financial statements on a consolidated basis. These public reports are available through the SEC and other sources. However, under applicable bankruptcy law, the Registrant is now required to file periodically with the United States Trustee various materials,

including certain financial information on an unconsolidated basis. This information includes statements, schedules and monthly operating reports in forms prescribed by federal bankruptcy law and the United States Trustee's Office Region 1 Operating Guidelines and Reporting Requirements for Chapter 11 Cases (the "Guidelines"). Accordingly, on March 28, 2002, the Debtors filed with the United States Trustee the monthly operating reports and accompanying attachments for the month ended February 28, 2002 attached hereto as Exhibit 99.1.

The Registrant cautions that the monthly operating reports and accompanying attachments have been prepared for filing with the United States Trustee in accordance with the requirements of federal bankruptcy law and the Guidelines and have not been prepared in accordance with the rules and regulations of the SEC. While these materials accurately provide then-current information required under federal bankruptcy law and the Guidelines, they are nonetheless unconsolidated and unaudited, and are prepared in a format different from that used in the Registrant's consolidated financial statements filed with the SEC under the federal securities laws. Accordingly, the Registrant believes the substance and format of these materials do not allow meaningful comparison with the Registrant's regular publicly-disclosed consolidated financial statements. The materials filed with the United States Trustee are not prepared for the purpose of providing a basis for an investment decision relating to any securities of the Registrant or any of its subsidiaries, or for comparison with the other financial information filed by the Registrant or its subsidiaries with the SEC.

The Registrant cautions that the financial information included in the monthly operating reports has been prepared by management of the Debtors without audit or review by independent accountants, who do not express an opinion thereon. The results of operations for the periods presented in the monthly operating reports are not necessarily indicative of the results that may be expected for a full year. This financial information is subject to adjustments

related to the Debtors' filing for protection under the Bankruptcy Code on December 6, 2001, and these adjustments could be material. This financial information should be read in conjunction with the consolidated financial statements and accompanying notes included in the Annual Report on Form 10-K of the Registrant for the year ended December 31, 2001 and the Registrant's other periodic reports filed with the SEC from time to time, including without limitation the Debtors' Joint Plan of Reorganization, dated March 8, 2002, and the Debtors' Disclosure Statement, dated March 8, 2002, both of which have been filed with the SEC.
