| 1. To approve the election of the following individuals as directors:
Terry C. Matlack

Common Stockholders and Preferred Stockholders voting as a single class |

PROPOSAL ONE

ELECTION OF TWO DIRECTORS

The Board of Directors unanimously nominated Terry C. Matlack and Charles E. Heath, following recommendation by the nominating and governance committee, for election as directors at the annual meeting. If elected, Messrs. Matlack and Heath will serve for a term of three years and until their successors are duly elected and qualified. Each of these nominees is currently a director, has consented to be named in this proxy statement and has agreed to serve if elected. The Company has no reason to believe that either Mr. Matlack or Mr. Heath will be unavailable to serve.

The persons named on the accompanying proxy card intend to vote at the meeting (unless otherwise directed) FOR the election of Messrs. Matlack and Heath as directors of the Company. Currently the Company has five directors. In accordance with the Company's Articles of Incorporation, as amended, its Board of Directors is divided into three classes of approximately equal size. The terms of the directors of the different classes are staggered. The terms of John R. Graham and H. Kevin Birzer expire on the date of the 2007 annual meeting of stockholders and the term of Conrad S. Ciccotello expires at the annual meeting of stockholders in 2008. If Mr. Matlack and Mr. Heath are elected at the 2006 annual meeting, their terms will expire on the date of the 2009 annual meeting of stockholders. Pursuant to the terms of the Company's preferred shares, the preferred stockholders have the exclusive right to elect two directors to the board. The board has designated Mr. Matlack and Mr. Graham as the directors the preferred stockholders shall have the right to elect.

On this proposal, the holders of preferred shares of the Company will have the exclusive right, voting as a class, to vote on the election of Mr. Matlack, and will vote together with the holders of common shares as a single class on the election of Mr. Heath. The holders of common shares will have no right to vote on the election of Mr. Matlack. In accordance with the Company's Amended

Edgar Filing: TORTOISE ENERGY INFRASTRUCTURE CORP - Form DEF 14A

and Restated Bylaws ("Bylaws"), each share may be voted for as many individuals as there are directors to be elected and for whose election the share is entitled to vote. The holders of preferred shares are entitled to vote each share on the election of each of the two directors, while the holders of common shares are entitled to vote each share on the election of one director. The Company's directors are elected by a plurality of the votes cast at the meeting. Where, as here, there are two vacancies for director, the two nominees with the highest number of affirmative votes, regardless of the votes withheld for those candidates, will be elected. Thus, abstentions, withheld votes and broker non-votes, if any, will not be counted towards a nominee's achievement of a plurality. Stockholders do not have cumulative voting rights.

2

If elected, Mr. Matlack and Mr. Heath will hold office until the 2009 annual meeting of stockholders and until their successors are duly elected and qualified. If either Mr. Matlack or Mr. Heath is unable to serve because of an event not now anticipated, the persons named as proxies may vote for one or more other persons designated by the Board of Directors.

The following table sets forth each Board member's name, age and address; position(s) with the Company and length of time served; principal occupation during the past five years; the number of portfolios in the Fund Complex that each Board member oversees; and other public company directorships held by each Board member. Committees of the Board of Directors. The Company's Board of Directors currently has four standing committees:

Executive Committee. Messrs. Birzer and Matlack are members of the executive committee. The executive committee has authority to exercise the powers of the Board (i) where assembling the full Board in a timely manner is impracticable, (ii) to address emergency matters, or (iii) to address matters of an administrative or ministerial nature. Messrs. Birzer and Matlack are "interested persons" of the Company as defined by Section 2(a)(19) of the 1940 Act.

Audit Committee. Messrs. Ciccotello, Heath and Graham serve on the audit committee. The audit committee was established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and operates under a written charter adopted and approved by the Board, which was attached to the Company's definitive proxy statement for its 2005 annual shareholders meeting. The audit committee approves and recommends to the Board the election, retention or termination of independent auditors; approves services to be rendered by the auditors; monitors the auditors' performance; reviews the results of the Company's audit; determines whether to recommend to the Board that the Company's audited financial statements be included in the Company's Annual Report; and responds to other matters as outlined in the Audit Committee Charter. Each audit committee member is "independent" as defined under the applicable New York Stock Exchange listing standards.

Nominating and Governance Committee. Messrs. Ciccotello, Heath and Graham serve on the nominating and governance committee (formerly the Nominating Committee), none of whom are "interested persons" of the Company as defined in the 1940 Act. Each nominating and governance committee member is "independent" as defined under the New York Stock Exchange listing standards. The nominating and governance committee operates under a written charter adopted and approved by the Board, a current copy of which is available at www.tortoiseenergy.com. The nominating and governance committee: (i) identifies individuals qualified to become Board members and recommends to the Board the director nominees for the next annual meeting of stockholders and to fill any vacancies; (ii) monitors the structure and membership of Board committees; recommends to the Board director nominees for each committee; (iii) reviews issues and developments related to corporate governance issues and develops and recommends to the Board corporate governance guidelines and procedures, to the extent necessary or desirable; (iv) actively seeks individuals who meet the standards for directors set forth in the Company's Bylaws, who meet the requirements of any applicable laws or exchange requirements and who are otherwise qualified to become board members for recommendation to the Board; (v) has the sole authority to retain and terminate any search firm used to identify director candidates and to approve the search firm's fees and other retention terms, though it has yet to exercise such authority; and (vi) may not delegate its authority. The nominating and governance committee will consider stockholder recommendations for nominees for membership to the Board so long as such recommendations are made in accordance with the Company's Bylaws. Nominees recommended by stockholders in compliance with the Bylaws of the Company will be evaluated on the same basis as other nominees considered by the nominating and governance committee. Stockholders should see "Stockholder Proposals and Nominations for the 2007 Annual Meeting" below for information relating to the submission by stockholders of nominees and matters for consideration at a meeting of the Company's stockholders. The Company's Bylaws require all directors and nominees for directors (1) to be at least 21 years of age and have substantial expertise, experience and relationships relevant to the business of the Company and (2) to have a master's degree in economics, finance, business administration or accounting, to have a graduate professional degree in law from an accredited university or college in the United States, or the equivalent degree from an equivalent institution of higher learning in another country, to have a certification as a public accountant in the United States, to be deemed an "audit committee financial expert" as such term is defined in item 401 of Regulation S-K as promulgated by the SEC, or to be a current director of the Company. The nominating and governance committee has the sole discretion to determine if an individual satisfies the foregoing qualifications.

Compliance Committee. This committee was formed in December 2005. Messrs. Ciccotello, Heath and Graham serve on the compliance committee. Each compliance committee member is "independent" as defined under the New York Stock Exchange listing standards, and none are "interested persons" of the Company as defined in the 1940 Act. The compliance committee operates under a written charter adopted and approved by the Board. The compliance committee reviews and assesses management's compliance with applicable securities laws, rules and regulations; monitors compliance with the Company's Code of Ethics; and handles other matters as the Board or committee chair deems appropriate.

The Board does not currently have a standing compensation committee. The New York Stock Exchange does not require boards of directors of closed-end funds to have a standing compensation committee.

The following table shows the number of Board and committee meetings held during the fiscal year ended November 30, 2005:

PROPOSAL TWO

**RATIFICATION OF SELECTION OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Board of Directors recommends that the stockholders of the Company ratify the selection of Ernst & Young LLP ("E&Y") as the independent registered public accounting firm to audit the accounts of the Company for the fiscal year ending November 30, 2006. E&Y's selection was approved by the audit committee at a meeting held on January 17, 2006. Their selection also was ratified and approved by the vote, cast in person, of a majority of the directors of the Company, including a majority of the directors who are not "interested persons" of the Company within the meaning of the 1940 Act, and who are "independent" as defined in the New York Stock Exchange listing standards, at a meeting held on January 17, 2006.

The persons named in the accompanying proxy card intend to vote at the meeting (unless otherwise directed) FOR the ratification of E&Y as the Company's independent registered public accounting firm. E&Y has audited the accounts of the Company since prior to the Company's commencement of business in February 2004 and does not have any direct financial interest or any material indirect financial interest in the Company. A representative of E&Y is expected to be available at the meeting and to have the opportunity to make a statement and respond to appropriate questions from the stockholders. The audit committee of the Board of Directors meets each year with representatives of E&Y to discuss the scope of their engagement, review the financial statements of the Company and the results of their examination.

Required Vote. E&Y will be ratified as the Company's independent registered public accounting firm by the affirmative vote of a majority of all shares cast at the meeting, in person or by proxy. Each common share and each preferred share is entitled to one vote on this proposal. For the purposes of the vote on this proposal, abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote.

AUDIT COMMITTEE REPORT

The audit committee of the Board of Directors of the Company reviews the Company's annual financial statements with both management and the independent auditors, and the committee meets periodically with the independent auditors to consider their evaluation of the Company's financial and internal controls.

The audit committee, in discharging its duties, has met with and has held discussions with management and the Company's independent auditors. The committee has reviewed and discussed the Company's audited financial statements for the fiscal year ended November 30, 2005 with management. Management has represented to the independent auditors that the Company's financial statements were prepared in accordance with U.S. generally accepted accounting principles.

The audit committee has also discussed with the independent auditors the matters required to be discussed by the Statement on Auditing Standards No. 61 (Communications with Audit Committees). The independent auditors provided to the committee the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the committee discussed with representatives of the independent auditors their firm's independence.

Based on the audit committee's review and discussions with management and the independent auditors, the representations of management and the reports of the independent auditors to the committee, the committee recommended that the Board include the audited financial statements in the Company's Annual Report for filing with the SEC.

The Audit Committee

Conrad S. Ciccotello (Chairman)
Charles E. Heath
John R. Graham

INDEPENDENT AUDITORS

On January 17, 2006, the Company's audit committee selected E&Y as the independent registered public accounting firm to audit the books and records of the Company for its fiscal year ending November 30, 2006. E&Y is registered with the Public Company Accounting Oversight Board.

INDEPENDENT AUDITOR FEES AND SERVICES

Audit Fees. For professional services rendered with respect to the audit of the Company's financial statements and the review of the Company's statutory and regulatory filings with the SEC for its fiscal periods ended November 30, 2005 and 2004, the Company paid E&Y fees in the approximate amount of \$237,000 and \$229,000, respectively.

Audit-Related Fees. For professional services rendered with respect to assurance related services in connection with the Company's compliance with its rating agency guidelines for its fiscal periods ended November 30, 2005 and 2004, the Company paid E&Y fees in the approximate amount of \$39,000 and \$46,000, respectively.

Tax Fees. For professional services for tax compliance, tax advice and tax planning for its fiscal periods ended November 30, 2005 and 2004, the Company paid to E&Y fees in the approximate amount of \$47,000 and \$58,000, respectively.

All Other Fees. The Company did not pay E&Y any fees for services other than those described above during either of its last two fiscal years.

Aggregate Non-Audit Fees. The Company paid E&Y an aggregate amount of \$86,000 and \$104,000, as listed above, for non-audit services provided to the Company for its fiscal periods ended November 30, 2005 and 2004, respectively.

The Advisor has not paid nor been billed for fees to E&Y for non-audit services rendered to the Advisor during the Company's last two fiscal years.

On July 15, 2004, the audit committee of the Company adopted pre-approval policies and procedures. Under these policies and procedures, the audit committee pre-approves (i) the selection of the Company's independent auditors, (ii) the engagement of the independent auditors to provide any non-audit services to the Company, (iii) the engagement of the independent auditors to provide any non-audit services to the Advisor or any entity controlling, controlled by, or under common control with the Advisor that provides ongoing services to the Company, if the engagement relates directly to the

operations and financial reporting of the Company, and (iv) the fees and other compensation to be paid to the independent auditors. The Chairman of the audit committee may grant the pre-approval of any engagement of the independent auditors for non-audit services of less than \$5,000, and such delegated pre-approvals will be presented to the full audit committee at its next meeting. Under certain limited circumstances, pre-approvals are not required under securities law regulations for certain non-audit services below certain *de minimus* thresholds. Since the adoption of these policies and procedures, the audit committee has pre-approved all audit and non-audit services provided by E&Y, and all non-audit services provided by E&Y for the Advisor, or any entity controlling, controlled by, or under common control with the Advisor that provides ongoing services to the Company, that are related to the operation of the Company. None of these services provided by E&Y were approved by the audit committee pursuant to the *de minimus* exception under Rule 2.01(c)(7)(i)(C) or Rule 2.01(c)(7)(ii) of Regulation S-X.

The audit committee of the Company has considered whether E&Y's provision of services (other than audit services) to the Company, the Advisor or any entity controlling, controlled by, or under common control with the Advisor that provides services to the Company is compatible with maintaining E&Y's independence in performing audit services.

OTHER MATTERS

Pursuant to the terms of an Advisory Agreement between the Company and the Advisor, dated February 23, 2004 (the "Advisory Agreement"), the Company pays to the Advisor quarterly, as compensation for the services rendered by the Advisor, a fee equal on an annual basis to 0.95% of the Company's average monthly Managed Assets. How Proxies Will Be Voted. All proxies solicited by the Board of Directors that are properly executed and received prior to the meeting, and that are not revoked, will be voted at the meeting. Shares represented by those proxies will be voted in accordance with the instructions marked on the proxy. If no

instructions are specified, shares will be counted as a vote FOR the proposals described in this proxy statement.

How To Vote. Complete, sign and date the enclosed proxy card and return it in the enclosed envelope.

Expenses and Solicitation of Proxies. The expenses of preparing, printing and mailing the enclosed proxy card, the accompanying notice and this proxy statement and all other costs, in connection with the solicitation of proxies will be borne by the Company. The Company may also reimburse banks, brokers and others for their reasonable expenses in forwarding proxy solicitation material to the beneficial owners of shares of the Company. In order to obtain the necessary quorum at the meeting, additional solicitation may be made by mail, telephone, telegraph, facsimile or personal interview by representatives of the Company, the Advisor, the Company's transfer agent, or by brokers or their representatives or by a solicitation firm that may be engaged by the Company to assist in proxy solicitations. If a proxy solicitor is retained by the Company, the costs associated with all proxy solicitation are not anticipated to exceed \$35,000. The Company will not pay any representatives of the Company or the Advisor any additional compensation for their efforts to supplement proxy solicitation.

Revoking a Proxy. At any time before it has been voted, you may revoke your proxy by: (1) sending a letter stating that you are revoking your proxy to the Secretary of the Company at the Company's offices located at 10801 Mastin Boulevard, Suite 222, Overland Park, Kansas 66210; (2) properly executing and sending a later-dated proxy; or (3) attending the meeting, requesting return of any previously delivered proxy, and voting in person.

Quorum. The presence, in person or by proxy, of the holders of preferred shares entitled to cast a majority of the votes in the election of Mr. Matlack shall constitute a quorum for such matter. The presence, in person or by proxy, of holders of shares entitled to cast a majority of the votes entitled to be cast (without regard to class) constitutes a quorum with respect to the election of Mr. Heath and the ratification of the selection of the independent registered public accounting firm. For purposes of determining the presence or absence of a quorum, shares present at the annual meeting that are not voted, or abstentions, and broker non-votes (which occur when a broker has not received directions from customers and does not have discretionary authority to vote the customers' shares) will be treated as shares that are present at the meeting but have not been voted.

If a quorum is not present in person or by proxy at the meeting, the chairman of the meeting or the stockholders entitled to vote at such meeting, present in person or by proxy, have the power to adjourn the meeting to a date not more than 120 days after the original record date without notice other than announcement at the meeting.
