Item 1.01 Entry into a Material Definitive Agreement.

As previously announced, Dot Hill Systems Corp. (Dot Hill) has been in negotiations with Ciprico Inc. (Ciprico) to purchase Ciprico s network-attached storage (NAS) and RAIDCore assets as well as certain additional contractual rights relating to the aforementioned assets (the Assets). Ciprico previously announced that on July 28, 2008, it filed a voluntary petition pursuant to Chapter 11 of Title 11 of the United States Code in the United States Bankruptcy Court for the District of Minnesota (the Bankruptcy Court).

In connection with these negotiations and in accordance with procedures established by the Bankruptcy Court, on August 29, 2008, Dot Hill and Ciprico entered into a debtor-in-possession loan (DIP Loan), pursuant to which Ciprico may borrow up to \$225,000 from Dot Hill in order to continue to operate. The DIP Loan

Table of Contents

requires Ciprico to pay Dot Hill a \$10,000 loan fee, is secured by a priming, first priority lien on all of Ciprico's assets, including the Assets, and carries an interest rate of 9%, with a default interest rate of 11%. The outside maturity date of the DIP Loan is October 31, 2008. Pursuant to the DIP Loan, Dot Hill loaned Ciprico \$150,000 on August 29, 2008. A final Bankruptcy Court hearing on the DIP Loan is currently scheduled for September 11, 2008, and, if the DIP Loan is approved, Ciprico could borrow up to an additional \$75,000. Any outstanding amounts under the DIP Loan as of the closing of the purchase of the Assets will be offset against the cash purchase price payable at such closing.
