- |_| Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))

(a) On March 19, 2008, the Audit Committee of the Board of Directors of First Federal of Northern Michigan Bancorp, Inc. (the "Company") determined that the interim financial statements at and for the three months ended March 31, 2007, at and for the three and six months ended June 30, 2007, and at and for the three and nine months ended September 30, 2007, as included in the Company's Quarterly Reports on Form 10-QSB for the quarters ended March 31, 2007, June 30, 2007 and September 30, 2007, respectively, should no longer be relied upon because of an error in such financial statements related to the Company's adoption in April 2007 of Statement of Financial Accounting Standards No. 159, "The Fair Value Option for Financial Assets and Liabilities" ("SFAS No. 159"). The Company has determined to restate such financial statements to reverse the adoption of SFAS 159.

The Company expects to file on March 26, 2008 amendments to its Quarterly Reports on Form 10-QSB for the quarters ended March 31, 2007, June 30, 2007 and September 30, 2007, which amendments will reflect such restatements. Details concerning such restatements, including a reconciliation of previously reported financial statements and the financial statements, as restated, will be contained in such amendments.

As a result of such restatements, the Company's net income (1) for the three months ended March 31, 2007 was adjusted from \$24,000 to \$22,000; (2) for the six months ended June 30, 2007 was adjusted from \$165,000 to a net loss of \$215,000; and (3) for the nine months ended September 30, 2007 was adjusted from \$67,000 to a net loss of \$239,000. Also as a result of such restatements, the Company's total stockholders' equity (1) at March 31, 2007 was adjusted from \$34.9 million to \$35.1 million; (2) at June 30, 2007 was adjusted from \$33.9 million to \$33.8 million; and (3) at September 30, 2007 was unchanged.

In addition, the following tables summarize the effect of the restatement adjustments on the Company's consolidated financial statements as of and for the periods indicated:
