At every meeting of the stockholders, all proxies shall be received and taken in charge of and all ballots shall be received and canvassed by the Secretary of the Corporation or the person acting as Secretary of the meeting before being voted, who shall decide all questions touching the qualification of voters, the validity of the proxies and the acceptance or rejection of votes, unless an inspector of election has been appointed by the Chairman of the meeting in which event such inspector of election shall decide all such

A proxy with respect to stock held in the name of two or more persons shall be valid if executed by one of them unless at or prior to exercise of such proxy the Corporation receives a specific written notice to the contrary from any one of them. A proxy purporting to be executed by or on behalf of a stockholder shall be deemed valid unless challenged at or prior to its exercise.

Section 9. Conduct of Stockholders' Meetings. The meetings of the stockholders shall be presided over by the President, or if he is not present, by the Chairman, or if he is not present, by any Vice President, or if none of them is present, then by any other officer of the Corporation appointed by the President

The Secretary of the Corporation, if present, shall act as a Secretary of such meeting, or if he is not present, an Assistant Secretary shall so act; if neither the Secretary nor any Assistant Secretary is present, then any such person appointed by the Secretary to act on his behalf shall act as the Secretary of such meeting.

Section 10. Action Without a Meeting. Any action to be taken by stockholders may be taken without a meeting to the fullest extent permitted by law.

Section 11. Stockholder Proposals.

(a) No business proposed by a stockholder to be considered at an annual meeting of stockholders shall be considered by the stockholders at that meeting unless no less than 90 days nor more than 120 days prior to the first anniversary date ("anniversary date") of the annual meeting for the preceding year, or, with respect to annual meetings not scheduled to be held

-6-

within a period that commences 30 days before the anniversary date and ends 30 days after the anniversary date, by the later of the close of business on the date 90 days prior to such meeting or 14 days following the date such meeting is first publicly announced or disclosed, the Secretary of the Corporation receives a written notice from the stockholder proposing a business matter to be considered at an annual meeting that sets forth the information required by Section 11(c) of this Article II.

(b) No business matter shall be considered at a special meeting of stockholders unless such matter is specifically listed as a purpose of the special meeting and listed as a matter proposed to be acted on at the special meeting pursuant to the Corporation's notice of meeting.

(i) In the event a special meeting is called at the request of stockholders, pursuant to Section 3 of this Article II, the written request shall be delivered to the Secretary of the Corporation, and shall state the business proposed by stockholders to be the purpose of the meeting and the matters proposed to be acted upon, and shall set forth the information required by Section 11(c) of this Article II.

(ii) In the event the Corporation calls a special meeting of stockholders for the purpose of electing one or more directors to the Board of Directors, any stockholder may nominate a person or persons (as the case may be) for election to such position(s) as specified in the Corporation's notice of meeting, if the stockholder delivers a written notice to the Secretary of the Corporation, which shall set forth the information required by Section 11(c) of this Article II, not later than the close of business 21 days following

-7-

the day on which the date of the special meeting and the nominees proposed by the Board of Directors to be elected at such meeting are publicly announced or disclosed.

(c) The written notice or written request to the Secretary of the Corporation, required to be provided pursuant to Section 11(a) or 11(b) of this Article II, shall include the following information: (1) the nature of the proposed business with reasonable particularity, including the exact text of any proposal to be presented for adoption, and the reasons for conducting that business at the meeting of stockholders, (2) with respect to each such stockholder, that stockholder's name and address (as they appear on the records of the Corporation), business address and telephone number, residence address

and telephone number, and the number of shares of each class of stock of the Corporation beneficially owned by that stockholder, (3) any interest of the stockholder in the proposed business, (4) the name or names of each person nominated by the stockholder to be elected or reelected as a director, if any, and (5) with respect to each nominee, that nominee's name, business address and telephone number, and residence address and telephone number, the number of shares, if any, of each class of stock of the Corporation owned directly and beneficially by that nominee, and all information relating to that nominee that is required to be disclosed in solicitations of proxies for elections of directors, or is otherwise required, pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended ("Exchange Act") (or any provisions of law subsequently replacing Regulation 14A), together with a notarized letter signed by the nominee stating his or her acceptance of the nomination by that stockholder, stating his or her intention to serve as director if elected, and consenting to being named as a nominee for director in any proxy statement relating to such election.

-8-

(d) The chairman of the annual or special meeting shall determine whether notice of matters proposed to be brought before a meeting has been duly given in the manner provided by this Section 11. If the facts warrant, the chairman shall declare to the meeting that business has not been properly brought before the meeting in accordance with the provisions of this Section 11, and, it, therefore, shall not be considered or transacted.

(e) The requirement of the Corporation to include in the Corporation's proxy statement a stockholder proposal shall be governed by Rule 14a-8 under the Exchange Act (or any provisions of law subsequently replacing Rule 14a-8) ("Rule 14a-8"). Accordingly, the deadline for including a stockholder proposal in the Corporation's proxy statement shall be governed by Rule 14a-8.

(f) The adjournment of an annual or special meeting, or any announcement thereof, shall not commence a new period for the giving of notice as provided in this Section 11.

(g) For purposes of this Section 11, a meeting date shall be deemed to have been "publicly announced or disclosed" if such date is disclosed in a press release disseminated by the Corporation to a national news service or contained in a document publicly filed by the Corporation with the Securities and Exchange Commission.

ARTICLE III

BOARD OF DIRECTORS

Section 1. Powers. Except as otherwise provided by law, by the Charter or by these By-Laws, the business and affairs of the Corporation shall be managed under the discretion of, and

-9-

all the powers of the Corporation shall be exercised by or under the authority of, its Board of Directors.

Section 2. Number and Term. The Board of Directors shall consist of no fewer than three, nor more than twenty Directors, as specified by resolution of the majority of the entire Board of Directors, provided that at least 40% of the entire Board of Directors shall be persons who are not interested persons of the

Edgar Filing: ABERDEEN COMMONWEALTH INCOME FUND INC - Form POS AMI

Corporation as defined in the Investment Company Act of 1940, as amended. The total number of Directors of the Corporation may be fixed only by a vote of the Board of Directors.

(a) Directors Elected by Common Stockholders. The Directors elected by common stockholders at the 1992 Annual Meeting of Shareholders shall be divided into three classes, as nearly equal in number as possible, and shall be designated as Class I, Class II, and Class III Directors, respectively. The Class I Directors to be originally elected for a term expiring at the annual meeting held in 1993, the Class II Directors to be originally elected for a term expiring at the annual meeting held in 1994 and the Class III Directors to be originally elected for a term expiring at the annual meeting held in 1995. After expiration of the terms of office specified for such Directors, the Directors of each class shall serve for terms of three (3) years, or, when filling a vacancy, for the unexpired portion of such term and until their successors are elected and have qualified.

(b) Directors Elected by Preferred Stockholders. At any meeting of stockholders of the Corporation at which Directors are to be elected, the holders of shares of preferred stock of all series, voting separately as a single class, shall be entitled to elect two members of the Board

-10-

of Directors, and the holders of common stock, voting separately as a single class, shall be entitled to elect the balance of the members of the Board of Directors.

If at any time dividends on any outstanding preferred stock of any series shall be unpaid in an amount equal to two full years' dividends, the number of Directors constituting the Board of Directors shall automatically be increased by the smallest number that, when added to the number of Directors then constituting the Board of Directors, shall together with the two Directors elected by the holders of preferred stock pursuant to the preceding paragraph, constitute a majority of such increased number; and at a special meeting of stockholders, which shall be called and held as soon as practicable, and at all subsequent meetings at which Directors are to be elected, the holders of preferred stock of all series voting separately as a single class shall be entitled to elect the smallest number of additional Directors of the Corporation who, together with the two Directors elected by the holders of preferred stock pursuant to the preceding paragraph, will constitute a majority of the total number of Directors of the Corporation so increased. If the Corporation thereafter shall pay, or declare and set apart for payment, in full all dividends accrued and payable on all outstanding shares of preferred stock of all series for all past dividend periods, the voting rights stated in this paragraph shall cease, and the terms of office of all additional Directors elected by the holders of preferred stock shall terminate automatically.

Section 3. Election. At the first annual meeting of stockholders and at each annual meeting thereafter, Directors to be elected by common shareholders and Directors to be elected by

-11-

preferred stockholders shall be elected by vote of the holders of a majority of the shares of each respective class of stock present in person or by proxy and entitled to vote thereon.

Section 4. Vacancies and Newly Created Directorships.

(a) Directors Elected by Common Stockholders. Any vacancy, by reason of death, resignation, removal or otherwise, in the office of any Director elected

Edgar Filing: ABERDEEN COMMONWEALTH INCOME FUND INC - Form POS AMI

by the holders of shares of common stock, or any vacancy resulting from an increase in the number of Directors elected by the holders of shares of common stock, may be filled solely by the affirmative vote of a majority of the remaining Directors (or Director) so elected, even if the remaining directors so elected do not constitute a quorum.

(b) Directors Elected by Preferred Stockholders. Any vacancy, by reason of death, resignation, removal or otherwise, in the office of any Director elected by the holders of shares of preferred stock, or (subject to the provisions of Section 2(b) of Article III) any vacancy resulting from an increase in the number of Directors elected by the holders of shares of preferred stock, may be filled solely by the remaining Directors (or Director) so elected, even if the remaining Directors so elected do not constitute a quorum; provided, however, if preferred stock of any series is issued and, at the time of such issuance, no existing Directors have been elected by preferred stockholders, then a majority of the Corporation's Directors, whether or not sufficient to constitute a quorum, may fill such vacancy or vacancies.

(c) Notwithstanding the foregoing, the provisions in (a) and (b) above, are contingent upon the condition that immediately after filling any such vacancy, at least two-thirds (2/3) of the

-12-

total Directors then holding office shall have been elected to such office by the stockholders of the Corporation. In the event that at any time, other than the time preceding the first annual stockholders' meeting, less than a majority of the total Directors of the Corporation holding office at that time were elected by the stockholders, a meeting of the stockholders shall be held promptly and in any event within 60 days for the purpose of electing Directors to fill any existing vacancies in the Board of Directors unless the Securities and Exchange Commission shall by order extend such period.

Section 5. Removal. At any meeting of stockholders duly called and at which a quorum is present, the stockholders of any class of stock may, by the affirmative vote of the holders of at least two-thirds (2/3) of the votes entitled to be cast thereon, remove for cause any Director or Directors of the class from office.

Section 6. Place of Meeting. The Directors may hold their meetings, have one or more offices, and keep the books of the Corporation, outside the State of Maryland, and within or without the United States of America, at any office or offices of the Corporation or at any other place as they may from time to time by resolution determine, or in the case of meetings, as they may from time to time by resolution determine or as shall be specified or fixed in the respective notices or waivers of notice thereof; provided, however, that Board meetings shall not be held in Australia.

Section 7. Annual and Regular Meetings. The annual meeting of the Board of Directors for choosing officers and transacting other proper business shall be the next regularly scheduled

-13-

Board Meeting following the annual stockholders' meeting, at such time and place as the Board may determine. The Board of Directors from time to time may provide by resolution for the holding of regular meetings and fix their time and place as the Board of Directors may determine. Notice of such annual and regular meetings need not be in writing, provided that notice of any change in the time or place of such meetings shall be communicated promptly to each Director not present at the meeting at which such change was made in the manner provided in Section 8 of this Article III for notice of special meetings. Members of the

Edgar Filing: ABERDEEN COMMONWEALTH INCOME FUND INC - Form POS AMI

Board of Directors or any committee designated thereby may participate in a meeting of such Board or committee by means of a conference telephone or similar communications equipment by means of which all persons participating in the meeting can hear each other at the same time, and participation by such means shall constitute presence in person at a meeting.

Section 8. Special Meetings. Special meetings of the Board of Directors may be held at any time or place and for any purpose when called by the President, the Secretary or two or more of the Directors. Notice of special meetings, stating the time and place, shall be communicated to each Director personally by telephone or transmitted to him by telegraph, telefax, telex, cable, wireless, electronic mail, or any other electronic method, at least one day before the meeting.

Section 9. Waiver of Notice. No notice of any meeting of the Board of Directors or a committee of the Board need be given to any Director who is present at the meeting or who waives notice of such meeting in writing (which waiver shall be filed with the records of such meeting), either before or after the meeting.

-14-

Section 10. Quorum and Voting. At all meetings of the Board of Directors, the presence of a majority of the number of Directors then in office shall constitute a quorum for the transaction of business. In the absence of a quorum, a majority of the Directors present may adjourn the meeting, from time to time, until a quorum shall be present. The action of a majority of the Directors present at a meeting at which a quorum is present shall be the action of the Board of Directors, unless the concurrence of a greater proportion is required for such action by law, by the Charter or by these By-Laws.

Section 11. Action Without a Meeting. Any action required or permitted to be taken at any meeting of the Board of Directors or of any committee thereof may be taken without a meeting if a written consent to such action is signed by all members of the Board or of any committee, as the case may be, and such written consent is filed with the minutes of proceedings of the Board or committee.

Section 12. Compensation of Directors. Directors shall be entitled to receive such compensation from the Corporation for their services as may from time to time be determined by resolution of the Board of Directors.

ARTICLE IV

COMMITTEES

Section 1. Organization. By resolution adopted by the Board of Directors, the Board may designate one or more committees, including an Executive Committee, composed of two or more Directors. The Chairmen of such committees shall be elected by the Board of Directors. The Board of Directors shall have the power at any time to change the members of such committees

-15-

and to fill vacancies in the committees. The Board may delegate to these committees any of its powers, except the power to authorize the issuance of stock (other than as provided in the next sentence), declare a dividend or distribution on stock, recommend to stockholders any action requiring stockholder approval, amend these By-Laws, or approve any merger or share exchange which does not require stockholder approval. Section 2. Proceedings and Quorum. In the absence of an appropriate resolution of the Board of Directors, each committee, consistent with law, may adopt such rules and regulations governing its proceedings, quorum and manner of acting as it shall deem proper and desirable. In the event any member of any committee is absent from any meeting, the members thereof present at the meeting, whether or not they constitute a quorum, may appoint a member of the Board of Directors to act in the place of such absent member.

4. Services Not Exclusive. It is understood that the services of the Investment Manager are not deemed to be exclusive, and nothing in this Agreement shall prevent the Investment Manager or any affiliate, from providing similar services to other investment companies and other clients (whether or not their investment objectives and policies are similar to those of the Fund) or from engaging in other activities. 5. Scope of Engagement. The Investment Manager hereby agrees that the Fund, may, at any time, upon at least 60 days' notice, advise the Investment Manager that it wishes to limit the scope of the Investment Manager's engagement hereunder to that of managing the Fund's investments solely with respect to securities denominated in certain stipulated currencies, in which case the fee otherwise payable to the Investment Manager as provided in Paragraph 1.2 hereof shall be reduced to reflect the proportion of the Fund's aggregate net assets measured at the end of each week which are denominated in the stipulated currencies.

Notwithstanding the foregoing, this Agreement may be terminated with respect to the Fund at any time, without the payment of any penalty, by a vote of a majority of the Fund's Board of Directors or a majority of the outstanding voting securities of the Fund upon at least sixty (60) days' written notice to the Investment Manager or by the Investment Manager upon at least ninety (90) days' written notice to the Fund. AMENDMENT TO CUSTODIAN CONTRACT

This Amendment to the Custodian Contract is made as of December 4, 1998 by and between The First Commonwealth Fund, Inc. (the "Fund") and State Street Bank and Trust Company (the "Custodian"). Capitalized terms used in this Amendment without definition shall have the respective meanings given to such terms in the Custodian Contract referred to below.

WHEREAS, the Fund and the Custodian entered into a Custodian Contract dated as of February 20, 1992 (as amended and in effect from time to time, the "Contract"); and

WHEREAS, the Fund is authorized to issue shares in separate series, with each such series representing interests in a separate portfolio of securities and other assets, and the Fund has made Australian and New Zealand Portfolio, United Kingdom Portfolio, Canadian Portfolio and United States Portfolio subject to the Contract (each such series, together with all other series subsequently established by the Fund and made subject to the Contract in accordance with the terms thereof, shall be referred to as a "Portfolio", and, collectively, the "Portfolios"); and

WHEREAS, the Fund and the Custodian desire to amend certain provisions of the Contract to reflect revisions to Rule 17f-5 ("Rule 17f-5") promulgated under the Investment Company Act of 1940, as amended (the "1940 Act"); and

WHEREAS, the Fund and the Custodian desire to amend and restate certain other provisions of the Contract relating to the custody of assets of each of the Portfolios held outside of the United States.

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and agreements hereinafter contained, the parties hereby agree to amend the Contract, pursuant to the terms thereof, as follows:

1. Article 3 of the Contract is hereby deleted, and Articles 4 through 16 of the Contract are hereby renumbered, as of the effective date of this Amendment, as Articles 5 through 17, respectively and cross references throughout are hereby amended to conform.

2. New Articles 3 and 4 of the Contract are hereby added, as of the effective date of this Amendment, as set forth below.

3. The Custodian as Foreign Custody Manager.

3.1. Definitions.

Capitalized terms in this Article 3 shall have the following meanings:

"Country Risk" means all factors reasonably related to the systemic risk of holding Foreign Assets in a particular country including, but not limited to, such country's political environment; economic and financial infrastructure (including any Mandatory Securities Depositories operating in the country); prevailing or developing custody and settlement practices; and laws and regulations applicable to the safekeeping and recovery of Foreign Assets held in custody in that country.

"Eligible Foreign Custodian" has the meaning set forth in section (a)(1) of Rule 17f-5, including, but not limited to, a majority-owned or indirect subsidiary of a U.S. Bank (as defined in Rule 17f-5), a bank holding company meeting the requirements of an Eligible Foreign Custodian (as set forth in Rule 17f-5 or by

Edgar Filing: ABERDEEN COMMONWEALTH INCOME FUND INC - Form POS AMI

other appropriate action of the U.S. Securities and Exchange Commission (the "SEC")), or a foreign branch of a Bank (as defined in Section 2(a)(5) of the 1940 Act) meeting the requirements of a custodian under Section 17(f) of the 1940 Act, except that the term does not include Mandatory Securities Depositories.

"Foreign Assets" means any of the Portfolios' investments (including foreign currencies) for which the primary market is outside the United States and such cash and cash equivalents as are reasonably necessary to effect the Portfolios' transactions in such investments.

"Foreign Custody Manager" has the meaning set forth in section (a)(2) of Rule 17f-5.

"Mandatory Securities Depository" means a foreign securities depository or clearing agency that, either as a legal or practical matter, must be used if the Fund determines to place Foreign Assets in a country outside the United States (i) because required by law or regulation; (ii) because securities cannot be withdrawn from such foreign securities depository or clearing agency; or (iii) because maintaining or effecting trades in securities outside the foreign securities depository or clearing agency is not consistent with prevailing or developing custodial or market practices.

3.2. Delegation to the Custodian as Foreign Custody Manager.

The Fund, by resolution adopted by its Board of Directors (the "Board"), hereby delegates to the Custodian, subject to Section (b) of Rule 17f-5, the responsibilities set forth in this Article 3 with respect to Foreign Assets held outside the United States, and the Custodian hereby accepts such delegation, as Foreign Custody Manager of each Portfolio.

3.3. Countries Covered.

The Foreign Custody Manager shall be responsible for performing the delegated responsibilities defined below only with respect to the countries and custody arrangements for each such country listed on Schedule A to this Contract, which list of countries may be amended from time to time by the Fund with the agreement of the Foreign Custody Manager. The Foreign Custody Manager shall list on Schedule A the Eligible Foreign Custodians selected by the Foreign Custody Manager to maintain the assets of each Portfolio, which list of Eligible Foreign Custodians may be amended from time to time in the sole discretion of the Foreign Custody Manager. Mandatory Securities Depositories are listed on Schedule B to this Contract, which Schedule B may be amended from time to time by the Foreign Custody Manager. The Foreign Custody Manager will provide amended versions of Schedules A and B in accordance with Section 3.7 of this Article 3.

Upon the receipt by the Foreign Custody Manager of Proper Instructions to open an account, or to place or maintain Foreign Assets, in a country listed on Schedule A, and the fulfillment by the Fund of the applicable account opening requirements for such country, the Foreign Custody Manager shall be deemed to have been delegated by the Board responsibility as Foreign Custody Manager with respect to that country and to have accepted such delegation. Execution of this Amendment by the Fund shall be deemed to be a Proper Instruction to open an account, or to place or maintain Foreign Assets, in each country listed on Schedule A in which the Custodian has previously placed or currently maintains Foreign Assets pursuant to the terms of the Contract. Following the receipt of Proper Instructions directing the Foreign Custody Manager to close the account of a Portfolio with the Eligible Foreign Custodian selected by the Foreign Custody Manager in a designated country, the delegation by the Board to the Custodian as Foreign Custody Manager for that country shall be deemed to have

Edgar Filing: ABERDEEN COMMONWEALTH INCOME FUND INC - Form POS AMI

been withdrawn and the Custodian shall immediately cease to be the Foreign Custody Manager of the Portfolio with respect to that country.

The Foreign Custody Manager may withdraw its acceptance of delegated responsibilities with respect to a designated country upon written notice to the Fund. Thirty (30) days (or such longer period as to which the parties agree in writing) after receipt of any such notice by the Fund, the Custodian shall have no further responsibility as Foreign Custody Manager to a Portfolio with respect to the country as to which the Custodian's acceptance of delegation is withdrawn.

3.4. Scope of Delegated Responsibilities.

3.4.1. Selection of Eligible Foreign Custodians.

Subject to the provisions of this Article 3, the Foreign Custody Manager may place and maintain the Foreign Assets in the care of the Eligible Foreign Custodian selected by the Foreign Custody Manager in each country listed on Schedule A, as amended from time to time.

In performing its delegated responsibilities as Foreign Custody Manager to place or maintain Foreign Assets with an Eligible Foreign Custodian, the Foreign Custody Manager shall determine that the Foreign Assets will be subject to reasonable care, based on the standards applicable to custodians in the country in which the Foreign Assets will be held by that Eligible Foreign Custodian, after considering all factors relevant to the safekeeping of such assets, including, without limitation the factors specified in Rule 17f-5(c) (1).

3.4.2. Contracts With Eligible Foreign Custodians.

The Foreign Custody Manager shall determine that the contract (or the rules or established practices or procedures in the case of an Eligible Foreign Custodian that is a foreign securities depository or clearing agency) governing the foreign custody arrangements with each Eligible Foreign Custodian selected by the Foreign Custody Manager will satisfy the requirements of Rule 17f-5(c) (2).

3.4.3. Monitoring.

In each case in which the Foreign Custody Manager maintains Foreign Assets with an Eligible Foreign Custodian selected by the Foreign Custody Manager, the Foreign Custody Manager shall establish a system to monitor (i) the appropriateness of maintaining the Foreign Assets with such Eligible Foreign Custodian and (ii) the contract governing the custody arrangements established by the Foreign Custody Manager with the Eligible Foreign Custodian (or the rules or established practices and procedures in the case of an Eligible Foreign Custodian selected by the Foreign Custody Manager which is a foreign securities depository or clearing agency that is not a Mandatory Securities Depository). In the event the Foreign Custody Manager determines that the custody arrangements with an Eligible Foreign Custodian it has selected are no longer appropriate, the Foreign Custody Manager shall notify the Board in accordance with Section 3.7 hereunder.

3.5. Guidelines for the Exercise of Delegated Authority.

For purposes of this Article 3, the Board shall be deemed to have considered and determined to accept such Country Risk as is incurred by placing and maintaining the Foreign Assets in each country for which the Custodian is serving as Foreign

Edgar Filing: ABERDEEN COMMONWEALTH INCOME FUND INC - Form POS AMI

Custody Manager of a Portfolio, and the Board shall be deemed to be monitoring on a continuing basis such Country Risk to the extent that the Board considers necessary or appropriate. The Fund, on behalf of the Portfolios, and the Custodian each expressly acknowledge that the Foreign Custody Manager shall not be delegated any responsibilities under this Article 3 with respect to Mandatory Securities Depositories.

3.6. Standard of Care as Foreign Custody Manager of a Portfolio. -----

In performing the responsibilities delegated to it, the Foreign Custody Manager agrees to exercise reasonable care, prudence and diligence such as a person having responsibility for the safekeeping of assets of management investment companies registered under the 1940 Act would exercise.

3.7. Reporting Requirements. -----

The Foreign Custody Manager shall report the withdrawal of the Foreign Assets from an Eligible Foreign Custodian and the placement of such Foreign Assets with another Eligible Foreign Custodian by providing to the Board amended Schedules A or B at the end of the calendar quarter in which an amendment to either Schedule has occurred. The Foreign Custody Manager shall make written reports notifying the Board of any other material change in the foreign custody arrangements of the Portfolios described in this Article 3 after the occurrence of the material change.

3.8. Representations with Respect to Rule 17f-5. -----

The Foreign Custody Manager represents to the Fund that it is a U.S. Bank as defined in section (a)(7) of Rule 17f-5.

The Fund represents to the Custodian that the Board has determined that it is reasonable for the Board to rely on the Custodian to perform the responsibilities delegated pursuant to this Contract to the Custodian as the Foreign Custody Manager of each Portfolio.

3.9. Effective Date and Termination of the Custodian as Foreign Custody Manager. -----

The Board's delegation to the Custodian as Foreign Custody Manager of a Portfolio shall be effective as of the date hereof and shall remain in effect until terminated at any time, without penalty, by written notice from the terminating party to the non-terminating party. Termination will become effective thirty (30) days after receipt by the non-terminating party of such notice. The provisions of Section 3.3 hereof shall govern the delegation to and termination of the Custodian as Foreign Custody Manager of the Fund with respect to designated countries.

4. Duties of the Custodian with Respect to Property of the Portfolios Held Outside the United States. -----

4.1. Definitions. -----

Capitalized terms in this Article 4 shall have the following meanings:

"Foreign Sub-Custodian" means a foreign banking institution serving as an Eligible Foreign Custodian.

The Custodian may hold foreign securities for all of its customers, including the Portfolios, with any Foreign Sub-Custodian in an account that is identified as belonging to the Custodian for the benefit of its customers, provided however, that (i) the records of the Custodian with respect to foreign securities of the Portfolios which are maintained in such account shall identify those securities as belonging to the Portfolios and (ii), to the extent permitted and customary in the market in which the account is maintained, the Custodian shall require that securities so held by the Foreign Sub-Custodian be held separately from any assets of such Foreign Sub-Custodian or of other customers of such Foreign Sub-Custodian.

4.3. Foreign Securities Systems.

Foreign securities shall be maintained in a Foreign Securities System in a designated country only through arrangements implemented by the Foreign Sub-Custodian in such country pursuant to the terms of this Contract.

4.4. Transactions in Foreign Custody Account.

4.4.1. Delivery of Foreign Assets.

The Custodian or a Foreign Sub-Custodian shall release and deliver foreign securities of a Portfolio held by such Foreign Sub-Custodian, or in a Foreign Securities System account, only upon receipt of Proper Instructions, which may be continuing instructions when deemed appropriate by the parties, and only in the following cases:

- (i) upon the sale of such foreign securities for the Portfolio in accordance with commercially reasonable market practice in the country where such Assets are held or traded, including, without limitation: (A) delivery against expectation of receiving later payment; or (B) in the case of a sale effected through a Foreign Securities System, in accordance with the rules governing the operation of the Foreign Securities System;

- (vi) to brokers, clearing banks or other clearing agents for examination or trade execution in accordance with market custom; provided that in any such case the Foreign Sub-Custodian shall have no responsibility or liability for any loss arising from the delivery of such securities prior to receiving payment for such securities except as may arise from the Foreign Sub-Custodian's own negligence or willful misconduct;
- (vii) for exchange or conversion pursuant to any plan of merger, consolidation, recapitalization, reorganization or readjustment of the securities of the issuer of such securities, or pursuant to provisions for conversion contained in such securities, or pursuant to any deposit agreement;
- (viii) in the case of warrants, rights or similar foreign securities, the surrender thereof in the exercise of such warrants, rights or similar securities or the surrender of interim receipts or temporary securities for definitive securities;
- (ix) for delivery as security in connection with any borrowing by the Fund requiring a pledge of assets by the Portfolio; (x) in connection with trading in options and futures contracts, including delivery as original margin and variation margin;

4.4.2. Payment of Portfolio Monies.

Upon receipt of Proper Instructions, which may be continuing instructions when deemed appropriate by the parties, the Custodian shall pay out, or direct the respective Foreign Sub-Custodian or the respective Foreign Securities System to pay out, monies of a Portfolio in the following cases only:

4.4.3. Market Conditions; Market Information.

Notwithstanding any provision of this Contract to the contrary, settlement and payment for Foreign Assets received for the account of a Portfolio and delivery of Foreign Assets maintained for the account of a Portfolio may be effected in accordance with the customary established securities trading or processing practices and procedures in the country or market in which the transaction occurs, including, without limitation, delivering Foreign Assets to the purchaser thereof or to a dealer therefor (or an agent for such purchaser or dealer) with the expectation of receiving later payment for such Foreign Assets from such purchaser or dealer.

The Custodian shall provide to the Board the information with respect to custody and settlement practices in countries in which the Custodian employs a Foreign Sub-Custodian, including without limitation information relating to Foreign Securities Systems, described on Schedule C hereto at the time or times set forth on such Schedule. The Custodian may revise Schedule C from time to time, provided that no such revision shall result in the Board being provided with substantively less information than had been previously provided hereunder.

4.5. Registration of Foreign Securities.

The foreign securities maintained in the custody of a Foreign Sub-Custodian (other than bearer securities) shall be registered in the name of the Fund (on behalf of the applicable Portfolio) or in the name of the Custodian or in the name of any Foreign Sub-Custodian or in the name of any nominee of the foregoing, and the Fund agrees to hold any such nominee harmless from any liability as a holder of record of such foreign securities. 4.7. Collection of Income.

The Custodian shall use reasonable commercial efforts to collect all income and other payments with respect to the Foreign Assets held hereunder to which a Portfolio shall be entitled and shall credit such income, as collected, to the Portfolio. In the event that extraordinary measures are required to collect such income, the Fund and the Custodian shall consult as to such measures and as to the compensation and expenses of the Custodian relating to such measures.

4.8. Shareholder Rights.

With respect to the foreign securities held under this Article 4, the Custodian will use reasonable commercial efforts to facilitate the exercise of voting and other shareholder rights, subject always to the laws, regulations and practical constraints that may exist in the country where such securities are issued. The Fund acknowledges that local conditions, including lack of regulation, onerous procedural obligations, lack of notice and other factors may have the effect of severely limiting the ability of the Fund to exercise shareholder rights.

4.9. Communications Relating to Foreign Securities.

The Custodian shall transmit promptly to the Fund written information (including, without limitation, pendency of calls and maturities of foreign securities and expirations of rights in connection therewith) received by the Custodian via the Foreign Sub-Custodians from issuers of the foreign securities being held for the account of a Portfolio. With respect to tender or exchange offers, the Custodian shall transmit promptly to the Fund written information so received by the Custodian from issuers of the foreign securities whose tender or exchange is sought or from the party (or its agents) making the tender or exchange offer. The Custodian shall not be liable for any untimely exercise of any tender, exchange or other right or power in connection with foreign securities or other property of the Portfolio at any time held by it unless (i) the Custodian or the respective Foreign Sub-Custodian is in actual possession of such foreign securities or property and (ii) the Custodian receives Proper Instructions with regard to the exercise of any such right or power, and both (i) and (ii) occur at least three business days prior to the date on which the Custodian is to take action to exercise such right or power.

4.10. Liability of Foreign Sub-Custodians and Foreign Securities Systems.

Each agreement pursuant to which the Custodian employs a Foreign Sub-Custodian shall, to the extent possible, require the Foreign Sub-Custodian to exercise reasonable care in the performance of its duties and, to the extent possible, to indemnify, and hold harmless, the Custodian from and against any loss, damage, cost, expense, liability or claim arising out of or in connection with such Foreign Sub-Custodian's performance of such obligations. At the election of the Fund, the Fund shall be entitled to be subrogated to the rights of the Custodian with respect to any claims against a Foreign Sub-Custodian as a consequence of any such loss, damage, cost, expense, liability or claim if and to the extent that the Fund and any applicable Portfolio has not been made whole for any such loss, damage, cost, expense, liability or claim.

4.11. Tax Law.

The Custodian shall have no responsibility or liability for any obligations now or hereafter imposed on the Fund or the Custodian as custodian of the Portfolios by the tax law of the United States or of any state or political subdivision thereof. It shall be the responsibility of the Fund to notify the Custodian of the obligations imposed on the Fund with respect to the Portfolios or the Custodian as custodian of such Portfolios by the tax law of countries other than those mentioned in the above sentence, including responsibility for withholding and other taxes, assessments or other governmental charges, certifications and governmental reporting. The sole responsibility of the Custodian with regard to such tax law shall be to use reasonable efforts to assist the Fund with respect to any claim for exemption or refund under the tax law of countries for which the Fund has provided such information.

4.12. Liability of Custodian.

Except as may arise from the Custodian's own negligence or willful misconduct or the negligence or willful misconduct of a Sub-Custodian, the Custodian shall be without liability to the Fund for any loss, liability, claim or expense resulting from or caused by anything which is (A) part of Country Risk or (B) part of the "prevailing country risk" of the Fund and the Portfolios, as such term is used in SEC Release Nos. IC-22658; IS-1080 (May 12, 1997) or as such term or other similar terms are now or in the future interpreted by the SEC or by the staff of the Division of Investment Management of the SEC.

The Custodian shall be liable for the acts or omissions of a Foreign Sub-Custodian to the same extent as set forth with respect to sub-custodians generally in the Contract and, regardless of whether assets are maintained in the custody of a Foreign Sub-Custodian or a Foreign Securities Depository, the Custodian shall not be liable for any loss, damage, cost, expense, liability or claim resulting from nationalization, expropriation, currency restrictions, or acts of war or terrorism, or any other loss where the Sub-Custodian has otherwise acted with reasonable care.

III. Except as specifically superseded or modified herein, the terms and provisions of the Contract shall continue to apply with full force and effect. In the event of any conflict between the terms of the Contract prior to this Amendment and this Amendment, the terms of this Amendment shall prevail. If the Custodian is delegated the responsibilities of Foreign Custody Manager pursuant to the terms of Article 3 hereof, in the event of any conflict between the provisions of Articles 3 and 4 hereof, the provisions of Article 3 shall prevail.

IN WITNESS WHEREOF, each of the parties has caused this Amendment to be executed in its name and behalf by its duly authorized representative as of the date first above written.
