Cautionary Statement Concerning Forward-Looking Statements

This press release contains both historical and forward-looking statements. All statements, other than statements of historical fact, are, or may be deemed to be, forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. These forward-looking statements are not based on historical facts, but rather reflect our current expectations and projections about our future results, performance, prospects and opportunities. We have tried to identify these forward-looking statements by using words including "may," "will," "expect," "anticipate," "believe," "intend," "estimate" and "continue" and similar expressions. These forward-looking statements involve known and unknown risks, uncertainties and other factors that could cause our actual results, performance, prospects or opportunities to differ materially from those expressed in, or implied by, these forward-looking statements. The following important factors, among others, could affect our business and financial performance: our ability to complete, integrate and benefit from acquisitions, divestitures, joint ventures and alliances; estimated demand for commodities and other products that we sell and use in our business; industry conditions, including the cyclical nature of the agribusiness industry; economic and political conditions in the primary markets where we operate; and other economic, business, competitive and/or regulatory factors affecting our business generally. The forward-looking statements included in this release are made only as of the date of this release, and except as otherwise required by federal securities law, we do not have any obligation to publicly update or revise any forward-looking statements to reflect subsequent events or circumstances.
