-

ITEM 8.01 OTHER EVENTS

On October 1, 2012, NYSE Euronext (“NYX” or the “Company”) announced an offering of \$850,000,000 aggregate principal amount of its 2.000% Notes due 2017 (the “Notes”). Merrill Lynch, Pierce, Fenner & Smith Incorporated, Citigroup Global Markets Inc., J.P. Morgan Securities LLC, Morgan Stanley & Co. LLC and SG Americas Securities, LLC (the “Representatives”) were joint bookrunners for the offering of the Notes.

The public offering price of the Notes was 99.669% of the principal amount. NYX received net proceeds of approximately \$841.9 million, after deducting underwriting discounts and estimated offering expenses payable by NYX. The Company intends to use the net proceeds to fund the purchase of certain of its outstanding \$750 million 4.80% Notes due 2013 and €1 billion 5.375% Notes due 2015 in concurrent cash tender offers and at maturity and for the payment of expenses in connection with these tender offers. The Notes were offered and sold pursuant to an Underwriting Agreement (the “Underwriting Agreement”), dated October 1, 2012, among NYX and the Representatives, under NYX’s automatic shelf registration statement (the “Registration Statement”) on Form S-3 (Registration No. 333-174274), filed with the Securities and Exchange Commission (the “SEC”) on May 17, 2011. NYX has filed with the SEC a prospectus supplement, dated October 1, 2012, together with the accompanying prospectus, dated May 17, 2011, relating to the offer and sale of the Notes.

The Notes were issued on October 5, 2012 pursuant to an Indenture (the “Base Indenture”), dated as of May 29, 2008, between NYX and Wilmington Trust Company, as Trustee, as amended and supplemented by a Second Supplemental Indenture, dated as of October 5, 2012 (the “Second Supplemental Indenture”), among the Company, the Trustee and Citibank, N.A., as Authenticating Agent, Calculation Agent, Paying Agent, Security Registrar and Transfer Agent (the Base Indenture and Second Supplemental Indenture are together referred to as the “Indenture”). The Notes will bear interest at the rate of 2.000% per year, with interest payable on April 5 and October 5 of each year, beginning on April 5, 2013, and will mature on October 5, 2017. NYX will be able to redeem some or all of the Notes at any time and from time to time at the greater of 100% of the principal amount of the Notes being redeemed and the discounted present value of such Notes, discounted at the corresponding U.S. Treasury rate plus 25 basis points. The Notes are unsecured obligations of NYX and rank equally with all of NYX’s other unsecured senior indebtedness. The Indenture also contains customary event of default provisions.

The above description of the Underwriting Agreement, the Indenture and the Notes is qualified in its entirety by reference to the Underwriting Agreement, the Indenture and the form of Notes, each of which is incorporated by reference into the Registration Statement. The Base Indenture has been incorporated by reference as Exhibit 4.1 to the Registration Statement. The Underwriting Agreement, Second Supplemental Indenture and form of Notes are attached to this Current Report on Form 8-K as Exhibit 1.1, Exhibit 4.1 and Exhibit 4.2, respectively. An opinion regarding the legality of the Notes is incorporated by reference into the Registration Statement and is attached to this Current Report on Form 8-K as Exhibit 5.1.

ITEM 9.01 FINANCIAL STATEMENTS AND EXHIBITS
