DTC will act as securities depository for the notes. The notes will be issued only as fully-registered securities registered in the name of Cede & Co. (DTC's nominee). One or more fully-registered global notes certificates, representing the total aggregate Principal Amount of the notes, will be issued and will be deposited with DTC. See the descriptions contained in the accompanying prospectus supplement under the headings "Description of Notes — Form, Legal Ownership and Denomination of Notes." The notes are offered on a global basis. Investors may elect to hold interests in the registered global notes held by DTC through Clearstream, Luxembourg or the Euroclear operator if they are participants in those systems, or indirectly through organizations that are participants in those systems. See "Series A Notes Offered on a Global Basis—Book Entry, Delivery and Form" in the accompanying prospectus supplement.

Listing

The notes will not be listed on any securities exchange.

Governing Law

The notes will be governed by and interpreted in accordance with the laws of the State of New York.

USE OF PROCEEDS; HEDGING

The net proceeds we receive from the sale of the notes will be used for general corporate purposes and, in part, by us or by one or more of our affiliates in connection with hedging our obligations under the notes, as more particularly described in “Use of Proceeds” in the accompanying prospectus.

We or our affiliates may acquire a long or short position in securities similar to the notes from time to time and may, in our or their sole discretion, hold or resell those securities. Although we have no reason to believe that any of these activities will have a material impact on the value of the notes, we cannot assure you that these activities will not have such an effect. We have no obligation to engage in any manner of hedging activity and will do so solely at our discretion and for our own account. No note holder shall have any rights or interest in our hedging activity or any positions we may take in connection with our hedging activity.

HISTORICAL INFORMATION

The graph below sets forth the historical performance of the 10-Year CMS Rate from July 9, 2005 through July 9, 2015. As of July 9, 2015, the 10-Year CMS Rate was 2.388%. We obtained the historical rates for the 10-Year CMS Rate from Bloomberg L.P., and we have not participated in the preparation of, or verified, such information. **The historical rates of the 10-Year CMS Rate should not be taken as an indication of future performance, and no assurance can be given as to the future movements of the 10-Year CMS Rate during the term of the notes.**

SUPPLEMENTAL UNDERWRITING INFORMATION (CONFLICTS OF INTEREST)

Under the terms and subject to the conditions contained in the Distribution Agreement entered into between Deutsche Bank AG and DBSI, as agent, DBSI has agreed to purchase, and we have agreed to sell, the Principal Amount of notes set forth on the cover page.

The notes will be offered from time to time in one or more negotiated transactions at variable prices to be determined at the time of each sale, which may be at market prices prevailing, at prices related to such prevailing prices or at negotiated prices; provided, however, that such price will not be less than \$975.00 per \$1,000 Principal Amount of notes.

DBSI will not receive a discount or commission, but will allow as a concession or reallowance to other dealers, discounts and commissions of up to 2.50% or \$25.00 per \$1,000 Principal Amount of notes. DBSI will sell all of the notes that it purchases from us to such dealers at a price that is no less than 97.50% or \$975.00 per \$1,000 Principal Amount of notes.

We own, directly or indirectly, all of the outstanding equity securities of DBSI. The net proceeds received from the sale of the notes will be used, in part, by DBSI or one of its affiliates in connection with hedging our obligations under the notes. Because DBSI is both our affiliate and a member of FINRA, the underwriting arrangements for this offering must comply with the requirements of FINRA Rule 5121 regarding a FINRA member firm's distribution of the securities of an affiliate and related conflicts of interest. In accordance with FINRA Rule 5121, DBSI may not make sales in offerings of the notes to any of its discretionary accounts without the prior written approval of the customer.

DBSI may act as principal or agent in connection with offers and sales of the notes in the secondary market. Secondary market offers and sales will be made at prices related to market prices at the time of such offer or sale; accordingly, DBSI or a dealer may change the public offering price, concession and discount after the offering has been completed.

In order to facilitate the offering of the notes, DBSI may engage in transactions that stabilize, maintain or otherwise affect the price of the notes. Specifically, DBSI may sell more notes than it is obligated to purchase in connection with the offering, creating a naked short position in the notes for its own account. DBSI must close out any naked short position by purchasing the notes in the open market. A naked short position is more likely to be created if DBSI is concerned that there may be downward pressure on the price of the notes in the open market after pricing that could adversely affect investors who

purchase in the offering. As an additional means of facilitating the offering, DBSI may bid for, and purchase, notes in the open market to stabilize the price of the notes. Any of these activities may raise or maintain the market price of the notes above independent market levels or prevent or retard a decline in the market price of the notes. DBSI is not required to engage in these activities, and may end any of these activities at any time.

No action has been or will be taken by us, DBSI or any dealer that would permit a public offering of the notes or possession or distribution of this term sheet, the accompanying prospectus supplement, prospectus or prospectus addendum other than in the United States, where action for that purpose is required. No offers, sales or deliveries of the notes, or distribution of this term sheet, the accompanying prospectus supplement, prospectus, prospectus addendum or any other offering material relating to the notes, may be made in or from any jurisdiction except in circumstances which will result in compliance with any applicable laws and regulations and will not impose any obligations on us, DBSI or any dealer.

DBSI has represented and agreed, and any other Agent through which we may offer the notes will represent and agree, that it (i) will comply with all applicable laws and regulations in force in each non-U.S. jurisdiction in which it purchases, offers, sells or delivers the notes or possesses or distributes this term sheet and the accompanying prospectus supplement, prospectus and prospectus addendum and (ii) will obtain any consent, approval or permission required by it for the purchase, offer or sale by it of the notes under the laws and regulations in force in each non-U.S. jurisdiction to which it is subject or in which it makes purchases, offers or sales of the notes. We shall not have responsibility for DBSI's compliance with the applicable laws and regulations or obtaining any required consent, approval or permission.

Settlement

We expect to deliver the notes against payment for the notes on the Settlement Date indicated above, which may be a date that is greater than three business days following the Trade Date. Under Rule 15c6-1 of the Securities Exchange Act of 1934, as amended, trades in the secondary market generally are required to settle in three business days, unless the parties to a trade expressly agree otherwise. Accordingly, if the Settlement Date is more than three business days after the Trade Date, purchasers who wish to transact in the notes more than three business days prior to the Settlement Date will be required to specify alternative settlement arrangements to prevent a failed settlement.
