ITEM 2. ACQUISITION OR DISPOSITION OF ASSETS.

As previously reported, on October 11, 2001, 800America.com, Inc. (the "Company") through its wholly-owned subsidiary, 800America.com Acquisition Corp., a Delaware corporation, acquired all of the then outstanding capital stock of iGain, Inc. ("iGain"), a Delaware corporation, in a stock-for-stock merger (such transaction being referred to as the "Merger") pursuant to a certain Merger Agreement and Plan of Reorganization dated as of October 11, 2001. iGain, headquartered in Fairfield, Connecticut, is a provider of private

Edgar Filing: 800AMERICA COM INC - Form 8-K

label customer loyalty programs for business. Each iGain preferred share was converted into .44444444 shares of the Company's Common Stock and each iGain common share was converted into .01011941 shares of the Company's Common Stock.

In connection with the closing of the Merger, the Company issued a total of 1,050,000 shares of its common stock, which had a value of approximately \$2,226,000 based on the closing price of the Company's common stock on October 11, 2001. The consideration paid by the Company was determined by the parties through a privately negotiated arms' length transaction. Holders of 1,000,000 shares of common stock received in the transaction have the right to put the shares back to the Company for repurchase. The Company is filing the following information relating to the transaction.

Independent Auditors Letter

To the Board of Directors and Stockholders' of iGain, Inc.

I have audited the accompanying balance sheet of iGain, Inc. as of December 31, 2000 and the related statements of income, retained earnings, and cash flows for the year then ended. These financial statements are the responsibility of the Company's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

Edgar Filing: 800AMERICA COM INC - Form 8-K

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of iGain, Inc. as of December 31, 2000, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

The accompanying financial statements have been prepared assuming that the Company will continue as a going concern. As discussed in Note A to the financial statements, the Company has suffered recurring losses from operations, which raise substantial doubt about its ability to continue as a going concern. Management's plans regarding those matters also are described in Note A. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.

iGain, Inc.
Notes to Financial Statements
December 31, 2000

Edgar Filing: 800AMERICA COM INC - Form 8-K

Note A - The Company

iGain, Inc. was formed on December 20, 2000 by incorporating a previous partnership. The Company was incorporated in Delaware. The exchange has been recorded on a historic cost basis similar to reorganization. The Company is a provider and administrator of a cash based loyalty and customer retention program for retailers, catalog-based merchants and e-commerce sites.

The Company and its predecessor have had no significant revenues to date. As shown in the accompanying financial statements, the Company has incurred a significant net loss for the period ended December 31, 2000 and has been dependent upon equity financing to meet its obligations and sustain operations. The Company is subject to those risks associated to emerging e-commerce companies, which, by definition, seek to create new markets for their products and services. These factors raise substantial doubt about the Company's ability to continue as a going concern. In order to continue its operations, the Company is seeking additional financing and exploring strategic alliances with other companies. However, there is no assurance that the Company can obtain adequate additional financing, or that profitable operations can be attained. The financial statements do not include any adjustments relating to the recoverability or classification of recorded asset amounts or the amount and classification of liabilities that might be necessary as a result of the above uncertainty.

Note B - Significant Accounting Policies

Use of Estimates - The preparation of financial statements in accordance with auditing standards generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from these estimates.

Cash and Cash Equivalents - The Company considers all highly liquid investment instruments purchased with maturity of three months or less to be cash equivalents.

Furniture and Equipment - Furniture and equipment are recorded at cost and depreciated using the straight-line method over the estimated useful lives of 3 to 7 years. Expenditures for maintenance and repairs are charged to expense as incurred.

Note C - Series a Convertible Preferred Stock

In December 2000 the company issued 1,125,000 shares of its newly created Series A Convertible Preferred Stock ("Series A"), par value \$0.01, and warrants to purchase an aggregate of 196,875 shares of common stock for \$1.00 per share. Included in the issuance were 254,000 shares to an investor who converted a short-term note in the amount of \$250,000 plus accrued and unpaid interest of \$4,000. Each share of Series A is initially convertible, at any time, into one share of common stock of the Company and is subject to certain anti-dilution adjustments. The shares will automatically convert into common stock upon the consummation of an initial public offering for a minimum of \$20 million at per share price of \$2.50. In addition, the Series A holder may require the Company to purchase their shares of Series A at their earlier of (i) the fifth anniversary of the purchase, (ii) the closing of any merger, acquisition or any

Edgar Filing: 800AMERICA COM INC - Form 8-K

other transaction resulting in a change of control as defined, or (iii) any event of default under the agreement, at a per share price equal to the greater of (i) the initial cost per share, (ii) the fair value as determined by an independent third party appraiser, or (iii) two times the company's gross revenues for the twelve months prior to the transaction.

Series A has a liquidation preference of \$1.00 per share plus any declared and unpaid dividends, and vote on all matters along with the common stockholders' based upon the number of common shares the Series A are then convertible into. In connection with the issuance of the Series A, the Company issued 194,000 shares of common stock and paid \$50,000 in cash to a company as a fee relating to the private placement of Series A. In addition, the Company incurred approximately \$106,000 in professional fees relating to the issuance of Series A.

Note D - Employee Benefits

The Company sponsors a defined contribution plan under Section 401(k) of the Internal Revenue Code that covers substantially all employees. Participant contributions to the plan are voluntary and are subject to certain limitations. The Company is not required to make any matching contributions. During the year ended December 31, 2000 the Company did not make any contributions.

Note E - Subsequent Events

In February 2001 the Company sold an additional 1,125,000 shares of Series A convertible preferred stock and warrants to purchase an aggregate of 196,875 shares of common stock for \$1.00 per share in a private placement offering for gross proceeds aggregating \$1,125,000.

On March 15, 2001 the Company entered into three-year office space lease totaling \$243,000. The terms of the lease require the Company to deposit \$6,500 as a security deposit into an interest bearing account of the lessor.

Note F - Capital Lease Obligations

The Company acquired certain equipment through the issuance of capital lease obligation. Future payments required under these leases are summarized as follows:

Year Ending December 31 -----

Financial Information

On October 9, 2001, 800america.com, Inc. (800America) acquired all the

Edgar Filing: 800AMERICA COM INC - Form 8-K

outstanding common and preferred stock of iGain.com Inc. (iGain), in exchange for 1,050,000 shares of common stock of 800America. The acquisition was accounted for as a purchase.

The following unaudited proforma combined balance sheet is presented to give effect to the acquisition of certain assets of iGain by 800America. The unaudited proforma combined condensed balance sheet has been prepared to reflect the transaction as of September 30, 2001. The unaudited proforma combined condensed statements of income combine the results of operations of iGain and 800America for the year ended December 31, 2000 and for the nine months ended September 30, 2001, as if the acquisitions of iGain, which closed on October 9, 2001, had occurred on January 1, 2000 and January 1, 2001 respectively. The proforma information was prepared based on historic financial statements and the related notes of iGain and 800 America.

The unaudited proforma combined condensed financial statements and the notes thereto should be read in conjunction with the historic financial statements and related notes of iGain and 800America appearing elsewhere in this report. The proforma information is not necessarily indicative of the result that would have been obtained had such events actually occurred on the dates specified nor is it necessarily indicative of the future results of the combined company. Actual statements of income of the combined companies will be consolidated commencing on the date of acquisition.

The purchase price was computed from the average trading price of the stock over three (3) days either side of the trade date October 9, 2001. The average trading price was \$2.10, the purchase price then was based on 1,050,000 shares at \$2.10 or \$2,205,000. The purchase price was allocated as follows:

Goodwill	\$1,205,000
Software	786,000
Hardware	214,000

	\$2,205,000

iGain is an Internet Shopping Portal that blends in well with 800America existing networking development. Customers shopping on the iGain site can easily be transferred to other 800America sites, at the customer's request, conversely shoppers on other 800America sites have easy access to the iGain site.

On January 1, 2002 the Company plans to adopt Financial Accounting Standards No 142, Goodwill and Intangible Assets. Upon the adoption of this pronouncement the Company will no longer amortize goodwill but will perform an impairment evaluation annually, or more frequently should circumstances or conditions arise which merit such a review.

Combined Condensed Financial Information

Note 1 - Significant Accounting Policies and Basis of Presentation

The accompanying historical financial statements of 800America.com, Inc. (800America) and iGain.com, Inc. (iGain) have been derived from financial statements prepared in accordance with U. S. generally accepted accounting principles.

800America and iGain's historic financial statements for the year ended December 31, 2000, used in the pro forma financial statements, were for 800America based on their audited financial statements of and for the period ended December 31, 2000 and for iGain on their unaudited financial statements for the same period.

800America and iGain's financial statements as of and for the nine months ended September 30, 2000, used in the pro forma financial statements are derived from each company's unaudited financial statements for that period.

Note 2 - Pro Forma Adjustments Balance Sheet

- a. Balance sheet adjustments - to record the consideration paid for the net assets acquired at their fair market value.

Computer Hardware	\$ 214,000
Software	786,000
Goodwill	1,205,000

Stock issued	\$2,205,000

- b. The above consideration was in the form of 1,050,000 shares of 800America common stock issued for all the outstanding common and preferred stock of iGain.
- c. The fair market value of the stock determined above was the average price traded for the month of the merger (October 2001) reduced by

Edgar Filing: 800AMERICA COM INC - Form 8-K

one-third for its restricted status and volatility.

Note 3 - Pro Forma Adjustment Income Statement

- a. Goodwill resulting from the purchase will not be amortized. On January 2, 2002 Financial Accounting Standards Board Opinion No. 142 was adopted dispensing with the amortization for Goodwill and requiring, at a minimum, annual test for impairment and recognition of impairment losses in the future. Depreciation is recorded for Computer Hardware and Software for periods indicated.
- b. To record income tax effects of the merger and pro forma adjustments. The net operating loss created during the year of merger would be used during the year of the merger and the subsequent year.
