Item 1.01. Entry into a Material Definitive Agreement

On September 16, 2007, ITT Corporation, an Indiana corporation (*ITT*), and Donatello Acquisition Corp., a New York corporation and a wholly-owned subsidiary of ITT (*Merger Sub*), entered into a definitive Agreement and Plan of Merger (the *Merger Agreement*) with EDO Corporation, a New York corporation (*EDO*). The Merger Agreement provides that, upon the terms and subject to the conditions set forth in the Merger Agreement, Merger Sub will merge with and into EDO (the *Merger*), with EDO continuing as a surviving corporation and a wholly-owned subsidiary of ITT.

Pursuant to the Merger Agreement, each share of EDO's common stock issued and outstanding immediately prior to the effective time of the Merger will be converted into the right to receive \$56.00 in cash, without interest, on the terms set forth in the Merger Agreement.

EDO has made customary representations and warranties in the Merger Agreement, including, among others, representations and warranties as to corporate status, capitalization, conflicts and consents, SEC filings, absence of undisclosed liabilities, absence of undisclosed material changes, litigation, compliance with laws, material contracts and government contracts. EDO has also agreed to certain pre-closing covenants in the Merger Agreement, including, among other things, (i) covenants that EDO will carry on its business in the ordinary course during the period between the date of the Merger Agreement and closing, and that it will not engage in certain types of transactions without the consent of ITT during such period and (ii) covenants not to solicit or initiate or take any other action knowingly to facilitate or encourage any takeover proposal (as defined in the Merger Agreement). ITT and Merger Sub have also made customary representations, warranties and covenants in the Merger Agreement.

The Merger is expected to close in early 2008. Consummation of the Merger is subject to customary conditions, including approval by the shareholders of EDO, expiration or termination of the applicable Hart-Scott-Rodino waiting period and receipt of certain other regulatory approvals, the absence of any Material Adverse Effect (as defined in the Merger Agreement) with respect to EDO's business, and certain other customary closing conditions.

The Merger Agreement contains certain termination rights for both EDO and ITT and further provides that, upon termination of the Merger Agreement under specified circumstances, EDO may be required to pay ITT a termination fee of \$47,000,000 and reimburse ITT for up to \$3,000,000 in transaction related expenses.

On September 16, 2007, James M. Smith, Frederic B. Bassett, Lisa M. Palumbo and Patricia D. Comiskey, who collectively beneficially own approximately 3.23% of the voting power of EDO, each entered into a Shareholder Voting Agreement (the *Voting Agreements*) with ITT, pursuant to which such shareholders agreed, among other things, to vote their shares of common stock of EDO in favor of the Merger and the approval and adoption of the Merger Agreement.

The foregoing description of the Merger, the Merger Agreement and the Voting Agreements does not purport to be complete and is qualified in its entirety by reference to the Merger Agreement, which is filed as Exhibit 2.1 hereto and is incorporated herein by reference, and a form of the Voting Agreement, which is filed as Exhibit 2.2 hereto and is incorporated herein by reference.
