ING to acquire Turkish voluntary Pension Fund Oyak Emeklilik for EUR 110 million

ING announced today it has reached an agreement with OYAK Group to acquire the voluntary pension fund Oyak Emeklilik. The transaction provides ING with a great opportunity to enter the fast growing Turkish pension market and gives further impetus to its recently acquired retail banking operations in the country.

Jacques de Vacleroy, member of the Executive Board of ING Group and responsible for Insurance Europe said, "The acquisition is in line with ING's sharpened strategic focus on banking, investments, life insurance and retirement services and provides us with a unique opportunity to expand our footprint and extend our product offering in the fast growing Turkish market."

Under the terms of the agreement ING will acquire 100 percent of the shares in Oyak Emeklilik for a total cash consideration of EUR 110 million which will be financed entirely from existing internal resources. The transaction is subject to customary closing conditions and is expected to be closed and booked in the second half of 2008.

Tom Kliphuis, Chief Executive Officer of Insurance Central Europe said, "Oyak Emeklilik has a strong management and its distribution is already well integrated in ING Bank Turkey. By further leveraging our life insurance and pension expertise with Oyak Emeklilik's strong distribution and knowledge of the market, we will rapidly build a leading position in the Turkish retirement savings marketplace."

Established in 2003, Oyak Emeklilik is the first and only voluntary pension fund in Turkey specifically established for private pension fund management. Oyak Emeklilik has over 150,000 customers and 140 employees and distributes its products both through a network of independent agents and ING Bank Turkey (formerly Oyak Bank). Oyak Emeklilik will be integrated in ING Insurance Central Europe and re-branded under the ING brand within the first year after the closing of the transaction.
