**Item 8.01 Other Events**

American International Group, Inc. (AIG) is filing this Current Report on Form 8-K to provide revised financial information to reflect the adoption of FAS 160, Noncontrolling Interests in Consolidated Financial Statements, an amendment of ARB No. 51 (FAS 160).

On January 1, 2009, AIG adopted FAS 160 on a prospective basis, except for presentation and disclosure requirements, and reflected the results of this adoption in its Quarterly Report on Form 10-Q for the quarter ended March 31, 2009. AIG retrospectively recast the prior period consolidated statement of operations to include net income (loss) attributable to both the controlling and noncontrolling interests, and the historical balance sheet was also recast to reclassify the minority interest liability to Redeemable noncontrolling interest in partially owned consolidated subsidiaries and a separate component of Total equity titled Noncontrolling interest.

Exhibit 99.2 filed with this Current Report on Form 8-K and incorporated herein by reference revises the following Items contained in AIG's Annual Report on Form 10-K for the year ended December 31, 2008 (the 2008 Form 10-K ) to reflect the adoption of FAS 160: Item 6, Selected Financial Data, and Item 8, Financial Statements and Supplementary Data.

With respect to the financial statements in the 2008 Form 10-K, the adoption of FAS 160, as reflected in this Form 8-K, affects only the manner in which certain financial information was previously reported and does not change the financial results reported in the 2008 Form 10-K. All other information in the 2008 Form 10-K remains unchanged and has not been otherwise updated for events or developments that occurred subsequent to the filing of the 2008 Form 10-K, other than a change to the prepaid commitment fee asset discussion included in Note 1(s) of the Notes to Consolidated Financial Statements included in Exhibit 99.2. In addition, a new Risk Factor has been added and is included in Exhibit 99.1.

---
