

Preliminary Note:

This Current Report on Form 8-K/A (Amendment No. 1) amends the Current Report on Form 8-K filed on June 29, 2009 (the "Original Form 8-K") by Crown Crafts, Inc. (the "Company") in order to correct an error in an exhibit furnished with the Original Form 8-K. This Form 8-K/A (Amendment No. 1) is being filed to amend the Original Form 8-K to update the disclosures made therein.

Item 2.02. Results of Operations and Financial Condition.

The information in this Form 8-K/A (Amendment No. 1) and Exhibit 99.1 are being furnished and shall not be deemed "filed" for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liabilities of such section. The information in this Form 8-K/A (Amendment No. 1) and Exhibit 99.1 shall not be incorporated by reference into any registration statement or document pursuant to the Securities Act of 1933, as amended.

On June 29, 2009, the Company issued a press release announcing its financial results for the fourth quarter and full fiscal year 2009, which ended March 29, 2009, and a conference call to be held on June 29, 2009 to discuss those results. The Company subsequently discovered that the text of the press release contained the following errors: (i) the net income for the fourth quarter of fiscal year 2009, excluding the goodwill impairment charge recorded in the fourth quarter, should have been \$2.0 million (instead of \$3.3 million), or \$0.21 per diluted share (instead of \$0.35 per diluted share); and (ii) the net income for the full fiscal year, excluding the goodwill impairment charge recorded for the year, should have been \$4.5 million (instead of \$5.8 million), or \$0.47 per diluted share (instead of \$0.61 per diluted share). The errors resulted from the failure to include the tax effect of the goodwill writedown in the calculation of net income excluding the goodwill impairment charge. There were no errors, however, in the amounts included in the selected financial data included at the end of the press release.

On July 1, 2009, the Company issued a press release in which the aforementioned errors have been corrected. A copy of that press release is attached hereto as Exhibit 99.1
