Code of Ethics

We have adopted a code of ethics that applies to our officers (including our principal executive, financial and accounting officers), directors, employees and consultants. The text of our code of ethics can be found on our Internet website at www.convertedororganics.com.

Board Classifications, Committees and Meetings

Our Board of Directors comprises four members divided into three classes as nearly equal in number as possible. Currently, Messrs. Stoltenberg and Cell serve as Class 1 directors, whose terms expire in 2010, Mr. DeVillars serves as a Class 2 director, whose term expires in 2011, and Mr. Edward Gildea serves as a Class 3 director, whose term expires in 2012.

Our Board of Directors is subject to the independence requirements of the NASDAQ Stock Market. Pursuant to the requirements, the Board undertook its annual review of director independence. During this review, the Board considered transactions and relationships between each director or any member of his or her immediate family and the Company and its subsidiaries and affiliates. The purpose of this review was to determine whether any such relationships or transactions existed that were inconsistent with a determination that the director is independent. Of the four members of the Board, Messrs. Cell, DeVillars and Stoltenberg were determined to be independent directors as defined by the NASDAQ Stock Market.

During the fiscal year ended December 31, 2009, the Board of Directors held fifteen meetings in person or telephonically and acted by written consent on three occasions. Also during fiscal year 2009, the Audit Committee of the Board of Directors met five times and acted by written consent once, the Compensation Committee of the Board of Directors met four times, and the Nominating and Governance Committee met once.

Our Board of Directors has three standing committees: an Audit Committee, a Compensation Committee and a Nominating and Governance Committee.

Audit Committee. Our Audit Committee oversees our accounting and financial reporting processes, internal systems of accounting and financial controls, relationships with independent public accountants, and audits of financial statements. Specific responsibilities include the following:

appointing, evaluating and terminating our independent public accountants;

evaluating the qualifications, independence and performance of our independent public accountants;

approving the audit and non-audit services to be performed by the independent public accountants;

reviewing the design, implementation, adequacy and effectiveness of our internal controls and critical accounting policies;

overseeing and monitoring the integrity of our financial statements and our compliance with legal and regulatory requirements as they relate to financial statements or accounting matters;

with management and our independent public accountants, reviewing any earnings announcements and other public announcements regarding our results of operations; and

preparing the report that the Securities and Exchange Commission requires in our annual proxy statement.

Our Audit Committee comprises Messrs. Stoltenberg, DeVillars and Cell. Mr. Stoltenberg serves as Chairman of the Audit Committee. The Board has determined that all members of the Audit Committee are independent under the rules of the Securities and Exchange Commission and the NASDAQ Stock Market. The Board has determined that Mr. Stoltenberg qualifies as an audit committee financial expert, as defined by the rules of the Securities and Exchange Commission.

Compensation Committee. Our Compensation Committee assists our Board of Directors in determining the development plans and compensation of our officers, directors and employees. Specific responsibilities include the following:

approving the compensation and benefits of our executive officers;

reviewing the performance objectives and actual performance of our officers; and

administering our stock option and other equity compensation plans.

Our Compensation Committee comprises Messrs., Cell, DeVillars and Stoltenberg. Mr. Cell serves as Chairman of the Compensation Committee. The Board has determined that all members of the Compensation Committee are independent under the rules of the NASDAQ Stock Market.

Nominating and Governance Committee. Our Nominating and Governance Committee assists the Board by identifying and recommending individuals qualified to become members of our Board of Directors, reviewing correspondence from our stockholders, and establishing, evaluating and overseeing our corporate governance guidelines. Specific responsibilities include the following:

evaluating the composition, size and governance of our Board of Directors and its committees and make recommendations regarding future planning and the appointment of directors to our committees;

determining procedures for selection of the CEO and other senior management; and

evaluating and recommending candidates for election to our Board of Directors.

Our Nominating and Governance Committee comprises Messrs. DeVillars, Cell and Stoltenberg. Mr. DeVillars serves as Chairman of our Nominating and Governance Committee. The Board has determined that all members of the Nominating Committee are independent under the rules of the NASDAQ Stock Market.

Nomination of Director Candidates

The Company receives suggestions for potential director nominees from many sources, including members of the Board, advisors and stockholders. Any such nominations, together with appropriate biographical information, should be submitted to the Chairperson of the Company’s Nominating and Governance Committee in the manner discussed below. Any candidates submitted by a stockholder or stockholder group are reviewed and considered in the same manner as all other candidates.

Nominating and selection procedures are described in the written charter of the Company’s Nominating and Governance Committee, a copy of which is available on the Company’s website at www.convertedorganics.com. Qualifications for consideration as a Board nominee may vary according to the particular areas of expertise being sought as a complement to the existing board composition. However, minimum qualifications include high level leadership experience in business activities, breadth of knowledge about issues affecting the Company, experience on other boards of directors, preferably public company boards, and time available for meetings and consultation on Company matters. The Nominating and Governance Committee seeks a diverse group of candidates who possess the background, skills and expertise to make a significant contribution to the Board, to the Company and its stockholders.

Candidates whose evaluations are favorable are then chosen by the Nominating and Governance Committee to be recommended for selection by the full Board. The full Board selects and recommends candidates for nomination as directors for stockholders to consider and vote upon at the annual meeting.

A stockholder wishing to nominate a candidate for election to the Company’s Board of Directors at any annual meeting at which the Board of Directors has determined that one or more directors will be elected shall submit a written notice of his or her nomination of a candidate to the Chairperson of the Company’s Nominating and Governance Committee (c/o the Corporate Secretary), providing the candidates name, biographical data and other relevant information together with a consent from the nominee. The submission must be received at the Company’s principal executive offices a reasonable time before the Company begins to print and mail its proxy materials so as to permit the Nominating and Governance Committee and, if necessary, the Board of Directors, to evaluate the qualifications of the nominee.

The Company currently does not employ an executive search firm, or pay a fee to any other third party, to locate qualified candidates for director positions.

In June 2006, the Company's Board of Directors and stockholders approved the 2006 Stock Option Plan (the "Option Plan"). The Option Plan authorizes the grant and issuance of options and other equity compensation to employees, officers and consultants. A total of 666,667 shares of common stock are reserved for issuance under the Option Plan. The Option Plan is administered by the Compensation Committee. Subject to the provisions of the Option Plan, the Compensation Committee determines who will receive the options, the number of options granted, the manner of exercise and the exercise price of the options. The term of incentive stock options granted under the Option Plan may not exceed ten years, or five years for options granted to an optionee owning more than 10% of the Company's voting stock. Provisions concerning a change of control of the Company, and terms of compensation in that event, are included in the employment agreement consistent with what the Compensation Committee believes to be best industry practices. The change of control provisions in the employment agreement is designed to ensure that Mr. Gildea devotes his full energy and attention to the best long term interests of the shareholders in the event that business conditions or external factors make consideration of a change of control appropriate. Change of Control"as defined by the Employment Agreement, includes (i) the acquisition of any person or group (as defined by the Securities Exchange Act of 1934, as amended) of beneficial ownership of 20% of the total shares or more than 35% of the outstanding shares of common stock of the Company except for acquisitions of stock from the Company, by the Company, and by employee benefit plans maintained by the Company or any of its Affiliates; (ii) individuals who constitute the Company's Board of Directors cease, for any reason to constitute at least a majority of the Board unless the new members of the Board were nominated by the existing Board members for other than an election contest; (iii) consummation of a reorganization, merger, consolidation or sale or other disposition of all or substantially all of the assets of the Company unless the transaction merger, consolidation or sale was initiated or approved by the Board of Directors; or (iv) approval by the stockholders of the Company of a complete liquidation or dissolution of the Company.

The employment agreement with Mr. Gildea for him to serve as President and Chief Executive Officer of the Company provides for a base salary of \$220,000, which may be increased at the discretion of the Board. The employment agreement also provides for participation in the various benefit programs provided by the Company, including group life insurance, sick leave and disability, retirement plans and medical and dental insurance programs to the extent they are offered by the Company and to the extent that Mr. Gildea is eligible to participate in such plans under the terms of such plans.

In the event Mr. Gildea's employment is terminated or in the event that Mr. Gildea resigns for good reason following a change of control, Mr. Gildea is entitled to a lump sum of three years base salary plus three times his incentive compensation paid in the preceding twelve months or the plan's target, whichever is greater, plus continued participation in the insurance benefits for a three year period. All stock options granted to Mr. Gildea would immediately vest and remain exercisable for three months following the date of termination.

ITEM 13. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS, AND DIRECTOR INDEPENDENCE

Transactions With Related Persons, Promoters and Certain Control Persons

As payment for compensation accrued and not paid since April 1, 2006 and expenses incurred but not reimbursed since April 1, 2006, we intend to pay in the future, out of available cash, a total of \$250,000 to the following current and former executive officers, directors and consultants, each of whom will receive \$50,000: Edward J. Gildea, Thomas R. Buchanan, John A. Walsdorf, William A. Gildea and John E. Tucker.

The Company paid Mr. William A. Gildea, who was a 5% stockholder during 2008 but not during 2009, and is the brother of the President and CEO of the Company, for his services in connection with development efforts in New Jersey, New York and Rhode Island. Mr. Gildea was paid \$32,500 in 2005, \$69,000 in 2006, \$155,000 in 2007, \$180,000 in 2008 and \$180,000 in 2009.

The Company paid Mr. John E. Tucker, who was a 5% stockholder during 2008 but not during 2009, and his company, BioVentures LLC., for its services in connection with the design and development work for the Company's planned manufacturing facility in Woodbridge, NJ. BioVentures LLC was paid \$15,000 in 2004, \$1,000 in 2005, \$69,000 in 2006, \$76,669 in 2007, \$60,000 in 2008 and \$0 in 2009.

We believe the transactions described above were made on terms at least as favorable as those generally available from unaffiliated third parties. The transactions have been ratified by a majority of the members of our Board of Directors who are independent directors. Future transactions with our officers, directors or greater than five percent stockholders will be on terms no less favorable to us than could be obtained from unaffiliated third parties, and all such transactions will be reviewed and subject to approval by our Audit Committee, which will have access, at our expense, to our or independent legal counsel.

Board Independence

Our Board of Directors is subject to the independence requirements of the NASDAQ Stock Market. Pursuant to the requirements, the Board undertook its annual review of director independence. During this review, the Board considered transactions and relationships between each director or any member of his or her immediate family and

the Company and its subsidiaries and affiliates. The purpose of this review was to determine whether any such relationships or transactions existed that were inconsistent with a determination that the director is independent. Of the four members of the Board, Messrs. Cell, DeVillars and Stoltenberg were determined to be independent directors as defined by the NASDAQ Stock Market.

The independent public accountants and management are required to periodically report to the Audit Committee regarding the extent of services provided by the independent public accountants in accordance with this pre-approval and the fees incurred to date.
