Performance-Based Incentives

2009 Bonus Plan

The 2009 Bonus Plan provides incentives to officers and members of management of the Company and its subsidiaries, including certain of the Company's executive officers, in the form of cash bonus payments for achieving certain performance goals established for them. The participants in the 2009 Bonus Plan who are Named Executive Officers are James C. Taylor, President and Chief Executive Officer and David R. Nuzzo, the Vice President and Chief Financial Officer.

The Compensation Committee established two components for the 2009 Bonus Plan. The first component is a short-term incentive plan and the second component is a long-term incentive plan. The structure of the 2009 Bonus Plan was designed to provide short-term incentives to participants for achieving annual targets, while also motivating and rewarding eligible participants for achieving longer-term growth goals. Under the 2009 Bonus Plan, Mr. Taylor may earn a maximum bonus of 100% of base salary and Mr. Nuzzo may earn a maximum bonus of 75% of base salary.

a. 2009 Short-Term Incentive Plan Awards

The 2009 STIP component of the 2009 Bonus Plan consists of two components. The first component is based on the achievement of return on invested capital (ROIC) objectives and the second component is based on the achievement of pre-determined individual objectives. Based on the determination of the objectives under the two components, the maximum percentage of base salary that may be earned by a participant ranges from 20% to 45% of his or her base salary, but may exceed such range in the event that ROIC exceeds the Company's targets. Under the 2009 STIP, Mr. Taylor earned a bonus payment of \$67,500 and Mr. Nuzzo earned a bonus payment of \$26,438, which payments were made in March 2010.

Under the 2008 STIP, neither Mr. Taylor nor Mr. Nuzzo received any bonus payment. Payments for the 2008 STIP relate to compensation for the year ended December 31, 2008.

Table of Contents

These bonus payments are reflected in the Non-Equity Incentive Plan Compensation of the Summary Compensation Table.

b. 2009 Long-Term Incentive Plan Awards

The Company maintains a long-term incentive plan based on the achievement of certain sales targets and ROIC targets over a three-year time period. An employee must be employed on the date the Compensation Committee approves bonuses for the last year of the three year period in order to be eligible to receive a payment under a long term incentive plan, unless otherwise determined at the absolute discretion of the Compensation Committee. The 2009 LTIP component of the 2009 Bonus Plan is based on a combination of the achievement of certain sales targets and ROIC targets over the three-year period ending on December 31, 2011. Based on the determination of these objectives, the maximum percentage of base salary that may be earned by the participants range from 10% to 55% of his or her base salary, but may exceed such range in the event that ROIC exceeds the Company's targets. Bonuses earned under the 2009 LTIP will be paid following the conclusion of the year ending December 31, 2011. A bonus payout under the 2009 LTIP will not occur if either the ROIC or sales component is below 80% of the respective target and is capped at 150% of the target bonus amount. The 2009 LTIP is similar to, and runs concurrently with the 2008 LTIP and the 2007 LTIP. The 2007 LTIP and the 2006 LTIP cover the three-year periods ending on December 31, 2009 and December 31, 2008, respectively. Each long term incentive plan contains different targets. Neither Mr. Taylor nor Mr. Nuzzo received a bonus payment under the LTIP for each of the years ended December 31, 2007, 2008 and 2009. Payments under each of the 2007 LTIP, 2008 LTIP and 2009 LTIP can only be deemed earned at the conclusion of the last fiscal year covered by such plans.

Under the 2006 LTIP, Mr. Taylor earned a bonus payment of \$136,410 and Mr. Nuzzo earned a bonus payment of \$39,860. Payments for the 2006 STIP relate to compensation for the year ended December 31, 2008 and were made in March 2009. These bonus payments are reflected in the Non-Equity Incentive Plan Compensation column of the Summary Compensation Table. For the year ended December 31, 2008, the Company did not make any bonus payment to any of its executive officers under the 2007 LTIP or the 2008 LTIP.

Severance and Change In Control Benefits

The Company provides the opportunity for Mr. Taylor to be protected under the severance and change in control provisions contained in a Change in Control Agreement dated as of May 1, 2001, as amended May 1, 2004 and December 22, 2008 (the Change in Control Agreement). The Company provides this protection in order to attract and retain an appropriate caliber of talent for his position. The severance and change in control provisions that apply for Mr. Taylor are summarized below in Potential Payments upon Termination or Change-in-Control. The Compensation Committee believes that the use of such severance and change in control protections are an essential element of executive compensation and assist the Company in recruiting and retaining talented executives. No other Named Executive Officers are protected by such provisions.

Perquisites and Other Compensation

The Company provides the opportunity for its Named Executive Officers and other executives to receive certain perquisites and general health and welfare benefits. For the year ended December 31, 2009, the Company provided the following personal benefits and perquisites to its Named Executives Officers: health insurance, life and disability insurance, 401(k) plan and car expense reimbursement.

Table of Contents**Options**

In the past, the Compensation Committee has provided long term incentive compensation in the form of stock options, where appropriate, as compensation for its executive officers, including the Named Executive Officers. These options were granted pursuant to the 1991 Long Term Incentive Plan, which plan expired in 2001 in accordance with its terms. Each option granted under the 1991 Long Term Incentive Plan expires no later than ten (10) years from the date the option was granted. Accordingly, options granted under the plan remain outstanding pursuant to their terms. At the present time, the Company's 2008 Incentive Stock Plan is the only option plan in effect. The Company granted options to the Named Executive Officers during the year ended December 31, 2008. The value of these option grants are reflected in the Option Awards column of the Summary Compensation Table. No options were granted during the year ended December 31, 2009.

Employment and Other Agreements

Neither of the Company's Named Executive Officers is a party to an employment agreement.

Pursuant to a Long Term Bonus Agreement dated September 1, 2005 (the Long Term Bonus Agreement), Mr. Taylor is entitled to receive a bonus (the Bonus) upon the first to occur of (i) the occurrence of a change in control; or (ii) the delivery of a notice by Mr. Taylor requesting the payment of the Bonus. The amount of the Bonus will be equal to the product of (i) 50,000 and (ii) the amount by which the market price of the Shares exceeds \$15.02. Upon his termination of employment with the Company for any reason, Mr. Taylor will be entitled to receive the Bonus upon delivery of a notice for a period of thirty (30) days following the date of termination, after which time he will have no further right to receive the Bonus.

Table of Contents

Assuming that payment of the Bonus was to be calculated using the closing market price on the last day of trading in the year ended December 31, 2009, which was \$8.38 per Share, the vested portion of the Bonus would have no value. During the year ended December 31, 2008 the value of the vested portion of the Bonus did not change.

Pursuant to the terms of the 2002 Bonus Agreement, Mr. Taylor will be paid a bonus equal to the product of (i) 100,000 and (ii) the amount by which the market price of the Shares exceeds \$5.45 (the Taylor Bonus). The right to receive two-thirds of the Taylor Bonus was triggered on December 21, 2007 and subsequently paid, as previously reported as Other Compensation for the year ended December 31, 2007.

One-third of the Taylor Bonus under the 2002 Bonus Agreement (the product of 33,334 and the amount by which the market price of the Shares exceeds \$5.45) remains unexercised. The right to receive the remaining one-third of the Taylor Bonus, which is 100% vested, shall be triggered upon the first to occur of (i) the occurrence of a change in control; or (ii) the delivery of a notice by Mr. Taylor requesting the payment of the Taylor Bonus. Assuming that payment of the remaining unexercised bonus was to be calculated using the closing market price of the Shares on December 31, 2009, which was \$8.38 per Share, the vested portion of the remaining unexercised bonus would equal \$97,669.

Potential Payments upon Termination or a Change In Control

James C. Taylor, the Company's Chief Executive Officer and President, is party to a Change in Control Agreement. Pursuant to the Change in Control Agreement, Mr. Taylor will receive a payment equal to two times his annual salary in the event he is terminated as Chief Executive Officer and President without cause or he terminates such employment for good reason within one year of a change in control of the Company or the execution of a definitive agreement contemplating a change in control of the Company. As of December 31, 2009, this amount was equal to \$750,000.

Please see the discussion of the Long Term Bonus Agreement and the 2002 Bonus Agreement with Mr. Taylor detailed above.

ITEM 13. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS AND DIRECTOR INDEPENDENCE

Certain Relationships and Related Transactions

During the year ended December 31, 2009, certain services were provided by SPL to the Company pursuant to a Management Agreement dated April 1, 2002 between the Company and SPL. SPL is a management company controlled by Mr. Lichtenstein. The Compensation Committee engaged an independent firm to provide a report and advice regarding the amount of management fees that should be payable to SPL for such services. These fees, other than the payment of a possible bonus, are the only consideration for the services of Mr. Kassan, the current Chairman of the Board and director. In consideration for such services, the fee paid to SPL by the Company was \$475,000 for the year ended December 31, 2009.

Although not in writing, the Board engages in discussions regarding related party transactions reflecting its understanding of policies and procedures, which gives the Board the power to approve or disapprove potential related party transactions of directors and executive officers, their immediate family members and entities where they hold a 5% or greater beneficial ownership interest. The Board is charged with reviewing all relevant facts and circumstances of a related party transaction, including if the transaction is on terms comparable to those that could be obtained in arm's length dealings with an unrelated third party and the extent of the related party's interest in the transaction.

Director Independence

The Board has adopted independence standards for directors that conform to the standards required by the SEC and NYSE Amex (formerly the American Stock Exchange) for listed companies. A majority of the Company's directors are independent directors based on the Company's director independence standards. Using these standards, and based upon information requested from and provided by each director concerning his background, employment and affiliations, including family relationships, the Board of Directors has affirmatively determined that Messrs. Baumgardner, Schwarz, Gray and Risher each qualify as independent directors.

The Company's Board of Directors committees include a standing Audit Committee, Compensation Committee and a Nominating and Corporate Governance Committee.

The Audit Committee is comprised of three members, each whom has been determined by the Board to be independent, based on NYSE Amex standards. The Board has determined that Avrum Gray, the Chairman of the Audit Committee and a non-management director, is an audit committee financial expert serving on the Audit Committee.
