Item 9. Regulation FD Disclosure

During the week of June 17, 2002, we participated in meetings discussing our sale of shares of our common stock and our equity security units. Attached as Exhibit 99.1 is a slide presentation used at various meetings with investors. It is not filed, but furnished to comply with Regulation FD. The information disclosed in this Item 9 Current Report on Form 8-K is not considered "filed" for purposes of Section 18 of the Securities Exchange Act of 1934 and is not subject to the liabilities of that section.

Because this presentation was in the form of a slide presentation, the text on each page of the presentation was kept to a minimum to facilitate visual communication and to emphasize the major points of our plan. The presentation materials are also currently available on our website, <http://www.elpaso.com>, in the section marked "For Investors".
