## ELECTION OF DIRECTORS

### (Proposal No. 1)

It is necessary at this time that stockholders elect Directors to hold office for a term stated below and until their successors are duly elected and qualified. It is the intention of the persons named in the accompanying Proxy Card to vote, on behalf of the stockholders, for the election of Phillip J. Purcell as a Class I Director for a term commencing on July 31, 2003 and expiring in 2005, Charles A. Fiumefreddo, Michael Bozic and Edwin J. Garn as Class II Directors for a term commencing on July 31, 2003 and expiring in 2006 and Wayne E. Hedien, Dr. Manuel H. Johnson and James F. Higgins as Class III Directors for a term commencing on July 31, 2003 and expiring in 2004.

The proposed slate of nominees reflects an effort to consolidate the existing Board of the Fund with the boards of the open-end and closed-end registered investment companies managed by an affiliate of the Manager which are marketed to retail investors (the Retail Funds). Among other benefits to the Fund, the current Board of Directors of the Fund believes that the consolidation will provide the opportunity for administrative efficiencies and some cost savings in addition to improving the effectiveness of the Board.

### Board Approval of Election of Directors

In order to effect this consolidation, the individual nominees were evaluated and nominated by the Fund's current Board of Directors. At a meeting held on March 24, 2003, the Board of Directors of the Fund proposed that Charles A. Fiumefreddo, Michael Bozic, Edwin J. Garn, Wayne E. Hedien, Dr. Manuel H. Johnson, James F. Higgins and Phillip J. Purcell, current directors of the Retail Funds, become Directors of the Funds. Each proposal for election of a Director of the Fund made by the Board of Directors of the Fund is subject to the approval of the Fund's stockholders at the Meeting. The seven nominees listed above will effectively be replacing Ronald E. Robison, Mitchell M. Merin (who was elected at a February 13, 2003 Board Meeting), John D. Barrett II, Vincent R. McLean, Jr., C. Oscar Morong, Jr., Gerard E. Jones, Thomas P. Gerrity and William G. Morton, who have tendered their resignations as Directors of the Fund effective July 31, 2003 (or, if the Fund's stockholder meeting is not held by then, on such later date as the meeting is held).

Pursuant to the Fund's By-Laws, the terms of office of the Directors are staggered. The Board of Directors is divided into three classes, designated Class I, Class II and Class III, with each class having a term of three years. Each year the term of one class expires. With respect to the Fund, Class I currently consists of Ronald E. Robison, Michael Nugent, Joseph J. Kearns and Fergus Reid. Class II currently consists of John D. Barrett II, Vincent R. McLean and C. Oscar Morong, Jr. Class III currently consists of Mitchell M. Merin, Gerard E. Jones, Thomas P. Gerrity and William G. Morton, Jr. If the stockholders of the Fund elect the nominees as Directors, then after the Meeting, effective July 31, 2003, Class I will consist of Phillip J. Purcell, Michael Nugent, Joseph J. Kearns and Fergus Reid, Class II will consist of Charles A. Fiumefreddo, Michael Bozic and Edwin J. Garn and Class III will consist of Wayne E. Hedien, Dr. Manuel H. Johnson and James F. Higgins. The resignations of the applicable Directors and election of the new Directors will be effective July 31, 2003 (or, if the Fund's stockholder meeting is not held by then, on such later date as the meeting is held). Only Mr. Purcell and the Nominee Directors nominated for election in Classes II and III are being considered for election at the Meeting.

Pursuant to the Fund's By-Laws, each Director holds office until (i) the expiration of his term and until his successor has been elected and qualified, (ii) his death, (iii) his resignation, (iv) December 31 of the year in which he reaches seventy-two years of age, or (v) his removal as provided by statute or the Fund's Articles of Incorporation. Each officer of the Fund will hold such office until his or her death or resignation or a successor has been duly elected and qualified.

### Board Meetings and Committees

## Edgar Filing: MALAYSIA FUND INC - Form DEF 14A

The Board of Directors of the Fund has an Audit Committee. The Audit Committee makes recommendations to the full Board of Directors with respect to the engagement of independent accountants and reviews with the independent accountants the plan and results of the audit engagement and matters having a material effect on the Fund's financial operations. The Fund has adopted a formal, written Audit Committee Charter. The Audit Committee met two times during the fiscal year ended December 31, 2002.

The members of the Audit Committee are currently Joseph J. Kearns, John D. Barrett II, Vincent R. McLean, C. Oscar Morong, Jr. and Gerard E. Jones, none of whom is an interested person, as defined under the Investment Company Act of 1940, as amended (the 1940 Act), of the Fund (with such disinterested Directors being Independent Directors or individually, Independent Director), and each of whom is independent from the Fund under the listing statements of the New York Stock Exchange, Inc. The current Chairman of the Audit Committee is Joseph J. Kearns.

The Board of Directors also has a Nominating and Compensation Committee. The Nominating and Compensation Committee evaluates and recommends nominees for election to the Fund's Board of Directors and establishes compensation for Independent Directors. The Fund has adopted a formal written Nominating and Compensation Committee Charter. The members of the Nominating and Compensation Committee are currently Fergus Reid, William G. Morton, Jr., Thomas P. Gerrity and Michael Nugent, each of whom is an Independent Director. The current Chairman of the Nominating and Compensation Committee is Fergus Reid. The Nominating and Compensation Committee did not meet during the fiscal year ending December 31, 2002.

There were four meetings of the Board of Directors of the Fund held during the fiscal year ended December 31, 2002. For the 2002 fiscal year, each current Director attended at least seventy-five percent of the aggregate number of meetings of the Board and of any committee on which he served held during the time such Director was a member of the Board.

Each of the nominees for Director has consented to be named in this Proxy Statement and to serve as a Director of the Fund if elected. The Board of Directors has no reason to believe that any of the nominees named above will become unavailable for election as a Director, but if that should occur before the Meeting, Proxy Cards will be voted for such persons as the Board of Directors may recommend.

## Compensation of Directors and Officers

Certain of the Independent Directors have entered into a deferred fee arrangement (the "Fee Arrangement") with the Fund, pursuant to which such Director may defer to a later date the receipt of the Director's fees. The deferred fees owed by the Fund are credited to a bookkeeping account maintained by the Fund on behalf of such Director and accrue income from and after the date of credit in an amount equal to the amount that would have been earned had such fees (and all income earned thereon) been invested and reinvested either (i) in shares of the Fund or (ii) at a rate equal to the prevailing rate applicable to 90-day United States Treasury Bills at the beginning of each calendar quarter for which this rate is in effect, whichever method is elected by the Director.

Under the Fee Arrangement, deferred Director's fees (including the return accrued thereon) will become payable by the Fund in cash upon such Director's resignation from the Board of Directors of the Fund in a lump sum or in generally equal annual installments over a period of five years (unless the Fund has agreed to a longer or shorter payment period) beginning on the first day of the year following the year in which such Director's resignation occurred. In the event of a Director's death, remaining amounts payable to him under the Fee Arrangement will thereafter be payable to his designated beneficiary; in all other events, a Director's right to receive payments is non-transferable. Under the Fee Arrangement, the Board of Directors of the Fund, in its sole discretion, has reserved the right, at the request of a Director or otherwise, to accelerate or extend the payment of amounts in the deferred fee account at any time after the termination of such Director's service as a director. In addition, in the event of liquidation, dissolution or winding up of the Fund or the distribution of all or substantially all of the Fund's assets and property to its stockholders (other than in connection with a reorganization or merger into another fund advised by MSIM), all unpaid amounts in the deferred fee account maintained by the Fund will be paid in a lump sum to the Directors participating in the Fee Arrangement on the effective date thereof.

Set forth below are tables showing the aggregate compensation paid by the Fund to each of its Directors, as well as the total compensation paid to each Director of the Fund by the Fund and by other U.S. registered investment companies advised by MSIM or its affiliates (collectively, the "Fund Complex") for their services as Directors of such investment companies for the fiscal year ended 2002 for each fund in the Fund Complex. In all cases, there were no pension or retirement benefits accrued as part of the Fund's expenses.

The election of the nominees for election as Directors of the Fund requires the affirmative vote of a majority of the votes cast at a meeting at which a quorum is present. Under the Fund's By-Laws, the presence in person or by proxy of stockholders entitled to cast a majority of the votes entitled to be cast thereat will constitute a quorum. For this purpose, abstentions and broker non-votes (that is, proxies from brokers or nominees indicating that such persons have not received instructions from the beneficial owner or other persons entitled to vote shares on a particular proposal with respect to which the brokers or nominees do not have discretionary power) will be counted in determining whether a quorum is present at the Meeting, but will not be counted as votes cast at the Meeting.

**The Board of Directors of the Fund recommends that you vote FOR the election of the nominees as Directors.**

**STOCKHOLDER PROPOSAL**

**(Proposal No. 2)**

A stockholder of the Fund, Walter Baer (the Proponent), has submitted a proposal, Proposal No. 2, set forth below for inclusion in this Proxy Statement for consideration by stockholders of the Fund. The Proponent has provided evidence to the Fund of beneficial ownership of 1,500 shares of common stock of the Fund. The Fund will provide the address of the Proponent to any person who so requests such information by written or oral request to the Fund, c/o Morgan Stanley Investment Management Inc., 1221 Avenue of the Americas, New York, New York 10020, or by calling (888) 378-1568.

**The Fund's Board of Directors recommends that the stockholders vote AGAINST the stockholder's proposal, Proposal No. 2. The reasons for the Board of Directors' recommendation are set forth below the stockholder's supporting statement.**

**Proposal**

**RESOLVED**, that shareholders of The Malaysia Fund, Inc. (the Fund) ask the Board of Directors to promptly take the steps necessary to liquidate the Fund or otherwise enable shareholders to realize net asset value (NAV) for their shares.

**Supporting Statement**

The long term performance of our Fund has been disappointing, to say the least. Over the past five years ending September 30, 2002, share market value has fallen by more than 60 percent, while net asset value has lagged its benchmark index by a substantial margin. Moreover, shares persistently trade at a high discount from NAV. As of December 13, 2002, the discount was 23 percent — one of the highest of all country or regional funds, and leaving more than \$10 million in value unavailable to shareholders.

I believe that there is no longer a need or rationale for continuing our Fund as a small, single country, closed-end fund selling at a large discount from NAV. The closed-end structure may have been appropriate 15 years ago when the Fund began operation and few alternatives existed for investing in Malaysia, but that is no longer true today. As two examples, investors now can readily gain exposure to Malaysian equities by buying shares of the open-end Morgan Stanley Institutional Fund Emerging Markets Portfolio or the iShares MSCI-Malaysia Exchange-Traded Fund.

This proposal asks the Board of Directors of our Fund to approve and promptly submit to shareholders a plan to liquidate the Fund or otherwise enable shareholders to realize NAV — for example, by merging the Fund into the open-end Morgan Stanley Institutional Fund Emerging Markets Portfolio. Such action will bring immediate gains to shareholders and permit us, if we wish, to reinvest in Malaysian equities without the deadweight loss of value resulting from our Fund's high discount.

**Your Board of Directors Urges You to Vote AGAINST the Stockholder's Proposal for the Reasons Discussed Below.**

## Edgar Filing: MALAYSIA FUND INC - Form DEF 14A

The Board of Directors has consistently considered alternatives for reducing the Fund's discount, and has taken numerous actions towards that end over the years. In an attempt to address the discount and enhance stockholder value, on July 15, 2002, the Fund commenced an open market repurchase program (the Program) of outstanding shares of the Fund's common stock. Since the inception of the Program, 39,160 shares, representing 0.40% of the Fund's outstanding shares when the Program commenced, have been repurchased through April 10, 2003. The repurchase of shares pursuant to the Program may help to reduce the Fund's discount.

Your Board of Directors has been and continues to be concerned about market prices of shares of the Fund relative to their net asset value and has reviewed and plans to continue to review actions that might reasonably be expected to reduce or eliminate the discounts at which shares have been trading and that would not have significant adverse consequences to long-term investors in the Fund. **As of April 10, 2003, the discount at which the Fund's shares trade from net asset value was 16.44%, as compared to 17.20% as of December 31, 2002.**

Liquidation is an extraordinary action that should only be considered in the extreme circumstances where the objective of the Fund is no longer capable of being achieved. Liquidation would eliminate the vehicle chosen by current stockholders for long-term investment in Malaysia, and could subject them to applicable Federal, state and local income taxes on the difference between the proceeds of liquidation and their tax bases in shares of the Fund just as if they had voluntarily sold their shares. These consequences are unwarranted, and are not, in the Board's view, in the best overall interest of the Fund's stockholders.

The investment objective of the Fund is long-term capital appreciation through investment primarily in equity securities of Malaysian companies, and the Board of Directors believes that the Fund has achieved and is continuing to achieve that objective. Recent performance of the Fund does not justify the extreme measure of liquidation. For example, for the one-year and three-year periods ended December 31, 2002, the Fund outperformed its benchmark market index (which is the Kuala Lumpur Stock Exchange Composite Index, a broad based capitalization weighted index of 100 stocks listed on the exchange), with the Fund having a total return (measured in net asset value per share) of 3.89% and 2.13%, respectively, compared to 7.15% and 7.34% for its benchmark, respectively. Even more important, however, would be the unjustifiable step of permitting certain stockholders who wish to enhance near-term realization on sale of their shares to force stockholders who have chosen the Fund as a vehicle to achieve long-term professional management of their investments in Malaysia to liquidate their investments at a time not of their choosing and with the adverse tax consequences discussed above. Following receipt of Proposal No. 2, the Board of Directors, at its meeting in February 2003, gave careful consideration to the proposal and the supporting statement and determined for the fundamental reasons discussed above not to approve liquidation of the Fund and to recommend strongly that stockholders vote against the proposal.

**Accordingly, your Board of Directors unanimously agrees that this proposal is not in the best interests of stockholders of the Fund. Your Board of Directors unanimously recommends that the stockholders vote AGAINST Proposal No. 2.**

#### **Voting Information**

As the Proponent's proposal is presented as a recommendation to the Board of Directors of the Fund, there is no law or regulation that requires the Board of Directors to act upon the proposal, regardless of the vote cast in favor of such proposal. Rather, in considering whether or not to take any action to liquidate the Fund, the Board of Directors will give the recommendation set forth in the proposal such weight as it believes appropriate based on the voting of stockholders for the proposal. In general, it is unlikely that the Board of Directors will accord the proposal any significant weight unless it is approved by the holders of a substantial majority of the Fund's outstanding shares.

Under the rules of the New York Stock Exchange, while brokers are permitted to submit on behalf of their customers proxies with respect to the election of the Fund's directors whether or not the brokers receive instructions from their customers regarding how to vote, brokers are not permitted to submit proxies with respect to the Proponent's proposal unless the brokers have received instructions from the customers holding shares of the Fund as to how to vote on that proposal. As a result, while there may be a quorum for the meeting as a result of votes submitted by brokers on behalf of their customers for the election of directors, it is likely, based on past experience, that the holders of less than a majority of the outstanding shares of the Fund will vote on the Proponent's proposal because many stockholders will have failed to instruct their brokers on how to vote on that proposal. Proxies from brokers or nominees indicating that such persons have not received instructions from the beneficial owner or other persons entitled to vote shares on the Proponent's proposal will accordingly not be voted with respect to the Proponent's proposal.

The aggregate fees billed for professional services rendered by Ernst & Young LLP for all other services provided to the Manager and to any entities controlling, controlled by or under common control with the Manager for the fiscal year ended December 31, 2002 amounted to \$774,000. Such services for the 2002 fiscal year included: (i) audit-related fees of \$98,000 for the issuance of a report under Statement on Accounting Standards No. 70 titled Reports on the Processing of Transactions by Service Organizations and (ii) all other fees of \$676,000 related to services such as performance attestation, operational control reviews and the provision of educational seminars.
