### Item 4. Description Of Securities

Not Applicable.

### Item 5. Interests Of Named Experts And Counsel

Not Applicable.

### Item 6. Indemnification Of Officers And Directors

Article VII of the Company's Certificate of Incorporation provides that the company shall indemnify its directors to the full extent permitted by the General Corporation Law of the State of Delaware and may indemnify its officers and employees to such extent, except that the Company shall not be obligated to indemnify any such person (i) with respect to proceedings, claims or actions initiated or brought voluntarily by any such person and not by way of defense, or (ii) for any amounts paid in settlement of an action indemnified against by the Company without the prior written consent of the Company. The Company has entered into indemnity agreements with each of its directors and its executive officers. These agreements require the Company, among other things, to indemnify such individuals against certain liabilities that may

arise by reason of their status or service as directors or executive officers, to advance expenses to them as they are incurred, provided that they undertake to repay the amount advanced if it is ultimately determined by a court that they are not entitled to indemnification, and to obtain directors' and officers' liability insurance if available on reasonable terms.

In addition, Article VII of the Company's Certificate of Incorporation provides that a director of the Company shall not be personally liable to the Company or its stockholders for monetary damages for breach of his or her fiduciary duty as a director, except for liability (i) for any breach of the director's duty of loyalty to the Company or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) for willful or negligent conduct in paying dividends or repurchasing stock out of other than lawfully available funds or (iv) for any transaction from which the director derives an improper personal benefit.

Reference is made to Section 145 of the General Corporation Law of the State of Delaware which provides for indemnification of directors and officers in certain circumstances.

The Company maintains a directors' and officers' insurance policy which entitles the Company to be reimbursed for certain indemnity payments it is required or permitted to make to its directors and officers.

Edgar Filing: NANOPHASE TECHNOLOGIES CORPORATION - Form S-8

- e. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Company pursuant to the Delaware Corporation Law, the Certificate of Incorporation of the Company and the By-Laws of the Company, the Company has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Company of expenses incurred or paid by a director, officer or controlling person of the Company in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Company will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question of whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
