PROXY STATEMENT ANNUAL MEETING OF SHAREHOLDERS APRIL 17, 2002

SOLICITATION, VOTING, AND REVOCABILITY OF PROXIES

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Sandy Spring Bancorp, Inc. ("Bancorp") to be used at the 2002 Annual Meeting of Shareholders. The Annual Meeting will be held on Wednesday, April 17, 2002, at 3:00 p.m. Eastern Time at the Indian Spring Country Club, 13501 Layhill Road, Silver Spring, Maryland. The Notice of Annual Meeting, the form of proxy, and this Proxy Statement are being first mailed together on or about March 14, 2002, to shareholders of record as of the close of business on March 4, 2002.

If the enclosed form of proxy is properly executed and returned to Bancorp in time to be voted at the Annual Meeting, the shares represented by it will be voted in accordance with the instructions marked on the form. EXECUTED BUT UNMARKED PROXIES WILL BE VOTED FOR PROPOSAL I TO ELECT THE FOUR NOMINEES OF BANCORP'S BOARD OF DIRECTORS AS DIRECTORS AND FOR PROPOSAL II TO AMEND BANCORP'S 1999 STOCK OPTION PLAN TO INCREASE THE NUMBER OF SHARES OF COMMON STOCK RESERVED FOR ISSUANCE UNDER THE PLAN FROM 600,000 SHARES TO 1,600,000 SHARES. Proxies marked as abstentions and shares held in street name that have been designated by brokers on proxies as not voted will not be counted as votes cast, but will be counted for purposes of determining a quorum at the Annual Meeting. Bancorp does not know of any other matters that are to come before the Annual Meeting except for incidental, procedural matters. If any other matters are properly brought before the Annual Meeting, the persons named in the accompanying proxy will vote the shares represented by each proxy on such matters as determined by a majority of the Board of Directors.

The presence of a shareholder at the Annual Meeting will not automatically revoke that shareholder's proxy. However, shareholders may revoke a proxy at any time prior to its exercise by filing with the Corporate Secretary of Bancorp, Ronald E. Kuykendall, a written notice of revocation; by delivering to Bancorp a duly executed proxy bearing a later date; or by attending the Annual Meeting and voting in person.

Many shareholders whose shares are held in an account at a brokerage firm or bank will have the option to submit their proxies or voting instructions electronically through the Internet or by telephone. Shareholders should check their proxy card or voting instructions forwarded by their broker, bank or other holder of record to see which options are available. Shareholders submitting proxies or voting instructions via the Internet should understand that there may be costs associated with electronic access, such as usage charges from Internet access providers and telephone companies, that would be borne by the shareholder. To revoke a proxy previously submitted electronically through the Internet or by telephone, a shareholder may simply submit a new proxy at a later date before the taking of the vote at the Annual Meeting, in which case, the later submitted proxy will be recorded and the earlier proxy will be revoked.

The cost of soliciting proxies will be borne by Bancorp. In addition to the solicitation of proxies by mail, Bancorp also may solicit proxies personally or by telephone or telegraph through its directors, officers and regular employees. Bancorp also will request persons, firms, and corporations holding shares in

Edgar Filing: SANDY SPRING BANCORP INC - Form DEF 14A

their names or in the name of nominees that are beneficially owned by others to send proxy materials to and obtain proxies from those beneficial owners and will reimburse the holders for their reasonable expenses in doing so.

The securities that can be voted at the Annual Meeting consist of shares of common stock, par value \$1.00 per share (the "Common Stock"), of Bancorp. Each share entitles its owner to one vote on all matters. The close of business on March 4, 2002, has been fixed by the Board of Directors as the record date for determination of shareholders entitled to vote at the Annual Meeting. There were approximately 2,300 record

1

holders of the Common Stock as of that record date. The number of shares outstanding on March 4, 2002 was approximately 14,491,000. The presence, in person or by proxy, of at least a majority of the total number of outstanding shares of Common Stock is necessary to constitute a quorum at the Annual Meeting.

A COPY OF THE ANNUAL REPORT ON FORM 10-K FOR ITS YEAR ENDED DECEMBER 31, 2001, AS FILED WITH THE SECURITIES AND EXCHANGE COMMISSION ("SEC"), BUT EXCLUDING EXHIBITS, IS PROVIDED WITH THIS PROXY STATEMENT. SHAREHOLDERS MAY OBTAIN, FREE OF CHARGE, A COPY OF THE EXHIBITS TO THE ANNUAL REPORT ON FORM 10-K BY WRITING RONALD E. KUYKENDALL, CORPORATE SECRETARY, AT SANDY SPRING BANCORP, INC., 17801 GEORGIA AVENUE, OLNEY, MARYLAND 20832. SHAREHOLDERS ALSO MAY ACCESS A COPY OF THE FORM 10-K INCLUDING EXHIBITS ON THE SEC WEB SITE AT <http://www.sec.gov>.

Shareholders whose shares are held in a brokerage firm or bank and who share the same address may receive only one Annual Report on Form 10-K and one Proxy Statement, unless the shareholder has provided contrary instructions. Shareholders who wish to receive separate copies of the Annual Report on Form 10-K or the Proxy Statement or who wish to receive separate copies of future annual reports and proxy statements, and shareholders sharing an address who received multiple copies of these documents but wish to request delivery of single copies of them should follow the instruction provided by the shareholders' brokerage firms or banks or contact Mr. Kuykendall at the above address or by phone at 301-774-6400 or 800-399-5919.

ELECTION OF DIRECTORS (PROPOSAL I)

The Board of Directors has set the total number of directors at thirteen, in accordance with Bancorp's Articles of Incorporation and Bylaws. Bancorp's Articles of Incorporation divide the directors into three classes, as nearly equal in number as possible. In general, the term of office of only one class of directors expires in each year, and their successors are elected for terms of three years and until their successors are elected and qualified. At the Annual Meeting a total of four director-nominees will be elected for three-year terms. With respect to the election of directors, each shareholder of record on the record date is entitled to one vote for each share of Common Stock held. A plurality of all the votes cast at the Annual Meeting will be sufficient to elect a nominee as a director.

Information as to Nominees and Continuing Directors

The following table sets forth the names of the Board of Directors' four nominees for election as directors. Also shown is certain other information, some of which has been obtained from Bancorp's records and some of which has been supplied by the nominees and continuing directors, with respect to their principal occupations during at least the past five years, their ages at December 31, 2001, the periods during which they have served as directors, and the positions they currently hold with Bancorp. The Board of Directors elected Craig A. Ruppert as a director at its January 2002 meeting. Mr. Ruppert is

Edgar Filing: SANDY SPRING BANCORP INC - Form DEF 14A

standing for election at this annual meeting, along with the three members standing for re-election. It is the intention of the persons named in the proxy to vote the shares represented by each properly executed proxy for the election as directors of the four nominees listed below for terms of three years, unless otherwise directed by the shareholder. The Board of Directors believes that each of the nominees will stand for election and will serve if elected as director. If any person nominated by the Board of Directors fails to stand for election or is unable to accept election, the proxies will be voted for the election of such other person or persons as the Board of Directors may recommend.

Director Thomas O. Keech has chosen not to stand for re-election, and will retire effective at the conclusion of the 2002 Annual Meeting. Mr. Keech has provided long and valuable service to Bancorp and the Bank and will be missed by the continuing directors and executive management.

2

CORPORATE GOVERNANCE AND OTHER MATTERS

During 2001, each of Bancorp's and the Bank's Boards of Directors held 11 regular meetings.

The average attendance was 97% for meetings of Bancorp's and the Bank's Boards of Directors. All incumbent directors attended 75% or more of the aggregate of (a) the total number of meetings of the Boards of Directors and (b) the total number of meetings held by all committees on which they served during the period of their service during the year.

Bank directors who are not employed by the Bank receive an annual retainer of \$6,000 and fees of \$500 (\$600 for the Chairman) for attendance at each meeting of the Board of Directors, and \$500 for each committee meeting. Bancorp directors who are not employed by Bancorp do not receive any additional

Edgar Filing: SANDY SPRING BANCORP INC - Form DEF 14A

compensation (beyond compensation received for service as bank directors) except as follows. Such directors receive fees of \$500 (\$600 in the case of the Chairman) for attendance at each meeting of the Board of Directors not held in conjunction with a meeting of the Bank's Board of Directors. Bancorp directors are also eligible to receive non-incentive stock options under Bancorp's 1999 Stock Option Plan. These options have a maximum term of 10 years and an exercise price which may not be less than 100% of the fair market value of the common stock on the date of grant. Under this Plan, options for 10,294 shares were granted in 2001 to directors who were not employees of Bancorp or any of its subsidiaries, based upon their meeting attendance, at an exercise price of \$32.25.

Directors of the Bank are eligible to defer all or a portion of their fees under Director Fee Deferral Agreements between the Bank and individual directors. Amounts deferred accrue interest at the prime rate. Except in the case of death or financial emergency, deferred fees and accrued interest are payable only following termination of a director's service on the board. The Director Fee Deferral Agreements also provide for benefits that may exceed deferred fees and accrued interest in the event a party dies while a director of the Bank, but only to the extent the Bank owns an insurance policy in effect on the director's life at the time of death that pays a greater amount than the total of deferred fees and accrued interest.

Bancorp's Board of Directors has standing Audit, Nominating and Human Resources Committees. The Human Resources Committee performs the functions of a compensation committee. The functions, composition, and number of meetings for these committees in 2001 were as follows:

AUDIT COMMITTEE -- The Audit Committee is composed of John Chirtea, Chairman, Solomon Graham, Gilbert L. Hardesty, Joyce R. Hawkins, Thomas O. Keech, and David E. Rippeon. The Audit Committee is appointed by the Board to assist the Board in monitoring the integrity of the financial statements, compliance with legal and regulatory requirements and the independence and performance of internal and external auditors. The members of the Audit Committee are neither officers nor employees of Bancorp or the Bank and are independent, as defined in Rule 4200(a)(15) of the National Association of Securities Dealers Listing Standards. The Committee has adopted a written charter, which has been approved by the Board of Directors. During 2001, four meetings were held.

NOMINATING COMMITTEE -- The Nominating Committee is composed of W. Drew Stabler, Chairman, Solomon Graham, John Chirtea, Hunter R. Hollar, and Charles F. Mess. The Nominating Committee makes recommendations to the Board of Directors with respect to nominees for election as directors. While the Nominating Committee will consider nominees recommended by shareholders, it has not actively solicited recommendations by Bancorp's shareholders for nominees nor has it established any procedures for this purpose other than as set forth in the Bylaws. See "Shareholder Proposals." During 2001, two meetings were held.

4

HUMAN RESOURCES (COMPENSATION) COMMITTEE -- The Human Resources Committee is composed of Robert L. Orndorff, Jr., Chairman, John Chirtea, Susan D. Goff, Charles F. Mess, Robert L. Mitchell and W. Drew Stabler. The Human Resources Committee recommends salaries and other compensation for executive officers, conducts an annual review of the salary budget, considers other compensation and benefit plans and makes recommendations to the Board, deals with matters of personnel policy and, with the Stock Option Committee, administers the 1999 and 1992 Stock Option Plans. During 2001, two meetings were held.

STOCK OPTION PLANS. Bancorp maintains stock option plans to attract, retain, and motivate key employees and directors of Bancorp and the Bank by providing them with a stake in the success of Bancorp as measured by the value of its shares. The following information has been adjusted to give retroactive effect to a 3-for-2 stock split declared on November 28, 2001.

The 1999 Stock Option Plan (the "1999 Option Plan"), which was approved by the shareholders at the 1999 Annual Meeting of Shareholders, authorizes the issuance of up to 600,000 shares of Common Stock, subject to certain adjustments for changes in Bancorp's capital structure. Proposal II of this proxy statement proposes to increase the number of reserved shares for the 1999 stock option plan to 1,600,000 shares. The 1999 Option Plan has a term of 10 years from its effective date (February 24, 1999) after which date no stock options may be granted. As of February 25, 2002, options for 396,332 shares were outstanding under the 1999 Option Plan. The 1999 Option Plan replaced a plan adopted in 1992 (the "1992 Option Plan"), which was terminated except with respect to options that were outstanding on the plan's termination date. As of February 25, 2002, options for 152,700 shares were outstanding under the 1992 Option Plan. The 1999 Option Plan and the 1992 Option Plan are referred to below as the "Option Plans."

6

The Option Plans provide for the grant of "incentive options" as defined in Section 422 of the Code. The 1999 Option Plan also provides for the grant of "non-incentive options" to directors, officers and non-officer employees on terms and conditions established by the Stock Option Committee, which administers the Option Plans. The Stock Option Committee is comprised of all disinterested (outside) directors (i.e., all directors other than Mr. Hollar).

Prior to 2000, options had been granted under the Option Plans only to key employees of Bancorp and its subsidiaries. In 2001 and 2000, options were granted to key employees and also to the Company's non-employee directors. The options granted to the non-employee directors were non-incentive options. Under the Option Plans, the maximum option term is 10 years from the date of grant. Options granted under the Option Plans prior to 1996 were immediately exercisable upon grant. Options granted from 1996 through 2001 were exercisable as follows: one-third upon the date of grant, one-third upon the first anniversary of the date of grant, and one-third upon the second anniversary of the date of grant. The exercise price of a stock option may not be less than 100% of the fair market value of the Common Stock on the date of grant. The exercise price of stock options must be paid for in full in cash or shares of Common Stock, or a combination of both. The Stock Option Committee has the discretion when making a grant of stock options under the 1999 Plan to impose restrictions on the shares to be purchased in exercise of such options.

The Committee also has the authority to cancel stock options outstanding under the 1992 Option Plan and the 1999 Option Plan with the consent of the optionee and to grant new options at a lower exercise price in the event that the fair market value of the Common Stock at any time prior to the exercise of the

outstanding stock options falls below the exercise price of such option.

PENSION PLAN TABLE

The table below shows estimated annual benefits payable upon retirement to persons in the specified remuneration and years of service categories. The benefits are provided on a 10-year certain and life basis and are not subject to deduction for Social Security or other offset amounts. The benefits shown are based on years of service after December 31, 2000, only and assume a constant salary for all future years. The benefit that the participant had earned as of December 31, 2000, based on the final average salary formula in effect prior to January 1, 2001, must be added to the benefit shown.

Annual Earning -----	Post 12/31/00 Years of Credited Service at Retirement -----

Earnings covered by the Pension Plan are total wages, including elective pre-tax contributions under Section 401(k) of the Internal Revenue Code, overtime pay, bonuses, and other cash compensation, which for the named executives correspond, in general, to the total of the amounts in the "Salary" and "Bonus" columns in the Summary Compensation Table, up to a total of \$170,000. Retirement benefits equal the sum of two parts: (a) the benefit accrued as of December 31, 2000, based on the formula of 1.5% of highest five-year average salary as of that date times years of service as of that date, plus (b) 1.75% of each year's earnings after December 31, 2000 (1.75% of career average earnings). In addition, if the participant's age plus years of service as of January 1, 2001, equal at least 60 and the participant had at least 15 years of service at that date, he or she will receive an additional benefit of 1% of year 2000 earnings for each of the first 10 years of service completed after December 31, 2000. Early retirement is also permitted by the Pension Plan at age 55 after at least 10 years of service. As of February 25, 2002, Bancorp's executive officers shown in the compensation table had accumulated the following years of credited service toward retirement: Mr. Hollar - 11 years, Mr. Langmead - 10 years, Mr. Lewis - 6 years, Mr. Small - 11 years, and Mr. Merson - 19 years.

SUPPLEMENTAL EXECUTIVE RETIREMENT AGREEMENTS. The Bank, upon the recommendation of the Human Resources Committee, has entered into individual Supplemental Executive Retirement Agreements ("SERA's") with certain executives of the Bank, including Mr. Hollar and each of the Named Executive Officers. The SERA's are designed to provide certain post-retirement benefits to enable a targeted level of covered retirement income to be met and to provide certain pre-retirement death and disability benefits should the executive die or become disabled prior to retirement age. The annual post-retirement deferred compensation benefit is designed to replace between 65% and 70% of the executive's projected final average pay at retirement date in conjunction with the Bank's Pension Plan and Deferred Profit Sharing Plan, Social Security retirement benefits, and any benefits payable to the executive under a prior employer's pension plan. Normal retirement benefits are payable in equal monthly payments over 15 years or until the death of the executive, whichever is longer. Using a 70% income replacement target for Mr. Hollar, an annual amount of \$501,995 per year has been projected to be paid over a 15-year period at age 65. Executives who reach age sixty with ten years of service are eligible for reduced benefits upon early retirement, payable over 15 years. Reduced

benefits also are available in the event of disability, voluntary termination, or termination by the Bank without just cause. Benefits payable by reason of the death of the executive are based upon accrued retirement benefits or, if greater, the approximate value of payments received by the Bank under insurance coverage obtained by the Bank on the executive's life, and are payable over 15 years.

Change-in-Control Benefits. If within six months prior to, or two years after, a change-in-control, the Bank terminates the employment of an executive who is a party to a SERA without just cause, or the executive voluntarily terminates employment for good reason, the executive is eligible for normal retirement or early retirement benefits, at his or her election. These benefits are payable beginning at the retirement (or early retirement) age if the change in control has been approved by a majority of the directors of the Bank who were directors prior to the change-in-control, or otherwise beginning in the month following the executive's termination.

EMPLOYMENT AGREEMENTS. In December 1990, Bancorp and the Bank entered into an Employment Agreement (the "1990 Agreement") with Hunter R. Hollar (the "Executive"). The Agreement provided for automatic one-year extensions on each January 1 after its initial term ended on December 31, 1993, provided that neither Bancorp nor Mr. Hollar had given written notice at least 90 days prior to a renewal date of intention not to renew the Agreement. The 1990 Agreement, as renewed, was in effect until January 30, 1997, when the 1990 Agreement was replaced with a new employment agreement (the "Agreement").

The Boards of Directors of Bancorp and the Bank believe that the Agreement assures fair treatment of the Executive in relation to his career with Bancorp by assuring him of some financial security. The Agreement also protects the shareholders by encouraging the Executive to continue his attention to his duties without distraction in a potential merger or takeover circumstance and by helping to maintain the Executive's objectivity in considering any proposals to acquire Bancorp.

The Agreement has an initial term of three years, and is subject to automatic one-year extensions of such term on each January 30, provided that neither Bancorp nor the Executive has given written notice at least 60 days prior to the renewal date of intention not to renew. The Agreement provides for the payment of cash and other benefits to the Executive, including a fixed salary, reviewed annually and subject to increase or decrease at the Board of Directors' discretion, provided that the salary may not be less than \$190,000. The Executive also is entitled to participate in bonus and fringe benefit, incentive compensation, life insurance, medical, profit sharing and retirement plans, and to continued participation in a supplemental retirement arrangement. The Executive is entitled to reimbursement of reasonable business expenses, the use of an automobile (with reimbursement for expenses), and membership dues at a country club located in the Olney, Maryland area. With minor exceptions, the Agreement terminates, and there are no additional payments due under it, upon termination based upon death, retirement, or just cause (as defined) by Bancorp, or upon voluntary termination by the Executive without good reason (as defined). Upon termination for disability, the Executive is entitled to receive his salary through the term of the Agreement, reduced by payments under any disability plan maintained by Bancorp, plus regular employee benefits. Upon termination of the Executive without just cause by Bancorp, or with good reason by the Executive, the Executive is entitled to salary and bonuses for the remaining term of the Agreement, payable in a lump sum based upon prior year compensation levels. The Executive is prohibited from conflicts of interest, and must maintain the confidentiality of nonpublic information regarding Bancorp and its customers. The Executive also is bound by a covenant not to compete and not to interfere with other employees of Bancorp if the Executive is terminated for just cause,

Edgar Filing: SANDY SPRING BANCORP INC - Form DEF 14A

disability, or retirement or resigns without good reason.

Change-in-Control Benefits. In the event of a change-in-control of Bancorp, the Executive is entitled to payment of certain benefits. If within six months prior to, or two years after, a change-in-control, Bancorp terminates the Executive's employment without good cause, or the Executive voluntarily terminates employment for good reason (as defined in the Agreement), then Bancorp, or its successor, is required to make a lump sum cash payment to the Executive equal to 2.99 times the sum of the Executive's annual salary at the highest rate in effect during the preceding twelve months and bonuses for the preceding calendar year. The Executive also is entitled to continued participation for a three-year period in certain Bancorp-sponsored health and welfare plans. These payments and benefits, are limited, however, so as not to exceed the amount allowable as a deduction under Section 280G of the Internal Revenue Code. As of December 31, 2001, if a change-in-control had occurred and the Executive had terminated employment with good reason or had been terminated from employment without just cause, then \$1,751,393 would have been payable to the Executive under the change-in-control provisions of the Agreement, after application of the limitations of Section 280G of the Code. Bancorp does not believe that payment of this amount would have a material adverse affect on the financial or operating condition of Bancorp or the Bank.

Agreements with Other Named Executive Officers. The other Named Executive Officers also entered into employment agreements with Bancorp. The material terms and conditions of each of these agreements are similar to those of the Current Agreement entered by Mr. Hollar, except that (a) each of them is for an initial term of two years, and (b) the compensation and duties, and provisions relating to duties, are different in each agreement. Under the agreements, the other Named Executive Officers are not entitled to club memberships or use of an automobile. The agreements call for the employment of Mr. Langmead, Mr. Lewis, Mr. Merson, and Mr. Small at Bancorp and the Bank at minimum base salaries of \$110,000, \$110,000, \$100,000, and \$95,000, respectively.

REPORT OF THE HUMAN RESOURCES COMMITTEE

As members of the Human Resources Committee, it is our duty to review compensation policies applicable to executive officers; to consider the relationship of corporate performance to that compensation; to recommend salary and bonus levels and stock option grants for executive officers for consideration by the Boards of Directors of Bancorp and the Bank or their committees, as appropriate; and to administer various incentive plans of Bancorp and the Bank.

Under the compensation policy of Bancorp, which is endorsed by the Human Resources Committee, compensation is paid based on both the executive officers' performance and the performance of the entire company. In assessing the performance of Bancorp and the Bank for purposes of compensation decisions, the Human Resources Committee considers a number of factors, including salaries paid by financial services companies with characteristics similar to Bancorp's to officers with similar responsibilities, profits of Bancorp and the Bank during the past year relative to their profit plans, reports of federal regulatory examinations of Bancorp and the Bank, growth, business plans for future periods, regulatory capital levels, and changes in the value of Bancorp's stock. The Human Resources Committee assesses individual executive performance based upon the executive's responsibilities and the Committee's determination of the executive's contributions to the performance of Bancorp and the accomplishment of Bancorp's strategic goals. In assessing performance for purposes of establishing base salaries, the members of the Committee do not make use of a mechanical formula, but instead weigh the factors described above as they deem appropriate in the circumstances. The 2001 salary levels of Bancorp's executive

Edgar Filing: SANDY SPRING BANCORP INC - Form DEF 14A

officers were established consistent with this compensation policy.

Mr. Hollar became Chief Executive Officer of Bancorp and the Bank effective January 1, 1994. During 2001, the level of Mr. Hollar's annual salary was subject to the terms of an employment agreement with Bancorp and the Bank dated January 30, 1997. Under this agreement, Mr. Hollar's annual salary is reviewed annually and is subject to increase at the discretion of the Board of Directors.

The Committee conducted a review of executive officer base compensation in March 2001. Changes in base compensation for 2001 were effective on April 1, 2001. In its review, the Committee determined that the performance of Mr. Hollar was excellent, based upon the 2000 financial performance of Bancorp, including the growth in assets, income, and capitalization during 2000; the financial performance trends for 2000 and the preceding four years, which include growth in assets and net operating income in each year; the results of confidential regulatory examinations; Bancorp's planned levels of financial performance for 2001; Mr. Hollar's continued involvement in community affairs in the communities served by Bancorp; and a general level of satisfaction with the management of Bancorp and its subsidiaries. As a result of this review, which included a comparison of Mr. Hollar's compensation with compensation paid to officers of comparable institutions, Mr. Hollar's salary was increased by \$30,000 to \$335,000.

Executive officers of Bancorp and the Bank have been granted incentive stock options under Bancorp's Stock Option Plans. The purposes of the Stock Option Plans are to attract, retain, and motivate key officers of Bancorp and the Bank by providing them with a stake in the success of Bancorp as measured by the value of its shares. Options are granted at exercise prices equal to the fair market value of the shares on the dates of grant. The Stock Option Committee, which consists of the disinterested directors of Bancorp, has general responsibility for granting stock options to key employees and administering the plans. The Human Resources Committee recommends to the Stock Option Committee the recipients and the amounts and other terms of options to be granted. During 2001, incentive stock options for 39,600 shares were granted to Named Executive Officers at an exercise price of \$32.25 per share, including options for 18,400 shares granted to Mr. Hollar, 6,400 shares each granted to Mr. Langmead, Mr. Lewis, and Mr. Small, and 2,000 shares granted to Mr. Merson.

The Human Resources Committee recommends to the Board of Directors the amount to be contributed each year to the Bank's Cash and Deferred Profit Sharing Plan. Under this Plan, each participant receives an allocation based upon the participant's compensation for the year. Each executive officer of Bancorp participates in the Plan. In 1995, the Human Resources Committee adopted a formula to establish the amount of aggregate contribution to the profit sharing plan. This formula uses measures of loan and deposit growth, profitability, asset quality, and productivity ratios compared with those measures for the prior year and target levels established for the Bank. For 2001, the Human Resources Committee recommended, and the Board of Directors of the Bank approved, an aggregate contribution of approximately \$1,570,000 or 7.67% of annual compensation of eligible participants, which was based upon the results of the formula.

The Bank also awards cash bonuses to participants, including executive officers, based upon the performance of the Bank or business units, and annual bonuses for executive officers based solely on Bank performance, in each case using the formula described above. Performance bonuses of \$237,711, \$104,041, \$104,961, \$89,828, and \$59,627 were awarded to Mr. Hollar, Mr. Langmead, Mr. Lewis, Mr. Small, and Mr. Merson, respectively, in 2001.

STOCK PERFORMANCE COMPARISONS

The following graph and table show the cumulative total return on the Common Stock of Bancorp over the last five years, compared with the cumulative total return of a broad stock market index, the Standard and Poor's 500 Index ("S&P 500"), and a narrower index of Mid-Atlantic bank holding company peers with assets from \$1 billion to \$3 billion. The cumulative total return on the stock or the index equals the total increase in value since December 31, 1996, assuming reinvestment of all dividends paid into the stock or the index. The graph and table were prepared assuming that \$100 was invested on December 31, 1996, in the Common Stock and the securities included in the indexes.

The Peer Group index includes the fourteen publicly-traded bank holding companies other than Bancorp headquartered in the states of Maryland, Virginia, Pennsylvania, New Jersey, and West Virginia (the Mid-Atlantic Region) with assets at December 31, 2001, of at least \$1 billion and not more than \$3 billion. The institutions included in this index are City Holding Co., Community Banks, Inc., First Community Bancshares, Inc., F&M Bancorp MD, Harleysville National Corp., National Penn Bancshares, Inc., Omega Financial Corp., Patriot Bank Corp., S&T Bancorp, Inc., Sterling Financial Corp., Sun Bancorp, Inc., United National Bancorp, Wesbanco, Inc., and Yardville National Bancorp. Returns are weighted according to the issuer's stock market capitalization at the beginning of each year shown.

PROPOSAL II -- AMENDMENT OF THE 1999 STOCK OPTION PLAN TO INCREASE THE NUMBER OF AVAILABLE SHARES

At the Annual Meeting, the shareholders are being asked to approve an amendment to Bancorp's 1999 Option Plan in order increase the number of shares of Common Stock reserved for issuance under the plan, and the number of shares of Common Stock for which options may be granted, by 1,000,000, to an aggregate of 1,600,000.

The purpose of the Option Plan is to advance the interests of Bancorp by providing selected key employees and the directors of Bancorp and its

Edgar Filing: SANDY SPRING BANCORP INC - Form DEF 14A

subsidiaries with the opportunity to acquire shares of Common Stock. By encouraging stock ownership, Bancorp seeks to attract, retain and motivate the best available personnel for positions of substantial responsibility and to provide additional incentive to key employees and directors of Bancorp to promote the success of the business, as measured by the value of its shares, and to increase the commonality of interests among key employees, directors and other shareholders.

The principal features of the 1999 Option Plan are described above under the caption "Executive Compensation -- Stock Option Plans." This proposal II would not amend any provision of the 1999 Option Plan other than the number of authorized shares.

REASONS FOR THE AMENDMENT. Since adoption of the 1999 Option Plan, awards for an aggregate of 438,731 shares, net of forfeited options, have been granted to key employees and directors of Bancorp and the Bank or reserved for future issuance in accordance with the terms of outstanding awards. Only 161,269 shares remain available for issuance under the Option Plan. The Board of Directors believes that this number of shares is inadequate to permit Bancorp to appropriately compensate employees, officers and directors in coming years.

The Board of Directors believes that the availability of a stock based compensation program intended to provide directors and key employees with at least a moderate portion of their overall compensation package, and that will enable them to participate in the growth and prosperity of Bancorp as reflected in the stock price, is necessary in order to attract and retain high caliber directors, officers and employees in key positions. The Board of Directors also believes that such a plan is necessary to align the interests of such persons with the interests of Bancorp's stockholders, which will increase their incentive to improve Bancorp's performance. As such, the Board of Directors believes that the authorization of additional shares for issuance under the Option Plan is necessary in order to permit Bancorp's continued growth and profitability.

If the amendment to the 1999 Option Plan is approved, the total number of shares subject to issuance under outstanding and future awards pursuant to the 1999 Option Plan will be 1,557,601, or 10.7% of the outstanding Common Stock, and 9.7% of the Common Stock assuming the exercise of all Options.

FEDERAL INCOME TAX INFORMATION FOR THE 1999 OPTION PLAN. A recipient recognizes no taxable income at the time an Option is granted under the 1999 Option Plan. With regard to Non-ISO's, ordinary income is recognized by the recipient at the time of his or her exercise of an Option. The amount of income equals the difference between the exercise price and the fair market value of the shares on the date of exercise. When a recipient disposes of shares acquired upon exercise of the Option, any amount received in excess of the fair market value of the shares on the date of exercise is treated as long or short-term capital gain, depending upon the holding period of the shares, and if the amount received is less than the fair market value of the shares on the date of exercise, the loss will be treated as long or short-term capital loss, depending upon the holding period of the shares.

With regard to ISO's, no income is recognized by a recipient upon exercise. However, the excess of the fair market value of the shares received on exercise over the exercise price is an adjustment to the recipient's taxable income for purposes of computing the recipient's alternative minimum taxable income. Assuming compliance with applicable holding period requirements for ISO's, a recipient realizes long-term capital gain or loss when he or she disposes of shares, measured by the difference between the exercise price and the amount received for the shares at the time of disposition. If the recipient disposes of shares acquired by the exercise of the Option before the expiration of at least one year from the date of exercise and two years from the date of grant of the

Edgar Filing: SANDY SPRING BANCORP INC - Form DEF 14A

Option, any amount realized from such disqualifying disposition is taxable as ordinary income in the year of disposition to the extent that the lesser of (i) fair market value on the date the Option was exercised or (ii) the

12

amount realized upon such disposition, exceeds the exercise price. Any amount realized in excess of fair market value on the date of exercise will be treated as long or short-term capital gain, depending upon the holding period of the shares. If the amount realized upon such disposition is less than the exercise price, the loss is treated as long or short-term capital loss, depending upon the holding period of the shares.

No deduction is allowed to Bancorp for federal income tax purposes at the time of grant of a Non-ISO or at the time of grant or exercise of an ISO. Bancorp is entitled to a deduction for federal income tax purposes at the same time and in the same amount as the recipient is considered to have recognized ordinary income in connection with the exercise of a Non-ISO. In the event of a disqualifying disposition of shares received upon exercise of an ISO, Bancorp is entitled to a deduction for the amount taxable to the recipient as ordinary income.

VOTE REQUIRED AND RECOMMENDATION OF THE BOARD OF DIRECTORS. The affirmative vote of a majority of the votes cast at the Meeting on the proposal to amend the 1999 Option Plan is required for the approval of the amendment to the 1999 Option Plan. THE BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS VOTE FOR THE APPROVAL OF THE AMENDMENT.

TRANSACTIONS AND RELATIONSHIPS WITH MANAGEMENT

Bancorp and the Bank have had in the past, and expect to have in the future, banking transactions with directors and executive officers in the ordinary course of business on substantially the same terms, including interest rates and collateral on loans, as those prevailing at the same time for comparable transactions with other persons. In the opinion of management, these transactions do not and will not involve more than the normal risk of collectibility or present other unfavorable features.

Director Lewis R. Schumann is a partner in the Rockville, Maryland law firm of Miller, Miller and Canby, Chtd., which Bancorp and the Bank have retained during 2001 and expect to retain during the current year as corporate counsel. The law firm provides legal services on matters such as routine litigation, customer account forms and issues, Bank properties, and trust and estate administration.

SHAREHOLDER PROPOSALS

From time to time, individual shareholders may wish to submit proposals that they believe should be voted upon by the shareholders. The Securities and Exchange Commission has adopted regulations that govern the inclusion of such proposals in Bancorp's annual proxy materials. Shareholder proposals intended to be presented at the 2003 Annual Meeting of Shareholders may be eligible for inclusion in Bancorp's proxy materials for that Annual Meeting if received by Bancorp at its executive offices not later than November 14, 2002.

In addition, Bancorp's Bylaws require that to be properly brought before an annual meeting, shareholder proposals for new business must be delivered to or mailed and received by Bancorp not less than thirty nor more than ninety days prior to the date of the meeting; provided, however, that if less than forty-five days notice of the date of the meeting is given to shareholders, such notice by a shareholder must be received not later than the fifteenth day following the date on which notice of the date of the meeting was mailed to shareholders or two days before the date of the meeting, whichever is earlier.

Edgar Filing: SANDY SPRING BANCORP INC - Form DEF 14A

Each such notice given by a shareholder must set forth certain information specified in the Bylaws concerning the shareholder and the business proposed to be brought before the meeting.

Shareholders also may nominate candidates for director, provided that such nominations are made in writing and received by Bancorp at its executive offices not later than December 14, 2002. The nomination should be sent to the attention of Bancorp's Corporate Secretary and must include, concerning the director nominee, the following information: full name, age, date of birth, educational background and business experience, including positions held for at least the preceding five years, home and office addresses and telephone numbers, and a signed representation to timely provide all information requested by Bancorp for preparation of its disclosures regarding the solicitation of proxies for election of directors. The name of each such candidate for director must be placed in nomination at the Annual Meeting by a shareholder present in person. The nominee must also be present in person at the Annual Meeting. A vote for a person who has not been duly nominated pursuant to these requirements will be deemed to be void.

COMPLIANCE WITH SECTION 16(a) OF THE SECURITIES EXCHANGE ACT OF 1934

Section 16(a) of the Securities Exchange Act of 1934 requires Bancorp's executive officers and directors, and any persons who own more than ten percent of a registered class of Bancorp's equity securities, to file reports of ownership and changes in ownership on Forms 3, 4, and 5 with the Securities and Exchange Commission. Executive officers, directors and greater than ten percent stockholders are required by applicable regulations to furnish Bancorp with copies of all Forms 3, 4, and 5 they file.

13

Based solely on Bancorp's review of the copies of such forms it has received, Bancorp believes that all its executive officers and directors complied with all filing requirements applicable to them with respect to transactions during 2001.

INDEPENDENT AUDITORS

The Board of Directors anticipates the selection of Stegman & Company, certified public accountants, to audit the books and accounts of Bancorp for the year ending December 31, 2002. Stegman & Company has served as independent auditors for Bancorp and its subsidiary and predecessor, Sandy Spring Bank, without interruption for many years. Stegman & Company has advised Bancorp that neither the accounting firm nor any of its members or associates has any direct financial interest in or any connection with Bancorp and its subsidiaries other than as independent public auditors. A representative of Stegman & Company will be present at the Annual Meeting, will have the opportunity to make a statement, and will be available to respond to appropriate questions.

AUDIT FEES. Stegman & Company billed a total of \$54,500 for the audit of Bancorp's financial statements included in the annual report on Form 10-K for the year ended December 31, 2001, and the review of quarterly reports on Forms 10-Q filed during that year.

OTHER FEES. REPORT OF THE AUDIT COMMITTEE

Edgar Filing: SANDY SPRING BANCORP INC - Form DEF 14A

Bancorp's audit committee is appointed by the Board of Directors to assist the Board in monitoring the integrity of the financial statements, compliance with legal and regulatory requirements, and the independence and performance of internal and external independent auditors. The committee (1) has reviewed and discussed the audited financial statements included in Bancorp's 2001 Annual Report and Form 10-K with management; (2) has discussed with the independent auditors the matters required to be discussed by Statement of Auditing Standards 61; and (3) has received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1 and discussed independence with the independent auditors. Based upon this review, discussion, disclosures, and materials described in (1) through (3), the committee recommended to the Board of Directors that the audited financial statements be included in the 2001 Annual Report and Form 10-K. The committee also has considered whether the amount and nature of non-audit services rendered by the independent accountant are consistent with its independence.
