QUESTIONS AND ANSWERS

WHY DID I RECEIVE THIS PROXY STATEMENT?

On or about March 25, 2003, we will begin mailing this proxy statement and accompanying proxy card to everyone who was a holder of our shares of common stock or of our shares of Class A convertible preferred stock at the close of business on March 12, 2003. We prepare a proxy statement each year to let our stockholders know when and where we will hold our annual stockholders' meeting. This proxy statement:

- includes information about the matters that will be discussed and voted on at the meeting, and
- provides you with updated information about our company.

I MAY HAVE RECEIVED MORE THAN ONE PROXY STATEMENT. WHY?

If you received more than one proxy statement, your shares are probably registered differently or are in more than one account. Please vote each proxy card that you received.

WHAT WILL OCCUR AT THE ANNUAL MEETING?

First, we will determine whether enough stockholders are present at the meeting to conduct business. A stockholder will be deemed to be "present" at the meeting if the stockholder:

- is present in person, or
- is not present in person but has voted by proxy card prior to the meeting.

All common shareholders and Class A convertible preferred stock shareholders of record at the close of business on March 12, 2003 will be entitled to vote on matters presented at the meeting or any adjournment thereof. As of the record date, there were 20,582,980 shares of our common stock outstanding and 693,750 shares of our Class A convertible preferred stock outstanding. The shares of our Class A convertible preferred stock are entitled to vote on all matters submitted to our shareholders for a vote. Each share of our common stock is entitled to one vote on all matters brought before the meeting or any adjournment thereof. Each share of our Class A convertible preferred stock is entitled to a number of votes equal to the number of shares of our common stock each such share was convertible into on the record date. Our common stock shareholders are entitled to cast an aggregate of 20,582,980 votes at the meeting, and our Class A convertible preferred stock shareholders are entitled to cast an aggregate of 680,634 votes at the meeting. The holders of a majority, or 10,631,808, of the shares of our common stock and Class A convertible preferred stock "equivalent" common shares who are entitled to vote at the meeting must be represented at the meeting in person or by proxy to have a quorum for the transaction of business at the meeting and to act on the matters specified in the Notice. If holders of fewer than 10,631,808 shares are present at the meeting, we will adjourn or reschedule the meeting.

After each proposal has been voted on at the meeting, we will discuss and take action on any other matter that is properly brought before the meeting. Our transfer agent, Computershare Investor Services, LLC, will count the votes and act as inspector of election.

A representative of Ernst & Young LLP (we refer to it as "Ernst & Young"), our independent auditors, is expected to be present at the annual meeting and

Edgar Filing: ZIX CORP - Form DEF 14A

will be afforded an opportunity to make a statement, if such representative so desires, and to respond to appropriate questions.

If enough stockholders are present at the meeting to conduct business, then we will vote on the proposals outlined in this proxy statement and any other business that is properly brought before the meeting and any adjournments thereof.

We know of no other matters that will be presented for consideration at the annual meeting. If, however, other matters or proposals are presented and properly come before the meeting, the proxy holders intend to vote all proxies in accordance with their best judgment in the interest of Zix Corporation and our stockholders.

HOW MANY VOTES ARE NECESSARY TO ELECT THE NOMINEES FOR DIRECTOR?

At the close of business on March 12, 2003, there were 20,582,980 common stock shares issued and outstanding and 693,750 Class A convertible preferred stock shares representing 680,634 votes were issued

1

and outstanding. The five nominees receiving the highest number of "yes" votes will be elected as directors. This number is called a "plurality."

Votes that are withheld from any director nominee will be counted in determining whether a quorum has been reached but will not affect the outcome of the vote. Assuming a quorum is present, the affirmative vote of a "plurality" of the shares of common stock voted and entitled to vote for the election of directors is required for the election of directors. Votes may be cast in favor of, or withheld from, a director nominee.

In the election of directors, stockholders are not entitled to cumulate their votes or to vote for a greater number of persons than the number of nominees named in this proxy statement.

HOW MANY VOTES ARE NECESSARY TO APPROVE THE ADOPTION OF THE AMENDMENT TO THE ZIX CORPORATION 2001 STOCK OPTION PLAN?

At the close of business on March 12, 2003, there were 20,582,980 common stock shares issued and outstanding and 693,750 Class A convertible preferred stock shares representing 680,634 votes were issued and outstanding. The affirmative vote of a majority of the shares of our common stock and Class A convertible preferred stock "equivalent" shares represented at the annual meeting and entitled to vote, if a quorum is present, is required to approve the adoption of the proposed amendment to our 2001 Stock Option Plan. The same vote is generally required for action on any other matters that properly come before the meeting.

WHAT IF A NOMINEE IS UNWILLING OR UNABLE TO STAND FOR ELECTION?

Each of the persons nominated for election to our Board of Directors has agreed to stand for election. However, should any nominee become unable or unwilling to accept nomination or election, no person will be substituted in his stead. The Board of Directors, in accordance with our Restated Bylaws, will by resolution reduce the number of members of our Board accordingly. Our Board of Directors has no reason to believe that any of the nominees will be unable or unwilling to serve if elected, and to the knowledge of the Board, each of the nominees intends to serve the entire term for which election is sought.

HOW DO I VOTE IF I AM NOT PLANNING TO ATTEND THE ANNUAL MEETING?

Edgar Filing: ZIX CORP - Form DEF 14A

In addition to voting in person at the meeting, you may mark your selections on the enclosed proxy card, date and sign the card and return the card in the enclosed postage-paid envelope.

Please understand that voting by any means other than voting in person at the meeting has the effect of appointing John A. Ryan, our Chairman, President and Chief Executive Officer, and Steve M. York, our Senior Vice President, Chief Financial Officer and Treasurer, as your proxies. They will be required to vote on the proposals described in this proxy statement exactly as you have voted. However, if any other matter requiring a stockholder vote is properly raised at the meeting, then Messrs. Ryan and York will be authorized to use their discretion to vote on such issues on your behalf.

We encourage you to vote now even if you plan to attend the annual meeting in person. If your shares are in a brokerage account, you may receive different voting instructions from your broker.

WHAT IF I WANT TO CHANGE MY VOTE?

You may revoke your vote on a proposal at any time before the annual meeting for any reason. To revoke your proxy before the meeting, write to our Secretary, Ronald A. Woessner, at 2711 North Haskell Avenue, Suite 2300, LB 36, Dallas, Texas 75204-2960. You may also come to the meeting and change your vote in writing.

HOW DO I RAISE AN ISSUE FOR DISCUSSION OR VOTE AT THE ANNUAL MEETING?

If you would like to submit a proposal to be included in next year's proxy statement, you must submit your proposal in writing so that we receive it no later than November 25, 2003. We will include your proposal in our next annual proxy statement if it is a proposal that we would be required to include in our proxy statement pursuant to the rules of the Securities and Exchange Commission (we refer to it as the "SEC"). Under Rule 14a-8 of the Securities Exchange Act of 1934, as amended, proposals of stockholders must conform to certain requirements as to form and may be omitted from the proxy materials under certain

2

circumstances. To avoid unnecessary expenditures of time and money, you are urged to review this rule and, if questions arise, consult legal counsel prior to submitting a proposal to us. Proposals should be directed to our Secretary, Ronald A. Woessner, at our principal executive offices at 2711 North Haskell Avenue, Suite 2300, LB 36, Dallas, Texas 75204-2960.

Where a stockholder has appropriately specified how a proxy is to be voted, it will be voted accordingly, and where no specific direction is given on a properly executed proxy card, it will be voted FOR adoption of the proposals set forth in this proxy statement. The proxy holders will have discretion to vote on any matter properly proposed to come before the meeting that was not brought to our attention by February 10, 2003.

WHAT IF MY SHARES ARE IN A BROKERAGE ACCOUNT AND I DO NOT VOTE?

If your shares are in a brokerage account and you do not vote, your brokerage firm could:

- vote your shares, if it is permitted by the rules of NASDAQ, or
- leave your shares unvoted.

Edgar Filing: ZIX CORP - Form DEF 14A

Under applicable rules, brokers who hold shares in street name have the authority to vote in favor of all matters specified in the Notice, if they do not receive contrary voting instructions from beneficial owners. Under applicable law, if a broker has not received voting instructions with respect to certain shares and gives a proxy for those shares, but does not vote the shares on a particular matter, those shares will not affect the outcome of the vote with respect to that matter. Such broker non-votes will be counted for purposes of determining the presence or absence of a quorum for the transaction of business, but will not be counted for purposes of determining the number of votes cast with respect to a proposal. A broker non-vote will not affect the outcome of the voting on any of the proposals being considered at the meeting.

HOW ARE ABSTENTIONS TREATED?

Any stockholder that is present at the meeting, either in person or by proxy, but who abstains from voting, will still be counted for purposes of determining whether a quorum exists. An abstention will not be counted as an affirmative or negative vote in the election of the directors. With respect to all other matters, an abstention would have the same effect as a vote against the proposal. Our stockholders have no appraisal rights under Texas law with respect to the proposals specified in the Notice. If you sign your proxy card but do not specify how you want to vote on a proposal, then your shares will be voted FOR that proposal.

HOW MUCH WILL THIS SOLICITATION COST, AND WHO WILL PAY FOR IT?

We will bear the cost of solicitation of proxies, including the cost of preparing, printing and mailing proxy materials, and the cost of reimbursing brokers for forwarding proxy solicitation materials to their principals. We have engaged Georgeson Shareholder to assist in the solicitation of proxy materials from stockholders at a fee of approximately \$5,500 plus reimbursement of reasonable out-of-pocket expenses. Proxies may also be solicited without extra compensation by our officers and employees by telephone or otherwise. Arrangements may also be made with brokerage houses and other custodians, nominees and fiduciaries for the forwarding of proxy solicitation material to beneficial owners of shares of our common stock, and we may reimburse them for reasonable out-of-pocket expenses incurred by them.

WHERE CAN I FIND THE VOTING RESULTS OF THE ANNUAL MEETING?

We will announce the voting results at the meeting and will publish the results in our quarterly report on Form 10-Q for the second quarter of 2003 ending on June 30, 2003. We will file that report with the SEC by mid-August of this year, and you can get a copy by contacting either our Investor Relations office at (214) 515-7357 or the SEC at (800) SEC-0330 or <http://www.sec.gov>.

PROPOSAL 2

AMENDMENT TO ZIX CORPORATION'S 2001 STOCK OPTION PLAN

We have adopted an amendment to our 2001 Stock Option Plan (we refer to it as the "2001 Plan"), subject to approval by our stockholders. The amendment increases the maximum number of shares of our common stock with respect to which options may be granted under the 2001 Plan from 1,500,000 to 2,525,000. As of March 10, 2003, the aggregate market value of the shares covered by the amendment was \$4,315,250.

A copy of the 2001 Plan, as amended and restated after giving effect to the amendment, is attached to this proxy statement as APPENDIX A. From inception of the 2001 Plan through March 10, 2003, (i) all current executive officers, as a group, were granted 233,791 options; (ii) all current directors who are not executive officers were not eligible to receive options and (iii) all employees, including all current officers who are not executive officers, as a group, were granted 1,243,709 options under the 2001 Plan. No option grants have been made under the 2001 Plan out of the 1,025,000 additional shares reserved under the 2001 Plan that stockholders are being asked to approve. The number of option grants to be made in the future to the foregoing individuals or groups of individuals, and the prices at which such grants will be made, are not determinable. The following summary of certain provisions of the 2001 Plan is qualified in its entirety by reference to the full text of the 2001 Plan.

Summary

Our Board of Directors believes that the proposed amendment to the 2001 Plan is in the best interest of Zix Corporation and its stockholders and is necessary to enable us to attract and retain highly qualified personnel. The affirmative vote of a majority of the shares of our common stock represented at the annual

Edgar Filing: ZIX CORP - Form DEF 14A

meeting and entitled to vote, if a quorum is present, is required to approve the adoption of the proposed amendment to the 2001 Plan.

Administration

The 2001 Plan is administered by our Board of Directors and the Board's Compensation and Stock Option Committee (either, the "committee"). The committee is authorized to grant awards in the form of stock options and to determine the terms and conditions relating to such options. The committee has complete authority to construe, interpret and administer the provisions of the 2001 Plan and the provisions of the agreements governing options granted thereunder. The committee has the authority to prescribe, amend and rescind rules and regulations pertaining to the 2001 Plan and to make all other determinations necessary or deemed advisable in the administration of the 2001 Plan. The determinations and interpretations made by the committee are final and conclusive.

Eligibility

Eligibility to participate in the 2001 Plan is limited to our employees and non-employee consultants and advisors and our subsidiaries' employees and non-employee consultants and advisors, as selected by the committee. No participant in the 2001 Plan may be currently granted stock options for more than 600,000 shares of our common stock in the aggregate during the term of the 2001 Plan. The amended and restated 2001 Plan will provide that no participant may be granted options for more than 1,000,000 shares. As of March 10, 2003, approximately 148 persons were eligible to participate in the 2001 Plan.

Number of Shares Subject to the 2001 Plan

Subject to adjustment as described below, assuming adoption of the amendment to the 2001 Plan, the maximum number of shares of our common stock for which options may be granted under the 2001 Plan is 2,525,000 shares. Currently, the maximum number of shares of our common stock for which options may be granted under the 2001 Plan is 1,500,000 shares. In the event of a stock split, stock dividend or other relevant change affecting our common stock, the committee has the authority to make appropriate adjustments to the number of shares available for grants and to the number of shares under outstanding grants and, if applicable, the exercise price under outstanding grants made before the event in question.

Type of Awards Under the 2001 Plan

The committee may grant options under the 2001 Plan to purchase shares of our common stock. Assuming adoption of the proposed amendment to the 2001 Plan, the maximum number of shares of our common stock for which stock options may be granted under the 2001 Plan is 2,525,000 shares, compared to the current maximum of 1,500,000 shares. As of March 10, 2003, there were 22,500 shares available for option grants under the 2001 Plan. The committee will determine the number of shares subject to the option, the manner and time of the exercise of the option, the exercise price per share of stock subject to the option and other applicable conditions. The committee may grant either "nonqualified stock options" (we refer to these as "NQSOs") or "incentive stock options" (we refer to these as "ISOs") pursuant to Section 422 of the Internal Revenue Code, as amended, or both. The exercise price of ISOs may not be less than the fair market value of our common stock on the date of grant (and not less than 110% of the fair market value in the case of options granted to an optionee owning 10% or more of our outstanding common stock). The exercise price for NQSOs may not be less than 100% of the fair market value of our common stock on the date of grant. The exercise price may, at the discretion of the committee, be paid in

Edgar Filing: ZIX CORP - Form DEF 14A

cash, shares of our common stock or a combination thereof. We may make financing available to the optionee on such terms as the committee shall specify. The effect of an optionee's termination of employment by reason of death, retirement, disability or otherwise and other conditions that will apply to the exercise of the option will be specified in the option agreement evidencing the grant of the option. ISOs granted to an optionee who owns 10% or more of our outstanding common stock may not be exercisable more than five years after the date of grant (or such other time period as the Internal Revenue Code may require). ISOs may not be exercisable more than ten years

5

after the date of grant, and NQSOs may not be exercisable more than ten years after the date of grant unless permitted by the committee.

Amendment and Termination

Our Board of Directors may amend, abandon, suspend or terminate the 2001 Plan or any portion thereof at any time. No amendment shall, however, be made without stockholder approval if such approval is required to comply with any tax or regulatory requirement. No options may be granted under the 2001 Plan after May 14, 2011.

Change in Control

In order to preserve the rights of participants in the event of a change in control of Zix Corporation, the committee in its discretion may, at the time a grant is made or any time thereafter, take one or more of the following actions: (i) provide for the acceleration of any time period relating to the exercise of an option, (ii) provide for the purchase of the option upon the participant's request for an amount of cash or other property that could have been received upon the exercise or realization of the option had the option been currently exercisable or payable, (iii) adjust the terms of the option in a manner determined by the committee to reflect the change in control, (iv) cause an option to be assumed, or new rights substituted therefor, by another entity or (v) make such other provisions as the committee may consider equitable and in the best interest of Zix Corporation.

Federal Income Tax Consequences

Under current United States ("U.S.") federal tax law, the following are the U.S. federal income tax consequences generally arising with respect to stock option awards under the 2001 Plan:

An employee receiving NQSOs will not realize any taxable income, and we will not be entitled to any federal income tax deduction, at the time the NQSO is granted. At the time the NQSO is exercised, however, the employee generally will realize ordinary income in an amount equal to the excess of the fair market value of our common stock on the date of exercise over the option price paid, and we will generally be entitled to a corresponding federal income tax deduction. Upon the sale of our common stock acquired upon exercise of a NQSO, the employee generally will recognize capital gain or loss.

Any employee receiving ISOs generally will not realize taxable income, and we will not be entitled to a federal income tax deduction, at the time an ISO is granted or at the time the ISO is exercised. However, there may be certain alternative minimum tax consequences to the employee resulting from the exercise of an ISO. Upon a sale of our common stock acquired upon exercise of an ISO, the employee generally will realize a capital gain or capital loss, and we will receive no deduction, so long as the sale does not occur within two years of the date of the grant of the ISO or within one year from the date the shares were

Edgar Filing: ZIX CORP - Form DEF 14A

transferred to the employee upon the exercise of the ISO. If a sale does occur within two years of the date of grant or one year of the transfer date, however, part or all of the income recognized by the employee may be treated as ordinary income. Under such circumstances, we could be entitled to a federal income tax deduction equal to the ordinary income recognized by the employee.

OUR BOARD OF DIRECTORS URGES YOU TO VOTE FOR THE ADOPTION OF THE PROPOSED AMENDMENT TO ZIX CORPORATION'S 2001 STOCK OPTION PLAN.

The exercise prices of the Cook Employee Transferred Options range from \$7.00 to \$13.75, and they are all currently vested.

Other Option Grants

As of December 31, 2002, Messrs. Heathcote, Nutkis, Mohamed, Robertson and certain other of our current employees hold an aggregate of 567,500 options that

Edgar Filing: ZIX CORP - Form DEF 14A

were issued under plans or arrangements not approved by our stockholders. These options are governed by plan arrangements that are substantially the same as (if not identical) to the provisions of the 2001 Plan, which is described above under "PROPOSAL 2" and set forth in its entirety in APPENDIX A. The exercise price of all of these options is the fair market value of our common stock on the date of grant, and the vesting periods range from immediately vested to vesting annually and pro-rata over three years.

EMPLOYMENT AND SEVERANCE AGREEMENTS WITH CERTAIN EXECUTIVE OFFICERS

We entered into a two-year employment agreement with Mr. Ryan, effective November 16, 2001, which provides for a \$300,000 annual salary, plus \$200,000 cash bonus paid at the end of 2002, and a cash bonus opportunity of at least \$200,000 payable at the end of 2003 that is tied to the achievement of defined objectives. As previously stated, Mr. Ryan also received a signing bonus of 152,672 shares of our common stock (valued at \$1,000,000). If Mr. Ryan's employment with us is terminated for "cause" or he resigns other than for "good reason," as such terms are defined in his employment agreement, prior to the second year anniversary of employment, he must return to us shares of our common stock equal to 50% of the 152,672 signing bonus shares or cash in the amount of \$500,000. Notwithstanding the foregoing, upon the occurrence of an "accelerated vesting event" (as defined in his stock option agreement), any obligation of Mr. Ryan to return such shares to us shall no longer be in force.

We are a party to severance agreements with Messrs. Heathcote, Mohamed, Robertson, Woessner and York which provide for the payment to each of them of six months, six months, six months, 18 months and 18 months, respectively, of each of their base salaries in the event each has "good reason" (as defined) to resign his employment or if his employment is terminated other than for "cause" (as defined). The severance agreements also provide for the payment to Messrs. Heathcote, Mohamed, Robertson, Woessner and York of six months, six months, six months, two times and three times, respectively, each of their annual base salaries in the event his employment terminates after a "change in control" (as defined) of Zix Corporation. The severance agreements of Messrs. Woessner and York also contain confidentiality and stock option acceleration provisions.

HOW ARE OUR BOARD MEMBERS PAID?

On the day an outside director is first appointed or elected to our Board of Directors, such director is granted nonqualified options to purchase 25,000 shares of our common stock, which vest six months from the grant date with an exercise price equal to 100% of our common stock price on the grant date. Also, in January of each year, each director that has served on our Board at least 12 consecutive months will receive a further grant of options determined according to a specified formula, which provides that the eligible directors collectively receive options for 1% of our outstanding common stock. The exercise price for these options will be 120% of our common stock price on the grant date. These annual options vest over three years. In 2002, the eligible directors received an aggregate of options to acquire 140,464 shares of our common stock. The exercise price of these options was \$6.59 per share. We pay a \$15,000 retainer fee to outside directors until they are eligible to receive the annual option grants. We reimburse our directors for expenses they incur attending our Board or committee meetings.

The 1988 Spendthrift Trust purchased 126,136 shares of Series A Convertible Preferred Stock and associated warrants to purchase an aggregate of 44,345 shares of our common stock. Messrs. Purchasers of the Series B Convertible Preferred Stock and associated warrants include George W. Haywood, a 25.5% beneficial shareholder of our company, and an IRA for the benefit of Mr. Haywood. Mr. Haywood and the IRA for the benefit of Mr. Haywood invested an aggregate of \$3,500,000 in our company. More details pertaining to the terms and conditions of the Series B Convertible Preferred Stock financing transaction are contained in a filing on Form 8-K filed with the SEC on September 20, 2002.

Finally, for the year 2002, we received payments of \$1,000,000 in connection with certain technology and marketing agreements with Entrust, Inc. Mr. Ryan, our Chairman, President and Chief Executive Officer, was Chief Executive Officer of Entrust, Inc. when such agreements were executed and held a minority equity interest in Entrust, Inc. until September 2002.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The Compensation and Stock Option Committee is comprised of three directors. Michael E. Keane, James S. Marston, and Dr. Ben G. Streetman served on our Compensation and Stock Option Committee during the year ended December 31, 2002. None of Messrs. Keane, Marston or Dr. Streetman is or was a current officer or employee of Zix Corporation. The committee met on five occasions during the year ended December 31, 2002. We have no executive officers who serve as a member of a board of directors or compensation committee of any other entity that has one or more executive officers serving as a member of our Board or Compensation and Stock Option Committee.

REPORT OF BOARD OF DIRECTORS ON EXECUTIVE COMPENSATION

Our Compensation and Stock Option Committee or our entire Board of Directors approves salaries and annual bonuses for executive officers and administers our stock option plans.

Compensation Philosophy

Our compensation philosophy is to offer the Company's executive officers compensation packages that are competitive with those being paid for comparable positions. Compensation consists mainly of salary and

stock options. Also, the compensation packages of our chairman, president and chief executive officer and our senior sales executives have substantial cash bonus opportunities.

Chief Executive Officer Compensation

At December 31, 2002, our Chairman, President and Chief Executive Officer was John A. Ryan. Mr. Ryan has an employment agreement through November 2003 which provides for an annual base salary of \$300,000, a cash bonus of \$200,000 paid at the end of the 2002 and a cash bonus opportunity of at least \$200,000 payable at the end of the 2003 that is tied to the achievement of defined objectives. Mr. Ryan also received a signing bonus in November 2001 of 152,672 shares of our common stock (valued at \$1,000,000). If Mr. Ryan's employment with us is terminated for "cause" or he resigns other than for "good reason," as such terms are defined in his employment agreement, prior to the second year anniversary of employment, he must return to us shares of our common stock equal to 50% of the 152,672 signing bonus shares, or cash in the amount of \$500,000. Notwithstanding the foregoing, upon the occurrence of an "accelerated vesting event" (as defined in his stock option agreement), any obligation of Mr. Ryan to return such shares to us shall no longer be in force. In addition, Mr. Ryan received options to acquire 1,000,000 shares of our common stock at an exercise price of \$5.24 per share. The options became 50% vested in November 2002 and the balance vests pro-rata every three months during the second year of employment. The options will automatically vest 100% in the event of a "change in control" (as defined) of the Company or the occurrence of other specified events. The Company paid Mr. Ryan a \$200,000 cash bonus for the year 2002, as required by his employment contract.

Inasmuch as a substantial portion of Mr. Ryan's compensation is stock based and Mr. Ryan's 2003 cash bonus opportunity is tied to the achievement of defined objectives, his interests are aligned precisely with those of our stockholders. We believe that Mr. Ryan's employment arrangement is appropriate in light of his demonstrated prior success at Entrust in building its customer base and achieving significant revenue growth.

Other Executive Officer Compensation

At December 31, 2002, the Company's other executive officers were Dennis F. Heathcote, Vice President, North American Sales and Services; Wael Mohamed, Vice President, Global Distribution; Russell J. Morgan, Vice President, Client Services; Daniel S. Nutkis, Vice President, Strategy and Products; David J. Robertson, Vice President, Engineering; Steve M. York, Senior Vice President, Chief Financial Officer and Treasurer; and Ronald A. Woessner, Senior Vice President, General Counsel and Secretary. Messrs. York and Woessner received no salary increase in 2002, and Mr. Heathcote's base salary was increased to \$175,000 in 2002. Messrs. Mohamed, Morgan, Nutkis and Robertson commenced employment with the Company in 2002.

All of the executive officers received stock option grants in 2003. Furthermore, the Company's senior sales executives, Messrs. Heathcote and Mohamed, received a cash sales performance bonus of \$50,000 each based on the progress made in building the Company's customer base. Additionally, each of Messrs. Heathcote, Mohamed, Nutkis, Robertson and York received a cash performance bonus of \$25,000 and Mr. Morgan received a cash performance bonus of \$8,332.

Internal Revenue Code sec.162(m) Compliance

Edgar Filing: ZIX CORP - Form DEF 14A

Compensation in excess of \$1,000,000 per year realized by any of the Company's five most highly compensated executive officers is not deductible by the Company for federal income tax purposes unless the compensation arrangement complies with the requirements of Section 162(m) of the Internal Revenue Code of 1986, as amended.

The options granted to Mr. Ryan in 2001 do not comply with the requirements of Section 162(m), which, among other things, would have required the Company to obtain stockholder approval of the option grants. Time was of the essence when we were discussing Mr. Ryan's potential employment. Seeking stockholder approval of the option grants would have, in our opinion, imposed an unwarranted and harmful delay in completing the employment arrangements and Mr. Ryan commencing his employment duties. These options

20

will, during the year of exercise, likely result in Mr. Ryan realizing compensation in excess of \$1,000,000, depending on the number of options exercised and the price of the Company's common stock at the time. Furthermore, Messrs. Heathcote, Nutkis and Mohamed were granted certain options in 2001 and 2002 that do not comply with the requirements of Section 162(m). These options, in the amounts of 125,000, 100,000 and 100,000, respectively, might result in one or more of them realizing compensation in excess of \$1,000,000 in a given year, depending on the number of options exercised and the price of the Company's common stock at the time.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee is comprised of three non-employee directors. The Company believes that each member of the Audit Committee is an "independent director," as defined in the Marketplace Rules of The Nasdaq Stock Market. The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors, pursuant to its charter adopted by the Board of Directors. The Audit Committee held six meetings in 2002.

Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in the Annual Report on Form 10-K with management, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

Ernst & Young LLP, the Company's independent auditors, is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles. The Audit Committee discussed with the Company's independent auditors the overall scope and plans for their respective audits. The Audit Committee meets with the independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting. The Audit Committee reviewed with the independent auditors their judgments as to the quality, not just the acceptability, of the Company's accounting principles and discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (Communications with Audit

22

Committees). In addition, the Audit Committee has discussed with the independent auditors the auditors' independence from management and the Company, including the matters in the written disclosures required by the Independence Standards Board Standard No. 1, and considered the compatibility of non-audit services with the auditors' independence.

In reliance on the reviews and discussions referred to above, the Audit

Edgar Filing: ZIX CORP - Form DEF 14A

Committee recommended to the Board of Directors, and the Board of Directors has approved, that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2002 for filing with the Securities and Exchange Commission. The Audit Committee recommended, and the Board of Directors has selected, Ernst & Young LLP as the Company's independent auditors for 2003.

A-1

SECTION 3. Administration. The 2001 Plan shall be administered by the Committee. The Committee shall have sole and complete authority to adopt, alter and repeal such administrative rules, guidelines and practices governing the operation of the 2001 Plan as it shall from time-to-time deem advisable, and to construe, interpret and administer the terms and provisions of the 2001 Plan and

Edgar Filing: ZIX CORP - Form DEF 14A

the agreements thereunder. The determinations and interpretations made by the Committee are final and conclusive.

SECTION 4. Eligibility. All employees and non-employee consultants and advisors (other than Non-employee Directors) who, in the opinion of the Committee, have the capacity for contributing in a substantial measure to the successful performance of the Company are eligible to receive Options under the 2001 Plan.

SECTION 5. Maximum Amount Available for Options.

(a) The maximum number of shares of Common Stock in respect of which Options may be made under the 2001 Plan shall be a total of 2,525,000 shares of Common Stock. Of that amount, no participant may be granted Options for more than 1,000,000 shares of Common Stock in the aggregate during the term of the 2001 Plan. Options that expire, lapse or are cancelled or forfeited do not count against these share limits. Shares of Common Stock may be made available from the authorized but unissued shares of the Company or from shares reacquired by the Company, including shares purchased in the open market. In the event that an Option is terminated unexercised as to any shares of Common Stock covered thereby, such shares shall thereafter be again available for award pursuant to the 2001 Plan.

(b) In the event that the Committee shall determine that any stock dividend, recapitalization, reorganization, merger, consolidation, split-up, spin-off, combination, exchange of shares, warrants or rights offering to purchase Common Stock at a price substantially below fair market value, or other similar corporate event affects the Common Stock such that an adjustment is required in order to preserve the benefits or potential benefits intended to be made available under the 2001 Plan, then the Committee shall adjust appropriately any or all of (1) the number and kind of shares which thereafter may be optioned under the 2001 Plan and (2) the grant, exercise or conversion price and/or number of shares with respect to the Options and/or, if deemed appropriate, make provision for cash payment to an Optionee; provided, however, that the number of shares subject to any Option shall always be a whole number.

SECTION 6. Stock Options.

(a) Subject to the provisions of the 2001 Plan, the Committee shall have sole and complete authority to determine the persons to whom Options shall be granted, the number of shares to be covered by each Option, the option price therefor and the conditions and limitations applicable to the exercise of the Option.

(b) The Committee shall have the authority to grant Incentive Stock Options, or to grant Nonqualified Stock Options, or to grant both types of options. In the case of Incentive Stock Options, the terms and conditions of such grants shall be subject to and comply with the Code and relevant regulations. Incentive Stock Options to purchase Common Stock may be granted to such employees of the Company or its Subsidiaries (including any director who is also an employee of the Company or one of its Subsidiaries) as shall be determined by the Committee. Nonqualified Stock Options to purchase Common Stock may be granted to such eligible participants as shall be determined by the Committee. Neither the Company nor any of its Subsidiaries or any of their respective directors, officers or employees, shall be liable to any Optionee or other person if it is determined for any reason by the Internal Revenue Service or any court having jurisdiction that any Incentive Stock Option granted hereunder does not qualify for tax treatment as an Incentive Stock Option under the then-applicable provisions of the Code.

(c) The Committee shall, in its discretion, establish the exercise price at the time each Option is granted, which in the case of Nonqualified Stock

Edgar Filing: ZIX CORP - Form DEF 14A

Options, shall not be less than 100% of the Fair Market Value of the Common Stock on the Date of Grant, or in the case of grants of Incentive Stock Options, shall not be less than 100% of the Fair Market Value of the Common Stock on the Date of Grant or such greater amount as may be prescribed by the Code.

A-2

(d) Exercise

(1) Each Option shall be exercisable at such times and subject to such terms and conditions as the Committee may, in its sole discretion, specify in the applicable grant or thereafter; provided, however, that in no event may any Option granted hereunder be exercisable after the expiration of ten years from the Date of Grant. The Committee may impose such conditions with respect to the exercise of Options, including without limitation, any relating to the application of federal or state securities laws, as it may deem necessary or advisable.

(2) No shares shall be delivered pursuant to any exercise of an Option until payment in full of the option price therefore is received by the Company. Such payment may be made in cash, or its equivalent, or, if and to the extent permitted by the Committee or under the terms of the applicable agreement, by exchanging shares of Common Stock owned by the Optionee (which are not the subject of any pledge or other security interest), or by a combination of the foregoing, provided that the combined value of all cash and cash equivalents and the Fair Market Value of any such Common Stock so tendered to the Company, valued as of the date of such tender, is at least equal to such option price.

If the shares to be purchased are covered by an effective registration statement under the Securities Act of 1933, as amended, any Option may be exercised by a broker-dealer acting on behalf of an Optionee if (a) the broker-dealer has received from the Optionee instructions signed by the Optionee requesting the Company to deliver the shares of Common Stock subject to such Option to the broker-dealer on behalf of the Optionee and specifying the account into which such shares should be deposited, (b) adequate provision has been made with respect to the payment of any withholding taxes due upon such exercise, and (c) the broker-dealer and the Optionee have otherwise complied with Section 220.3(e)(4) of Regulation T, 12 CFR Part 220, or any successor provision.

(3) The Company, in its sole discretion, may lend money to an Optionee, guarantee a loan to an Optionee or otherwise assist an Optionee to obtain the cash necessary to exercise all or any portion of an Option granted under the 2001 Plan.

(4) The Company shall not be required to issue any fractional shares upon the exercise of any Options granted under this 2001 Plan. No Optionee nor an Optionee's legal representatives, legatees or distributees, as the case may be, will be, or will be deemed to be, a holder of any shares subject to an Option unless and until said Option has been exercised and the purchase price of the shares in respect of which the Option has been exercised has been paid. Unless otherwise provided in the agreement applicable thereto, an Option shall not be exercisable except by the Optionee or by a person who has obtained the Optionee's rights under the Option by will or under the laws of descent and distribution or pursuant to a "qualified domestic relations order" as defined in the Code.

(e) No Incentive Stock Options shall be exercisable (a) more than five years (or such other period of time as from time-to-time provided in the then-applicable provisions of the Code governing Incentive Stock Options) after

Edgar Filing: ZIX CORP - Form DEF 14A

the Date of Grant with respect to an Optionee who owns ten percent or more of the outstanding Common Stock (within the meaning of the Code), and (b) more than ten years after the Date of Grant with respect to all other Optionees. No Nonqualified Stock Options shall be exercisable more than ten years after the Date of Grant.

(f) In no event shall any Option granted to any employee who is classified as "non-exempt" under the Fair Labor Standards Act of 1938 be exercisable less than six months after the Date of Grant, except in the case of death, disability, retirement, a change in control or other circumstances permitted by regulations under the Worker Economic Opportunity Act ("WEOA"). Grants to such non-exempt employees shall not be based on pre-established performance criteria, except as specifically permitted under the WEOA. Non-exempt employees shall be notified of the terms of their Options in accordance with the WEOA, and exercise of such Options must be voluntary.

A-3

SECTION 7. General Provisions.

(a) The Company and its Subsidiaries shall have the right to deduct from all amounts paid to an Optionee in cash (whether under the 2001 Plan or otherwise) any taxes required by law to be withheld in respect of Option exercises under the 2001 Plan. However, if permitted by the Committee or under the terms of the applicable agreement, the Optionee may pay all or any portion of the taxes required to be withheld by the Company or its Subsidiaries or paid by the Optionee with respect to such Common Stock by electing to have the Company or its Subsidiaries withhold shares of Common Stock, or by delivering previously owned shares of Common Stock, having a Fair Market Value equal to the amount required to be withheld or paid. The Optionee must make the foregoing election on or before the date that the amount of tax to be withheld is determined. Any such election is irrevocable and subject to disapproval by the Committee. If the Optionee is subject to the provisions of Section 16(b) of the Exchange Act, then any such election shall be subject to the restrictions imposed by Rule 16b-3.

(b) Each Option hereunder shall be evidenced in writing, delivered to the Optionee, and shall specify the terms and conditions thereof and any rules applicable thereto, including, but not limited to, the effect on such Option of the death, retirement, disability or other termination of employment of the Optionee and the effect thereon, if any, of a change in control of the Company.

(c) Unless otherwise provided in the agreement applicable thereto, no Option shall be assignable or transferable except by will or under the laws of descent and distribution or pursuant to a "qualified domestic relations order" as defined in the Code, and no right or interest of any Optionee shall be subject to any lien, obligation or liability of the Optionee.

(d) No person shall have any claim or right to be granted an Option. Further, the Company and its Subsidiaries expressly reserve the right at any time to terminate the employment of an Optionee free from any liability, or any claim under the 2001 Plan, except as provided in any agreement entered into with respect to an Option. Neither the 2001 Plan nor any Option granted hereunder is intended to confer upon any Optionee any rights with respect to continuance of employment or other utilization of his or her services by the Company or by a Subsidiary, nor to interfere in any way with his or her right or that of his or her employer to terminate his or her employment or other services at any time (subject to the terms of any applicable contract). The conditions to apply to the exercise of an Option in the event an Optionee ceases to be employed by the Company or a Subsidiary for any reason shall be determined by the Committee or specified in the written agreement evidencing the Option.

Edgar Filing: ZIX CORP - Form DEF 14A

(e) Subject to the provisions of the applicable Option, no Optionee or Designated Beneficiary shall have any rights as a stockholder with respect to any shares of Common Stock to be distributed under the 2001 Plan until he or she has become the holder thereof.

(f) The validity, construction, interpretation, administration and effect of the 2001 Plan and of its rules and regulations, and rights relating to the 2001 Plan, shall be determined solely in accordance with the laws of the State of Texas (without giving effect to its conflicts of laws rules) and, to the extent applicable, federal law.

(g) The 2001 Plan was originally effective on May 15, 2001. No Options may be granted under the 2001 Plan after May 14, 2011; however, all previous Options issued that have not expired under their original terms or will not then expire at the time the 2001 Plan expires will remain outstanding.

(h) Restrictions on Issuance of Shares

(1) The Company shall not be obligated to sell or issue any Shares upon the exercise of any Option granted under the 2001 Plan unless: (i) the shares pertaining to such Option have been registered under applicable federal and state securities laws or are exempt from such registration; (ii) the prior approval of such sale or issuance has been obtained from any state regulatory body having jurisdiction; and (iii) in the event the Common Stock has been listed on any exchange, the shares pertaining to such Option have been duly listed on such exchange in accordance with the procedure specified therefor. The Company shall be under no obligation to effect or obtain any listing, registration, qualification, consent or approval

with respect to shares pertaining to any Option granted under the 2001 Plan. If the shares to be issued upon the exercise of any Option granted under the 2001 Plan are intended to be issued by the Company in reliance upon the exemptions from the registration requirements of applicable federal and state securities laws, the recipient of the Option, if so requested by the Company, shall furnish to the Company such evidence and representations, including an opinion of counsel, satisfactory to it, as the Company may reasonably request.

(2) The Company shall not be liable for damages due to a delay in the delivery or issuance of any stock certificates for any reason whatsoever, including, but not limited to, a delay caused by listing, registration or qualification of the shares of Common Stock pertaining to any Option granted under the 2001 Plan upon any securities exchange or under any federal or state law or the effecting or obtaining of any consent or approval of any governmental body.

(i) The Board of Directors or Committee may impose such other restrictions on the ownership and transfer of shares issued pursuant to the 2001 Plan as it deems desirable; any such restrictions shall be set forth in the applicable agreement.

(j) The Board of Directors may amend, abandon, suspend or terminate the 2001 Plan or any portion thereof at any time in such respects as it may deem advisable in its sole discretion, provided that no amendment shall be made without stockholder approval (including an increase in the maximum number of shares of Common Stock in respect of which Options may be made under the 2001 Plan) if such stockholder approval is necessary to comply with any tax or

regulatory requirement or exchange listing rules, including for these purposes any approval requirement that is a prerequisite for exemptive relief under Section 16(b) of the Exchange Act.

(k) To preserve an Optionee's rights under an Option in the event of a change in control of the Company or an Optionee's separation from employment, the Committee in its discretion may, at the time an Option is made or any time thereafter, take one or more of the following actions: (i) provide for the acceleration of any time period relating to the exercise of the Option, (ii) provide for the purchase of the Option, upon the Optionee's request, for an amount of cash or other property that could have been received upon the exercise or realization of the Option had the Option been currently exercisable or payable, (iii) adjust the terms of the Option in a manner determined by the Committee to reflect the change in control or to prevent the imposition of an excise tax under section 280G(b) of the Code, (iv) cause the Option to be assumed, or new rights substituted therefor, by another entity, or (v) make such other provision as the Committee may consider equitable and in the best interests of the Company.
