PROXY STATEMENT

FOR THE ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD SEPTEMBER 16, 2004

The Board of Directors of Income Opportunity Realty Investors, Inc. (the Company or we or us) is soliciting proxies to be used at the 2004 Annual Meeting of Stockholders (the Annual Meeting). Distribution of this Proxy Statement and a Proxy Form is scheduled to begin on August 5, 2004. The mailing address of the Company s principal executive offices is 1800 Valley View Lane, Suite 300, Dallas, Texas 75234.

About the Meeting

Who Can Vote

Record holders of Common Stock of the Company at the close of business on July 30, 2004 (the Record Date) may vote at the Annual Meeting. On that date, 1,438,945 shares of Common Stock were outstanding. Each share is entitled to cast one vote.

How Can You Vote

If you return your signed proxy or vote by telephone or the internet before the Annual Meeting, we will vote your shares as you direct. You can specify whether your shares should be voted for all, some or none of the nominees for director. You can also specify whether you approve, disapprove or abstain from the other proposal to ratify the selection of auditors.

If a proxy is executed and returned but no instructions are given, the shares will be voted according to the recommendations of the Board of Directors. The Board of Directors recommends a vote **FOR** Proposals 1 and 2.

Revocation of Proxies

You may revoke your proxy at any time before it is exercised by (a) delivering a written notice of revocation to the Corporate Secretary, (b) delivering another proxy that is dated later than the original proxy, or (c) casting your vote in person at the Annual Meeting. Your last vote will be the vote that is counted.

Vote Required

The holders of a majority of the shares entitled to vote who are either present in person or represented by a proxy at the Annual Meeting will constitute a quorum for the transaction of business at the Annual Meeting. As of July 30, 2004, there were 1,438,945 shares of Common Stock issued and outstanding. The presence, in person or by proxy, of stockholders entitled to cast at least 719,473 votes constitutes a quorum for adopting the proposals at the Annual Meeting. If you have properly signed and

returned your proxy card by mail, you will be considered part of the quorum, and the persons named on the proxy card will vote your shares as you have instructed. If broker holding your shares in street name indicates to us on a proxy card that the broker lacks discretionary authority to vote your shares, we will not consider your shares as present or entitled to vote for any purpose.

A plurality of the votes cast is required for the election of directors. This means that the director nominee with the most votes for a particular slot is elected to that slot. A proxy that has properly withheld authority with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum.

For the other proposal, the affirmative vote of the holders of a majority of the shares representing in person or by proxy entitled to vote on the proposal will be required for approval. An abstention with respect to such proposal will not be voted, although it will be counted for purposes of determining whether there is a quorum. Accordingly, an abstention will have the effect of a negative vote.

As of the Record Date, two affiliates held 1,140,101 shares representing approximately 79.2% of the shares outstanding. These two affiliates have advised the Company that they currently intend to vote all of their shares in favor of the approval of both proposals.

If you received multiple proxy cards, this indicates that your shares are held in more than one account, such as two brokerage accounts, and are registered in different names. You should vote each of the proxy cards to ensure that all your shares are voted.

Other Matters to be Acted Upon at the Annual Meeting

We do not know of any other matters to be validly presented or acted upon at the Annual Meeting. Under our Bylaws, no business besides that stated in the Annual Meeting Notice may be transacted at any meeting of stockholders. If any other matter is presented at the Annual Meeting on which a vote may be properly taken, the shares represented by proxies will be voted in accordance with the judgment of the person or persons voting those shares.

Expenses of Solicitation

The Company is making this solicitation and will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials and soliciting votes. Some of our directors, officers and employees may solicit proxies personally, without any additional compensation, by telephone or mail. Proxy materials will also be furnished without cost to brokers and other nominees to forward to the beneficial owners of shares held in their names.

Questions

You may call our Investor Relations Department at 469-522-4245 if you have any questions.

Corporate Governance and Board Matters

The affairs of the Company are managed by the Board of Directors. The Directors are elected at the annual meeting of stockholders each year or appointed by the incumbent Board of Directors and serve until the next annual meeting of stockholders or until a successor has been elected or approved.

After December 31, 2003, a number of changes occurred in the composition of the Board of Directors of the Company, the creation of certain Board Committees, the adoption of Committee charters, the adoption of a Code of Ethics for Senior Financial Officers and the adoption of Guidelines for Director Independence. Also, the composition of the members of the Board of Directors changed with the resignations of Henry A. Butler (July 1, 2003), Earl D. Cecil (February 29, 2004) and Martin L. White (March 15, 2004), as well as the election of Ken L. Joines as a Director in July 2003, and independent Directors, David E. Allard and Peter L. Larsen on February 20, 2004, and Robert A. Jakuszewski on March 16, 2004. Additionally, on June 2, 2003, Basic Capital Management, Inc. (BCM) sold a total of 781,773 shares of Common Stock of the Company (approximately 54.3% of the outstanding) as a block to Syntek West, Inc. (SWI). SWI also purchased 12,600 shares of Common Stock of the Company in open market purchase transactions which increased SWI's ownership to 794,223 shares (approximately 55.2% of the outstanding shares). On June 30, 2003, SWI replaced BCM as the contractual advisor to the Company.

Role of the Board's Committees

The Board of Directors has standing Audit, Compensation and Governance and Nominating Committees.

Audit Committee. The functions of the Audit Committee are described below under the heading *Report of the Audit Committee*. The charter of the Audit Committee is attached to this proxy statement as Appendix I, and is available on the Company's Investor Relations website (www.incomeopp-realty.com). The Audit Committee was formed on February 20, 2004, and the Board selected the current members of the Audit Committee for the coming year, as shown above. All of the members of the Audit Committee are independent within the meaning of SEC regulations, the listing standards of the American Stock Exchange and the Company's *Corporate Governance Guidelines*. Mr. Allard, a member of the Committee, is qualified as an audit committee financial expert within the meaning of SEC regulations and the Board has determined that he has accounting and related financial management expertise within the meaning of the listing standards of the American Stock Exchange. The predecessor Audit Committee met four times during 2003.

Governance and Nominating Committee. The Governance and Nominating Committee is responsible for developing and implementing policies and practices relating to corporate governance, including reviewing and monitoring implementation of the Company's *Corporate Governance Guidelines*. In addition, the Committee develops and reviews background information on candidates for the Board and makes recommendations to the Board regarding such candidates. The Committee also prepares and supervises the Board's annual review of director independence and the Board's performance self-evaluation. The charter of the Governance and Nominating Committee was adopted on March 22, 2004, and is available on the Company's Investor Relations website (www.incomeopp-realty.com). On March 22, 2004, the Board selected the members of the Governance and Nominating Committee for the coming year, as shown above. All of the members of the Committee are independent within the meaning of the listing standards of the American Stock Exchange and the Company's *Corporate Governance Guidelines*.

Compensation Committee. The Compensation Committee is responsible for overseeing the policies of the Company relating to compensation to be paid by the Company to the Company's principal executive officer and any other officers designated by the Board and make recommendations to the Board with respect to such policies, produce necessary reports on executive compensation for inclusion in the Company's proxy statement in accordance with applicable rules and regulations and to monitor the development and implementation of succession plans for the principal executive officer and other key executives and make recommendations to the Board with respect to such plans. The charter of the Compensation Committee was adopted on March 22, 2004, and is available on the Company's Investor Relations website (www.incomeopp-realty.com). On March 22, 2004, the Board selected the members of the Compensation Committee for the coming year as shown above. All of the members of the Committee are independent within the meaning of the listing standards of the American Stock Exchange and the Company's *Corporate Governance Guidelines*. The Compensation Committee is to be comprised of at least two directors who are independent of management and the Company.

Presiding Director

In March 2004, the Board created a new position of presiding director, whose primary responsibility is to preside over periodic executive sessions of the Board in which management directors and other members of management do not participate. The presiding director also advises the Chairman of the Board and, as appropriate, Committee chairs with respect to agendas and

information needs relating to Board and Committee meetings, provides advice with respect to the selection of Committee chairs and performs other duties that the Board may from time to time delegate to assist the Board in the fulfillment of its responsibilities.

Director Peter L. Larsen will serve in this position during fiscal 2004, and in March 2004, the non-management members of the Board designated him to serve in this position until the Company's 2004 annual meeting of stockholders.

Selection of nominees for the Board

The Governance and Nominating Committee will consider candidates for Board membership suggested by its members and other Board members, as well as management and stockholders. The Committee may also retain a third-party executive search firm to identify candidates upon request of the Committee from time to time. A stockholder who wishes to recommend a prospective nominee for the Board should notify the Company's Corporate Secretary or any member of the Governance and Nominating Committee in writing with whatever supporting material the stockholder considers appropriate. The Governance and Nominating Committee will also consider whether to nominate any person nominated by a stockholder pursuant to the provisions of the Company's bylaws relating to stockholder nominations.

Once the Governance and Nominating Committee has identified a prospective nominee, the Committee will make an initial determination as to whether to conduct a full evaluation of the candidate. This initial determination will be based on whatever information is provided to the Committee with the recommendation of the prospective candidate, as well as the Committee's own knowledge of the prospective candidate, which may be supplemented by inquiries to the person making the recommendation or others. The preliminary determination will be based primarily on the need for additional Board members to fill vacancies or expand the size of the Board and the likelihood that the prospective nominee can satisfy the evaluation factors described below. If the Committee determines, in consultation with the Chairman of the Board and other Board members as appropriate, that additional consideration is warranted, it may request the third-party search firm to gather additional information about the prospective nominee's background and experience and to report its findings to the Committee. The Committee will then evaluate the prospective nominee against the standards and qualifications set out in the Company's *Corporate Governance Guidelines*, including:

the ability of the prospective nominee to represent the interests of the stockholders of the Company;

the prospective nominee's standards of integrity, commitment and independence of thought and judgment;

the prospective nominee's ability to dedicate sufficient time, energy and, attention to the diligent performance of his or her duties, including the prospective nominee's service on other public company boards, as specifically set out in the Company's *Corporate Governance Guidelines*;

the extent to which the prospective nominee contributes to the range of talent, skill and expertise appropriate for the Board;

the extent to which the prospective nominee helps the Board reflect the diversity of the Company's stockholders, employees, customers, guests and communities; and

the willingness of the prospective nominee to meet any minimum equity interest holding guideline.

The Committee also considers such other relevant factors as it deems appropriate, including the current composition of the Board, the balance of management and independent directors, the need for Audit Committee expertise and the evaluations of other prospective nominees. In connection with this evaluation, the Committee determines whether to interview the prospective nominee, and if warranted, one or more members of the Committee, and others as appropriate, interview prospective nominees in person or by telephone. After completing this evaluation and interview, the Committee makes a recommendation to the full Board as to the persons who should be nominated by the Board, and the Board determines the nominees after considering the recommendation and report of the Committee.

The Bylaws of the Company provide that any stockholder entitled to vote in the election of directors generally may nominate one or more persons for election as directors at a meeting only if written notice of such stockholders intention to make such nomination has been delivered personally to, or has been mailed to and received by the Secretary at the principal office of the Company not later than 35 nor more than 60 days prior to the date of the meeting. If a stockholder has a suggestion for candidates for election, the stockholder should follow this procedure. Each notice from a stockholder must set forth (i) the name and address of the stockholder who intends to make the nomination and the name of the person to be nominated, (ii) the class and number of shares of stock held of record, owned beneficially and represented by proxy by such stockholder as of the record date for the meeting and as of the date of such notice, (iii) a representation that the stockholder intends to appear in person or by proxy at the meeting to nominate the person specified in the notice, (iv) a description of all arrangements or understandings between such stockholder and each nominee and any other person (naming those persons) pursuant to which the nomination is to be made by such stockholder, (v) such other information regarding each nominee proposed by such stockholder as would be required to be included in a proxy statement filed pursuant to the proxy rules, and (vi) the consent of each nominee to serve as a director of the Company if so elected. The chairman of the Annual Meeting may refuse to acknowledge the nomination of any person not made in compliance with this procedure.

Determinations of directors independence

In February 2004, the Board enhanced its *Corporate Governance Guidelines*. The *Guidelines* adopted by the Board meet or exceed the new listing standards adopted during the year by the American Stock Exchange. The full text of the *Guidelines* can be found in the Investor Relations section of the Company's website (www.incomeopp-realty.com). A copy may also be obtained upon request from the Company's Corporate Secretary.

Pursuant to the *Guidelines*, the Board undertook its annual review of director independence in March 2004. During this review, the Board considered transactions and relationships between each director or any member of his or her immediate family and the Company and its subsidiaries and affiliates, including those reported under *Certain Relationships and Related Transactions* below. The Board also examined transactions and relationships between directors or their affiliates and members of the Company's senior management or their affiliates. As provided in the *Guidelines*, the purpose of this review was to determine whether any such relationships or transactions were inconsistent with a determination that the director is independent.

As a result of this review, the Board affirmatively determined of the then directors, Messrs. Allard, Jakuszewski and Larsen are each independent of the Company and its management under the standards set forth in the *Corporate Governance Guidelines*.

Board meetings during fiscal 2003

The Board met six times during fiscal 2003. Each director attended all of the meetings of the Board and Committees on which he served. Under the Company's *Corporate Governance Guidelines*, each Director is expected to dedicate sufficient time, energy and attention to ensure the diligent performance of his or her duties, including by attending meetings of the stockholders of the Company, the Board and Committees of which he or she is a member.

Directors' compensation

Each non-employee director receives an annual retainer of \$15,000 plus reimbursement for expenses. The Chairman of the Board receives an additional fee of \$1,500 per year. The members of the Audit Committee receive a fee of \$250 for each Committee meeting attended. In addition, each independent director receives an additional fee of \$1,000 per day for any special services rendered by him to the Company outside of his or ordinary duties as a director plus reimbursement of expenses. The Company also reimburses directors for travel expenses incurred in connection with attending Board, committee and stockholder meetings and for other Company-business related expenses. Directors who are also employees of the Company or its Advisor receive no additional compensation for service as a director.

During 2003, \$53,000 was paid to the non-employee directors in total directors' fees for all services, including the annual fee for service during the period from January 1, 2003 through December 31, 2003. Those fees received by directors were Earl D. Cecil (\$17,250), Ted P. Stokely (\$18,750) and Martin L. White (\$17,000).

Stockholders communication with the Board

Stockholders and other parties interested in communicating directly with the presiding director or with the non-Management directors as a group may do so by writing to David E. Allard, Director, One Dallas Centre, 350 St. Paul Street, Suite 3000, Dallas, Texas 75201. Effective March 22, 2004, the Governance and Nominating Committee of the Board also approved a process for handling letters received by the Company and addressed to members of the Board but received at the Company. Under that process, the Corporate Secretary of the Company reviews all such

correspondence and regularly forwards to the Board a summary of all such correspondence and copies of all correspondence that, in the opinion of the Corporate Secretary, deals with the functions of the Board or committees thereof or that he otherwise determines requires their attention. Directors may at any time review a log of all correspondence received by the Company that is addressed to members of the Board and received by the Company and request copies of any such correspondence. Concerns relating to accounting, internal controls or auditing matters are immediately brought to the attention of the Chairman of the Audit Committee and handled in accordance with procedures established by the Audit Committee with respect to such matters.

Code of Ethics

The Company has adopted a Code of Business Conduct and Ethics, which applies to all directors, officers and employees (including those of the Contractual Advisor). In addition, the Company has adopted a code of ethics entitled Code of Ethics for Senior Financial Officers that applies to the principal executive officer, president, principal financial officer, chief financial officer, the principal accounting officer and Controller. The text of both documents is available on the Company's Investor Relations website (www.incomeopp-realty.com). The Company intends to post amendments to or waivers from its Code of Ethics for Senior Financial Officers (to the extent applicable to the Company's chief executive officer, principal financial officer or principal accounting officer) at this location on its website.

Compliance With Section 16(a) of Reporting Requirements

Section 16(a) under the Securities Exchange Act of 1934 requires the Company's directors, executive officers and any persons holding 10% or more of the Company's shares of Common Stock are required to report their ownership of the Company's shares of Common Stock and any changes in that ownership to the Securities and Exchange Commission (the Commission) on specified report forms. Specific due dates for these reports have been established, and the Company is required to report any failure to file by these dates during each fiscal year. All of these filing requirements were satisfied by the Company's directors and executive officers and holders of more than 10% of the Company's Common Stock during the fiscal year ended December 31, 2003. In making these statements, the Company has relied upon the written representations of its directors and executive officers and the holders of 10% or more of the Company's Common Stock and copies of the reports that each has filed with the Commission.

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITOR

The Audit Committee has appointed Swalm & Associates, P.C. as the independent auditor of the Income Opportunity Realty Investors, Inc. for the 2004 fiscal year. The Company's Bylaws do not require that stockholders ratify the appointment of Swalm & Associates, P.C. as the Company's independent auditor. The Audit Committee will consider the outcome of this vote in its decision to appoint an independent auditor next year, however, it is not bound by the stockholders' decision. Even if the selection is ratified, the Audit Committee, in its sole discretion, may change the appointment at any time during the year if it determines that such a change would be in the best interest of the Company and its stockholders.

A representative of Swalm & Associates, P.C. will attend the Annual Meeting. The representative will have an opportunity to make a statement if he or she desires to do so and will be available to respond to appropriate questions from the stockholders.

The Board of Directors recommends a vote FOR the ratification of the appointment of Swalm & Associates, P.C. as the Company's independent auditor.

Changes in Registrant's Certifying Accountant

Effective July 1, 2003, the Board of Directors of the Company engaged the Plano, Texas firm of Farmer, Fuqua & Huff, P.C. as the independent accountant to audit the Company's financial statements for the fiscal year ending December 31, 2003. During the Company's two most recent fiscal years ended December 31, 2002 and any subsequent interim period, the Company did not consult with Farmer, Fuqua & Huff, P.C. or any of its members about the application of accounting principles to any specified transaction or any other matter. The engagement effective July 1, 2003 of Farmer, Fuqua & Huff, P.C. as a new independent accountant for the Company necessarily resulted in the termination or dismissal of the then principal accountant which audited the Company's financial statements for the past two fiscal years ended December 31, 2001 and 2002, BDO Seidman, LLP. BDO Seidman, LLP made a fee proposal estimate the Company for 2003 which was greater than the fee proposal of Farmer, Fuqua & Huff, P.C. for the same work. During the Company's two most recent fiscal years and any subsequent interim period through July 1, 2003, BDO Seidman, LLP's report on the Company's financial statements for those two years did not contain an adverse opinion or disclaimer of opinion, nor was such opinion qualified or modified as to uncertainty, audit scope or accounting principles, and no disagreement existed between the Company and BDO Seidman, LLP concerning any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure. The decision to change accountants was approved by the then Audit Committee of the Board of Directors of the Company which then consisted of Messrs. Ted P. Stokely, Earl D. Cecil (who resigned as a director on February 29, 2004) and Martin L. White (who resigned as a director on March 15, 2004).

Effective June 1, 2004, Farmer, Fuqua & Huff, P.C. was engaged by the Audit Committees of two affiliates of the Company to serve as those entities' independent accountant for the fiscal year ending December 31, 2004. By virtue of the other assignments for Farmer, Fuqua & Huff, P.C. with

those affiliates of IOT, Farmer, Fuqua & Huff, P.C. suggested that perhaps another firm should handle the audit of IOT's financial statements for the fiscal year ending December 31, 2004 and in fact recommended Swalm & Associates, P.C. The approval of the engagement of Swalm & Associates, P.C. was given by the Audit Committee of the Board of Directors of IOT effective June 1, 2004, and a Current Report on Form 8-K for event occurring May 31, 2004 was filed with the Securities and Exchange Commission (the SEC). However, it was discovered that Swalm & Associates, P.C. had not completed the registration process with the Public Company Accounting Oversight Board (PCAOB). Accordingly, on June 17, 2004, the Audit Committee of the Board of Directors (consisting of Messrs. Allard, Jakuszewski and Larsen) re-engaged Farmer, Fuqua & Huff, P.C. as the independent accountants for the Company. During the short period of time of engagement of Swalm & Associates, P.C. (from June 1, 2004 through June 17, 2004), Swalm & Associates, P.C. performed no work for the Company. In addition, during the Company's two most recent fiscal years ended December 31, 2003, and any subsequent interim period through May 31, 2004, the Company did not consult with Swalm & Associates, P.C. or any of its members about the application of accounting principles to any specified transaction or any other matter.

On July 19, 2004, the Company received notification that Swalm & Associates, P.C.'s registration with the PCAOB had become effective. Effective July 22, 2004, the Audit Committee (consisting of Messrs. Allard, Jakuszewski and Larsen) of the Board of Directors re-engaged the Plano, Texas firm of Swalm & Associates, P.C. as the independent accountant to audit the Company's financial statements for the fiscal year ending December 31, 2004. The engagement effective July 22, 2004 of Swalm & Associates, P.C. as the independent accountant for the Company necessarily resulted in the termination or dismissal of the principal accountant which had audited the Company's financial statements for the last fiscal year ended December 31, 2003, Farmer, Fuqua & Huff, P.C. During the Company's most recent fiscal year and any subsequent interim period, Farmer, Fuqua & Huff, P.C.'s report on the Company's financial statements for that year did not contain an adverse opinion or disclaimer of opinion nor was such opinion qualified or modified as to uncertainty, audit scope or accounting principles, and no disagreement existed between the Company and Farmer, Fuqua & Huff, P.C. concerning any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure.

(a) The amount of audit fees paid to BDO Seidman, LLP for January to June 2003 was \$10,269; the amount of audit fees paid to Farmer, Fuqua & Huff, P.C. for July through December 2003 was \$43,237.87. All tax fees for 2003 were paid to Farmer, Fuqua & Huff, P.C.

All services rendered by the principal auditors are permissible under applicable laws and regulations and were pre-approved by either the Board of Directors or the Audit Committee, as required by law. The fees paid the principal auditors for services as described in the above table fall under the categories listed below:

Audit Fees. These are fees for professional services performed by the principal auditor for the audit of the Company's annual financial statements and review of financial statements included in the Company's 10-Q filings and services that are normally provided in connection with statutory and regulatory filing or engagements.

Audit-Related Fees. These are fees for assurance and related services performed by the principal auditor that are reasonably related to the performance of the audit or review of the Company's financial statements. These services include attestations by the principal auditor that are not required by statute or regulation and consulting on financial accounting/reporting standards.

Tax Fees. These are fees for professional services performed by the principal auditor with respect to tax compliance, tax planning, tax consultation, returns preparation and review of returns. The review of tax returns includes the Company and its consolidated subsidiaries.

All Other Fees. These are fees for other permissible work performed by the principal auditor that do not meet the above category descriptions.

These services are actively monitored (as to both spending level and work content) by the Audit Committee to maintain the appropriate objectivity and independence in the principal auditor's core work, which is the audit of the Company's consolidated financial statements.

Report of the Audit Committee Of the Board of Directors

The Audit Committee oversees the Company's auditing, accounting and financial reporting processes on behalf of the Board. The Audit Committee also recommends to the Board of Directors the selection of the Company's independent accountants.

The Audit Committee's job is one of oversight as set forth in its charter, a copy of which is attached as Appendix I. It is not a duty of the Audit Committee to prepare the Company's financial statements, to plan or conduct audits or to determine that the Company's financial statements are complete and accurate and are in accordance with generally accepted accounting principles.

Management of the Company is responsible for preparing the Company's financial statements and for maintaining internal controls. The independent auditors are responsible for auditing the financial statements and for expressing an opinion as to whether those audited financial statements fairly present the financial position, results of operations and cash flows of the Company in conformity with generally accepted accounting principles.

The Audit Committee has reviewed and discussed the audited consolidated financial statements of the Company for the 2003 fiscal year with management, and has discussed with the independent accountants the matters required to be discussed by Statement on Auditing Standards No. 61 (Codification of Statements on Auditing Standards, AU SEC. 380) which includes, among other things, matters related to the conduct of the audit of the Company's financial statements. The Audit Committee has received the written disclosures and the letter from the independent accountants required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee has discussed with representatives of the independent accountants their independence.

Based upon the review and discussions described above, the Audit Committee recommended to the Board of Directors, and the Board has approved, that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2003, filed with the Securities and Exchange Commission. The Audit Committee and the Board have also recommended, subject to stockholder approval, the selection of Swalm & Associates, P.C. as the Company's independent auditors for fiscal year 2004.

Pre-Approval Policy for Audit and Non-Audit Services

Under the Sarbanes-Oxley Act of 2002 (the "SO Act"), and the rules of the Securities and Exchange Commission (the "SEC"), the Audit Committee of the Board of Directors is responsible for the appointment, compensation and oversight of the work of the independent auditor. The purpose of the provisions of the SO Act and the SEC rules for the Audit Committee role in retaining the independent auditor is two-fold. First, the authority and responsibility for the appointment, compensation and oversight of the auditors should be with directors who are independent of management. Second, any non-audit work performed by the auditors should be reviewed and approved by these same independent directors to ensure that any non-audit services performed by the auditor do not impair the independence of the independent auditor. To implement the provisions of the SO Act, the SEC issued rules specifying the types of services that an independent auditor may not provide to its audit client, and governing the Audit Committee's administration of the engagement of the independent auditor. As part of this responsibility, the Audit Committee is required to pre-approve the audit and non-audit services performed by the independent auditor in order to assure that they do not impair the auditor's independence. Accordingly, the Audit Committee has adopted a pre-approval policy of audit and non-audit services (the "Policy"), which sets forth the procedures and conditions pursuant to which services to be performed by the independent auditor are to be pre-approved. A copy of the Policy is attached as Appendix II.

Consistent with the SEC rules establishing two different approaches to approving non-prohibited services, the policy of the Audit Committee covers pre-approval of audit services, audit-related services, international administration tax services, non-U.S. income tax compliance services, pension and benefit plan consulting and compliance services, and U.S. tax compliance and planning. At the beginning of each fiscal year, the Audit Committee will evaluate other known potential engagements of the independent auditor, including the scope of work proposed to be performed and the proposed fees, and approve or reject each service, taking into account whether services are permissible under applicable law and the possible impact of each non-audit service on the independent auditor's independence from management. Typically, in addition to the generally pre-approved services, other services would include due diligence for an acquisition that may or may not have been known at the beginning of the year. The Audit Committee has also delegated to any member of the Audit Committee designated by the Board or the financial expert member of the Audit Committee responsibilities to pre-approve services to be performed by the independent auditor not exceeding \$25,000 in value or cost per engagement of audit and non-audit services, and such authority may only be exercised when the Audit Committee is not in session.

Compensation Committee Report

The Company has no employees, payroll or benefit plans and pays no compensation to its executive officers. The executive officers of the Company who are also officers or employees of Prime Income Asset Management LLC (Prime) are compensated by Prime. Such executive officers perform a variety of services for Prime, and the amount of their compensation is determined solely by Prime. Prime does not allocate the cash compensation of its officers among the various entities for which it may serve as advisor or sub-advisor. Prime contracts with SWI to provide certain services to the Company through SWI.

The only remuneration paid by the Company is to the directors who are not officers or directors of SWI. These independent directors (i) review the business plan of the Company to determine that it is in the best interest of the stockholders, (ii) review the advisory contract, (iii) supervise the performance of the Company's advisor and review the reasonableness of the compensation paid to the advisor in terms of the nature and quality of services performed, (iv) review the reasonableness of the total fees and expenses of the Company, and (v) select, when necessary, a qualified independent real estate appraiser to appraise properties acquired. See Director Compensation for a description of the compensation paid.

The Compensation Committee is responsible for overseeing the policies of the Company relating to compensation to be paid by the Company, if any, to certain designated officers and to make recommendations to the Board with respect to compensation policies, produce necessary reports and executive compensation for inclusion in the proxy statement, and to monitor the development and implementation of succession plans. The charter of the Compensation Committee was adopted on March 22, 2004, and the members of the Compensation Committee, all of whom are independent within the meaning of the listing standards of the American Stock Exchange and the Company's corporate governance guidelines, are listed below. Since its formation on March 22, 2004, the Compensation Committee has not performed any task to report other than to review its existing charter.

The Advisor

Although the Board of Directors is directly responsible for managing the affairs of the Company and for setting the policies which guide it, day-to-day operations are performed by a contractual advisor under the supervision of the Board of Directors. The duties of the advisor include, among other things, locating, investigating, evaluating and recommending real estate and mortgage note investment and sales opportunities, as well as financing and refinancing sources. The advisor also serves as a consultant to the Board of Directors in connection with the business plan and investment decisions made by the Board.

SWI has served as the Company's advisor since June 30, 2003. Prior to June 30, 2003, and since 1989, BCM had served as the advisor to the Company and its predecessors. SWI is 100% owned by Gene E. Phillips. Mr. Phillips is chairman, president, chief executive officer and a director of SWI, is involved in daily consultation with the officers of SWI and has significant influence over the conduct of SWI's business, including the rendering of advisory services and the making of investment decisions for itself and the Company.

Under the Advisory Agreement, SWI is required to annually formulate and submit for Board approval a budget and business plan containing a twelve-month forecast of operations and cash flow, a general plan for asset sales and purchases, borrowing activity and other investments. SWI is required to report quarterly to the Board on the Company's performance against the business plan. In addition, all transactions require prior Board approval, unless they are explicitly provided for in the approved plan or are made pursuant to authority expressly delegated to SWI by the Board.

The Advisory Agreement also requires prior approval of the Board for the retention of all consultants and third party professionals, other than legal counsel. The Advisory Agreement provides that SWI shall be deemed to be in a fiduciary relationship to the stockholders; contains a broad standard governing SWI's liability for losses by the Company; and contains guidelines for SWI's allocation of investment opportunities as among itself, the Company and other entities it advises.

The Advisory Agreement provides for SWI to be responsible for the day-to-day operations of the Company and to receive an advisory fee comprised of a gross asset fee of 0.0625% per month (0.75% per annum) of the average of the gross asset value (total assets less allowance for amortization, depreciation or depletion and valuation reserves) and an annual net income fee equal to 7.5% of the Company's net income.

The Advisory Agreement also provides for SWI to receive an annual incentive sales fee equal to 10% of the amount, if any, by which the aggregate sales consideration for all real estate sold by the Company during the fiscal year exceeds the sum of (1) the cost of each property as originally recorded in the Company's books for tax purposes (without deduction for depreciation, amortization or reserve for losses), (2) capital improvements made to such assets during the period owned, and (3) all closing costs (including real estate commissions) incurred in the sale of such real estate. However, no incentive fee shall be paid unless (a) such real estate sold in such fiscal year, in the aggregate, has produced an 8% simple annual return on the net investment, including capital improvements, calculated over the holding period before depreciation and inclusive of operating

income and sales consideration, and (b) the aggregate net operating income from all real estate owned for each of the prior and current fiscal years shall be at least 5% higher in the current fiscal year than in the prior fiscal year.

Additionally, pursuant to the Advisory Agreement, SWI or an affiliate of SWI is to receive an acquisition commission for supervising the acquisition, purchase or long-term lease of real estate equal to the lesser of (i) up to 1% of the cost of acquisition, inclusive of commissions, if any, paid to non-affiliated brokers, or (ii) the compensation customarily charged in arm's-length transactions by others rendering similar property acquisition services as an ongoing public activity in the same geographical location and for comparable property, provided that the aggregate purchase price of each property (including acquisition fees and real estate brokerage commissions) may not exceed such property's appraised value at acquisition.

The Advisory Agreement requires SWI or any affiliate of SWI to pay the Company one-half of any compensation received from third parties with respect to the origination, placement or brokerage of any loan made by the Company. However, the compensation retained by SWI or any affiliate of SWI shall not exceed the lesser of (i) 2% of the amount of the loan commitment, or (ii) a loan brokerage and commitment fee which is reasonable and fair under the circumstances.

The Advisory Agreement also provides that SWI or an affiliate of SWI is to receive a mortgage or loan acquisition fee with respect to the purchase of any existing mortgage loan equal to the lesser of (i) 1% of the amount of the loan purchased, or (ii) a brokerage or commitment fee which is reasonable and fair under the circumstances. Such fee will not be paid in connection with the origination or funding of any mortgage loan by the Company.

Under the Advisory Agreement, SWI or an affiliate of SWI also is to receive a mortgage brokerage and equity refinancing fee for obtaining loans or refinancing on properties equal to the lesser of (i) 1% of the amount of the loan or the amount refinanced, or (ii) a brokerage or refinancing fee which is reasonable and fair under the circumstances. However, no such fee shall be paid on loans from SWI or an affiliate of SWI without the approval of the Board of Directors. No fee shall be paid on loan extensions.

Under the Advisory Agreement, SWI is to receive reimbursement of certain expenses incurred by it in the performance of advisory services to the Company.

Under the Advisory Agreement, all or a portion of the annual advisory fee must be refunded by SWI if the Operating Expenses of the Company (as defined in the Advisory Agreement) exceed certain limits specified in the Advisory Agreement based on the book value, net asset value and net income of the Company during the fiscal year. SWI was required to refund \$226,000 of the 2003 advisory fee under this provision.

Additionally, if management were to request that SWI render services other than those required by the Advisory Agreement, SWI or an affiliate of SWI is separately compensated for such additional services on terms to be agreed upon from time to time. As discussed below, under Property Management, the Company has hired Triad Realty Services, Ltd. (Triad), an affiliate of BCM, to provide management for the Company's properties and, as discussed below, under Real

Estate Brokerage, the Company has engaged Regis Realty I LLC (Regis I), a related party, on a non-exclusive basis to provide brokerage services for the Company. SWI may assign the Advisory Agreement only with the prior consent of the Company.

The directors and principal officers of SWI are set forth below:

Name	Office(s)
Gene E. Phillips	Director, Chairman, President and Chief Executive Officer
Ken L. Joines	Director, Vice President, Treasurer and Secretary

The limited partner of Triad is Highland Realty Services, Inc., a related party. Triad subcontracted the property-level Management and leasing of five of the Company's commercial properties to Regis Realty, Inc., a related party, which is a company owned by Highland Realty Services, Inc., until December 2002. Regis Realty, Inc. was, and Regis I is, entitled to receive a real estate commission for property purchases and sales in accordance with a sliding scale of total fees to be paid (i) maximum fee of 4.5% on the first \$2 million of any purchase or sale transaction of which no more than 3.5% would be paid to Regis Realty, Inc. or affiliates; (ii) maximum fee of 3.5% on transaction amounts between \$2 million and \$5 million, of which no more than 3% would be paid to Regis I or affiliates; (iii) maximum fee of 2.5% on transaction amounts between \$5 million and \$10 million, of which no more than 2% would be paid to Regis I; and (iv) maximum fee of 2% on transaction amounts in excess of \$10 million, of which no more than 1.5% would be paid to Regis I or affiliates.

Certain Relationships and Related Transactions

Certain Business Relationships

In February 1989, the Board of Directors of the predecessor of the Company voted to retain BCM as the predecessor's advisor. BCM is a company of which Messrs. Mark W. Branigan and Louis J. Corna serve as executive officers. BCM is indirectly owned by a trust for the children of Gene E. Phillips. Mr. Phillips is not an officer or director of BCM but serves as a representative of the trust, is involved in daily consultation of the officers of BCM and has significant influence over the conduct of BCM's business, including the rendering of advisory services and the making of investment decisions for itself and for the Company. On June 30, 2003, BCM ended its advisory agreement with the Company. SWI has served as the Company's advisor since July 1, 2003. SWI is owned by Gene E. Phillips. Mr. Phillips is Chairman, President, Chief Executive Officer and a director and is involved in daily consultation with the officers of SWI and has significant influence over the conduct of SWI's business, including the rendering of advisory services and the making of investment decisions for itself and for the Company.

Since February 1, 1991, affiliates of BCM have provided property management services to the Company and its predecessor. Currently, Triad Realty Services, Ltd. (Triad) provides such property management services. The general partner of Triad is BCM. The limited partner is Highland Realty Services, Inc., a related party. Triad subcontracted the property-level management and leasing of five of the Company's commercial properties to Regis Realty, Inc., a related party which is a company owned by Highland Realty Services, Inc. until December 2002; since January 1, 2003, Regis Realty I LLC has provided this service. Regis Realty I LLC is a limited liability company, the sole member of which is Highland Realty Services, Inc.

Affiliates of BCM have also provided brokerage services, on a non-exclusive basis, for the Company and received brokerage commissions in accordance with a brokerage agreement. Currently, Regis Realty I LLC performs such brokerage services for the Company.

Messrs. Mark W. Branigan and Louis J. Corna are employed by Prime Income Asset Management LLC (Prime), the sole member of which is Prime Income Asset Management, Inc., a Nevada corporation (PIAMI), which is owned by Realty Advisors, Inc. (79%) and SWI (21%). Ken L. Joines is employed by SWI. Messrs. Branigan and Corna, executive officers of the Company, also serve as executive officers of ARI and TCI, and accordingly owe fiduciary duties to those entities as well as the Company. Ted. P. Stokely, who serves as a director of ARI, and TCI owes fiduciary duties to TCI and ARI, as well as the Company under applicable law.

Related Party Transactions

Historically, the Company has engaged in and may continue to engage in business transactions, including real estate partnerships, with related parties. Management believes that all of the related party transactions represented the best investments available at the time and were at least as advantageous to the Company as could have been obtained from unrelated third parties.

In January 2002, the Company purchased 100% of the outstanding common shares of Rosedale Corporation (Rosedale), a wholly-owned subsidiary of ARI, a related party, for \$5.1 million cash. Rosedale owned the 83,331 square feet Rosedale Towers Office Building in Roseville, Minnesota. ARI guaranteed that the asset would produce at least a 12% return annually of the purchase price for a period of three years from the purchase date. If the asset failed to produce the 12% return, ARI shall pay the Company for any shortfall. Management classified this related party transaction as a note receivable from ARI. In the first quarter of 2002, after reviewing the property's fair market value after costs to sell, even though ARI has guaranteed the 12% return, the Company recognized a provision for loss on the note receivable of \$767,000. In December 2002, the Rosedale Towers Office Building was sold for \$7.2 million. The Company received \$3.5 million of the proceeds after the payment of the first lien debt and various closing costs. The Company recognized an additional loss of \$801,000 on its note.

In February 2002, the Company funded a \$2 million mortgage loan as a participation agreement with TCI, a related party. The loan was secured by a second lien on a retail center in Montgomery County, Texas. The note receivable bore interest at 16% per annum, required monthly interest-only payment of \$47,000 and matured in February 2002. In February 2002, the loan was extended until April 2002. In April 2002, the Company extended the loan until July 2002, receiving \$8,500 as an extension fee. In July 2002, the loan was extended until September 2002, with the Company receiving \$8,500 as an extension fee. Also in July 2002, the Company received a \$500,000 principal paydown on the note. In August 2002, the note was paid off, including accrued but unpaid interest.

On December 30, 2003, a Promissory Note in the amount of \$6.3 million given by Housing for Seniors of Humble (Housing) to NLP Lakeshore Villas LLC (NLP) was assigned from ARI to the Company. On December 30, 2003, a Promissory Note in the amount of \$2 million given by Housing to NLP was assigned from ARI to the Company. These assignments were payments on certain intercompany receivables due to the Company.

On December 18, 2003, the Company purchased 100% of the outstanding common shares of Transcontinental Brewery Corporation (Brewery), a wholly-owned subsidiary of TCI, a related party, for \$4 million for a reduction of intercompany debt in the same amount. Brewery owns the 19.96 acres of land and the 133,000 square feet Eagle Crest Warehouse Building in Farmers Branch, Texas.

On December 18, 2003, the Company purchased 100% of the outstanding common shares of Transcontinental Treehouse Corporation (Treehouse-IR), a wholly-owned subsidiary of TCI, for \$7.5 million for a reduction of intercompany debt in the amount of \$2.4 million subject to mortgage lien in the amount of \$5.1 million. Treehouse-IR owns the 153,076 square feet Treehouse Apartments Building in Irving, Texas.

On December 18, 2003, the Company purchased 100% of the outstanding common shares of Transcontinental Parkway Corporation (Parkway), a wholly-owned subsidiary of TCI, for \$4 million for a reduction of intercompany debt in the amount of \$2.4 million subject to mortgage lien in the amount of \$1.6 million. Parkway owns the 28,374 square feet Parkway Shopping Center in Dallas, Texas.

The Company is a partner with TCI in Nakash Income Associates and TCI Eton Square, L.P. TCI owns 345,728 shares of Common Stock of the Company (approximately 24%).

In 2003, the Company paid SWI and its affiliates and related parties \$425,000 in advisory fees, \$130,000 in net income fees, \$547,000 in mortgage brokerage and equity refinancing fees, and \$325,000 in property and construction management fees and leasing commissions, net of property management fees paid to subcontractors other than Regis. In addition, from time to time, the Company has made advances to SWI which generally have not had specific repayment terms and have been reflected in the Company's financial statements as other assets or other liabilities from affiliates. At December 31, 2003, the Company had advanced SWI \$432,000, ARI \$367,000 and TCI \$261,000, respectively.
