**ANNUAL MEETING OF SHAREHOLDERS TO BE HELD
NOVEMBER 11, 2004**

VOTING BY PROXY AND REVOCATION OF PROXIES

This proxy statement is furnished in connection with the solicitation of proxies by the Board of Directors of G&K Services, Inc. (periodically referred to in this proxy statement as the Company) to be used at the annual meeting of our shareholders to be held Thursday, November 11, 2004 at 10:00 a.m. Central Standard Time, at Hilton Minneapolis and Towers, 1001 Marquette Avenue, Minneapolis, Minnesota, 55403, or at any adjournment or adjournments thereof, for the purpose of considering and taking appropriate action with respect to the following:

1. To elect two Class III directors to serve for terms of three years;
2. To ratify the appointment of Ernst & Young LLP, Independent Accounting Firm, as independent auditors of the Company for fiscal 2005; and
3. To transact any other business as may properly come before the meeting or any adjournments thereof.

The approximate date on which this proxy statement and the accompanying proxy were first sent or given to shareholders was September 27, 2004.

Each shareholder who signs and returns a proxy in the form enclosed with this proxy statement may revoke the same at any time prior to its use by giving notice of such revocation to the Company in writing, in open meeting or by executing and delivering a new proxy to the Corporate Secretary. Unless so revoked, the shares represented by each proxy will be voted at the annual meeting and at any adjournments of the annual meeting. Mere presence at the annual meeting by a shareholder who has signed a proxy does not, alone, revoke that proxy; revocation would have to be announced by the shareholder at the time of the meeting. All shares which are entitled to vote and are represented at the annual meeting by properly executed proxies received prior to or at the annual meeting, and not revoked, will be voted at the annual meeting and any adjournments of the annual meeting.

VOTING PROCEDURES

The Company has two classes of voting securities outstanding: Class A Common Stock, \$0.50 par value per share, and Class B Common Stock, \$0.50 par value per share, of which 19,452,651 shares of Class A Common Stock and 1,474,996 shares of Class B Common Stock, respectively, were outstanding as of the close of business on September 14, 2004 the Record Date, for the annual meeting. Each share of Class A Common Stock is entitled to one vote, and each share of Class B Common Stock is entitled to 10 votes, on each matter put to a vote of shareholders. Our Class A and Class B

Common Stock are collectively referred to in this proxy statement as the Common Stock. Only shareholders of record at the close of business on the Record Date for the annual meeting, will be entitled to vote at the annual meeting or any adjournments of the annual meeting. A quorum, consisting of a majority of the voting power of the holders of the outstanding shares of Common Stock entitled to vote at the annual meeting, must be present, either in person or represented by proxy, for each matter presented at the annual meeting before action may be taken on that matter.

All shares represented by proxies will be voted for the election of the director nominees named in this proxy statement and for ratification of Ernst & Young LLP's appointment as our independent auditors for fiscal 2005 unless a contrary choice is specified. If any director nominee should withdraw or otherwise become unavailable for reasons not presently known, the proxies which would have otherwise been voted for that director nominee may be voted for a substitute director nominee selected by the Company's Board of Directors.

Adoption of each proposal requires the affirmative vote of the holders of a majority of the voting power of the outstanding shares of Common Stock present and entitled to vote at the annual meeting.

A shareholder who abstains with respect to any proposal is considered to be present and entitled to vote on that proposal, and is in effect casting a negative vote; a shareholder (including a broker) who does not give authority to a proxy to vote, or withholds authority to vote, on any proposal shall not be considered present and entitled to vote on that proposal.

The Board of Directors unanimously recommends that you vote FOR the election of both director nominees named in this proxy statement and FOR the ratification of Ernst & Young LLP's appointment as the Company's independent accountant for fiscal 2005.

The table above sets forth the estimated annual straight life annuity benefits payable upon an executive's retirement at age 65 under both the Company's Pension Plan and its Supplemental Executive Retirement Plan, for various compensation and years of service categories, without any reduction for Social Security benefits. These plans take into account the average annual salary and bonus shown in the Summary Compensation Table paid during the five consecutive calendar years in which such amounts were highest (within the past 10 years). The number of years of service credited for Messrs. Fink, Marcantonio, Moberly, Kiesel and Wright as of July 3, 2004 were 40 years, 3 years, 31 years, 1 year and 5 years, respectively.

Employment Agreements

Effective January 1, 2001, the Company entered into an Executive Employment Agreement for an indefinite term with Mr. Wright. On June 25, 2002, the Company entered into an Executive Employment Agreement with Richard L. Marcantonio that became effective as of July 15, 2002 and continues for an indefinite term. Under this agreement, Mr. Marcantonio initially served as the Company's President and Chief Operating Officer (or under such other title and position as the Company's Board of Directors shall determine), and currently serves as President and Chief Executive Officer. On July 14, 2003, the Company entered into an Executive Employment Agreement for an indefinite term with Jeffrey R. Kiesel (this agreement and the Company's agreements with each of Messrs. Wright and Marcantonio are each hereinafter referred to as an "Agreement"). Each Agreement will terminate upon the death, disability or retirement of the executive who is a party to the Agreement and provides that employment may be terminated at any time by the Company or by the executive upon 30 days notice. If the Company terminates the Agreement without Cause or the executive terminates the Agreement for Good Reason, and the terminated executive executes a written release form, the executive is then entitled to receive the compensation and benefits provided under his Agreement for a period of 11 months following termination, except that Messrs. Marcantonio and Kiesel will each be entitled to receive compensation and benefits for a period of 18 months if terminated within the first two years of employment. Mr. Marcantonio has been employed by the Company for longer than two years as of July 15, 2004. The Agreements provide for a limitation on any severance payment so as not to be considered an Excess Parachute Payment under section 280G of the Internal Revenue Code of 1986, as amended. Each Agreement also provides that if within one year of any Change in Control of the Company (as defined in each of the Agreements), either (1) the Company terminates the executive for any reason other than for Cause, or (2) the executive terminates his employment for Good Reason, then the executive is entitled to:

- (1) continuation of compensation and benefits for 12 months following termination, except that Mr. Marcantonio will be entitled to continuation of compensation and benefits for 24 months and Mr. Kiesel will be entitled to continuation of compensation and benefits for 17 months;
- (2) reimbursement of all reasonable outplacement expenses up to \$12,000 for up to six months following termination; and
- (3) in certain cases, an acceleration of incentives (the acceleration of incentives for Messrs. Marcantonio and Wright are contained in separate change of control agreements).

The Agreements define Cause as, among other things: (1) the failure or refusal to perform duties, (2) indictment or conviction of a felony, (3) drunkenness or abuse of drugs, (4) material dishonesty, or (5) gross negligence or willful misconduct. The Agreements define Good Reason as, among other things: (1) an adverse involuntary change in the executive's status or position as an executive officer of the Company, (2) a material adverse change in the executive's compensation, (3) the Company requiring the executive to be based anywhere other than where the executive's office is located as of the day before a Change in Control, or (4) purported termination by the Company of this Agreement or the employment of the executive.

Each of Messrs. Marcantonio, Wright and Kiesel has agreed that for a period of 18 months following the termination of employment with the Company, he will not among other things, (1) compete against the Company within specified geographic areas, (2) obtain any ownership interest in any competitor or become employed by any competitor, (3) encourage any employees of

the Company to cease employment with the Company, or to violate the terms of their employment contracts with the Company, or (4) attempt to take away any customers of the Company. Each has also agreed not to disclose any confidential Company information at any time before or after termination of his employment with the Company.

The Agreements define "Change in Control" as (1) any person or group gaining control of 30 percent or more of the voting shares of the Company, (2) a change in the majority of the Board of Directors in any two year period, (3) merger or consolidation of the Company into another corporation, or (4) the liquidation of the Company upon a change in control.

Director Compensation

During fiscal 2004, the Company paid each director who was not otherwise employed by the Company an annual fee of \$21,000, along with a \$2,000 fee for each meeting of the Board of Directors attended in person (\$500 for those attended telephonically) and \$1,000 for each committee meeting of the Board of Directors attended in person (\$500 for those attended telephonically). The Company also paid a \$3,000 retainer to the Chair of each committee of the Board of Directors.

In addition, directors who are not otherwise employed by the Company participate in the 1996 Director Stock Option Plan (the "1996 Plan") which provides for an annual grant to non-employee directors of options to purchase 1,000 shares at an option exercise price equal to the average of the closing prices of the Company's Class A Common Stock during the 10 business days preceding the date on which the option is granted. Each such option has a 10-year term and generally becomes exercisable on the first anniversary of the grant date. Members who were serving as directors upon the original adoption of the 1996 Plan received one-time grants of options to purchase 3,000 shares of Class A Common Stock upon such adoption and, thereafter, each new director has received a one-time grant of options to purchase 3,000 shares of Common Stock upon his or her initial election to the Board of Directors. Each of the 3,000 share options has a 10-year term and vests in three equal installments on each of the first, second and third anniversaries of the grant date.

STOCK PERFORMANCE GRAPH

The Securities and Exchange Commission requires that the Company include in this proxy statement a line-graph presentation comparing the cumulative, five-year return to the Company's shareholders (based on appreciation of the market price of the Company's Common Stock) on an indexed basis with (1) a broad equity market index and (2) either an appropriate published industry or line-of-business index, or a peer group index constructed by the Company. The following graph summarizes the cumulative five-year return on \$100 invested in (1) the Company's Common Stock, (2) the Standard and Poor's (S&P) 500 Stock Index, and (3) a nationally recognized group of companies in the uniform services industry (the "Peer Index"). The companies included in the Peer Index are Angelica Corporation, Cintas Corporation, G&K Services, Inc., UniFirst Corporation and ARAMARK Corporation.

The graph illustrates the cumulative values at the end of each succeeding fiscal quarter resulting from the change in the stock price, assuming dividend reinvestment.

PROPOSAL NUMBER 2:

**TO RATIFY THE APPOINTMENT OF
INDEPENDENT AUDITORS**

Our Board of Directors and management are committed to the quality, integrity and transparency of the financial reports. Independent auditors play an important part in our system of financial control. In accordance with the duties set forth in its written charter, the audit committee of our Board of Directors has appointed Ernst & Young LLP as our independent auditors for the 2005 fiscal year. A representative of Ernst & Young LLP will attend this year's annual meeting and will be available to respond to appropriate questions from shareholders, and also will have the opportunity to make a statement if he or she desires to do so.

If the shareholders do not ratify the appointment of Ernst & Young LLP, the audit committee may reconsider its selection, but is not required to do so. Notwithstanding the proposed ratification of the appointment of Ernst & Young LLP by the shareholders, the audit committee, in its discretion, may direct the appointment of new independent auditors at any time during the year without notice to, or the consent of, the shareholders, if the audit committee determines that such a change would be in the Company's best interests and the best interests of its shareholders.

Fees billed to Company by Auditors:

Set forth below are the fees billed by Ernst & Young LLP for the fiscal years ended July 3, 2004 and June 28, 2003:

Tax Fees ⁽³⁾	387,707	464,295
All Other Fees	_____	_____

(2) Represents amounts reasonably related to the performance of the audit or review of the Company's consolidated financial statements which are not reported under the Audit Fees category.

(3) Represents \$263,149 related to tax compliance, \$124,558 related to tax planning services and \$0 related to tax consulting.

The audit committee of the Board of Directors has reviewed the services described in footnotes (2) and (3) above

provided by Ernst & Young LLP as well as the amounts billed for such services, and after consideration has determined that the receipt of these fees by Ernst &

Young LLP is compatible with the provision of independent audit services. The audit committee has discussed these services and fees with Ernst & Young LLP and Company management to determine that they are appropriate under the rules and regulations concerning auditor independence promulgated by the U.S. Securities and Exchange Commission to implement the Sarbanes-Oxley Act of 2002, as well as under guidelines of the American Institute of Certified Public Accountants.

Pre-Approval Policy

Following adoption of the audit committee charter (a copy of which is attached as *Appendix A* to the proxy statement for the Company's 2003 annual shareholders' meeting) all services performed by Ernst & Young LLP have been pre-approved in accordance with the charter. The charter provides that all audit and non-audit accounting services that are permitted to be performed by the Company's independent accountant under applicable rules and regulations must be pre-approved by the audit committee or by designated members of the audit committee, other than with respect to de minimus exceptions permitted under section 202 of the Sarbanes-Oxley Act of 2002.

Prior to or as soon as practicable following the beginning of each fiscal year, a description of audit, audit-related, tax, and other services expected to be performed by the independent auditor in the following fiscal year is presented to the audit committee for approval. Following such approval, any requests for audit, audit-related, tax, and other services not presented and pre-approved must be submitted to the audit committee for specific pre-approval and cannot commence until such approval has been granted. Normally, pre-approval is provided at regularly scheduled meetings. However, the authority to grant specific pre-approval between meetings, as necessary, may be delegated to one or more members of the audit committee who are independent directors. In the event such authority is so delegated, the full audit committee must be updated at the next regularly scheduled meeting with respect to any services that were granted specific pre-approval by delegation. During the fiscal year 2004 the audit committee has functioned in conformance with these procedures.

OTHER MATTERS

Board of Directors and Committees

Board of Directors

The Board of Directors held five meetings and two telephonic meetings, during fiscal 2004 and took action by written consent two (2) times. The Company has an audit committee, a compensation committee and a corporate governance committee of the Board of Directors. No director attended fewer than 75 percent of the aggregate number of meetings of the Board of Directors and the committees of the Board on which such director(s) served during the 2004 fiscal year.

Corporate Governance Committee

The Company has established a corporate governance committee of the Board of Directors made up of two or more independent directors, at least one of whom also serves on the Company's compensation committee. The primary role of the corporate governance committee is to monitor the effectiveness of the Board in carrying out certain responsibilities, and to review annually the performance of the Company's Chief Executive Officer and the operation of the full Board of Directors (including its Chair and committees).

In addition, the corporate governance committee presents qualified director candidates to the full Board and considers qualified nominees recommended by shareholders. Qualified candidates will be considered without regard to race, color, religion, sex, ancestry, national origin or disability. The corporate governance committee will consider each candidate's general business and industry experience, his or her ability to act on behalf of shareholders, overall Board diversity, potential concerns regarding independence or conflicts of interest and other factors relevant in evaluating Board nominees. If the corporate governance committee approves a candidate for further review following an initial screening, the corporate governance committee will establish an interview process for the candidate. Generally, the candidate will meet with at least a majority of the members of the corporate governance committee, along with the Chair of the Board of Directors and the Company's Chief Executive Officer. Contemporaneously with the interview process, the corporate governance committee will conduct a comprehensive conflicts-of-interest assessment of the candidate. The corporate governance committee will consider reports of the interviews and the conflicts-of-interest assessment to determine whether to recommend the candidate to the full Board of Directors. The corporate governance committee will also take into consideration the candidate's personal attributes, including, without limitation, personal integrity, loyalty to the Company and concern for its success and welfare, willingness to apply sound and independent business judgment, awareness of a director's vital part in the Company's good corporate citizenship and image, time available for meetings and consultation on Company matters, and willingness to assume broad, fiduciary responsibility.

Any recommendations for nominees to be considered for election to the Board of Directors at the Company's annual shareholders' meetings may be submitted to the corporate governance committee by the Company's shareholders. In order to make such a recommendation, a shareholder must submit the recommendation in writing to the Chair of the corporate governance committee, in care of the Company's Secretary at the Company's headquarters address, at least 120 days prior to the mailing date of the proxy statement for the previous year's annual shareholders meeting. To enable the corporate governance committee to evaluate the candidate's qualifications, shareholder recommendations must include the following information:

The name and address of the shareholder who intends to make the nomination and of the person or persons to be nominated;

A representation that the shareholder is a holder of record of the Company entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to nominate the person or persons specified in the notice;

A description of all arrangements or understandings between the shareholder and each nominee and any other person or persons (naming such person or persons) pursuant to which the nomination or nominations are to be made by the shareholder;

A resume detailing the educational, professional and other information necessary and appropriate to determine if the nominee is qualified to hold a Board position;

Such other information regarding each nominee proposed would have been required to be included in a proxy statement filed pursuant to the proxy rules of the Securities and Exchange Commission had each nominee been nominated, or intended to be nominated, by the Board of Directors (including, without limitation, a listing of any other Board of Directors on which the proposed nominee is a member); and

The written consent of each nominee to serve as a director of the Company if so elected.

The corporate governance committee, which presently consists of Chair Donald W. Goldfus and Mr. M. Lenny Pippin, held four meetings during fiscal 2004 and did not take action by written consent.

Audit Committee

The Company has established a three-member audit committee of the Board of Directors which assists the Board of Directors in fulfilling certain oversight responsibilities. The audit committee operates pursuant to a written charter adopted by the Board of Directors. As set forth in the charter, the primary responsibilities of the audit committee include: (i) serving as an independent and objective party to monitor the Company's financial reporting process and internal control system; (ii) reviewing and appraising the audit efforts of the Company's independent auditors and internal audit department; and (iii) providing an open avenue of communication among the independent auditors, financial and senior management, the internal audit department, and the Board of Directors. The charter also requires that the audit committee review and pre-approve the performance of all audit, audit-related, tax and non-audit accounting services to be performed by the Company's independent auditors, other than certain de minimus exceptions permitted by Section 202 of the Sarbanes-Oxley Act of 2002.

The audit committee, which presently consists of Chair Paul Baszucki, Mr. Michael G. Allen and Ms. Alice M. Richter, held four meetings during fiscal 2004. In addition, the audit committee met and held discussions with financial management prior to the release of earnings information for the Company's completed fiscal periods and certain other information, and prior to the filing of each quarterly report on Form 10-Q with the Securities and Exchange Commission.

The Board of Directors has determined that at least one member of the audit committee, Ms. Richter, is an audit committee financial expert as that term is defined in Item 401(h)(2) of Regulation S-K promulgated under the Securities Exchange Act of 1934, as amended. In addition, each member of the audit committee (including Ms. Richter) is an independent director, as such term is defined in Rule 4200(a)(15) of National Association of Securities Dealers listing standards, and meets the criteria for independence set forth in Rule 10A-3(b)(1) under the Securities Exchange Act of 1934, as amended. The Board of Directors has also determined that each of the audit committee members is able to read and understand fundamental financial statements and that at least one member of the audit committee has past employment experience in finance or accounting.

Compensation Committee

The Company's compensation committee, which presently consists of Chair Wayne M. Fortun and Messrs. Donald W. Goldfus, John S. Bronson, and M. Lenny Pippin, held five meetings during fiscal 2004 and took action by written consent once. All members of the compensation committee are independent directors within the meaning of Rule 4200(a)(15) the National Association of Securities Dealers listing standards. The compensation committee reviews the Company's remuneration policies and practices and makes recommendations to the Board in connection with all compensation matters affecting the executive officers of the Company.

Ability of Shareholders to Communicate with the Company's Board of Directors

The Company has established means for shareholders and others to communicate with the Board of Directors. If a shareholder wishes to address a matter regarding the Company's financial statements, accounting practices or internal controls, the matter should be submitted in writing addressed to the Chair of the audit committee in care of the Corporate Secretary at the Company's headquarters address. If the matter relates to the Company's governance practices, business ethics or corporate conduct, it should be submitted in writing addressed to the Chair of the corporate governance committee in care of the Corporate Secretary at the Company's headquarters address. If a shareholder is unsure where to direct a communication, the shareholder may direct it in writing to the Chair of the Board of Directors, or to any one of the independent directors of the Company, in care of the Corporate Secretary at the Company's headquarters address. All of these shareholder communications will be forwarded by the Corporate Secretary to the addressee.

Report of the Audit Committee

The audit committee has reviewed the Company's audited consolidated financial statements for the last fiscal year, and has discussed them with management.

Specifically, the audit committee has discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, *Communication with Audit Committees*, as amended, by the Auditing Standards Board of the American Institute of Certified Public Accountants.

The audit committee has received and reviewed the written disclosures and the letter from the independent auditors required by independence Standard No. 1, *Independence Discussions with Audit Committees*, as amended, by the Independence Standards Board, and have discussed with the auditors their independence.

The audit committee, based on the review and discussions described above, has recommended to the Board of Directors that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the last fiscal year for filing with the Securities and Exchange Commission.

Board Compensation Committee Report on Executive Compensation

Decisions on compensation of the Company's executive officers generally have been made by the compensation committee of the Board of Directors. Each member of the compensation committee is a non-employee director. The members of the compensation committee are Chairman Wayne M. Fortun and Messrs. Donald W. Goldfus, William M. Hope (until November 2003), M. Lenny Pippin and John S. Bronson (elected to committee May 20, 2004).

All decisions by the compensation committee relating to the compensation of the Company's executive officers are reviewed by the full Board. Pursuant to rules designed to enhance disclosure of the Company's policies toward executive compensation, set forth below is a report prepared by the compensation committee addressing the Company's compensation policies for the fiscal year ended July 3, 2004 as they affected the Company's executive officers.

The compensation committee's executive compensation policies are designed to provide competitive levels of compensation that integrate pay with the Company's annual objectives and long-term goals, reward above-average corporate performance, recognize individual initiative and achievements, and assist the Company in attracting and retaining qualified executives. Executive compensation is set at levels that the compensation committee believes to be competitive with those offered by employers of comparable size, growth and profitability in the Company's industry.

There are three elements in the Company's executive compensation program, each of which is based on individual and corporate performance: base salary compensation, annual incentive compensation and long-term incentive compensation.

Base salary compensation is based on the potential impact the individual may have on the Company, the skills and experience required by the job, comparisons with comparable companies and the performance and potential of the incumbent in the job.

For fiscal 2004, the Named Executive Officers of the Company, together with certain other vice presidents and regional vice presidents, were eligible to receive annual incentive compensation. The compensation committee established a targeted incentive opportunity for each executive officer expressed as a percentage of base salary. These percentages varied by executive officer, ranging from 35 percent to a high of 60 percent of base salary. The annual incentive program is comprised of two financial performance measures and key initiatives tied to individual performance established and measured by the Board of Directors for the Chief Executive Officer. The Chief Executive Officer directed the establishment and measurement of key initiatives for other executives. The two financial performance measures are earnings per share growth and total revenue growth and are weighted equally. For both the earnings per share and total revenue growth performance measures, achievement is based on meeting or exceeding operating plans approved by the Board of Directors of the Company. The compensation committee awarded annual incentive compensation to the Named Executive Officers for fiscal 2004 based on achievement against the above-mentioned performance criteria.

Long-term incentive compensation, pursuant to the Company's 1998 Stock Option and Compensation Plan, of the Chief Executive Officer, as well as other executive officers of the Company, is designed to integrate compensation with the Company's annual objectives and long-term goals, reward above-average corporate performance, recognize individual initiative and achievements, assist in the retention of executives and align the long-term interests of management with those of the Company's shareholders. The compensation committee makes recommendations to the Board regarding the granting of restricted stock awards and stock option grants to executives and key personnel. Awards vest and options become exercisable based upon criteria established by the Company.

Messrs. Thomas R. Moberly and Richard L. Marcantonio each served as Chief Executive Officer of the Company during fiscal 2004. The compensation of Messrs. Moberly and Marcantonio during fiscal 2004 was determined by applying a process and philosophy similar to that of other executive officers.

The annualized base salary of Mr. Moberly, who served as Chief Executive Officer of the Company from the beginning of fiscal 2004 until January 3, 2004, was \$550,000. Mr. Moberly was eligible for annual incentive compensation of 60 percent of his base salary, and did receive an incentive bonus for fiscal 2004, \$78,852. On August 25, 2003, Mr. Moberly was awarded an option to acquire 23,505 shares of the Company's Common Stock at an exercise price of \$32.57 (the fair market value of the Common Stock on the grant date), which vests in three equal annual installments beginning on the one-year anniversary of the grant. In addition, Mr. Moberly received a payment of \$80,892 during fiscal 2004 to cover taxes due on the value of previously granted shares of restricted stock that vested in fiscal 2003 and fiscal 2004.

Mr. Marcantonio has served as Chief Executive Officer of the Company from and after January 3, 2004. During this time, Mr. Marcantonio's annualized base salary was \$550,000. Mr. Marcantonio was eligible for annual incentive compensation of 55 percent of his base salary while serving as Chief Operating Officer and 60 percent of his base salary while serving as Chief Executive Officer, and did receive an incentive

bonus for fiscal 2004, \$158,106. On August 25, 2003, Mr. Marcantonio was awarded an option to acquire 17,220 shares of the Company's Common Stock at an exercise price of \$32.57 (the fair market value of the Common Stock on the grant date), which vests in three equal annual installments beginning on the one-year anniversary of the grant. Pursuant to the terms of Mr. Marcantonio's employment agreement, the Company made a \$400,000 interest-free loan to Mr. Marcantonio on July 26, 2002. The principal amount of this loan is payable in five annual installments of \$80,000 beginning on the first anniversary of the date of the loan, except that the Company has agreed to forgive half of each installment so long as Mr. Marcantonio continues to be employed by the Company. The installment payments are further reduced by the amount of any income tax resulting from such forgiveness and the interest-free nature of the loan. During fiscal 2004, the Company forgave \$40,000 of this loan and made an additional gross-up payment of \$17,720 to Mr. Marcantonio to offset the income tax effect of the forgiven portion of the loan. In addition, Mr. Marcantonio received a payment of \$87,582 during fiscal 2004 to cover taxes due on the value of previously granted shares of restricted stock that vested in fiscal 2003 and fiscal 2004.

The compensation committee does not anticipate that any of the compensation payable to executive officers of the Company in the coming year will exceed the limits and deductibilities set forth in section 162(m) of the Internal Revenue Code of 1986, as amended. The compensation committee has not established a policy regarding compensation in excess of these limits, but will continue to monitor this issue.

On June 14, 1985, Richard M. Fink, Chair of the Board of Directors of the Company and certain other persons who are no longer holders of Class B Common Stock entered into a Stockholder Agreement with the Company. This Stockholder Agreement presently covers 1,407,423 shares of Class B Common Stock, representing approximately 95.4 percent of the outstanding shares of the Class B Common Stock. The Stockholder Agreement provides for restrictions on the transferability of the Class B Common Stock, in addition to certain restrictions contained in the Company's Restated Articles of Incorporation. The shares of Class B Common Stock were acquired pursuant to an

exchange offer made by the Company in May 1985. The shares of Class B Common Stock owned by Mr. Fink represent substantial voting control of the Company.

CERTAIN TRANSACTIONS

The Company and Norstan, Inc., a corporation of which Mr. Paul Baszucki serves as Chair of the Board of Directors, have entered into a Services Agreement for certain services rendered by Norstan, Inc. in the ordinary course of its business. In fiscal 2004, the Company paid an aggregate of \$95,038 to Norstan, Inc. in exchange for technology-related consulting and other professional services pursuant to this agreement.

The Company is a party to an agreement with Hutchinson Technology Inc., a corporation of which Mr. Wayne M. Fortun serves as President and Chief Executive Officer. Under this agreement, Hutchinson Technology paid the Company \$737,882 during fiscal 2004 in exchange for goods and services.

The Company is a party to an agreement with The Schwan Food Company, a corporation of which Mr. M. Lenny Pippin serves as President and Chief Executive Officer. Under this agreement, Schwan s paid the Company \$441,207 during fiscal 2004 in exchange for goods and services.

The value of each transaction noted above represents less than one percent of the total annual revenues of each entity. In the opinion of the Company s Board of Directors, the Company s relationships and arrangements with Norstan, Hutchinson Technology and The Schwan Food Company do not interfere with the exercise of the independent judgment of Messrs. Baszucki, Fortun and Pippin in carrying out their respective responsibilities as a director. In making this determination, the Board of Directors has considered the monetary value of each of these agreements, the nature and extent of the goods and services involved, and the fact that each were entered into at arms length and in the ordinary course of business.

On June 25, 2002, the Company entered into an Executive Employment Agreement with Richard L. Marcantonio that became effective on July 15, 2002 and under which Mr. Marcantonio currently serves as the Company s President and Chief Executive Officer. Pursuant to this agreement, the Company agreed to extend a \$400,000 interest-free loan to Mr. Marcantonio to help offset certain expenses related to the transition from Mr. Marcantonio s former employment. As contemplated by the Executive Employment Agreement, the Company entered into a loan transaction with Mr. Marcantonio on July 26, 2002. Under the terms of the loan, the principal amount is payable in five annual installments of \$80,000 beginning on the first anniversary of the date of the loan, except that the Company shall forgive \$40,000 of each installment so long as Mr. Marcantonio continues to be employed by the Company. The installment payments will further be reduced by the amount of any income tax imposed resulting from the above-referenced forgiveness or the interest-free nature of the loan. Mr. Marcantonio has pledged certain securities to the Company to secure his repayment obligations. Respective installments of \$80,000 became due and payable on each of July 26, 2003 and July 26, 2004, and \$40,000 of each installment was forgiven by the Company. Mr. Marcantonio is current in all repayment obligations that have come due under this loan. Mr. Marcantonio also benefited from additional \$17,720 gross-up payments made by the Company to offset the income tax effect of the forgiven portions of each loan installment. To date, the outstanding principal balance of the loan is \$240,000.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Company's officers and directors, and persons who own more than 10 percent of a registered class of the Company's equity securities, to file reports of ownership and changes in ownership with the SEC and the Nasdaq National Market. Officers, directors and greater-than-ten-percent shareholders are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file.

Mr. Fink reported a gift made during fiscal 2003 on a Form 5 filed on September 24, 2003; Messrs. Fink, Marcantonio, Moberly and Wright each reported an August 25, 2003 stock option grant on a Form 4 filed August 29, 2004, and Mr. Wood reported this same stock option grant on a Form 4 filed September 4, 2003; Mr. Moberly reported a November 7, 2003 stock option exercise and sale of shares on a Form 4 filed November 12, 2003; Mr. Bronson reported a March 10, 2004 stock option grant on a Form 4 filed April 29, 2004. Except as set forth above, based solely on review of the copies of such forms furnished to the Company, or written representations that no Forms 5 were required, the Company believes that during the fiscal year ended July 3, 2004, its officers, directors and greater-than-ten-percent beneficial owners complied with all applicable Section 16(a) filing requirements.

PROPOSALS OF SHAREHOLDERS

Any shareholder who desires to submit a proposal for action by the shareholders at the next annual shareholders meeting must submit that proposal in writing to the Corporate Secretary of the Company at the Company's corporate headquarters by May 30, 2005 to have the proposal included in our proxy statement for that meeting. Due to the complexity of the respective rights of the shareholders and the Company in this area, any shareholder desiring to propose such an action is advised to consult with his or her legal counsel with respect to such rights. The Company suggests that any such proposal be submitted to the Company by certified mail, return receipt requested.

DISCRETIONARY PROXY VOTING AUTHORITY / UNTIMELY SHAREHOLDER PROPOSALS

The Rule provides that if a proponent of a proposal fails to notify the Company at least 45 days prior to the month and day of mailing of the prior year's proxy statement, management proxies will be allowed to use their discretionary voting authority when the proposal is raised at the meeting, without any discussion of the matter.

With respect to the Company's 2005 annual shareholders meeting, if the Company is not provided notice of a shareholder proposal, which the shareholder has not previously sought to include in the Company's proxy statement, by August 13, 2005, the management proxies will be allowed to use their discretionary authority as outlined above.

SOLICITATION

The Company will bear the cost of preparing, assembling and mailing the proxy, proxy statement, annual report and other material which may be sent to the shareholders in connection with this solicitation. Brokerage houses and other custodians, nominees and fiduciaries may be requested to forward soliciting material to the beneficial owners of stock, in which case they will be reimbursed by the Company for their expenses in doing so. Proxies are being solicited primarily by mail, but, in addition officers and regular employees of the Company may solicit proxies personally, by telephone, by special letter, or via the Internet.

The Board of Directors does not intend to present to the meeting any other matter not referred to above and does not presently know of any matters that may be presented to the meeting by others. However, if other matters come before the meeting, it is the intent of the persons named in the enclosed proxy to vote the proxy in accordance with their best judgment.
